My dear

It has struck me as possible that Supreme Hq. or the Allied Control Commission might desire to repatriate some Prisoners of War Italian Officers for the building up once again of what was known as the Italian Army!!

I am, as you know, now Commandant of an Officers Camp, and, even prior to this, have had a certain amount of experience in dealing with Italian Officers, few of whom attain anything like the qualities or standards that one would expect from an Officer in the British Army.

However, there are one or two exceptions, and I should like very much to draw your attention and for you to make a note of the follwing:

No.9676 Tenente SOLARO Aldo
Iso, No.27705 Tenente MORETTI, Domenico

Both these Officers have served immediately under me for over twelve months, and I have found them in every way first class.

Solaro was originally in an Escapee Camp under me in 1943, at which art he was extremely good! After the collapse of Italy, he and others informed us that their duty to escape had now ceased and they were willing to give us any assistance we required. Solaro then went to my second camp, 359, and was put in charge of 500 men at the DCREs. He has been most loyal, hardworking and conscientious. Contrary to the majority of these Officers, he puts the interests of his men before himself. In the Abyssinian compaign he was a gunner, and was twice wounded. His age is between 30 and 33.

The other Officer, Moretti, was also with me in 43 and joined Solaro in the early part of 44, and, here again, this Officer has done excellent work.

4219

Both of these Officers are respected by their soldiers.

If you can do anything about them, I am sure that they will fully justify their selection.

I heard from Enid that you are going home for short leave. I myself hope to get back on LIAP sometime this Summer.
We shall have to foregather as in the Old Days.

Dear Admiral,

Captain Francesco Positano, prisoner in Bombay, n. 11,050, Camp 25/1 P.O.W. c/o G.P.O., finding himself in the required conditions, has been included in the last list of prisoners to be repatriated sent by the High Commissariat for Prisoners of War to the Allied Commission.

His father, almost ninety years of age, is seriously ill and is at present in a Roman nursing home after submitting to a dangerous surgical operation.

It is therefore essential for the return of Captain Positano to take place without delay.

I therefore ask you, my dear Admiral, to intervene with the competent authorities to obtain a rapid and favourable solution to the above mentioned case.

Thanking you, I remain, my dear Admiral,

Yours sincerely,

MEMORANDUM FOR THE ALLIED COMMISSION

Subject: Repatriation of Lt. ZINGALES, Italian P.o.W. in Algeria.

Lieutenant Umberto ZINGALES was made prisoner in Sicily in Summer 1943 and transferred to Oran and subsequently to Algiers, where he is actually interned at MA/T 438 as P.W. Camp 211.

Application for repatriation of signor Zingales was forwarded to the Allied Commission, through the High Commissariat of Prisoners of War, by the Ministry of Public Works on the ground that the presence in Italy of signor Zingales, as manager of the firm "Società Acque di Caresci" of Cuneo, is necessary to the national reconstruction.

The Allied Commission recently informed that repatriation could not be granted, owing to the present activity of signor Zingales as "cooperator" to the Allied military effort.

The Ministry for Foreign Affairs would be grateful if signor Zingales' case could be re-examined to the effect of his repatriation, taking into consideration not only the above mentioned reasons of public utility but also the serious financial situation of the family (wife and three children), deriving from his long absence.

TO : Italian High Commissioner for Prisoners of War. Commanding General, Autonomous Office for War Veterans and Repatriated Prisoners of War.

Reference your letter No. 1364.7/1 dated 8 February 1945.

1. The release and repatriation of this officer was originally requested by Marshal KESSELRING in December 1944.

2. Colonel ADINOLFI was the subject of a report by the Commandant of the PW Camp in which he was interned, and, in view of that report, the initial request for his release was refused.

3. The report was the result of careful observation of his activities, reports by a number of PW officers on statements made by him, and also reports from independent witnesses on his relations with the Germans in the field.

4. Colonel ADINOLFI was presented as a man who professed the following views :-

" A personal preference for the German Alliance".

" A personal admiration for the figure of Mussolini".

" Regret at the fall of Fascism".

" A personal attachment to the Germans".

" Little enthusiasm for collaboration with the Allies".

5. In view of the Italian General Staffs' renewed request for this officers repatriation, and the fact that recently he has understood that, as a regular officer, unless he formally and officially supported the new Italian Government, he would eventually find himself in an unpleasant situation, he has been released.

6. Colonel ADINOLFI's age and length of internment were also considered. His recent attitude has been that he wanted to go home and look after his garden, as for personal reasons he did not want to fight the Germans or get into trouble by being openly anti-allied, yet it was rightly considered that for motives of self interest, he would accept a position under the new Italian government.

Subject: Release of P.C.Ws. Military Chaplains.

H.E. the Military Archbishop has called attention to the fact that the Military Chaplains,

CASTELLI, don Renato 31-I-70853 - 7086 Batt. Ereg.
TOSCO, don Aristide 31-I-70852 - 7041 Bat. Trup

are with the Co-operator units in the district of Leghorn. Given the locations of these units who are divided up in small groups at a certain distance one from the other, they cannot give them any profitable assistance, nor can they assign other chaplains in the district to take charge of them, they therefore ask to be sent to other units in the territory.

The same Archbishop has also informed us that the Military Chaplain Bernardis don Olivo, son of Igino, born in 1912, who was at the hospital at Camp 139, released from imprisonment by the Allied Command on the 5th. of February 1945, is on the Island of Pantelleria.

In view of the fact that said hospital was closed and the personnel repatriated, we beg you to give the authorization for the return to Italy of Chaplain Bernardis who on his return will enter the office of H.E. the Military Archbishop.

Thanking you for what action you may take.

OGGETTO Rilascio cappellani militari prigionieri di guerra.-

S.E. l'Arcivescovo Ordinario Militare ha fatto presente che i cappellani militari prigionieri di guerra:

CASTELLI don Renato - 81-I-70853-7086 Btg. Ereg
TOSCO don Aristide - 81-I-70852-7041 Btg. Truk

prestano servizio presso unità di cooperatori nella zona di Livorno; data la dislocazione molto frazionata dei reparti essi sono impossibilitati a svolgere una proficua e concreta assistenza ai militari, che d'altra parte possono appoggiarsi ad altri cappellani che si trovano nella zona stessa, e pertanto ne chiederebbe il rilascio per impiegarli presso altre unità in territorio.

Lo stesso Ordinario Militare inoltre ha segnalato che nell'Isola di Pantelleria trovasi il Cappellano Militare Bernardis don Olivo, fu Igino, classe 1912, già appartenente all'ospedale da campo 139 e rilasciato libero dalla prigionia dal Comando Alleato il 5 febbraio scorso.

Poichè il predetto ospedale da campo è stato sciolto ed il personale rimpatriato, si pregherebbe di autorizzare il rientro in Italia del cappellano Bernardis che dovrebbe essere reimpiegato presso l'Ufficio di S.E. l'Ordinario militare. 4191

Sig. GOVERNATORE dell'A.M.G.

Ho l'onore di pregare la S.V. Ill.ma di ottenere il ritorno a casa dei due sottoelencati operai dipendenti di questa Officina Gas, prigionieri di guerra delle Truppe Alleate:

MASIANI Edo sold. R.E. 8I - I - 359575 - US PWE N. 7096 D
NAPLES, ITALY
PAGNINI Alfredo Cap.Magg. - Matr. n. 98359
P.O.W. Campo 39 - Great Britain

La prego rispettosamente di tener presente:

I) che detti due operai sono due esperti apparecchiatori e che nelle attuali circostanze li ritengo indispensabili per i numerosi lavori di riparazione da eseguire nelle tubazioni rotte dai bombardamenti e dalle mine;

2) che non mi è facile trovare su piazza altri lavoratori che possano sostituirli, poichè occorre un lungo tirocinio prima che un operaio possa essere esperto nei lavori della distribuzione del gas, giacchè detti lavori non sono comuni alle altre industrie;

3) che Edo Masiani ha il fratello Dino Masiani militare alle dirette dipendenze delle truppe Alleate in Italia, e che perciò i suoi genitori di età ormai avanzata, inabili al lavoro sono rimasti senza sostegno;

4173

4) che Alfredo Pagnini, figlio unico di genitori di età avanzata, e inabili al lavoro, ha moglie ed una bambina e che perciò egli rappresenta l'unico sostegno della famiglia.

1. Reference is made to your file 1/11/775 of 3rd March, 1945, above subject.

I return to you the letter which you gave me regarding Capt. Giambattista Del Balzo, in occasion of his last visit.

The above mentioned PW was included in the IV° list of the President of the Council of Ministers in order to be repatriated as agricultural specialist.

The Allied Commission cancelled his name, because he had already been asked for to be examined by the Mixed Med. Commission.

The results of this examination are not get known and the family begs you not to base his repatriation on the results of this visit, but to leave instead the name of the officer on the list of the Presidency of the Council of Ministers.

17 march - Spoke with Gen. Gasperi - As He has been put on a list for mixed medical examination, no other request will go forward.

Memorandum for the attention of Lieut. Col. Campbell, Director of the Sub-Commission for It. PW. Allied Commission

R O M E

I herewith return to you the attached letter relative to Captain Giambattista DEL BALZO that you gave me on your last visit.

Regarding the officer in question, we inform you that he was on a list from the Presidency of the Council of Ministers for repatriation and qualified as an agriculturist.

The Allied Commission had his name removed from said list because his repatriation has already been requested, after a medical examination, on sanitary reasons.

The result of this examination is not yet known and the family begs you to ignore said examination and leave him on the list for repatriation requested by the Presidency of the Council of Minister.

Le restituisco, qui accluso, il foglio da Lei lasciatomi circa il Cap.no Giambattista DEL BALZO, in occasione della Sua ultima visita.

A proposito dell'ufficiale in parole, Le comunico che egli era stato compreso nel 4° elenco della Presidenza del Consiglio dei Ministri, per essere rimpatriato quale agricoltore.

Subject: Repatriation of Capt. OLIVIERI Massimo.

Reference your letter IPW/1/7/531 dated 26/12/44, in which your Sub Commission announced Captain OLIVIERI's Massimo repatriation.
It seems that the said officer is now repatriated but not freed, and that he is Commanding Officer of a workers' Unit which has this address:

713 Italian Workshpp Coy R.E.M.E. - POW Camp 208 - NAPLES

The repatriation of Captain OLIVIERI was asked for the re-organization necessities of the Italian Forces (List N. 8 - Stato Maggiore Generale - enclosed with our letter 15632/C/2b dated 12/12/44); for the said Officer was prepared the adapted attachement when repatriated.
Besides, a second son of the same family is dead in this War, and a third son OLIVIERI Oliviero is P.O.W. at this address:

E 49129 - 2nd Camp NAIROBI) KENYA

For these reasons, and knowing that may be utilized another Commanding Officer for the said unit, while Capt. OLIVIERI is requested, for his special qualifications, by Stato Maggiore Generale - Italian Army. I beg you for a kind examination of the repatriation possibilities in regard to the said officer and to his re-attachement at the Italian Army.

Gen. PIETRO GAZZERA

Con foglio 1/7/531 in data 26/12/44 codesta Commissione comunicava il rimpatrio, fra gli altri, del capitano OLIVIERI Massimo.

Da comunicazione pervenuta sembra che detto ufficiale, pur essendo rimpatriato, non è stato posto in libertà e che attualmente trovasi al comando di un reparto lavoratori al seguente indirizzo:
- 713 Italian Work Shop Compagny R.E.M.E. - P.O.W. Camp 208 Naples.

Il rimpatrio del capitano Olivieri era stato chiesto per sopperire alle necessità di riordinamento delle Forze Armate (8^ lista dello Stato Maggiore Generale trasmessa con foglio 15602/C/2/b in data 12/12/44) e per lo stesso era stata pure predisposta l'assegnazione del compito da affidargli al suo rientro in Patria.

Inoltre la famiglia di detto ufficiale lamenta già la morte di un secondo figlio, caduto in guerra, e la prigionia di un terzo figlio - OLIVIERI Oliviero - al seguente indirizzo: matricola E 49129 Campo 2 Nairobi - Kenya.

In considerazione di quanto esposto e tenendo presente che al comando di un reparto lavoratori può essere assegnato altro ufficiale, mentre per la sua competenza specifica il capitano Olivieri Massimo è particolarmente richiesto dallo Stato Maggiore Generale, prego di voler cortesemente esaminare la possibilità di richiedere la liberazione di detto ufficiale e la sua restituzione alle Forze Armate italiane.

Dear Jack,

Many thanks for your letter brought by Child.

I was very sorry you did not manage down on Wednesday. We had a grand party after the procession etc. Strick's message saying that neither he nor you would manage to come, did not arrive till Thursday.

With reference to the application for the repatriation of POW Sgt Maj IACCARINO, I enclose the acknowledgement of receipt of the documents sent to Rome, which I hope will assist you to trace them.

Jim Egan was down for a couple of days whilst waiting on Brig. Andrew arriving.

I am sending this letter up with Beveridge, who leaves on Monday for a week in Rome. After he comes back, I hope to spend a week or so myself with you so, "Be prepared"!

Col Robson is staying for a few days prior to going home. He sends his best regards to you.

All the best and God Bless.

Yours ever

Dick.

La sottoscritta Calabresi Francesca, residente nel comune di Posta (provincia di Rieti) espone quanto segue:

essa ha una figlia e due figli, Luigi che trovasi prigioniero in Germania e Anastasio, nato nel 1906, che trovasi a Mogadiscio prigioniero civile dalla data dell'occupazione della città, e dove trovasi anche al presente ed abita a piazza Savegli n.6.

La suddetta fa presente che ella ha un'azienda di oltre 30 ettari con bestiame bovino, equino e armenti nonchè case e fienili, essa è anziana e che la figlia non può certamente essere abile a condurre l'azienda per la quale occorre molto personale per non andare in rovina.

E' quindi assolutamente necessario che le sia restituito il figlio Anastasio.

Aggiunge ancora che detta Anastasio, nel 1939, aveva condotto con lui a Mogadiscio la moglie, Lidia Mariani, la fece tornare in Italia, col Vulcania; che giunta nell'agosto del 1943, si sgravò il 19 ottobre di detto anno di un bambino. Nell'aprile del 1944 ammalatasi di infezione violenta, decedeva il 3 maggio, lasciando il bambino.

Si raccomanda vivamente, per detti motivi, che le sia fatto tornare il figlio Anastasio.

OGGETTO Calabresi Francesca. Rimpatrio prigionieri di guerra.

La Signora Calabresi Francesca, da Posta (Rieti), chiede che questo Ministero s'interessi per il rimpatrio del figlio Anastasio prigioniero civile a Mogadiscio, adducendo il fatto che la presenza di esso in Italia è necessaria per la conduzione di una tenuta di 30 Ha. appartenente alla famiglia, e perchè in Italia gli è morta la moglie, rimpatriata da Mogadiscio per motivi di salute, lasciando un bambino lattante.

Le asserzioni dell'esponente sono confermate dal Sindaco di Posta e comprovate dall'atto di morte della moglie.

Questo Ministero ritiene che, oltre alla necessità di conduzione dell'azienda agraria, le quali meritano indubbia considerazione, il caso si presenti assai pietoso per le citate circostanze di famiglia. E pertanto lo si segnala alle benevoli determinazioni di codesta On. Presidenza. 4071

THE HIGH COMMISSIONER FOR PW

N.645 Segr.part.

Rome, February 20th 1945

TO:THE ALLIED COMMISSION. ROME.

The parents of PW 2nd Liut.Emo BEVILAQQUA,N.56019= Camp 356 B in Kenya, have requested the Allied Authorities in Asmara the release of said PW and the permission that he be allowed to return Asmara.

The parents reside in Asmara and own an important firm called "Molino a Cilindri e Pastificio G.Vaudetto" which is a firm for the making of macaroni.

It seems that the local Authorities and the Authorities of the East Africa Command have given their approval, and the latter Authorities have telegraphed their approval to the War Office.

Because As far up to date no answer has been received, the father of the officer has begged the High Commissioner to intercede in favour of this releuse.

I should be gratefull if the Commission will give me any information relative to this matter.

N. 645 Segr.part.

Roma, li 20 febbraio 1945

ALLA COMMISSIONE ALLEATA
R O M A

I genitori del S.Ten. Emo BEVILACQUA, attualmente p.d.g. nel Kenia - matr. 56019 - Campo 356 B, hanno richiesto alle Autorità Alleate di Asmara, il rilascio ed il rientro ad Asmara, del loro figlio.

I coniugi BEVILACQUA, risiedono ad Asmara, e gestiscono una importante Azienda Molitoria denominata "Molino a cilindri e Pastificio G. Vaudetto.

L'ufficiale in parola ed procuratore e direttore di detta Azienda.

Sembra che le Autorità del luogo e quelle dell'East Africa Command, abbiano accordato il loro "nulla osta" e che queste ultime abbiano richiesto al War Office, telegraficamente, il benestare per detto rilascio.

Poichè finora non si sarebbe avuta alcuna risposta, il padre dell'ufficiale si è rivolto a questo Alto Commissariato, chiedendo l'intervento a favore della liberazione del figlio. 4064

Porto, quanto sopra, alla conoscenza di codesta Commissione, grato se mi potrà comunicare qualche cosa in merito.

2. I would be very grateful if, having read the attached letter, you could start action on matter, as it is rather difficult at present to meet the requests of 5th Army units for Italian personnel - such as interrogators, terrain guides, partisan liaison, etc. - given the particularly delicate duties they must perform and the necessary qualifications they must have.

Lt. Col. DE MARCO

Dear De Marco,

I have been informed that there is presently in Leghorn, with a Labor Battalion recently arrived from North Africa, Lt. FABIO PADOA.

I know very well said Officer as I have had him with me in North Africa as intelligence officer from June 1941 to May 1943 when he was made prisoner of war by Allied Forces.

Lt. PADOA is an excellent Officer under all points, and currently speaks English, German and French.

I believe that you could successfully request of 5th Army H.Q. that this officer be let free and assigned to your office on liaison duties with advanced units, where for his preparation in intelligence work and for his perfect knowledge of foreign languages he could be very useful as an interrogator of PWs, Patriots, civilians, etc.

Please keep me informed on the results of your action.

With many thanks
