Further to my HQ/1518/500/CA of 3 May 45 the following Security report on a/n is submitted for information.

"There is no actual security objection to the repatriation of REMANDA to ITALY, but the man appears to have enjoyed a decidedly unenviable reputation on account of having systematically abused his official appointment under the Italian administration to feather his own nest, and it seems that the appropriate authorities in Italy should be warned accordingly if he goes there."

2. The a/n is not willing to be repatriated to Italy unless his wife, who is sick, and two children can accompany him, as these are dependent on his present employment.

3. As already pointed out in previous communications the repatriation of individual Italians is not looked upon with favour by this Command due to the unmet that these "special" cases cause amongst the thousands of other Italians held here who do not consider the preferential treatment which has been given to the selected few is justified either by their previous histories or qualifications.

4. Pending receipt of your reply to the above, no further action will be taken here in connection with this man.

TO: Major PATRIDGE

On the 1st list no.62 forwarded to your Sub-Commission by the High Commissioner for Italian POW was the name of Dr.FISCHETTI Giuseppe, Lieut.P.O.W. No.335631 - Camp 10 - Wing 3 C/O C.P.O. Bombay.

Judge of the Milan Courts; his repatriation was requested for him to return to his civil duties.

On the 11th of May 1945, I had the honor to talk with you in your office, in the absence of Col.Campbell, you told me that the P.O.W. in question should be repatriated with 4 other magistrates to be returned to their civil duties. And because I told you of the urgent necessities for their repatriation you were so amiable as to assure me that their return would be solicited.

Allow me to insist with this letter, that they be repatriated, I am encouraged by your courtesy and comprehension, to by you renew the request for their repatriation, as the work for magistrates to-day in Italy is immense, due to the great number of cases to be tried and the lack of Magistrates to try them.

ALLIED CONTROL COMMISSION  
ROME

Through Comd. 353 Italian Coop Group E.A.C.

Sir,

I am Lt. Messes Bruno, born in Italy in 1908, at present a prisoner of war (cooperator) in an E.A. Coop Camp, and I forward this application to you for the following reasons:-

- (a) repatriation to Europe for employment
- (b) employment with Allied Authorities in Germany or other European countries under Allied Administration.

In support of this request I submit the following reasons:-

- (i) I think that the Allied Authorities may need capable, loyal and unselfish cooperation from young men with a hard will for work.
- (ii) I am bi-lingual in German and Italian and have a good knowledge of English and French. I am a Doctor in Political Economy having graduated at the Dresden Polytechnic (Saxony) in 1932. I have an extensive practical knowledge of German Civil Administration and I have held various appointments in German Textile Concerns, banking concerns and other organisations for a period of over five years.

- (iii) My residence was in Germany where I and my family lived for more than 15 years till 1935. I have no relations in Italy, except my mother who is living in Rome because of the war, and I am practically certain that I will never be called for any employment in future. I do apply directly to you hoping that my good will may serve as an introduction.

It is with the utmost frankness and loyalty that I apply to you as I do believe in the Allied willingness to help all the world - rebuilding what has been destroyed, in the moral and material sense, giving the blessings of democracy to everybody.

I too, want to offer my work and will for the same purpose of reconstruction but I cannot do so until I am a free man once again.

I have the honour to be  
Sir,  
Your obedient servant

3. Colonel DELITALA and his family were resident in Ethiopia since 1936. At the moment of the occupation he was Head of the Government's "Local Resources Bureau" in Addis Ababa, and was left there by the British Authorities until he and his family were sent to Mogadiscio (Somaliland) - Via Trevis 9-107. It is not unlikely that they might have been transferred later to Asmara (Eritrea).

3. The repatriation of Colonel DELIPALA has already been requested by the Italian Government (October 1944) as he is needed by the "Albo Commissariato per le Sanzioni contro il Fascismo". Furthermore, information has been now received that Signora DELIPALA is suffering from some tropical disease.

4. On their return to Italy, Colonel DELITAMA and family would take residence in Rome - Via Carlo Poeta, 2 -, with their brothers-in-law, Signor Mario BERLINGUER, "Alto Commissario per la punizione dei delitti Fascisti" and Signor Stefano SILENTI, former Finance Minister with the Bonomi Government and at present, Commissioner of the I.M.I. (Istituto Mobiliare Italiano).

5. Signor Berlinguer and Signor Liotti would assume all costs of repatriation.

1. This case was first considered as an application for release on compassionate grounds, but unfortunately, despite the misfortunes that have befallen this man's mother and sisters, the case did not come within the provisions of any of the three categories for compassionate release.
2. With a view to weighing the matter as a special case, GHQ MEF were asked to supply all available information regarding this PW in order that the statement that BROCCOLI fought with the Greek Partisans against the Germans may be verified.
3. This Headquarters was then informed by GHQ MEF that the PW appeared to be a serious and good type of officer, but as far as could be learned from other sources, he did not fight with the Partisans against the Germans, but lived with a Greek family in ATHENS until he presented himself to the British Authorities on their arrival.
4. In view of the present regulations for the release of Italian PW in British hands it was NOT the intention of this Headquarters to request the repatriation of this PW. GHQ MEF, however, were apparently well impressed by BROCCOLI's record and character and, thinking that his return would be requested, despatched him on a ship that left EGYPT on 8 Apr 45 and arrived at TARANTO on the 20/21 Apr 45, before a request from this Headquarters to retain this man had been received.
5. In the circumstances it is not desired to return BROCCOLI to EGYPT provided that he renders satisfactory service in ITALY, and authority is given for his release, provided that he is immediately re-employed in the Italian Army.
6. Will you please contact the appropriate Italian Authorities and inform this Headquarters as soon as this officer has been re-employed within the Italian Army or if some objection to this proposal has been raised.
7. Will you please inform the Questore of NAPLES as above.

High Commissioner for It.PW.

No. 1503 Segr. Part .

Roma 24th. April 1945.

To the Allied Commission

1169

Per

Colonel Gonario DELITALA of the quartermaster department, who was attached to the Governor General of Italian East Africa in Addis Abeba, at the moment of the British occupation of said city in 1941, was freed as a civilian; a short while afterwards he was transferred with his family (wife and two young daughters) to Italian Somaliland at Mogadiscio, where he awaited a liquidation regarding the sum owed to him for alimentation.

In the January of 1945 it seems that he was asked for the Allies and sent on duty to Eritrea (Asmara); from that moment no news has come from him or from his family, and therefore it is not known whether he is already at Mogadiscio or Asmara.

In the meantime Col. DELITALA has been requested for by the Presidency of the Council of Ministers, on the grounds of being needed at the High Commissariat for the Epuration Committee for Fascist crimes, (on a list sent to your Sub-Commission from this office on the 31st. of October 1944)

To this request no answer has been received.

The presence of DELITALA is very much needed, due to his honesty and his capacity.

This repatriation is also necessary for his family conditions, Mrs. DELITALA being very ill and the climate of Somaliland has put her life in danger.

I would greatly appreciate it if you will inform me of the decision regarding above question and if favourable, repatriate Col. DELITALA and his family.

Roma, li 24 aprile 1945

N. 1503 Segr. part.

ALLA COMMISSIONE ALLEATA

R O M A

Il Col. di commissariato Gonario DELITALA già addetto al Governo Generale dell'A.O.I. in Addis Abeba, al momento dell'occupazione britannica di Addis Abeba, nel 1941, fu lasciato libero, come civile; poco dopo, si trasferì con la famiglia (moglie e due figlie giovani) nella Somalia italiana, in Mogadiscio, ove attese, per conto degli Alleati, a liquidazione di pendenze relative a servizi dell'alimentazione.

Nel gennaio 1945 pare fosse stato richiesto dagli Alleati di trasferirsi per servizio nell'Eritrea, ad Asmara. Ma da quell'epoca non ha dato più notizie né di sé né della famiglia: non si sa perciò se siano tuttora a Mogadiscio, o ad Asmara.

Frattanto il Col. DELITALA è stato richiesto dalla Presidenza del Consiglio dei Ministri affinché fosse rimpatriato per assumere incarichi per conto dell'Alto Commissariato sanzioni contro il fascismo (elenco trasmesso a codesta Commissione da questi Uffici il 31 ottobre 1944).

A tale richiesta nulla è stato sino ad oggi risposto.

La presenza del DELITALA sarebbe intanto necessaria per i compiti per i quali è stato richiesto, data la sua capacità e la sua dirittura.

Contemporaneamente il rimpatrio è necessario per le condizioni della famiglia, essendo la signora Delitala grandemente sofferente per il clima della Somalia che l'ha ridotta in pericolose condizioni di salute.

Sarà grato a codesta Commissione se vorrà comunicare le decisioni prese in merito alla liberazione dell'ufficiale in seguito alla segnalazione di cui sopra, e sollecitare in caso favorevole, il rientro del Col. DELITALA in Patria, *con la sua famiglia.*

1. A request has been received from Signora SPARTA NOTARI widow GELSOMINI of Via Venezia 18, Rome, that this Commission support her application, which it is presumed has been made through normal channels, for the repatriation of her nephew:-

? (over) |||| Lieut. NOTARI Giovanni (1914 class)
N° 31954 N.2. Camp 28 c/o G.P.O. Bombay.

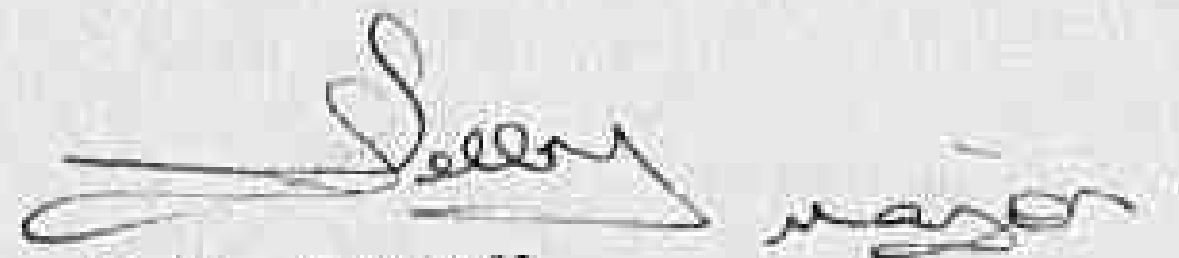

2. The records of this Commission establish that Signora Sparta's son, GELSOMINI Manlio, was of material assistance to Allied escapees during the German occupation. He was arrested by the Germans for this activity, and for partisan activity, and was shot in the FOSSE ARDENTINE on 24 Mar 44. Signora SPARTA was also arrested and beaten and spent one month in the Regina Coeli jail. Her house was ransacked and considerable cash and valuables stolen.
3. The husband of Signora Sparta died in January this year, and she is now alone and in poor health. Lieut. NOTARI is her closest living relative and is stated to suffer from a heart disease.
4. No financial compensation has been paid to Signora Sparta by this Commission.
5. This is considered a most deserving case, and has the full support of this Commission. Signora Sparta's present distressed condition arises directly out of her son's activities in the Allied cause and it is felt that the re-

Thank you for your communication in above mentioned letter.
You may rest assured that the conduct of Colonel ADINOLFI during his imprisonment will be taken to account.

The request for his repatriation was advanced at the time, on the grounds of his previous record as a soldier and his qualities as a Commander of Troops. It had never been considered to employ him as Secretary to H.E. Marshall MESSE.

On the other hand no-one had informed the Italian Authorities of his behaviour during imprisonment.

Si ringrazia per la comunicazione e si assicura che quanto segnalato circa la condotta in prigionia del Colonnello ADINOLFI, sarà tenuto nel debito conto.

La richiesta di rimpatrio nei riguardi dell'ufficiale venne a suo tempo avanzata unicamente per destinarlo ad un Comando di reparto in relazione ai suoi ineccepibili precedenti di soldato ed alle sue qualità di comandante di truppa, e pertanto non fu mai previsto il suo impiego presso la Segreteria di S.E. il Maresciallo MESSE.

D'altra parte nessuna notizia pervenne mai alle autorità italiane in ordine agli addebiti mossi al Colonnello Adinolfi durante la sua permanenza in prigionia.-

SUBJECT : Repatriation of P.W.

TO : Prisoner of War Sub-Commission, A.C.

1. The expansion of the 808 C.S.Bn(I.A.I.) which is an Italian Intelligence organisation operating on behalf of the Allies, and on a British War Establishment, has given rise to an increasing demand for personnel, particularly of officers who have had Intelligence experience or service with the CC.RR. The numbers of these officers is very limited and considerable difficulty is now experienced in finding officers for the work which will be required in Northern Italy.
2. Many CC.RR. officers who have had Intelligence experience are at present held in P.W. Camps and it is thought that if a certain number of these could be released to the 808 C.S.Bn the problem of personnel would be considerably eased.
3. In particular it is requested that the following two officers of the CC.RR., who are known to be well-trained and experienced officers, may be repatriated for service with the 808 C.S.Bn :-

Capt. REDABELLI Emilio, N° 40666, born TRIESTE 13-12-1898.

Release of civilian prisoner • Brazil.

Caranigisiras

The undersigned Pistorio Francesca fu Vincenzo, wife of the sailor Nizza Gastano fu Giuseppe embarked in the Aida Lamo steamer, since January 1940. Has now received a letter from him, dated 31.7. 1944 which tells her he is still a civilian prisoner in Brazil. Legação da Suíça - Rio de Janeiro - Rua Legação 154. He asks her to send him American documents for his release. Not knowing what to do she asks your help for his repatriation.

She has three children and doesn't know how to feed them since 1943. From August she has had no salary. Now she has received from "Ufficio Corresponsioni Assegni di Roma" 500 monthly Lire for August and September which are not sufficient *even for 2 weeks*.

By this you can understand that she needs her husband's assistance to be able to look after her children.

Many thanks.
