ROME

Subject : Request for repatriation of POW Capt. DEL FUGLIA Angelo.

In the 3rd list of officers and specialists, for whom we have asked repatriation (Attention, our letter No. 15815 dated 12 Dec. 44), the name of Capt. DEL FUGLIA Angelo is item 15- No. 81-1-97746 - Camp Fort Meade, Maryland, U.S.A. requested by the Ministry of Agriculture and Forestry.

The repatriation was requested because the presence of said officer is necessary for the direction of a very important agricultural property belonging to his family.

A new element has entered now into the situation, which renders his repatriation very urgent. - The evening of the 19th of December, during an aggression by armed bands, Capt. DEL FUGLIA's father was badly wounded, and two peasants were killed, one of which was the director of the property.

Herewith attached is a medical certificate from the Comune and the Commander of the C.C.R.R. which proves the precarious condition of the wounded father.

We beg you to examine this case and the possibility by the Allied Authorities to repatriate as quickly as possible Capt. DEL FUGLIA Angelo.

HOSPITAL MAESTRI  
Territa di Siena

Rome, 26 December 1944

I visited on the 5th of December 1944 Mr. Del Puglia Eugenio and write and sign the following certificate.  
He is affected with:

- 1) - Arterial Hypertension (Ex-100-Mn. 95 Fashion) with relative heart disturbances.
- 2) - A very large inguinal and testicle hernia.
- 3) - Total lack of teeth with very bad digestive functions.
- 4) - Chronical Bronchial Sattarab with slight lung disturbance.

For the above reasons Mr. Del Puglia was declared by the Florentine Sanitary Military Authorities as unable. From the time of this control visit of the Military Authorities up to now, Mr. Del Puglia's health has become steadily worse and I therefore declare him not only unable for work, but also in need of a certain sanitary assistance.

On the 19th of December 1944 during an aggression by armed hands, Mr. Del Puglia was wounded by a bullet, which entered in the chest, right side and came out the right side of his back. On operating we found that the Plethora had been perforated, back and front, perforation of the peritoneum, with lesions of the superior part of the liver. For these wounds he was in danger of dying for many days and now is still in a very precarious state.

I therefore judge that when cured of this wound he will be, (owing to his original bad state of health) in a very delicate state of health and will need constant assistance.

On ordinary paper at the request of the applicant and consented by law.

Il giorno 8 Dicembre u.s., avendo visitato il Sig. DEL-PUGLIA Eugenio Lu Luigi, gli rilasciai il seguente attestato:  
Ho visitato più volte il sig. Eugenio Del Puglia ed ho riscontrato in lui le sottosegnate deficienze:

- 1) ipertensione arteriosa (Mx. 180-Mn. 95-Pachon) con fenomeni di miocardite da insufficienza mitralica;
- 2) due voluminose ed incontenibili ernie inguino-scrotali;
- 3) mancanza totale dei denti con gravissimo nocimento delle funzioni digestive;
- 4) catarro bronchiale cronico con leggere note di enfisema polmonare.

Per le suddette ragioni, il Sig. Del-Puglia fu a suo tempo dichiarato inabile ad ogni proficuo lavoro dall'Autorità Sanitaria Militare, in seguito a visita di accertamento subita all'Ospedale Militare di Firenze. Dall'epoca della visita militare ad oggi, le condizioni di salute del sig. Del Puglia sono andate sensibilmente aggravandosi, sicchè, a maggior ragione, io oggi lo ritengo inabile ad ogni lavoro proficuo per sè e per gli altri, non solo, ma reputo anche necessaria per lui una certa assistenza.

Il giorno 19 Dicembre u.s., in seguito ad aggressione a mano armata, il sig. Del-Puglia riportò una ferita da arma da fuoco con foro di entrata al torace destro anteriore e foro di uscita alla regione lombare destra. Subito operato, si riscontrò la perforazione della pleura sia anteriormente che posteriormente, versamento ematico endotoracico, perforazione del peritoneo, con lesione da striscio della superficie superiore del fegato. Per le suddette lesioni, egli versa tuttora in gravissime condizioni di salute, dopo essere stato per diversi giorni in pericolo di vita.

Ritengo quindi che, superata la malattia, residueranno postumi di entità notevole che verranno ad aggravare molto le già precarie condizioni di salute del sig. Del Puglia, sicchè maggiormente egli non potrà attendere a nessuna delle sue ordinarie occupazioni, ma avrà bisogno di continua assistenza.

Rome Dec. 28th 1944

SUBJECT: Repatriation of personnel of Corte dei Conti  
from Africa

As your Allied Finance Commission knows, this Corte dei Conti has been gradually reestablishing all its services and from the 13th the Jurisdictional Sections have been able to resume hearings.

The more urgent needs of the various Offices have been met at first by personnel available and afterward by engaging, with the authorization of your Sub-Commission, 150 temporary employees.

But said personnel appears not to be numerous enough to carry on all the work of the establishment. This is becoming more evident as the work of Corte dei Conti and of the whole Italian administration is gradually going back to normalcy.

Whereas 35 magistrates and employees of this Corte, who were serving at the Corte dei Conti branches of Asmara, Mogadiscio, Gondar, Addis Abeba when the Allies occupied the country, are still living in Africa without resources, or as internees or prisoners. As such personnel would be very useful at the present moment to the Corte dei Conti in its present work of reorganization of services, which your Allied Commission seems to appreciate, we beg to examine the advisability of repatriating such personnel by one of the next convoys.

We enclose list of personnel with data and addresses 4942

We should be glad to know if the Allied Authorities would allow, and by which means, the forwarding of money to such personnel as an advance on their salaries.

Subject: Repatriation of Italian Prisoners of War

To : Lt. Col. G. E. Campbell, Prisoner of War Sub-Commission,  
 Allied Commission.

After conversation with the Under-Secretary of Press and Information, Avv. F. Libersati, and with Dott. Leonardo Azzarita of the National Federation of the Italian Press, I am informed that employment can be found for the following prisoners of war at the present time in India and that their services would be of definite use in the important reorganization of the press in Italy. Two of the P/W's come from the North, Captain Zanetti from Milan and 2nd Lt. Miotto from Venice -- and that the sooner they are here the quicker they can be prepared for work in these areas as soon as liberated. The names are as follows:

1. Capt. Giuseppe Zanetti, #31870. He has been on the "Corriere" staff since January, 1943 and has written sports articles for the paper and for broadcasting and has organized sports competitions between the camps as well as contributed to general editorial work.
2. Private Cosimo Rallo, #278331, Printer.
3. Private Giovanni Castiglioni, #75361.
4. 2nd Lt. Luigi Miotto, #140488, Sub-editor and writer. Captured at Massawa in April, 1941.
5. Lt. Luca Nenna, #31381, Leader writer and wireless script writer. Teacher and civil engineer.
6. 2nd Lt. Giovanni Battista Fugigliano, #48449. Sub-editor and caseroom worker, captured in June, 1941 in East Africa.
7. Sgt. Pietro Bucciario, #280783. Publishing and office work. Elementary schooling in New York. Captured at Asmara in 1941.

SUBJECT: Repatriation of Italian Civilian  
Internees from India.  
TO : Political Section.

1. Reference is made to your letter dated 20 December 1944, Ref: 244, addressed to this Sub-Commission, regarding repatriation of Italian Civilian Internees from India.
2. Attached lists of POWs have been examined. On the basis of the sparse information given it appears that most of these men have occupational qualifications which might be useful to the war effort and reconstruction. In general, demand exists and is likely to continue in the case of skilled technical and mechanical workers of all types, as well as craftsmen and artisans. It is noted that the list includes a number of occupations, such as clerk, barber, waiter, merchant, etc., for which the demand might be questionable.
3. This Sub-Commission cannot offer any specific recommendations for action with respect to lists of this character. It is suggested, however, that if occupational priorities are to be given, a definite plan and policy should be developed by the Italian Government. It would then be necessary to assure that applicants receive accurate occupational classifications certified on the basis of interviews, documents, POW work records, or practical tests.

Subject: Request for the repatriation of Italians, useful to the Italian Government, detained as PW in American Camps.

to the Allied Commission. IPW Sub-Commission. --- Rome

see 293

Referring to the list fixed by the P.H.C., of the Italians detained as PW in American Camps, who in peace time were employees of the Ministries, we send this list of names of functionaries, asking for their repatriation, to be employed usefully in Italy.

We beg the Allied Commission to inform the competent authorities so that the abovementioned employees and functionaries will be soon repatriated. The reasons for which we ask their repatriation are:

- 1/ They are necessary for the arranging and the working of the offices, where they were employed before, and that now are vacant.
- 2/ to eliminate to the Government the big expense of paying the PW and their families, with out any return for this payment.
- 3/ to use, in the national reconstruction, men, whose ability is well known.

N° 15573 /I<sup>a</sup> di prot.

Roma, 7 dicembre 1944

OGGETTO : Richieste rimpatrio pdg. italiani internati nei campi di prigionieri in mani americane, di utilità al Governo italiano.

ALLA COMMISSIONE ALLEATA

Sottocommissione per i Prig. di Guerra

R o m a

Riferimento alla lista approntata dalla P.M.Q. di quei pdg. italiani che si trovano nei campi del Nord Africa in mani americane e che in tempo di pace erano impiegati nei vari Ministeri, si trasmette l'unito 1° elenco di funzionari ed impiegati di cui si richiede il rimpatrio per il loro impiego in Patria.

Si prega codesta Commissione Alleata di voler interessare le competenti Autorità affinché i su citati funzionari ed impiegati possano presto essere rimpatriati per le seguenti ragioni:

- perchè necessari per la sistemazione e per il funzionamento degli uffici in cui erano preposti e che presentemente sono vacanti;
- per eliminare allo Stato una spesa non indifferente per stipendi che attualmente deve corrispondere ai pdg. ed alle loro famiglie, senza trarne rendimento di lavoro;
- per utilizzare, specie in questa delicata fase di ricostruzione nazionale, personale di riconosciuta capacità;
- perchè risulta che gli stessi non sono stati impiegati dalle Autorità Alleate per l'inquadramento d'unità di lavoro e sono presentemente inattivi nei campi senza poter essere utili nè a se stessi, nè alla società.

Si ringrazia fin d'ora.

To the Allied Commission . Sub Commission PW. Rome.

The Head Quarters of the Corps of the C.C.R.R. for/increasing of this arm, and to resist the actual and future exigences of the public safety service, notified his High Commissariat the necessity of the repatriation of a larger number of PW, detained by the Allies. From an approximate calculation, we saw that in North Africa only they are about 3000 men. (officers, N.C. officers and soldiers.) We do not have a list with the names of each PW. C.C.R.R., but still we send you the list of names of those soldiers, most of them in North Africa.

We beg the Allied Commission to inform the Superior Authorities, so that the repatriation of the soldiers of the C.C.R.R. corps, detained as PW, will be larger and quicker.

Subject : 200 Specialists for Ministries of the  
Bonomi Government; Second List (Italian PW)

- 1/. The Bonomi Government on the basis of earlier understandings between this Headquarters and Allied Force Headquarters has submitted a second list of 200 Specialist Italians chosen for work for the various Ministries of the Government. A first list of 200 Specialists has already been forwarded to you with letter N. 1/5/135 dated 31 October 1944.
- 2/. The list of 200 has been divided by this Headquarters into those PW held by the American Government and those held by the British. The latter list in duplicate sub-divided by geographical location is forwarded herewith; "locations" are those as furnished by the Italian High Commissioner for Prisoners of War.
- 3/. The importance of the early return of these Italian Specialists should be emphasized. At this time when the Italian Government has passed the first stages of organization and is beginning to operate, it is essential that some of its best administrators and trained specialists be returned. Certainly, if Italian Government help and cooperation are to become an effective force in this War on the side of the Allies, we must act now in repatriating highly needed trained specialists.

1. Reference is made to our letter ACB/4039/2/L of 3 Aug and subsequent letters of even reference number on the above subject.

2. May this Sub-Commission be now advised as to when action can be expected in this matter as the critical shortage of judicial personnel seriously hampers the Administration of justice in Military Government Territory. This situation could be remedied to a considerable degree by an early repatriation of judicial personnel as requested by this Sub-Commission.

PROMEMORIA PER IL DR. ALDO MONACO - Tenente RR.AA. Frigioniero ad Orano (Algeria) matricola n. 81-1-46748 N.A.T.O.U.S.A. Prisoner of War Enclosure n. 126.

Il dott. Aldo Monaco, fu Beniamino, nato a Roma il 7 giugno 1916 laureato in giurisprudenza presso l'Università di Roma nel giugno 1941 con il massimo dei voti, vincitore di numerosi concorsi fece nel 1942 il concorso per Ufficiale Commissario in servizio permanente effettivo nella R. Aeronautica e lo vinse prendendo servizio nello stesso anno; fu assegnato, dopo un corso a Firenze, prima all'Aeroporto di Gela (Sicilia) e poi a quello di Chinisia (Trapani) quale Capo Ufficio Amministrativo. Il dott. Aldo Monaco che lavorava già da anni nel fronte clandestino antifascista, ricevette l'ordine da uno dei nuclei che poi si riunirono nel Partito Socialista Italiano di Unità Proletaria di organizzare in Sicilia gli elementi sani dell'antifascismo siciliano e di mantenersi a contatti continui con il centro.

Nel frattempo dette il concorso per la Magistratura, bandito dal Ministero di Grazia e Giustizia nel 1941 e lo vinse, riuscendo fra i primi. Il 20 giugno 1943 ricevette la lettera del Ministero stesso che lo richiamava a Roma per prestare giuramento quale Magistrato ed ottenere in conseguenza l'esonero dal servizio militare. Intanto il Partito, dopo lo sbarco in Sicilia degli Alleati, aveva dato ordine al dott. Monaco di raccogliere le forze che aveva organizzate clandestinamente sul luogo, di rifiutare l'esonero della Magistratura e la ritirata con le truppe italiane, e di passare invece agli Alleati, con l'ordine perentorio di mettersi a disposizione delle Forze Armate Anglo-Americane per combattere contro i tedeschi, questo è sicuramente avvenuto e confermato dall'interessato. Ma si crede che lo sforzo e il sacrificio del dott. Monaco non siano stati presi in considerazione dagli Alleati, per cui solo in questi giorni, dopo un anno di assenza di qualsiasi notizia si sono riusciti a sapere le prime notizie e l'indirizzo. La caduta dell'Aeroporto di Chinisia, a quanto ci risulta, infatti, sarebbe avvenuta il 24 luglio 1943.

Si richiede ora che dopo un lungo anno di peregrinazioni per i vari campi di concentramento di prigionieri di guerra, si riconosca a quest'uomo che ha tutto sacrificato per l'ideale della Patria, il diritto e l'onore di rientrare in Italia, per combattere da uomo libero e contribuire alla distruzione del nazi-fascismo, la cui lotta è stata da lui iniziata sin dalla più giovane età.

Dalle lettere ricevute in questi giorni dal dott. Monaco Aldo, risulta che la sua domanda di entrare nelle truppe combattenti non è stata presa in considerazione. Qualora sussistesse-

MEMORANDUM ON THE DR. ALDO MONACO - Lt. RR. AA., PW at Gran (Algeria),  
mstr. No. 51-1-46748, Netouss P.O.W. Enclosure No. 126.

The Dr. Aldo MONACO, son of late Beniamino, born in Rome on June 17th, 1916, graduated in 1941 from the University of Rome with a Doctor of Laws degree. Having been successful for many competitive positions, he applied in 1942 for a competitive position as a Civilian Official in permanent service in R. Air Force, and thereupon entered service; after taking a special course at Florence, he was assigned to the Airport at Gela (Sicily) and later to the one at Chinisia (Trapani) as Chief of the Administrative Office.

Dr. Aldo MONACO, having been active for years in the underground anti-fascist movement, was ordered by one of these Committees which later formed the Italian Socialist Party for Proletarian Unity, to organize in Sicily the best elements of the Sicilian antifascist movement and to maintain liaison with headquarters.

In the meantime he applied successfully for a competitive position as a Magistrate in the Ministry of Grace and Justice in 1941. On June 20th, 1943, he received a letter from the Ministry of Justice inviting him to Rome to be sworn as a Magistrate and to obtain, in consequence, his discharge from military service.

After the Allied landing in Sicily the Party ordered Dr. Monaco to activate the underground forces he had organized, to refuse to be discharged by the Magistracy as well as to retreat with the Italian forces; he received instead an order to put himself at the complete disposal of the Anglo-American Military Forces, and to fight with them against the Germans. These facts are certain, and have been confirmed by the person concerned.

It seems, nevertheless, that the efforts and the sacrifices of Dr. Monaco have not been taken into consideration by the Allies. In fact only in the very last days, and after a year of complete absence of any news, has the first information about the address of Dr. Monaco been received. The fall of the Airport of Chinisia seems thereby to have taken place on July 24th, 1943.

We beg, therefore, to ask that, after a long year of wandering through various internment camps for POW, the right and honour to return to Italy should be granted to this man who sacrificed everything for his patriotic ideal, and he given the possibility to fight as a free individual for the destruction of the Nazi-fascism against which he began to struggle when he was still a youngster.

The letters lately received from Dr. Monaco show that his request for enlistment into the fighting forces has not been taken into consideration. If special reasons make such enlistment impossible, we ask for his repatriation. He would be able then to join the ranks of the Magistracy, and, owing to his political and educational preparation, to take part in the struggle against the Fascism and for the reconstruction of Italy and Europe.

1. I am enclosing a list of numbers of the Italian judiciary who are believed to be Prisoners of War in the various theatres and for whom the Minister of Justice has asked.
2. The reason for this request is that as we move further north judges of these various classes are required. As a matter of fact there are at the moment a number of vacancies in certain of the courts <sup>in particular</sup> recently liberated from the Germans.
3. The Minister of Justice stated, at a meeting held today, that so far as he was aware the persons mentioned in the enclosed list would be satisfactory for service and are not objectionable from a fascist standpoint. The Minister of Justice in all cases does not know where the prisoner of war is held.
4. It is asked that the request of the Minister of Justice be passed on ~~ACC~~ in order <sup>that</sup> the return of these prisoners of war be commenced as quickly as possible.
5. There was some previous correspondence some time ago with AMHQ concerning the sending of a mission to North Africa when AMHQ was located there. The mission was to consist of General TRAINA, who was the Procuratore Generale, — Dott. TARTAGLIA, of the Ministry of Justice, and an officer of ACC. It was intended that they should go jointly to pick out as many of the judiciary, military and civil, as was possible.
6. However it later developed upon the fall of ROME that there was a sufficient number of military judiciary personnel available and, therefore, General Traina's mission was called off by the Italian Army. However, I understand that a request for a few officer Prisoner of War was subsequently submitted. In view of the foregoing the mission insofar as Dr. TARTAGLIA was concerned was not pursued.
6. If Dr. TARTAGLIA is required at any time to go to North Africa he is available to do so.
7. I should like to know how this matter is likely to be handled as the Minister of Justice regards it as urgent.

SUBJECT: PW belonging to the Military Justice.

Dear Colonel Campbell,

As you will remember we stated together that the Military Justice is wanting staff and owing to this the function of that very important organ is in crisis.

As to the agreement I attach a list of the officers belonging to the roll of Military Justice who are actually PW in French North Africa. Would you have the great kindness to interest yourself about the returning of them to Italy, if possible of all of them, otherwise at least of part of the staff mentioned, as this would allow the resuming of the normal function of the Military Court of Justice.

Thank you,

Sincerely yours,

High Commissioner for Prisoners of War.

Cava dei Tirreni 29 June 1944.

File No. 1114/M11/C2

TO: A.C.C. Salerno.

SUBJECT: Request for Officers POW belonging to the Roll of Military Justice or those employed in judicial offices.

I do not think it necessary yet to send an officer to the POW Camps in North Africa to determine the officers of Military Justice or those employed in judicial offices; they must be very few in number.

There is however, a considerable group of officers belonging to this roll, in the camps in Kenya, since they come from Italian East Africa where military law courts had been regularly established for some time before the outbreak of war.

I indicate the following, which I consider suitable both because of their technical capacity and their loyalty:-

Captain FERRELLA	Gioacchino	Kenya
" SPALLA	Mario	Kenya
Major BALIVA	Fulvio	Kenya
" ARCHIACCO	Giuseppe	Kenya
" CAPORETO	Paolo	Kenya
Captain FOSCOLO	Ugo	Kenya
Major PESORILLI	Oreste	Kenya
Captain LOTTI	Pasquale	Kenya
Captain GAMBARDILLA	Oreste	Kenya
Captain BRANCATI	Giuseppe	India (Camp Yol)
Lt. MARANUTTI	Carlo	Kenya
Captain VILIPPI	Mario	Kenya
General JANNUCELLI	Silvio	Eritrea

We do not know the names of the Camps in which the officers are detained or the serial number of each officer POW.

The above named officers are all urgently required for operating military courts already existing and for the eventual organisation of other law courts in the Italian territories being liberated.

The repatriation of these officers should not of course delay the repatriation of the POW who have already been requested for military needs.

N° 1114/Mil/C.2 di prot.

OGGETTO : Richiesta di ufficiali prigionieri di guerra del ruolo della Giustizia militare o incaricati di funzioni giudiziarie.

*Request from officer POW for Roll of Military judges*

ALLA COMMISSIONE ALLEATA DI CONTROLLO

Salerno

Non ritengo che sia per ora necessario l'invio di un ufficiale nel Nord Africa col compito di individuare nei campi di prigionieri di guerra gli ufficiali del ruolo della giustizia militare o incaricati di funzioni giudiziarie : essi devono esservi in scarsissimo numero.

Invece un considerevole gruppo di ufficiali di questo ruolo si trova nei campi del Kenya, perchè provenienti dal territorio dell'Africa orientale italiana ove i tribunali militari erano stati regolarmente costituiti da tempo, prima dell'inizio della guerra.

Segnalo i seguenti che mi risultano idonei sia per capacità tecnica, sia per lealismo :

capitano PERRELLA	Gioacchino	- Kenya
capitano SEGALLA	Mario	- Kenya
maggiore BALIVA	Fulvio	- Kenya
maggiore ARCIDIACONO	Giuseppe	- Kenya
maggiore CAPONETTO	Paolo	- Kenya
capitano FOSCOLO	Ugo	- Kenya
maggiore PESCIUCCI	Oreste	- Kenya
capitano LOITTI	Pasquale	- Kenya
capitano GAMBARDELLA	Oreste	- Kenya
capitano BRANCATI	Giuseppe	- India (campo di Yol)
tenente MARAMITTI	Carlo	- Kenya
capitano FILIPPI	Mario	- Kenya
Generale JANNUCELLI	Silvio	- Eritrea

Si ignora il nome dei campi nei quali gli ufficiali sono detenuti ed il numero distintivo di ciascun ufficiale prigioniero di guerra.

Gli ufficiali sopra indicati sarebbero tutti <sup>urgente</sup> necessari per il funzionamento dei tribunali militari già esistenti e per l'eventuale organizzazione di nuovi tribunali nei territori italiani in via di liberazione.

Naturalmente questo rimpatrio non dovrebbe ritardare il rimpatrio dei prigionieri di guerra che sono già stati richiesti per le necessità militari.

The Legal Sub-Commission have strongly represented the fact that the delay in bringing to trial of accused persons in Italian courts is accentuated by shortage of judicial officials.

I attach herewith a list of 24 judicial officials now Prisoners of War for whom a request for repatriation has been made. It would be appreciated if you will consider this list in the light of the above paragraph and place the officers concerned in priority lists as you may, upon consultation with the appropriate Italian judicial authorities, consider necessary.

I note that you are now preparing priority list No. 24 as dealt with in the letter from the Deputy Chief Commissioner to General INFANTE No. DCC 383.6 dated 1 April.

7 April 1944

SUBJECT: Italian Judicial Personnel now POW.

TO : Army Sub-Commission

1. Trials of offences against Allied interests have been, and still are, delayed, both in the Military and the Civil Courts, by the lack of judicial officials.
2. Our policy must be to turn over an increasing amount of judicial work to the Italian Courts, and it is highly undesirable that the Italian authorities should be able to allege shortage of personnel as an excuse for delaying trials.
3. Attached is a list of 24 judicial officials, now prisoners of war.
4. While it is understood that general policy has been to hold all POW, it is urgently asked that these officials may be returned to this country as soon as possible for judicial work.
