MEMORANDUM PER L' ITALIAN PRISONER OF WAR DIVISION
M.M.I.A. HQ, Allied Commission - Rome -

Il Ministero degli Affari Esteri ha l'onore di interessare codesta Commissione affinché voglia compiacersi sottoporre all'esame delle competenti Autorità Alleate la richiesta di rimpatrio, con precedenza, del prigioniero di guerra soldato BIAGIANTI Aldo- n.10058- P.O.W. 35 Camp- Great Britain.

La richiesta di rimpatrio del soldato Biagianti potrebbe essere motivata dal fatto che il predetto militare, come si rileva dall'istanza che si acclude, oltre ad essere ritenuto elemento utile alla ricostruzione del Paese, ha la moglie affetta da grave malattia mentale.

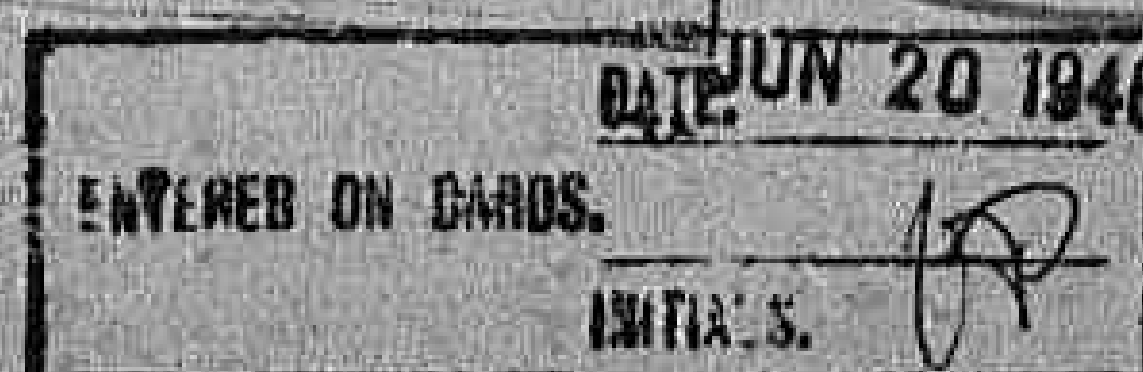

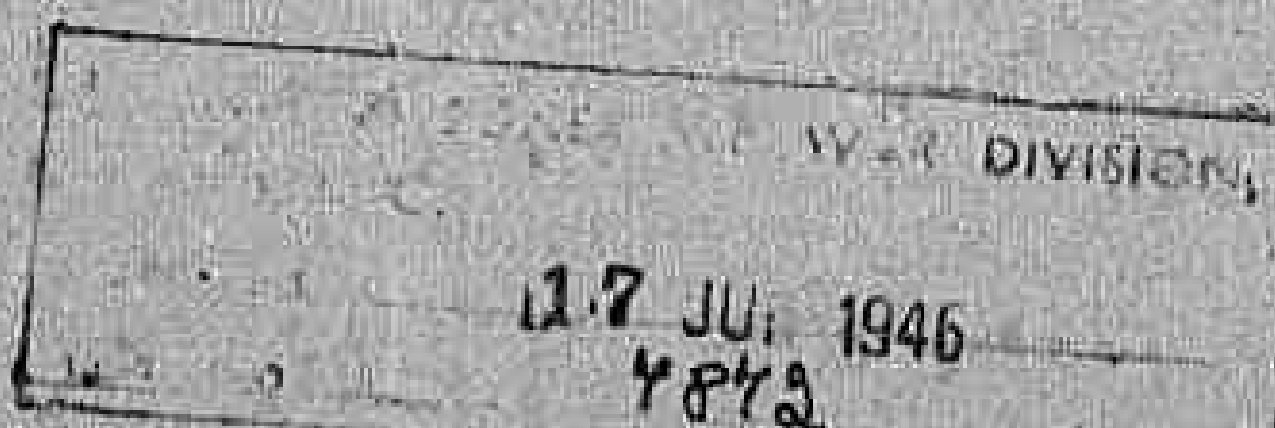

Il Ministero degli Affari Esteri sarà grato a codesta Commissione se vorrà cortesemente favorire un cenno di risposta.

Li,

I sottoscritti - Biagianti Lido fu Emilio, Biagianti Irma nei Pracassi fu Emilio, Biagianti Bruna nei Sarrini fu Emilio, Biagianti Bianca vedova Brutti fu Emilio e Vetti Francesca nei Biagianti Aldo - fanno presente che trovasi prigioniero in Inghilterra, il loro rispettivo fratello e consorte BIAGIANTI ALDO al seguente indirizzo T 10058 P.O.W. n° 35 Camp., e che il suo ritorno è indispensabile per la condotta dell'azienda paterna costituita da ben tre molini a cilindri per cereali, posti tutti in provincia di Arezzo (Olmo comune di Arezzo, Pieve al Toppo comune di Civitella della Chiana e Sansepolcro).

Che questi molini furono in parte distrutti dagli eserciti tedeschi in ritirata e che attualmente è urgente provvedere alla ricostruzione loro essendo indispensabili per i servizi alimentari della regione e per concorrere alla ricostruzione nazionale.

Aggiungono - per giustificare la presente richiesta - che il richiedente Biagianti Lido è malato ed invalido di guerra; che la consorte del prigioniero è inferma, come risulta dall'allegato certificato medico; che infine il defunto padre Biagianti Emilio, trovò la sua morte in Arezzo a seguito di un bombardamento aereo avvenuto nel 2 dicembre 1943. Così l'impresa è venuta a trovarsi in mano di persone che non hanno la possibilità di condurla convenientemente, trattandosi di donne e di un figlio malato.

E' quindi indispensabile che il prigioniero Biagianti Aldo rientri in Italia per riprendere la ricostruzione e la direzione dell'azienda paterna, che altrimenti andrebbe in definitiva rovina.

I richiedenti sottoscritti dichiarano altresì di assumere l'onere della spesa di viaggio per il rimpatrio in Italia del suddetto prigioniero Biagianti Aldo.

from: Messrs. Savero Parisi

Rome 1st January 1946
Via S. Martino della Battaglia 4.

Declaration

The undersigned Enrico Parisi, domiciled in Rome, Via S. Martino della Battaglia 4, principal of the firm Savero Parisi specialised in road construction, railway construction and reclamation of lands, begs to submit the following:

His son, Sgt. SAVERIO PARISI, born in Rome on the 19th January 1916, is a member of the firm as principal adviser of the father and he has been a Soldier since 1939.

On the 8th September 1943, the day of the Amnistie, Sgt. Parisi was at Hyeres (Toulon - France) serving with the Italian XXII Army Corps. He was captured by the Germans and, having refused to collaborate and fight with them, he was interned and made to do ^{heavy} manual labour.

He worked for a time in the South of France, then, for four months, in an Atlantic Island and, finally, in the North of France from where, on the 25th June 1944, during the battle of Cherbourg, he succeeded to run away from the Germans and to join the Allied troops.

From Cherbourg he was sent by the Allied to Great Britain and he is still there, as a Prisoner of War under the No. 54919, in the F.O.W. Camp at Haveron, near London.

The father is very upset for the absence of the son more so in view of the fact that the son, who has been suffering since his youth with a nervous complaint, might have a relapse caused by the hardship suffered recently. In fact, during his adolescence and first youth, Sgt. Parisi was afflicted with "hichonerosis distonia".

January 1946, as a member of the Home Guard, his father and he has been a Soldier since 1939.

On the 8th September 1943, the day of the Armistice, Sgt. Parisi was at Hyeres (Toulon - France) serving with the Italian XXII Army Corps. He was captured by the Germans and, having refused to collaborate and fight with them, he was interned and made to do ^{heavy} manual labour.

He worked for a time on the south of France, then, for four months, in an Atlantic Island and, finally, in the North of France from where, on the 25th June 1944, during the battle of Cherbourg, he succeeded to run away from the Germans and to join the Allied troops.

From Cherbourg he was sent by the Allied to Great Britain and he is still there, as a Prisoner of War under the No. 54919, in the P.O. W. Camp at Harrow near London.

The father is very upset for the absence of the son more so in view of the fact that the son, who has been suffering since his youth with a nervous complaint, might have a relapse caused by the hardship suffered recently. Sgt. Parisi, during his adolescence and first youth, Sgt.

Parisi suffered intermittently with "psychoneurosis distimia" (a serious nervous complaint) as stated by medical certificates from Prof. Mendicino, a Rome specialist, and Prof. Grugone, principal of the Medical Clinic of the Rome University. These certificates were forwarded through the Red Cross since the 3rd November 1944 with a petition for the repatriation of Prisoners of War.

Sgt. Parisi at the beginning of his military service and before being a P.O. W. suffered a relapse which, fortunately,

did not last long.

Now, after such a long absence from home and so many privations and change of climate, which influenced adversely in cases of nervous complaints, it is to be feared for the health of Sgt. Parisi and the father begs for his speedy rehabilitation both for the health of the prisoner and for the great help that he will be able to give to his father's firm now that so many works of national importance in Italy for the reconstruction of roads, railways, lines etc. have been undertaken by the firm. Sgt. Parisi, as already stated, is principal adviser of the firm.

VIA S. MARTINO DELLA BATTAGLIA 4

D I C H I A R A Z I O N E

Il sottoscritto Nob. Enrico Parisi, domiciliato in Roma - Via S. Martino della Battaglia n°4 - Titolare della Ditta Saverio Parisi, specializzata in costruzioni stradali, ferroviarie ed opere di bonifica, si pregia di esporre e dichiarare quanto segue:

Il di lui figlio Sergente Saverio Parisi, nato a Roma il 19 gennaio 1916, facente parte anch'egli della Ditta quale principale Fiduciario del Padre, trovosi sotto le armi sin dal 1939.

Il giorno 8 settembre del 1943 giorno dell'armistizio, il Parisi trovandosi a prestare servizio presso il XXII Corpo d'Armata italiano a Hyères (Tolone-Francia) fu preso dai tedeschi e non avendo voluto abiurare e combattere a loro fianco, fu internato e addetto a faticosi lavori manuali.

Da prima lavorò nel Sud della Francia, poi fu mandato per quattro mesi in un'isola dell'Atlantico e finalmente, rimandato in terra ferma nel nord della Francia, il 25 giugno 1944, durante la battaglia di Cherbourg riuscì a sfuggire ai tedeschi e ad aggregarsi alle truppe Alleate.

Da Cherbourg fu dagli Alleati mandato in Gran Bretagna, ove trovosi tuttora quale prigioniero con il numero di matricola 54919 nel Campo n°122 ad Harrow nei pressi di Londra.

La costernazione del sottoscritto durante questa lunga lontananza del figliuolo è stata ed è sempre grave, perchè a ragione pensa che dopo tante disavventure e circostanze, il giovane possa ricadere in una malattia nervosa sofferta nell'età dello sviluppo e fino a poco tempo prima di iniziare il suo servizio militare.

Difatti il giovane nella sua adolescenza e prima gioventù, ha ripetutamente sofferto di psiconevrosi distimica (grave malattia nervosa) come lo comprovano i certificati medici - del Prof. Mendicini, psichiatra con clinica a Roma e del Prof. Frugoni, titolare della clinica medica dell'Università di Roma, che, fin dal 3 novembre 1944, furono rimessi con una istanza di rimpatrio all'Ufficio Prigionieri della Croce Rossa.

./..

Il Parisi sotto le armi, prima della prigionia, non stette troppo bene per il suo male, ma fortunatamente si trattò di una lieve ricaduta, che potè essere superata.

Ora dopo un sì lungo tempo di lontananza dalla terra nativa, dopo tante privazioni e cambiamenti di clima, fattore di grande influenza sui malati nervosi, si teme per lo stato di salute del Parisi e se ne implora il rimpatrio che, oltre a garantire la salute dell'interessato, riuscirebbe di grande utilità alla Ditta Parisi, che in atto sta per contrarre in Italia importanti lavori di ricostruzioni ferroviarie e di bonifica e della quale, come sopra è detto, il giovane Parisi fa parte quale principale Fiduciario del sottoscritto Titolare.

It results that the Military Chaplain Marocco Luigi
POWT 1/8026 - Camp 14 Grati Britain has been interned in a

As prospected in our letters, n° 1580/Pol./F.7 dated

for a similar case, the chaplain is question belonging to the

testimoni, tutti residenti in questo Comune, a me ben noti ed idonei a forma di legge.

I Medesimi, previa l'ammonizione sull'importanza morale del giuramento, sul vincolo religioso che i credenti, con esso, contraggono innanzi a Dio, e sulle gravi pene sancite dalla legge contro i testimoni falsi o reticenti, prestano giuramento pronunciando la seguente formula: «Giuro di dire la verità, nul, l'altro che la verità».

Quindi, da me interpellati, hanno concordemente dichiarato quanto appresso: - Sotto il vincolo del prestato giuramento, e per essere a nostra piena conoscenza possiamo attestare che Mangiapelo Angela Giovanna fu Raffaele vedova Fanfarillo è madre di due giovani Fanfarillo Amato e Fanfarillo Raffaele. Che il Fanfarillo Raffaele è deceduto in Grecia in combattimento come da comunicazione ricevuta dal Comando dei R.R.CC. di Alatri. Che pertanto essendo la Mangiapelo rimasta sola in famiglia con un'unica figlia si rende necessario che l'altro figlio anch'esso militare Fanfarillo Amato prigioniero di guerra nel Great Britain N. 64023 venga restituito alla famiglia essendo rimasto così capofamiglia.

Letto, confermato e sottoscritto come appresso: direzione di essa e dell'azienda agricola
