ROMA

Il Sig. Romolo MATTIOLI, titolare dell'impresa di costruzioni omonima con sede in Corso d'Italia 11, si è rivolto a questa Presidenza facendo presente di avere, in data 12 marzo 1945, inviata domanda all'Alto Commissariato per i prigionieri di guerra perchè suo figlio, S.Ten. MATTIOLI Francesco, prigioniero di guerra delle Forze Armate Americane in territorio francese, venisse fatto rientrare al suo posto di lavoro quale dirigente insostituibile dell'impresa sopra detta.

Detta domanda, a quanto egli riferisce, fu subito accettata dalle Autorità Alleate che disposero il rimpatrio del Mattioli, salvo la possibilità di un mezzo di trasporto.

Essendo già trascorso qualche mese il sig. Mattioli chiede che venga sollecitato presso le Autorità Alleate tale rimpatrio ottenendo, possibilmente

un'autorizzazione scritta per il rilascio del prigioniero, essendo egli in grado di recarsi a prelevarlo con mezzi propri, sia sul luogo d'internamento, sia ad una località di confine che verrebbe scelta.

Nel rimettere copia della domanda già presentata all'Alto Commissariato per i prigionieri di guerra, di cui si è fatto cenno, si prega vivamente la S.V. di voler svolgere il suo cortese interessamento affinchè la richiesta del Mattioli venga benevolmente esaminata.

UNITED STATES INFORMATION SERVICE
OFFICE OF WAR INFORMATION
PALERMO, SICILY

TO : Lieut. S.L. Tortorella
Officer in Charge
Prisoner of War Unit
Palermo

9 April 1945

From : Ralph J. Frentz, Chief, Sicily Division,
Office of War Information

SUBJECT : Release from prisoner status of two Italian PW/s

I would like to make formal request for the release from prisoner-of-war status of two Italian prisoners of war under your jurisdiction. They are :

CAGNATO, Marcello

ZULIANI, Claudio

Both have been attached to the Psychological Warfare Branch Unit No.6, since about the beginning of 1944, and now that PWB operations in Sicily have been terminated, they are temporarily in the service of OWI. During all the time these two men have been under my orders, their work has been exemplary. They were both attached to our United Nations Documentation Center in Palermo, and did all the art work, display work as well as general duties connected with that center.

They have been extremely helpful in the work of liquidation of PWB, and are at present serving as guards for our OWI offices, as well as performing general duties in connection with our new OWI operations.

They will be extremely valuable for future OWI operations in Sicily, and I am ready to put them on the OWI payroll if they can be restored to civilian status. However, my superiors in Rome feel, and I believe rightly, that it would conflict with the long-range American propaganda aims of OWI to have prisoners of war in our service. I am attaching a certified true copy of part of a letter from Robert LaBlonde, executive assistant to the OWI chief for Italy, on the subject of these prisoners.

If they can be released from prisoner status, I would use them for future photo displays, and other exhibits which OWI is plan-

Declassified E.O. 12065 Section 3-402/NNDC NO. 725020

ning to organize in Sicily. They would also serve as guards for our new OWI offices, since I will have available sleeping quarters for them there. They will earn an adequate monthly wage, and will be able to provide for themselves.

Cagnato is an excellent sculptor and is planning a one-man exhibition of his work shortly. Zuliani is an excellent caricaturist and recently held a one-man exhibition of his work here in Palermo. It would be difficult to find two other men with the artistic abilities of Cagnato and Zuliani for future OWI work in Sicily, which is why I am requesting their release from prisoner status.

It would be greatly appreciated if you would forward this request through proper channels, along with your own recommendation on the subject, since you are personally acquainted with these men. Thanking you in advance for whatever you may be able to do in this case.

Sincerely

Ralph J. Frantz

CERTIFIED TRUE COPY OF PART OF A LETTER

FROM : Robert LaBlonde
Executive Assistant to James Linen,
Chief, Office of War Information, Italy

TO : Ralph J. Frantz, Chief, Sicily Division, OWI.

ON THE SUBJECT OF RELEASE OF TWO ITALIAN PRISONERS OF WAR.

The excerpt follows :

"As regards the two POWs, I have tried to determine at this end how they might be released so that you could employ them as Italian civilians. The consensus seems to be that the proper channel for such a release is the commanding officer of the POW Unit in Palermo. Doesn't Lieut. Tortorella have any suggestions you might follow? We agree that the POWs in question are well qualified, and I hope you can find some means to obtain their release to a civilian status. Once that's done I can see no objection to their being hired for your USIS operation"

Special Screening Report

The following special screening report is submitted relating to Cpl.Magg.FUSCO Augusto,81-I-296 199,at present interned in this Camp.

1. Subject,who is born in 1914 at Naples,graduated from a technical school of his home town in 1931,then tried to find a job as an office worker. In this he succeeded but incompletely,never being able to secure a permanent position. During most of the period until subject's final induction,Fusco was working with his father and also studying privately. In 1935 subject passed another examination,that of higher technical studies (licenza technica superiore) and became thus entitled to the designation of an accountant. In 1938,subject commended to study commercial sciences at the university of Naples until in 1940,he was conscripted. After a few days,though,subject was deferred on account of his weak constitution,the same as several years before when his class was first called.

2. On 2 February 1943 a recheck of deferred cases was made and this time Fusco was accepted. At time of armistice,subject,who, thanks to his education,was promoted to corporal major,was stationed at Tivoli near Rome as a member of the armored division "Arieti". His battalion was disbanded and the men were promised safe conducts to reach their homes by capturing German troops. Instead,they were taken to Verona and from there to a P/W camp near Munich. After a transfer to a Camp near Berlin,subject and his comrades were told that they had to decide whether they wanted to join the ranks of the Fascist Republican Army,or labor units working for the axis. There was no talk of remaining a prisoner of war,a category which was to be abolished. Subject elected to work, after which rations improved and he was promised pay,to wit 2 marks a day,payable after the war. On 20 August 1944 subject reached his station,as he says with the firm intention to make his getaway as soon as possible. In Bologna,he was quartered in barracks and put to work as a member,not in a position of leadership though,of the organisation Todt. On 14 September was sent with a convoy carrying rations to the front lines. Arrived at Firenzuola near the Futa Pass,the trucks were fired on by artillery and halted. Subject stepped out of his truck,was hit and lost conscience. When he regained his senses,he was in the midst of American troops. After a period of hospitalization subject was finally transferred to this camp (17 January 1945).

CONFIDENTIAL

Declassified E.O. 12065 Section 3-402/NNDC NO. T85020

3. Subject's father is the owner of a general store or dry goods store at 9, Piazza Otto Calli; Fusco senior took care to give his children a good education, though he is not a wealthy man. Subject was not selfsupporting most of the time and has been dependent on his father for his livelihood.

Subject, as a member of the preparatory organizations of the Fascist Party which he had to join as a student of higher schools, acquired automatically membership of the Fascist National Party when attaining his 21st year. Subject did not hold positions with the party or party organizations, but he was at times employed with the city of Naples. This job was obtained on the strength of Fusco's qualification as an accountant and without qualifying examination, since it was only temporary employment.

Fusco disclaims any Fascist sentiments, emphasizes that he was compelled to become a member of the labor organization, that he avoided combat duty against the Allies and regrets that the short period of time during which he had been stationed in Italy prior to his accident did not allow to accomplish his intentions to desert. He states that he would be glad to work in any capacity for the Allied government to prove his good faith.

Subject produces a favorable impression upon interrogator. Pending further investigations at subject's residence, if deemed necessary by higher authority, it may be assumed that subject's story is true, at least in its broad outlines, and that sentiments expressed are not merely uttered out of opportunism.

1st Lt., Infantry
Personnel Officer.

Statement.

The following medical report is submitted relating to P/W FUSCO Augusto,Cpl.Magg.,81-I-296 199 at present detained in this P/W Enclosure.

Patient was allegedly wounded on 17 September 1944 while a worker behind German lines by artillery fire. He was struck in left arm,abdominal wall,and left thigh,the latter wound being the only serious one. He was taken prisoner in the region of Futa Pass and was evacuated to an American hospital in Florence where he had three operations. Examination now reveals large superficial scar of old skin grafts in left anterior thigh. There is a large deficiency in the extensor muscles of the thigh. There is inability to flex and extend the thighs. Patient walks with distinct lag of left leg and is unable to get up from a chair without the help of his hands. There is inability to flex or extend at the ankle,- but no foot drop exists.

Impression: Functional weakness of left leg and foot due to loss of large quantity of muscle tissue in anterior thigh region.

Il sottoscritto, soldato COLLI, Vittorio, matricola 31-I-313569, appartenente alla 701lth QM Service Co (It.) chiede che venga rilasciato dalla prigionia.

A sostegno della sua richiesta porta a conoscenza quanto segue :

Il 26 August 1944, dopo l'invasione della Francia del Sud si presento' alle Autorita' Americane di Draguinani (Francia) dopo essere fuggito alle Autorita' Tedesche di occupazione. (Prima di questa data il sottoscritto era in Francia con la IV Armata Italiana e costretto dai Tedeschi, dopo l'Armistizio dell'Italia, al lavoro forzato che consisteva nella riparazione di strade, ferrovie ecc.)

I, undersigned, Pvt. COLLI Vittorio ISN 31-I-313569, 701lth QM Service Co (It.) request that I be released and freed from a prisoner of war status of the Allied Forces.

In behalf of my request the following informations and facts are reported:

On the 26 August 1944, after the invasion of Southern France, I reported to the American Authorities in Draguinani (France) where I had escaped from the German Authorities, (prior to that date I was with the Italian IV Army, and after the Italian Armistice was then transported by the German Army to France where I was compelled to do forced labor which consisted of construction of roads railroads etc.)

In view of the fact that Italy was recognized as a cobelligerant at this time, and that the majority of my camrades were freed and returned to Italy while I was transported to Africa, as a prisoner of war, I beg that I may now be freed from being a prisoner of war.

SUBJECT: Request for Repatriation of Capt. ROSSI, Filippo

TO: Commanding General
Army Service Forces
Washington 25, D.C.

1. A request has been made for the release of Capt. ROSSI, Filippo, ISN E.T.O. 177 M1, who is presently interned in the United States.

2. This request is occasioned by the fact that two Italian women of Florence fed and sheltered for six months a British war prisoner who had escaped from an Italian concentration camp. In lieu of monetary compensation, they urgently request the repatriation of Capt. ROSSI.

3. The request is strongly endorsed by Allied Commission, British authorities, and this headquarters since it is felt that such a release would stimulate good will and indicate a desire on the part of the Allies to reward a deserving case.

4. Subject to your concurrence and security clearance, it is requested that Capt. ROSSI be released, shipped to Italy, and this headquarters notified of expected time of arrival.

Dear Marshal Messe,

With reference to your letter regarding General of Brigade Giuseppe COSTA, I have gone into the question of his repatriation and find that this officer will be amongst the first to be repatriated immediately shipping is available, provided there is no security reason against his release.

The question of repatriation of all officers for appointment in the Italian Army has now to be checked through MMIA and the Ministry of War before repatriation can be asked for or hastened.

I regret any delay in answering your letter.

Yours sincerely,

Dear Colonel Campbell

I received many solicitations for the repatriation of the General of Brigade Giuseppe COSTA, actualy in Camp Fort Meade Maryland New York.

I could not include the name of the above-mentioned General in the monthly lists, that the General Staff sends to the Allied Authorities, as the officer is older than 50 years.

Moreover the High Commissioner for PW requested to the Detaining Power, that General COSTA passed a medical examination by the Mixed Medical Commission, as he is now in goood condition of health.

I will be very gratefull to you, dear Colonel, if you will interest yourself in facilitating the repatriation of General COSTA, who, after a period of cure in Italy, will be of great help in the Italian Army.

Kind regards.

IL CAPO DI STATO MAGGIORE GENERALE

781 a

Caro Colonnello Campbell

Mi sono pervenute vive sollecitazioni per il rimpatrio dalla prigionia del Generale di Brigata Giuseppe COSTA attualmente al campo Fort Meade Maryland New York.-

Non mi é stato possibile includere il Generale predetto nelle note liste mensili che lo Stato Maggiore Generale inoltra alle Autorità Alleate, in quanto l'ufficiale ha superato il cinquantesimo anno di età.-

D'altra parte a causa delle condizioni di salute non buone, l'Alto Commissario P.G. ha richiesto alla Potenza Protettrice che il Gen.COSTA venga sottoposto ad esame medico da parte della Commissione Medica Mista.-

Le sarò particolarmente grato, caro Colonnello, se vorrà porre il Suo alto interessamento per facilitare il rimpatrio dell'ottimo Gen.COSTA che, dopo un periodo di cura in Patria, potrà venire utilmente impiegato nell'Esercito Italiano.-

Mi é gradito inviarLe i miei cordiali saluti.
