To : General Headquarters - POWs Bureau - Caserta.

I, the undersigned, Amelia Di Tonno, wife of Master Sergeant Pasquale Di Tonno, a POW, held in PW Camp 211, Algiers, under the serial number 20724, appeal to your Command for the following :

I am the mother of 3 children (the eldest is 6 years old) and am entitled to a monthly allowance of 690 lire, with which sum I am supposed to provide for my support and that of my children?

From the enclosed certificates it results that my husband never committed any crime against anyone and nothing prevents his return to Italy.

As a mother, I am applying to the justice of your Command so that a father, who has nothing to be reprimanded for may be returned to his children. He will be thus able, by gainful work, to save his innocent children from further misery.

In the certainty that my request will be heeded, I thank you kindly.

ALTO COMMISSARIATO PER LE SANZIONI CONTRO IL FASCISMO.
Delegazione Provinciale di Ravenna.

HIGH COMMISSIONER FOR SANCTIONS AGAINST FASCISM.
Provincial Delegation of Ravenna.

19 October 1945.

Subject : Pasquale Di Tonno, son of Tobia and Calamartino Immacolata, born at Foggia on 9 June 1916, a resident of Ravenna at Via Traversari No. 30.

- S T A T E M E N T -

Upon request of his family and thru information gathered, this Delegation states the following, on behalf of the party mentioned in subject-letter :

He held the rank of Master Sergeant on Active Duty in the Royal Army.

At the out break of the war against the English, he was sent to Africa with the 28th Infantry Rgt.

He became a member of the Fascist Party in 1940, while still in Africa. Later, he was repatriated and sent to Ravenna. On 8 September he deserted the Army and demontrated anti-fascists feelings moreover, he expressed his desire to join Partisan Groups but, as he had few acquaintances, he was unable to do so.

Because of his wife, his three children and several relatives which he had to support, he adhered to the Fascist Republic.

While he served in the Republican Militia, his only aim was that of providing the Partisan Forces with amms and information.

6603

When the Militia retreated to Northern Italy, he hid himself and stayed in Ravenna.

To : Supreme British Command in Italy.

I, the undersigned, Quintilia Nucchi, wife of Nazzareno Cicconi presently interned in PW Camp 211 Algiers, Algeria, A.S.N. 228952, appeal to your Command in the hope that you will take into benevolent consideration my request.

My husband was arrested on 1 August 1944, and interned in the afore-mentioned camp since he was accused of having been a member of the Fascist Militia.

However, I point out that he served only to be able to support his family consisting of eight children some of whom were still under age and others unemployed.

The question of necessity and not real Fascist feelings compelled him to join the Fascist Militia.

In September 1943, with his consent, two of our sons fled to the mountains in order to escape from the Germans and Fascists and to avoid serving with them. I can also ascertain that my husband never took part in actions against the Partisans or revealed information which he possessed and which might have hurt their cause. He has always been a good provider and father, whose conduct has been above reproach from every viewpoint.

His main concern was that of supporting his family and instructing his children in virtue and love of their country.

My husband is the owner-manager of a grocery-store and a butcher-shop. After his imprisonment our business came to a standstill since I am unable to take care of commercial business, especially at the present time. Moreover, my husband is the owner of a small estate which has been left idle and uncultivated since he left.

One of his sons, a student, was unable to continue his studies because of hardships.

Two of the oldest sons served in the Army until 8 September 1943, thereafter became fugitives until the date of the liberation.

Another son is presently attached to the "Nembo" Pa-

Therefore, I beg your honorable Command to grant my request and provide for the release of my husband whose work is essential for the support of his family.

that Mr. Nazzareno Cicconi, son of the late Giuseppe and of Rosa Siroti, born at Petriolo, 56 years old, a resident of Urbisaglia, a businessman, has always beheved well, both morally and politically.

Although he was a member of the M.V.S.N., he joined only because he had to support a large family. He never took part in operations against the Patriots or the Allied Troops.

He provided for his two sons who were fugitives in the mountains, and for other youths, who would have had to enlist in the Fascist Republican Guard.

I, the undersigned, Alfredo CAMACCI state that Mr. Nazzareno CICCONI, a resident of Urbisaglia, was always of good moral and political conduct. He never harmed anyone, never participated in any action against Partisans and fugitives, never disclosed any information which might have harmed Partisans and fugitives, during the period in which he served as a Republican Guard after 8 September 1943; that hardships and debts forced him to remain in the militia; that during the war his 3 sons were drafted with him and, as a consequence his shop and business were ruined.

He remained in the Militia merely to be able to satisfy all the needs of his large family.

In faith,

I, the undersigned, Giuseppe Salvatori, state that, to my knowledge, Mr. Vincenzo Cicconi, always hated Fascism, even when he had to join, against his own will, the Republican Militia. Only because of urgent necessities, (he has 7 children, of whom 4 are underage, to support) did he serve in the Militia; however, he never harmed anyone.

While Commander of the Partisans Group "Nicolo'", during the Nazi-Fascist period, I never received any reports either thru my agents or thru my friends, that Mr. Nazzareno Ciccone, son of the late Giuseppe, although a member of the Fascist Militia, had demonstrated Fascist feelings.

He never participated in any action, fighting, or reconnoitering against the Partisans operating in the Province of Macerata; neither has he contributed to the arrest of same.

He was merely a Clerck in the Militia Corps for the purpose of caring for his family.

What I have said above, was duly verified upon the liberation of the Province of Macerata.

SUBJECT: Request for repatriation of Italian PW LONGO Franco (947515), 209 (or 211) Camp

TO : G1(Br), GHQ, CMF

1. Ref our 1/1/731-B of 19 Sep 45, your 3185/AG2 of 1 Oct 45 addressed to Hq, BTNA, copy to us, and your 3185/A2 of 13 Oct 45 to us, this Division is now in receipt of information from the Ministry of the Interior, General Direction of Public Safety, confirming that subject PW was born in POGGIARDO (LECCE Province) on 10 (or 1) Feb 1931.

2. Your letter 3185/A2 of 13 Oct 45, stated there was no trace of a LONGO F. born 10 Feb 31, but that a LONGO F born 5 Apr 1930 had been transferred from 209 Camp to 211 Camp, and from there had been repatriated to Italy on 23 Aug 45.

3. A further check as to the exact identity of the PW repatriated is requested. Attention is invited to the serial number of the PW we are interested in - 947515 - and also to the names of his parents - the father is LONGO Donato fu Francesco, born in POGGIARDO 10 Jan 1900, and the mother is MERICO Giuseppina di Germano, also born at POGGIARDO, on 1 Feb 1903.

4. It is believed that with this information, it will be possible better to identify and trace subject PW. Since the boy repatriated appears to be only 10 months older than the one we are interested in, it is felt that possibly he may have given a wrong birth date in order to appear slightly older.

5. It seems unlikely that two lads of the same age, 14, and of the same name, LONGO Franco, could have been held at the same time in the same prison camp, 209, and later transferred to 211 Camp.

6. It is requested, therefore, that a check of the files of 209 Camp also be made with a view to tracing LONGO Franco, serial number 947515, born at POGGIARDO (LECCE), 10 (or 1) Feb 1931; father, LONGO Donato; mother, MERICO Giuseppina.

7. It is also requested that the CO, 211 Camp, also be asked to make a further check.

SUBJECT: Whereabouts and welfare inquiries.

TO : G1(Br), GHQ, GMF
Director, Prisoner of war Information Bureau, APO 782, US Army

1. This Division has received requests from the Italian Red Cross, through PWIA, for information as to the whereabouts and welfare of the following:

SOLARI Natale di Giovanni, born at MONEGLIA (Genoa) 24 Dec 1903; arrested by British authorities on 5 July 45, in the Duchesse Galliera Hospital (location not specified), where he was employed as a cook for the "Black Brigades."

GIROLDINI Walter di Ulisse e di MONTINI Lea, born 23 Sep 23; believed to be in an internment camp near PINEROLO (Turin).

MELI Gaetano di Benedetto e di DAMIANI Carmela, born at PALERMO 1 Jan 1919; released from the jail of S. Eufemia, MODENA, 3 Jul 45, and taken by the Allied Command to an internment camp, probably at COLTANO (Pisa).

2. It does not appear that any of these individuals are PWs, but rather political internees, and therefore not cases with which this Division is concerned. However, the requests have been passed on to this office by both the Public Safety and Displaced Persons Sub-Commissions of Allied Commission as not matters with which they are concerned, either.

3. Therefore, the inquiries are submitted by us to you.

4. It is requested that reply be made directly to

Therefore I ask you to release my son, presently held at the Concentration-camp located at Algiers. I am 65 years old and because of my old age unable to perform any profitable work, and the help of a only son is inadequate for raising the crops. I, the undersigned, Giuseppe De Meo, chief accountant of the Sondrio Prefettura (Valtellina) take the liberty of appealing to:

THE HONORABLE ALLIED MILITARY COMMAND

in order that it may take into benevolent consideration the position of POW Lino De Meo, my son, and order his immediate liberation, inasmuch as there is no charge against him which might justify his being further held in prison, as fully verified by the enclosed documents to this application, id est:

ORIGINAL COPIES:

1) Photo of soldier Lino De Meo.
2) Medical Certificate attesting to the poor conditions of my health.

NOTARIZED LEGAL COPIES:

3) Statement of Commissar of the Recruiting Provincial Office.
4) Statement of the Canton Swiss Gendarmerie.
5) Statement of S.A.P. Headquarters of Ponte Valtellina.
6) Statement of Partisan Pio Quadrio, from Ponte Valtellina, countersigned by Partisan Italo Rusconi and attested to by the Bn. Commander.
7) Statement signed by nine persons attesting to the dangerous activities carried out by the members of De Meo family and by the prisoner himself, on behalf of relatives of pol[illegible] interned in Switzerland.
8) Certificate of the person of Sondrio.
9) Statement of the Committee of National Liberation for the Sondrio Province.

I deem it necessary to explain my son's situation with reference to his position as a prisoner. For the past six months he has been imprisoned and is expiating an offense charged against him without just cause.

According to dispositions emanated thru circular # 07-7600 issued by the Staff of the Republican Army (Doc.3) all persons born in the first semester of 1926 and therefore eligible for military service were to be shipped to Germany as laborers.

In order to circumvent such an eventuality, after failing to expatriate clandestinely (as verified by proper document # 4, issued by the competent Swiss Authorities), De Meo had

Declassified E.O. 12065 Section 3-402/NNDC NO. 795020

but two possible alternatives left: that of joining the Partisans or enlisting in the border Militia.

This latter solution was decided upon as the former would have seriously compromised my position as Chief Accountant of the Prefettura as well as that of his mother who was also a Government employee being a school teacher in Sondrio Community.

Upon completion of his basic training at Sondrio, De Meo was assigned to the 3rd border Legion Command located at Sondrio.

When, in the fall of 1944 he was about to leave for an unknown destination along with other former Militia men, I succeeded in having him avoid this further risk. In fact, thru my intervention, he remained at Sondrio.

Owing to my deep interest, he was assigned to the Administrative Offices of the Legion Command. It was thus possible for him to sleep at home and to carry out his studies as a student in the senior year of the Technical Institute till early in April 1945, at which time the entire 3rd Legion Command moved to Ponte Valtellina, 9 Kilometers from Sondrio, as a precaution against air-raids.

My actions on behalf my son were motivated by my desire to spare him, in so far as possible, dangerous duties so that he might complete his studies by remaining at Sondrio.

At the moment of the liberation De Meo, along with his friends, surrendered both weapons and ammunition and put himself at the disposal of the Partisans (Doc. 5 and 6) who transferred them to Sondrio along with other Administration employees.

On the morning of 16 May 1945, he left suddenly with many others for an unknown destination as a POW the Allied Military Command, though he had nothing to be blamed for. In this connection, I must say that he had distinguished himself on a dangerous mission carried out on behalf of relatives of people interned in Switzerland (Doc.7 and 9).

My son would have been undoubtedly liberated by this Provincial Committee of Liberation if I could have prepared the required documents two or three days prior to his sudden departure for an unknown destination. This circumstance explains the date of last May borne by some of the documents presently produced and precisely those numbered 4 and 6.

The evident, clear-cut position of prisoner De Meo, as is attested to by valid incontestable documents, as well as

6) Committee of National Liberation

28 August 1945

This Provincial Committee of National Liberation favors in full the immediate release of POW Lino De Meo. In fact, it results that, although a member of the Border Militia (Administrative Office of the 3rd Legion), he never demonstrated harmful feelings, but performed a dangerous activity by keeping in contact many families of Sondrio with their relations interned in Switzerland, delivering, at great risk, letters and messages. He joined the Border Militia in order not to jeopardize the positions of his father, a Chief-Clerk in the Prefect's Office, and his mother, a teacher.

2. According to the Legation, MOHR's wife is Swedish-born, his father was a Danish subject, and his mother Austrian-born. The Legation's letter goes on to say:

"... as a professional teacher of German language and literature, first at the German Academy, ROME, and (since 1943) at the Associazione Italo-Germanica at VERONA, his activities in this province have always been strictly limited to philological and cultural matters, and he has, according to Mrs. MOHR's statement, never belonged to any National-Socialist organization here or elsewhere (a fact by which he has incurred the particular displeasure of the Nazis). He was nevertheless imprisoned on June 6, 1945 (A.A. 04737 U. "As moreover this Danish subject is suffering severely from a chronic inflammation of the ear (for which complaint he has recently undergone an operation) and as the general state of his health is deteriorating in the prison, the Danish Legation ventures to recommend his case to the benevolent attention of the competent Allied authorities."

SUBJECT: Whereabouts of Italian PW Marinaio R.T.S. DUSE Walter
949 PW Camp, NAPLES

TO : EPW Section, GHQ, 2nd Echelon, CMF (British)

1. This Division has received a request through the Milan office for information as to the present whereabouts of subject PW, latest address of whom is given above.

2. The parents of the PW received a letter from him in August 45, from that address, but letters written to him since then have been returned without explanation.

3. While the address gives NAPLES as the location of 949 Camp, it is believed this was at TARANTO.

4. Present address of subject PW is requested, as well as information as to the disposition of other PWs who may have been at 949 Camp - that is, to what camp were they transferred when this camp was disbanded.

TRANSLATION

Milano, 5 December 1945

To : The Supreme Allied Headquarters - Naples -

After many inquiries, we have been informed that my brother, Oreste Branchi, son of Luigi, born at Teglio on 1st June 1914, at present is held in the Concentration-camp located in the vicinity of Naples.

We have received no news from him since July of this year. Now, another misfortune has befallen us. My brother Vincenzo has broken his leg. My father, because of his advanced age (he is 60 years old) needs support.

I rely on you in the hope that you will expedite the repatriation of my brother, who has always behaved well.

I fear, that inasmuch as the repatriation of my brother has been delayed, that he has been charged with crimes which he never committed.

God will reward you for whatever assistance you will give us.

I thank you in advance. Accept my kindest regards.

TO : Ministry of Post-War Assistance, PW Bureau

1. This Division is in receipt of the attached documents relating to the promotion of subject Italian PW.

2. It will be noted that the source of basic communication advising of the promotion is not given, although it is dated 9 Nov 45. Also the address: "Campo P.W.E. Natousa - Algeri - Orano" is insufficient.

3. There was an American PWE 131 (Hospital camp) at St. BARBE (ORAN), Mediterranean Base Section, but that camp is closed.

4. There are a number of French prison camps in Oran, but the "P.W.E. Natousa" indicates subject PW was in American custody.

5. Latest information we have is that all Italian PWs formerly held in PWE 131 were transferred to PWE 328 on 27 June 45. This also is a hospital camp (300th General and 34th Field Hospitals)

6. Will you please check your records and those of the Ministry of War for a more detailed address for subject PW?

SUBJECT: Request for information as to welfare and whereabouts of Italian PW Midshipman BERNOTTI Andrea and for interrogation of Lt. LEO Michele (Italian Navy)

TO : EPW Section, GHQ, 2nd Echelon, CMF

1. Forwarded herewith is copy of a letter which this Division addressed to the Director, Prisoner of War Information Bureau, PBS, on 13 Dec 45, with regard to subject PWs.

2. Also attached is copy of a letter received subsequently from the Office of the Flag Officer, Italy and Liaison, ROME, regarding the same.

3. From available information, it appears that the Torrette Detention Camp, near ANCONA, mentioned in this letter, is or was "U" Camp, which, this Division is just advised by telephone from ANCONA, has been transferred to EBOLI, near SALERNO.

4. It is regretted that this office does not have a copy of the original letter from the Office of the Flag Officer, nor of the other documents mentioned in our letter IPW/1/13/208, which is attached hereto.

5. However, the nature of the information desired is quite clear. If Lt. Michele LEO was at "U" Camp and was transferred with that camp to EBOLI, it is desired that he be interrogated there as to the fate of Midshipman Andrea BERNOTTI. It will be noted that, according to the attached letter from the Flag Officer, Lt. LEO states that "Andrea is alive and near me," which may indicate that young BERNOTTI also is at "U" Camp.

6. It is urgently desired that the records of "U" Camp be thoroughly checked for a trace of both Lt. LEO and Midshipman BERNOTTI. If Lt. LEO is at the camp, he no doubt can throw some light on the whereabouts and welfare of BERNOTTI, who served under him. 6478

SUBJECT: Requests for investigations, reports and recommendations

TO : Ministry of Post-War Assistance, PW Bureau

1. Checking up as the year 1945 comes to a close, this Division finds that since 24 Nov 45, thirty (30) communications have been addressed to you requesting investigations, reports and recommendations on applications for release or repatriation of Italian PWs in various camps.

2. Thus far no reply has been received to any of these requests, which involve a total of fifty-five (55) cases of Italian PWs on whom reports and recommendations have been asked.

3. It is extremely desirable that these cases be investigated and reports and recommendations made by you as quickly as possible, although it is realized, of course, that some time is required to make proper investigations.

4. For your information, the communications from this office involved are the following: (all IPW/1/13) 113, 115 - 24 Nov 45; 117, 122 - 26 Nov 45; 132, 146 - 30 Nov 45; 149 - 1 Dec 45; 151, 153, 155, 158 - 3 Dec 45; 160, 164 - 4 Dec 45; 173 - 6 Dec 45; 189, 190 - 11 Dec 45; 193, 198 - 12 Dec 45; 206, 210, 212 - 13 Dec 45; 223 - 14 Dec 45; 232 - 17 Dec 45; 235, 239 - 18 Dec 45; 254 - 20 Dec 45; 267 - 21 Dec 46; 276 - 27 Dec 45, and 286, 28 Dec 45.

5. It is stressed that this reminder to you is in no sense intended as a criticism - it is purely a summary of applications forwarded through this Division involving cases of Italian PWs or others held in camps for political rather than strictly military detainees or internees, action of which depends on and awaits your recommendations.

Subject : Application for the release of POW DEIDDA Giuseppe.

To : Hon. Allied Command - Naples.

I, the undersigned, Pastor of Scalea, take the liberty in forwarding to your Command an application for the release of POW DEIDDA Giuseppe, presently held at Overveves A.A. 110705-13 POW 226 Company Command - Overveves (Naples).

He is a cantoneer and joined Battalions "M" against his own will, because compelled to do so by the Fascist Authorities; he had to obey in order not to lose his employment and not to face serious consequences.

Therefore,I am able to assure you in the most absolute manner that the aforementioned Deidda has never performed any Fascist activity and has never demonstrated pro-Fascists feelings. A humble and very honest head-of-family he never indulged in politics. His only interests were his family and his teen-aged children. I can vouchsafe for him and assume full responsibility for him.

6473

I beg you to kindly heed this application and to permit a poor head-of-family to return to his wife and children who urgently need him as they are suffering from starvation.

In the event further informations or assurances on his account are needed, I am disposed to come to your Command in Naples; I am ready to make any sacrifice to defend an innocent man.

I am the son of an American citizen and two nephews of mine, residing in New York, are in the service in the defense of the righteous Allied Cause.

In the certainty that my request will be granted, I beg you to accept my warmest thanks and regards.

yours truly
s/ Pastor Giuseppe Rimoli

Summary of Mrs. Santina CARLINO (Bari — Via Fratelli De Vincentiis,4) application.

POW AA 236536 Cpl. CARLINO Angelo was taken from Rodi (where he was a prisoner of the Germans) to Tarento and on 8 Aug 45 he was transferred to 211 POW Camp, Algiers.

The a/n POW was enlisted seven years ago and is a prisoner since 9/9/43. The applicant has three children; Rosalia aged 9, Maria aged 6 and Valentino aged 2. Her husband is now in a POW Camp in Algers after having complied with his duties against the Germans.

The economical standing of the applicant's family is very serious. The applicant is worried very much on account of the ever increasing cost of living.

For her innocent children's sake the applicant asks for repatriation of her husband who is the only person that could support the family in utter need.

TO : G1(Br), GHQ, CMF

1. Forwarded herewith are applications for the release of subject PWs, received by this Division through the General Direction of Public Safety, Ministry of the Interior, whose recommendations accompany the requests.

2. It will be noted that SCARAMELLA's father states he is the father of NINE minor children, and that his son, now only 18, enrolled in the Fascist forces in February, 1943, when he was only 16 years old, because at home they did not have enough to eat.

3. It will be further noted that PW GIGLI is now only 17 years of age.

4. There seems to be no black record against these youths, so far as the Italian authorities report.

SUBJECT: Request for information as to whereabouts of Italian PW Capt. CARMELI Bruno, born at TRIESTE 12 Oct 1904

TO : G1(Br), GHQ, CMF

1. Forwarded herewith is letter, transmitted through the Ministry of Post-war Assistance, from the wife of subject PW, requesting information as to his present whereabouts.

2. It will be noted in her letter that he was arrested at MERANO on 1 June 45, remaining in jail there until 28 July 45. His wife next heard from him from the internment camp at MODENA, and eventually from Camp 209, AFRAGOLA.

3. Personal inquiry there by the wife elicited the information that he was not at Camp 209, and had never been registered there, but that, in spite of the fact that his letters bore that address, he most likely would be found at Cinecitta', ROME. At Cinecitta' her inquiries were negative.

4. It is requested that any information you may have concerning subject PW be communicated directly to Signora Xosa (? probably Rosa) CARMELI, Via Rossini 1, MERANO, Italy, copy to us.

Will you allow me to appeal to your kindness in an urgent matter concerning my son Livio Senni, at present confined in an Allied Concentration Camp.- I would be so deeply grateful if you would personally look into this matter and allow me to come to see you, or else let me know to which Office to go to give whatever further and fuller information may be necessary.

STATEMENT

Livio Senni entered the fascist party when barely 16, and was expelled from it while still very young in 1934, and never again belonged to it.

In 1943 he was arrested by the Fascist Republican Authorities, and kept for 5 weeks in a dark cell without ever being brought to trial, undergoing severe ill treatment and threats.

Later, on January 15th 1945, he was arrested by the german military authorities and kept in prison until March 1945. Soon after the liberation of Verona he was again arrested by the Partisan Police, then handed over to the Allied Military Authorities and sent to a concentration Camp, where he still is, and from which he managed to send this address for correspondance - A A 049517 U.Pow Camp - Naples.

It is true that Livio Senni who spoke many languages, finding himself in Verona and needing to protect himself from Fascist persecution, accepted work from the German Military Authorities in the form of occasional contacting and interpreting. He was never assumed permanently either by contract or as a member of their forces. Nevertheless he was able, through his contact with the local German Command, to save many Italian Officers soldiers and partisans from political or military imprisonment and even from execution, warning in time the suspected persons or finding them work in German controlled factories (signed testimonials have been given to the C.O.C. in Verona). Due to this sabotage work he was severely suspected by the Germans and in time arrested as mentioned above to be imprisoned for two months. He was released under control and all his private property confiscated.

The Brazilian Embassy at Rome presents its compliments to the Allied Force Headquarters and has the honour to forward herewith, for any action it may deem advisable, the copy of a letter from Signora Tosto Giovanna in Garetto, a

./1 resident of La Spezia, about the situation of her husband, an Italian officer who allegedly was taken prisoner by the Brazilian Expeditionary Force during the Italian campaign and, after being placed under the jurisdiction of American authorities, was turned over to the Italian authorities.

La Spezia, 21 October 1945.

To : Honorable Brazilian Embassy to the Italian Government.

I, the undersigned, Giovanna Tosto Garetto, a resident of La Spezia , residing at Corso Cavour 67/I, wife of POW Garetto Vincenzo, son of Luigi, take the liberty to apply to your Excellency in order to State the following:

1). My husband, Vice-Commander of the"33rd Mobile Black Brigade" (his rank was equivalent to that of Colonel in the Fascist Republican Army), was taken prisoner with his units on 29 April by the Brazilian Division commanded by His Excellency General Mascarenha.

2). The Brigade and the Group of which my husband was in charge had always operated under orders of the 148th German Division (Frotter Pico) as a unit supporting the flanks of German and Italian Troops.

3). Following bitter fighting in the vicinity of "Valle del Taro" German General Frotter Pico asked to negotiate surrender terms on 28 April 1945 at Colecchio (Province of Parma).

His Excellency, General Mascarenha, approved the request and agreed that the members of the Italian Units attached to the 148th Division (those commanded by Vice-Commander Garetto) would be considered as Prisoners of War and would never be handed over to the Italian Authorities.

4). Under these conditions, the Group to which the"33rd Mobile Black Brigade" belonged surrendered their arms to the Brazilian Division which had bravely fought, and which had chivalrously acknowledged the Italian Republicans as loyal fighters.

5). My husband has always been under American custody (A.S.N. 81 G. 603669 H.Camp P.W.E. 337 - Coltano), but now, inasmuch as the Prisoners have been transferred to the Italian Authorities, the guarantee, which was for me a source of tranquillity, has come to an end.

0412

Declassified E.O. 12065 Section 3-402/NNDC NO. 785020

6). What has been explained in paragraphs # 1,2,3,4,May be likewise attested to by Italian General Carloni, Commander of the Republican Division "Italy" ,who parteci-pated at the surrender talks.

I ,the undersigned, analyzing the political situation of the province of residence, the lack of security which would be denied to my husband if transferred into custody of Italian Authorities take the liberty to beg your Excellency to interve-ne and to give assurance that the word pledged to by General Masoarenhas, on the occasion of the surrender of Colecchio on 29 April 1945 , be honored, and that my husband, Vincenzo Garet-to, be held by Allied Authorities. Whose judgment he need not fear.

I beg you to heed my request and to accept my best thanks and regards

yours

s/. Tosto Giovanna, married Garetto.

We received the news, to our astonishment, that two of our partisans :

PRANDI Rolando di Ferruccio

In truth they certainly do not deserve this fate, considering they have fought for long months for the liberty the Country has now reached but which the two young men cannot enjoy. So much so that they crossed the fire lines for health-reasons by the end of April 1945.

Trusting in your intervention for the return to their homes, we thank you on behalf of our Corps and relatives of Partisans.

We beg your Command to release him if possible, as his political background is absolutely unblamable, since he was not a member either of the National Fascist Party or of of the Republican Fascist Party.

The Secretariat of State of His Holiness takes the liberty to recommend for the attention and consideration of the competent Allied Authorities the following requests:

1. For release from prison, made by MERCADANTE Raffaele, who at present is held in the prison at Lucera(Foggia). Sig. Mercadante states that he was arrested July 13,1944, on a charge of bribery and sentenced to two years' imprisonment on August 12,1944, but that the American sergeant who made the arrest subsequently retracted the charge and proclaimed the innocence of the accused.

Last January, at the request of the prisoner, the chief of the Allied Legal Department at Lucera called on him and made the following statement. "I have read your case attentively and am convinced of your innocence because you have not committed the crime for which you were sentenced. However, I am very sorry that I can do nothing for you because I have not the authority to reverse the sentences passed by the court".

2. For liberation or special medical and nutritional assistance made by Dr.Ugo Buccioni of Rieti, for his son-in-law, Lt. Col. Antonelli Giulio, AA 3800017, POW 209 Camp at Afragola, Naples.

3. For liberation of CONTI Aldo, T. 183666, No.19^ Italian RAF Campen C/C 12.,M.T.R.V.- RAF-CMF-, made by his family.The request states that CONTI Aldo is the oldest of nine children. His father is unable to work hence his assistance is greatly needed.
