Lo Zenobi non risulta iscritto al partito della repubblica fascista: è da ritenere quindi che la sua inclusione nei ranghi dell'esercito fascista fu dovuto a obblighi di leva o a rastrellamenti.

1 - Si fa riferimento al foglio: I.P.W./I/I3/I07 di codesta Divisione.

2 - Il pdg. TRAVAINI MARIO prestò servizio in Aeronautica coi fascisti perchè chiamato alle armi con la sua classe per un bando del Maresciallo Graziani. Si presentò alle armi per timore di gravi rappresaglie verso la famiglia. Come tale non avrebbe nemmeno potuto, anche volendolo, partecipare a importanti azioni contro le Forze Alleate. D'altra parte egli, non appena gli fu possibile, passò con armi e bagaggli nelle file dei partigiani. Il Comitato Liberazione Nazionale e il Comando dei CC.RR. locali concordano nel parere favorevole all'eventuale liberazione del TRAVAINI.

3 - Questo Servizio, da parte sua, sarebbe del parere di poter mettere in libertà il prigioniero di guerra.

SUBJECT: POW Ghighine,Raimondo, Royal Navy.

TO : Allied Commission, IPW Div, Rome.

1. The POW in question tried very hard to avoid being called up in the Republican Armed Forces. After a very short period of duty in said forces, he escaped and joined the partisans of S. Salvatore (Savona).

2. The Commander of the CC.RR. has stated that he, when whith the Nazi-fascists, committed no acts of terror nor was he particularly zealous as a fascist.

He is liked by everyone and an act of clemency in his favour would make a good impression on the public opinion.

The Command has expressed the desire to have him freed.

3. In consideration of what is written above and taking in account that many others are more guilty than Ghighine, this Office is in favour of relesing him.

1°) Il p.d.g. CHIGHINE Raimondo invano cercò di sottrarsi al servizio nelle forze repubblicane. Dopo un servizio di importanza militare trascurabile contro le Forze Armate Alleate, egli fuggì dal suo reparto per entrare a far parte del Comando partigiani di S.Salvatore (Savona).

2°) Il Comando dei CC.RR. competente assicura che non risultano segnalazioni di zelo o di malefatte a carico del Chighine durante il servizio da lui prestato con i nazi-fascisti.
Nell'ambito dove il giovane risiede da molto tempo, gode buona estimazione. Un eventuale atto di clemenza a suo favore produrrebbe in pubblico una favorevole impressione.
Lo stesso Comando esprime parere favorevole per la liberazione del militare.

3°) Tenuto conto di quanto sopra e della posizione di **molti altri più** colpevoli del Chighine il parere di questo Servizio sarebbe poter mettere in libertà il p.d.g.

TO : Allied Headquarters - Caserta.

I, the undersigned, Mrs. Amedea Vittoria Mazzi, wife of the militarized First Seargent Bonucci Dante, son of the late Cesare, who is presently being held in the Concentration-Camp, for P.O.W.'s, No. 209, APO B 961836, begs your Command that it may benign itself to heed the position of my husband, who is being held in the above-mentioned camp since early June 1945.

In order to facilitate the passing of judgement on husband in an impartial manner, I am enclosing a statement voluntarily given to me by the C.C.R.R. V. Brigadier Manfredonia Salvatore.

The said brigadier, following his refusal to join the Government of the social Republic, deserted his unit and enlisted in the Partisan bands under Command of C.C.R.R. General Filippo Caruso.

This V.Brigadier was housed, as a guest, by us for about five months; after this date, my husband, who had been serving at the APO Office since 15 September 1940, as a First Seargent of the military, was forced to follow his north-bound-unit.

It is my hopes that this Command will heed the wish of a destitute wife and mother who is living in almost complete squalor, by returning the head of the family to his family, I thank you in profound gratitude.

"STATEMENT"

I, the undersigned, Manfredonio Salvatore, a V.Brigadier of the C.C.R.R. Corps, under my complete responsibility, state the following:

As everybody knows on 8 October 1943 the Carabinieri Corps was forcibly dissolved in Rome and, though the Nazi-fascists tried shortly thereafter, first by all possible lures then by threats, to force the Carabinieri to resume service, almost to no one betrayed his word of honour. It was thus that the nazi-faxcists initiated a quarterless hunt which might be compared only to that carried out at the time of the prosecution of the Sews.

I joined without hesitation the ranks of the Partisan Organization under command of C.C.R.R. General Filippo Caruso, as soon as it was formed.

It is my duty to solemny state that I was entertained as a guest in the home of first Seargent Dante Bonucci for about five months and that he spontaneously and repeatedly invited me to remain in his house, located at Via Guglielmo Massaia 39, Rome. It while staying in his home that I received food, clothing and board for the above-mentioned length of time, though I did not give any compensation.

It is my duty to state that he afore-mentioned First Seargent did not, at any time, make any speeches on performed any actions which might induce me to join the nazi-fascists. On the contrary I must state that, even though on duty, his conversations were always full of hate for the nazi-fascists, especially for the "Jerries" whom he had fought against during world war I, when he volunteered at 17 years of age.

It is my firm convincion if he joined the social republican party, it was only because he would have been lacking the means of subsistance otherwise; this prouves also why he never enjoyed important assignments for his supposed fascist merits, and which woned helped his financial conditions.

What I have stated is not to be interpreted as a means of repaying the assistance he rendered to me (which was so great that no favor I could perform, woned ever repay), but only as a statement which I hope might help in deciding the judgement that is will be made by the proper authorities, on First Seargent Bonucci.

COMMITTEE OF NATIONAL LIBERATION

ARIANO POLESINE.

File No.27. 18 May 1945.

Subject :- Statement.

I the undersigned Scstilio Sanosi state that the Patriot Turolla Dr. ~~Ghocimo~~ son of Primo born at Ariano Polesine on 10th January 1920, in the month of February 1944 organized with the Partisans Groups in the Commune of Ariano. Turolla made every activity to strengthen these Groups and to maintain Liaison with Adria (Cesare Zen) and with Rovigo (Alessandro Ubertone).

On 28th November 1944 I was arrested by the Black Brigade of Ariano Polesine which was under the Command of Lt. Rinaldi and underwent torture. My friend and collaborator Turolla had the same fate. He was tortured and kept in jail until 24th December 1944, Turolla never revealed the names of the Partisans nor gave any information to his torturers, which would enable them to discover secrets of the organization. On 24th December 1944 he was taken to the jail of the Black Brigade of Rovigo where they tortured him again. I whilst in the jail of Ariano advised Turolla to join Republican Forces with the purpose of ending these tortures which going on for a long time would shake his nervous system damaging the whole Partisans Organisation.

Lt. Ubertone of the Rovigo Group and with whom I was in contact gave me also the same advice. Turolla on 7th January 1945 was taken by force to the 4th Battalion of the R.A.P. at Brescia and afterwards to Turin and was forbidden to return to the Province of Rovigo, nevertheless he was always in contact with me and when he was at Ariano on 13th March of the same year by order received of the R.A.P. of Brescia he made possible the escape of eight disbanded soldiers who were handed over to him. The above mentioned Turolla before the liberation had been elected by the members of C.L.N. as their President.

The undersigned Giuseppe Salvadori, son of the late Luigi S., domiciliated and resident at Terricciola, dairyman, having the son Luigi prisoner in the PWE 338, exposes the following:

Given the actual conditions of dairy-work, having reached 1500 cwts. monthly, he finds himself at the absolute impossibility to comply with such excessive labor, rendered still more difficult by the dairy-work ~~xxxxxx~~ for the County.

The age of the undersigned, 60 years, is such as to lessen notably his capacity for labor, for what reason he asks the Command to have examined the position of the son, basing on the documents sent in before, for the end of his possible return to the family.

While asking the Command vividly to have it examined with corteous solicitude, the present demander greets distinctly

Truth of the above exposed

I agree to what exposed by Mr. Giuseppe Salvadori on the rear, meaning that the eventual restitution of the son Luigi, prisoner, to the family would be, besides the indispensable usefulness which he would employ in the dairy-industry of the demander, a great consolation for the family, too, who saw the relative depart at his time for military service, by intimidating action of the Nazi-Fascists. Coming back, the prisoner would be received well by the whole citizenship, too, who knows him for an element averse to the Nazi-Fascists.

This Committee attests that Mr. Luigi Salvadori, son of Giuseppe S., always has been outside the politics, so he was never registered in the Fascist Party.

He never collaborated or sympathized neither with the republican fascists nor with the Germans.

Furthermore, it is certified that the same Luigi Salvadori did not present himself to the Graziani bands until the German and Italian military authorities threatenad the own family ~~by~~ with heavy retaliations.

After some days of military service, he took to flight, but when order came to the Sergeant of the Carabinieri of Terricciola to proceed to the immediate arrest of the father, Luigi Salvadori was forced again to present himself to the Military District.

January 29, 1946

113111/SA

The Secretariat of State of His Holiness takes the liberty to recommend to the good offices of His Britannic Majesty's Legation the request of Sig.ra Maria Antonietta Mengarini, Corso d'Italia 43, Rome, for the liberation of FILIPPO MANFREDI DE BLASIS.

The request states that Filippo Manfredi De Blasis was arrested in February 1944 auspected of espionage. He was taken to England but returned to Italy in the spring of 1945 and interned in the camp at Rieti. Despite the fact that the family was assured on various occasions by the competent British Authorities that no serious charges have been bro ght against him he is still in the above concentration camp.

IPW/1/13/528 — 20 February 1946

SUBJECT: Request for release of Italian PW Capt MAROCCHI Lodovico (T.151313), 211 Camp, ALGIERS

TO : G1(Br), GHQ CMF

1. This Division has received from the UNRRA Italian Mission a request for the release of subject PW, together with accompanying documents which are attached hereto.

2. Previously, under date of 10 Dec 45, the Ministry of the Interior had forwarded to this office an application for his release, which this Division on 21 Dec 45 forwarded to the Ministry of Post-war Assistance for investigation, report and recommendation - the usual procedure in such cases.

3. No reply has as yet been received from the MPWA.

4. However, the documents now forwarded by UNRRA include a letter from the Office of the Assistant Chief of Staff G-2, AFHQ, stating that that section "has now no security objections to the repatriation of the a.n."

5. Also among these documents is a letter from the Ministry of Foreign Affairs stating that his repatriation was approved by the Italian Government.

6. According to Hq, BTNA (letter attached), there appears to be some question as to whether this MAROCCHI is a civilian or a PW, but the father's application, also included herewith, states he holds a commission as a Captain of Infantry.

7. In view of the foregoing, this Division recommends the release of subject PW. 0970

To His Royal Highness the Lieutenant General of
the Realm

Your Highness, I appeal to you, trusting you will grant my request.

I am 76, and I suffer from arteriosclerosis, and I am depressed by the many misfortunes brought about by war. My only consolation is my only son, 1st Lt. Mario Brosca who has been in the army ever since 1941. After the defeat of Sicily, he went to Mantova where the depot of his regiment was, and from there, he was deported to Poland, where he remained for nine months. While he was there, he sent me news.

After a long silence, I have now been informed that he is now a prisoner of the British in a concentration camp at Crottaglie, near Taranto.

I beg Your Royal Highness to intervene in favour of my son. I am very old and before I die, I want to see my only son once more.

Trusting in your kindness, I remain,

1. The Public Safety Sub-Commission, Security Division, of Allied Commission has forwarded to this Division a request from the Epuration Commission for Officers of the Arm of Royal Carabiniers for permission for two of its officials to visit subject PWs at whatever camp they may now be in.

2. The officials for whom permits are requested are FORMOSA Pietro, President of the Commission, and LAURICELLA Ennio, Secretary.

3. It is pointed out that the Commission made an original request on 6 Dec 45 for permits to interrogate Maj FANTONI, Capt DE RENZI and 2d Lt CAZZAROLI in the TERNI PW Camp, and Capt VITUZZI at 209 Camp.

4. On 13 Jan 46, the Public Safety Sub-Commission notified the Commission that permits for the TERNI camp had been issued, but nothing had been heard about the 209 request.

5. Meanwhile, the TERNI camp was disbanded and the three a/m PWs interned there were transferred to 209. Within the last few days, it is understood most of the 209 PWs were transferred to "B" Camp, TARANTO, so that it is not known where the subject PWs are now located.

6. With respect to the request to interrogate Capt VITUZZI, reference is made to our 1/13/510 of even date, advising you that the Ministry of Post-War Assistance had recommended his release.

7. May this Division be advised, please, as to the present whereabouts of subject PWs, and at the same time, may permits for the officials mentioned in para. 2 above, be issued for the purpose stated?

TO : C1(Br), GHQ CMF

1. Ref your 3897/A2 of 17 Oct 45, this Division is now advised by the Ministry of Post-War Assistance that PW DIORIO Otello is recommended for release.

2. The Ministry has also recommended the release of PW VITUZZI Alfredo. This Division has no record of any correspondence with your office concerning this PW.

3. The Ministry of Foreign Affairs urges the early repatriation of PW MORO Gerolamo Lino. This PW's repatriation was recommended by this Division in our 1/11/332 of 5 May 45, but your CR/3836/C1(Br) of 4 Apr 45 stated he was not a co-operator and that, in view of his political beliefs, he was not then considered suitable for repatriation.

4. The Ministry now states it understands his position has been cleared, and, in view of his wife's serious illness, urges reconsideration of his case. MORO's repatriation was first requested by the Presidency of the Council of Ministers in Dec 44, and subsequently by the Secretariat of State of His Holiness the Pope.

5. The Foreign Affairs Ministry also strongly urges the early repatriation of PW GRASSI Italo, for family reasons and also because his services are urgently needed by the "Istituto Previdenze Sociale" of ROME.

Per quanto non si sia sempre uniformato ai doveri della situazione contingente e alle leggi dell'onor militare - motivo per cui è stato deferito al giudizio della Commissione di Epurazione - non è tuttavia risultato che egli abbia compiuto atti rilevanti di collaborazione coi nazi-fascisti.=

In effetti la famiglia del capitano VITUZZI ha fatto di recente pervenire a questo Comando Generale numerosi documenti originali, dai quali si evince che come fascista non compì mai azioni ispirate a faziosità od intemperanza, non trasse mai alcun profitto dalle qualifiche rivestite ed aiutò anzi in alcuni casi gli stessi antifascisti perseguitati e che, come ufficiale, prestò valido soccorso a partigiani e militari ricercati dalla polizia nazi-fascista.=

Si può dire, in complesso, che al ripetuto ufficiale - che pur sembra compromesso a norma delle leggi sull'epurazione e di quelle sull'onor militare - nessun carico specifico di qualche gravità si possa attribuire allo stato degli atti e che, anzi, l'accennata documentazione è venuta a gettare su di lui una luce sotto qualche aspetto favorevole, così da attenuare in certo modo la sua responsabilità.=

Per quanto precede e poichè la posizione del VITUZZI - così come risulta a questo Comando Generale - non differisce da quella di molti altri ufficiali del pari soggetti al giudizio di epurazione, ma non vincolati comunque nella loro libertà personale, troverei opportuno che venisse rilasciato.=

let my husband to be sent over to a concentration camp in Bragola Bardano, where he is still now since eight months. I am sick, have got three children to take care of, and no means to do it. Try your best, please, help me giving me my husband back. If he must be punished, he will. He is at any rate always an officer of RR. CC., there is a Commcand of CC. RR. who is able to judge him. Give him arrests at home, make what you think to be the best for justice, but do not ignore please my voice and my need.

My husband was not a politician, he was only an officer who did his job like a lot of other people did. Since 27/4/44 to Firenze's liberation he lived hidden; just to tell all which concerns him, I shall add this: in December, 1943, he was returning from BIVIGLIANO (FIRENZE), when he met two Allied prisoners, escaped from some

PWs camp. The two, a Canadian Captain and an Australian lieutenant, were going to Florence, but my husband, instead of arrest them, as he could and should do, gave them advice about the road to follow, and let them change direction, as he knew the main road was guarded and searched. I have got witnesses of this fact who can prove the truth of it. I am willing to declare that I left Florence as my living place and, if I have my husband back again, I will transfer my family in some little countryside of Calabria or Sicily, where I myself was born.

Dear Mrs Vitunzi,

Today only I have received from my farmer his declaration and his letter. He is worrying because he has received everything with such a delay. My servants say that this letter addressed to Massimiliano Righetti arrived here in Florence toward the 16th or 17th of this month. They have not given it too much importance. Perhaps if you had written on the envelope "with urgency" or if you had it addressed to me I would have received it and brought it to him at once.

Instead, I did'nt know anything about it and my servants

I make you the declaration you

The undersigned certifies that Cap. Alfred Vitucci belonging to the R. R. C. C. has applied himself on several occasions to beware people against Republican plots.

Two of these which concerned my family are worthy to be mentioned. In October 1943 a band of brigands, disguised as graduates and parachute's officers, armed with grape-shot guns, came to take away Gen. Land, Gen. Eugenio Pozzolini, our Agrarian Agent, a monk of Mount Senario's Convent under the imputation of having given hospitality to the English. between partisans and militia on Mount Morello, in which many of them were killed and wounded. A certain Cerbai, lieutenant of the partisans was taken as a prisoner. He had on him a check on deposit with my husband's signature for he helped those good fellows sending them money and foods. Usually he used to send ready money, but that time not having any he carelessly gave a check. It was a very serious matter. The Captain succeeded in concealing the fraud. It seems that in Rivigliano he acted in the same way also with other people of the town.

I testify that Captain Alfred Vitiugi, belonging to R.R.C.C. in April of last year, had advised me not to send my sons, who were called to arms, inviting me to hide them in the woods.

Being sure that what Cap. Vitiugi told me was the best thing to do, I followed his advice.

Unfortunately one of my sons at the end of August fell in a German ambushment.

I also testify that Cap. Vitiugi happened to protect and saved us from acts of violence done us by the Germans.

1. Cardinal Francesco MARAGGI has approached Prince Chigi, Grand Master of the S.M.O.of Malta, asking for his assistance in the following matter.

DIORIO Otello, a citizen of Rome, has been interned at AFRAGOLA because he belonged to the Milizia della Strada.

Cardinal Maraggi speaks well of him, as being an honest individual, and would be extremely grateful if his case could be examined as soon as possible so that he could be freed. His mother is seriously ill, medical certificate attached.

2. Perhaps you would kindly forward this request to the Branch concerned, as I do not know the correct channels for a question of this kind. If you would then inform me of the result I could communicate with Cardinal Maraggi.

From additional information received.

DIORIO Otello is at Prisoner of War Camp No. 2 0 9 at AFRAGOLA near NAPLES. He is stated to have belonged only Milizia della Strada, and not to have had any political past.

Colonel Floriano de Lima BRAYNER,
Military Attache,
Brazilian Embassy,
Piazza Navona, ROME.

My dear Colonel Brayner:

On 18 Dec 45, this Division received a communication from Hq MTOUSA, forwarding a letter from the Brazilian Embassy (No. 107 dated 27 Nov 45) addressed to Allied Force Hq, Caserta, which transmitted a letter received by the Embassy from Signora Giovanna Tosto Garetto of La Spezia, dated 21 Oct 45 (copies and translation attached hereto).

Under date of 18 Dec 45, I transmitted this correspondence to the Ministry of Post-War Assistance for their investigation, report and recommendation.

However, through some clerical error either in this Division of in the Ministry, this correspondence became detached from our letter of transmittal, with the result that the correspondence was returned to us by the Ministry for OUR investigation and comments.

Since this Division merely acts as a liaison agency between the Italian and Allied authorities, I am now returning the documents to the Ministry, as decision in this matter rests with the Italian authorities.

As soon as a report of their investigation and their recommendation are received, I shall be happy to notify you.

Please accept my warm personal regards, and believe me,

Very cordially,

The Brazilian Embassy at Rome presents its compliments to the Allied Force Headquarters and has the honour to forward herewith, for any action it may deem advisable, the copy of a letter from Signora Tosto Giovanna in Garetto, a resident of La Spezia, about the situation of her husband, an Italian officer who allegedly was taken prisoner by the Brazilian Expeditionary Force during the Italian campaign, and, after being placed under the jurisdiction of the American authorities, was turned over to the Italian authorities.

TRANSLATION

La Spe[illegible], 21 October 1945.

To : Honorable Brazilian Embassy to the Italian Government.

I, the undersigned, Giovanna Tosto Garetto, a resident of La Spezia, residing at Corso Cavour 67/I, wife of POW Garetto Vincenzo, son of Luigi, take the liberty to apply to Your Excellency in order to state the following:

1). My husband, Vice-Commander of the "33rd Mobile Black Brigade" (his rank was equivalent to that of Colonel in the Fascist Republican Army), was taken prisoner with his units on 29 April by the Brazilian Division commanded by His Excellency General Mascarenhas.

2). The Brigade and the Group of which my husband was in charge had always operated under orders of the 148th German Division (Fretter Pico) as a unit supporting the flanks of German and Italian trcops.

3). Following bitter fighting in the vicinity of "Valle del Taro" German General Fretter Pico asked to negotiate surrender terms on 28 April 1945 at Colecchio (Province of Parma).

His Excellency, General Mascarenhas, approved the request and agreed that the members of the Italian Units attached to the 148th Division (those commanded by Vice-Commander Garetto) would be considered as Prisoners of War and would never be handed over to the Italian authorities.

4). Under these conditions, the Group/~~unit~~ to which the "33rd Mobile Black Brigade" belonged surrendered their arms to the Brazilian Division which had bravely fought, and which had chivalrously acknowledged the Italian Republicans as loyal fighters.

5). My husband has always been under American custody (A.S.N. 81 G. 603669 H. Camp P.W.E. 337 - Coltano), but now, inasmuch as the prisoners have been transferred to the Italian authorities, the guarantee, which for me was a source of tranquillity, has come to an end.

6). What has been explained in paragraphs #1, 2, 3, 4 may be likewise attested to by Italian General Carloni, Commander of the Republican Division "Italy," who participated at the surrender talks. 6907

I, the undersigned, analyzing the political situation of the Province of residence, the lack of security which would be denied to my husband if transferred into custody of Italian authorities, take the liberty to beg Your Excellency to intervene and to give assurance that the word pledged to by General Mascarenhas, on the occasion of the surrender of Colecchio on 29 April 1945, be honored, and that my husband, Vincenzo Garetto, be held by Allied authorities, whose judgment he need not fear.

ITALIAN PRISONERS OF WAR DIVISION

IPW/1/13/477

9 February 1946

SUBJECT : Request for repatriation of Italian PW 2d Lt of Alpini COTTINI Sergio Maestro, Zfchthaus in WEHL, WESTPHALIA (GERMANY).

TO : Combined Repatriation Executive, BERLIN.
USFET, APO 757, US Army.

1. The Italian Ministry of War has forwarded a request to this Division for the repatriation of subject PW so that he may serve out in ITALY a five-years sentence imposed upon him by a British Military Court for the illegal carrying of arms.

2. The Ministry points out that Lt COTTINI, as a deportee, passed the period from the Italian Armistice, 8 Sept 43, until the liberation in March 45 by Allied troops, in Germany, without ever having supported the Fascist "Republic" or collaborated with the Germans.

3. PW's mother, Renata COEN of Via Lorenzo il Magnifico 38, FLORENCE, is a Jewess of Greek birth. Lt COTTINI was born in VENICE on 10 Jul 21.

4. Upon his deportation with other Italian Officers and soldiers from ITALY, Lt COTTINI was first taken by the Germans to Poland and subsequently to various points in Germany. Because of his refusal to adhere to the Fascist Republic, he was subjected to all manner of humiliation and indignities.

5. In March 45, he managed to escape from Nazi confinement and remained hidden until arrival of American forces. He was put in command of a group of Italian PWs and, in this capacity, was permitted to carry a Beretta pistol by the Americans.

6. On 24 Jul 45, a few days before he was to have been repatriated with other companions, he left the camp to look for food. He carried his pistol, but it is said to have been unloaded. It appears he got into an altercation with a German over food, and was arrested by British Military Police, the British having in the meantime taken over that territory from the Americans.

7. His trial and sentence by a British Military Court followed, and since October 45 he has been imprisoned in the jail at WEHL, in WESTPHALIA, GERMANY. His other companions in PW Camp H-2 at HAMBORN (DUISBURG) were repatriated on 5 Aug 45.

Declassified E.O. 12065 Section 3-402/NNDC NO. 18502

7. His trial and sentence by a British Military Court followed, and since October 45 he has been imprisoned in the jail at WERL, in WESTPHALIA, GERMANY. His other companions in PW Camp H-2 at HAMBORN (DUISBURG) were repatriated on 5 Aug 45.

8. It is further pointed out that, besides Lt COTTINI, some fifty other Italian PWs are held in the WERL jail, without moral comforts or material aid, absolutely without news of their loved ones, and with insufficient clothing and food.

9. In addition to this, they are under the custody of German guards. It appears that this is a rather bitter pill for these Italian PWs, and especially for Lt COTTINI, whose mother is Jewish and who with her suffered racial persecution for his refusal to support the Nazi-Fascist regime and ideals.

10. Lt COTTINI's arrest, trial and sentence came under the 110 (R.P.) Milit. Govern. Det. - B.A.O.R. in WAHLERDORF (WESTPHALIA). He was defended by an Italian Liaison Officer, under Col. Rinaldo Fiore VERNAZZA, Chief of the Italian Liaison Mission, ACS, USFET, APO 757, US Army.

11. It appears to the Italian Ministry of War and to this Division that the cases of Lt COTTINI and his fifty Italian PW companions in the WERL Jail merit special consideration.

12. It is therefore urgently requested that Lt COTTINI and his Italian PW companions in the WERL Jail be repatriated to ITALY with the least possible delay, soothat they may finish serving their sentences under Italian jurisdiction rather than in a German jail.

13. It is further requested that the cases of Lt COTTINI and his Italian PW companions in the WERL Jail be reviewed in the meantime by the competent Allied judicial authorities, with a view - depending on the extenuating circumstances in each individual case - to eventual reduction of sentence, parole or pardon, as may be warranted.

14. It is further requested that this Division be furnished with a full list of the Italian PWs serving sentences in the WERL Jail, as well as in other parts of Germany, if available.

TO : Flag Officer ITALY and Liaison, ROME

(Attention: Lt Comdr DAVIES)

1. Confirming telephone conversation of 7 Feb 46 (DAVIES-de MASI), this Division has received the following statement from Lt LEO Michele, who was subject's Commanding Officer, through Hq, 2nd Echelon, CMF:

Lt LEO Michele was appointed Commandant of the Squadriglia X on 11 Dec 44. He went with the Squadriglia to IMPERIA (near SAN REMO).

He took part in three or four missions against the coast of FRANCE, after the Allied landings, and remained in operation until 23 Apr 45, when one of his ships was severely damaged. He continued operations with three ships. These were:

561 MAS, commanded by Midshipman Andrea BERNOTTI
556 MAS, commanded by Sgt Maj JAFRATTE (captured in IVREA)
553 MAS, commanded by Ensign PODINE Mario (escaped from a PW Camp at ANCONA on 10 Aug 45. His residence was LA SPEZIA).

On 23 Apr 45, "561" developed engine trouble and Lt LEO ordered BERNOTTI to return to IMPERIA (the base) whilst he carried on with "553." On the morning of 24 Apr he returned to base, but did not find BERNOTTI there. The other two ("553" and "556") were there.

He was informed by a section of the AA Batteries that they had seen "561" engaged in a battle at sea, and was finally sunk. He does NOT know whether BERNOTTI was killed or managed to escape.

On 24 Apr the ships were handed over by order of the German Naval Commander (FOERSTER), and they had to withdraw with the German troops from IMPERIA. Lt LEO arrived at IVREA on 8 May 45.

2. It is regretted this report is not very hopeful, but if any other leads develop, we shall be glad to follow them up.

Si chiede venga riparato quello che è un errore ed una grande ingiustizia.

LINO PASQUINI fu Attilio, di Senigallia, fu tradotto il 27 luglio u.s. in Campo di Concentramento Militare, dalle F. S.S. di Senigallia, come prigioniero di guerra, senza ottenere di saperne il motivo e senza ottenere nemmeno di venire interrogato e poter difendersi da quella che doveva essere una falsa informazione, poichè egli non ha mai presstato servizio nelle forze armate fasciste, nè è stato mai soldato, essendo non idoneo al servizio militare.

Fu per meno di un mese (tanto che non arrivò a percepire un mese di stipendio) nel maggio-giugno 1944, controllore annonario, pel controllo dei prezzi, con giuramento in Comune, incarico che non rivestiva alcun carattere politico e tanto meno militare. Il fascio repubblicano ed il Comune esercitavano il controllo, attraverso i vari verbali che il Pasquini era tenuto a presentare.

Il carattere civile di questa mansione fu svisato da certi "borsari neri" i quali, lesi nei loro interessi, manifestarono con minaccie il loro personale rancore.

Il vecchio padre infermo e le sorelle, allarmati da questa minaccie e trepidanti per la sua sorte, lo convinsero & forzarono ad allontanarsi, certe che la separazione sarebbe terminata con l'arrivo degli Alleati.

Il Sindaco di Senigallia, non ancora edotto dell'errato motivo per cui il Pasquini figurava militare e non potendo perciò scolparlo precisamente in questo senso, ha chiesto però per il Pasquini la libertà, a mezzo di lettera in data 1/8/45 n.2674 inviata al Comando F. S.S. di Jesi, facendone ampia garanzia, perchè gli risultava ampiamente che lo stesso è uomo onesto sotto ogni aspetto, buono e ben visto da tutti i cittadini; che non si è mai occupato di politica fascista, e che licenziato per ostruzionismo, sotto il governo fascista repubblicano dallo Ufficio delle Poste di Ancona, ove era impiegato, accettò l'incarico di controllore annonario dopo sei mesi di disoccupazione, trovandosi in disperata necessità.

Ciò che prova del resto come non fosse iscritto al Partito Repubblicano Fascista.

La Questura di Ancona, ha finalmente, dopo aver chiesto precisi dettagli al Comando Carabinieri e al Comitato di Liberazione ed Epurazione di Senigallia, appurato l'errore commesso nel primo momento di confusione ed eccitazione ed ha chiesto ~~per lui~~ al Comando F. S.S. di Ancona, la liberazione del Pasquini. Ma è stato risposto da quel Comando che questa pratica non era più di sua competenza essendo il Pasquini spostato in Campo di Concentramento del Sud, verso Taranto.

Ci si appella al senso di umanità e di giustizia di codesto Ministero perchè, assicuratosi presso la Questura della verità, voglia inoltrare questa pratica agli organi competenti Alleati, come merita il Pasquini sia per le sue qualità morali e politiche, sia per le immeritate sventure della sua famiglia ridotta ora ad un'unica sorella, malata e quasi fuori di senno, in seguito ai troppi dolori sofferti: un fratello del Pasquini è caduto in guerra, il padre è morto durante la sua assenza, di crepacuore e la più giovane sorella che lo adorava, è caduta ammalata per i patimenti e i dolori ed è morta, senza poterlo rivedere,

./.

quindici giorni dopo il suo internamento come prigioniero di guerra, tanto che egli ignora ancora di averla perduta.

Si domanda che, riveduto con benigna umanità e coscienza il suo caso si restituisca questo onesto uomo, così crudelmente colpito, alla sventurata sorella che urge della sua assistenza morale e materiale.

It is requested that a serious error and a grave injustice be revisioned.
LINO PASQUINI son of late Attilio, from Senigallia, was sent on 27 July to a Military Concentration camp by the P.S.S. of Senigallia as a prisoner of War without knowing the motive and without having the possibility of being interrogated and able to defend himself against a false information because he never served in the Fascist armed forces, nor was he ever a soldier as he was not idoneous for military service.

He was, for less than a month, (he did not receive a full month's salary) in May - June 44, ration card comptroller, price supervisor, having sworn at the Comune, and therefore his job did not have a military or a political nature. The Republican fascio and the Comune exercised control, by means of the reports which Pasquini had to furnish.

The civil character of the job was distorted by certain black marketeers, who having been touched in their interests, manifested with threats their personal grievance.

His aged father and his sisters, being allarmed by these threats and fearful for his life, convinced him and forced him to leave, knowing that their separation would have come to an end at the arrival of the allies.

The Mayor of Senigallia, not knowing why Pasquini was registered as a soldier, and not being able to absolve him in that sense, asked Pasquini's release as per letter dated 1/8/45 No. 2674, sent to the F.S.S. Hq of Jesi, and giving ample guarantee as the a/m was an honest man and well seen by his fellow citizens, and stated that he never had anything to do with fascist politics, and that being relieved of his job at the Office/Post of Ancona for "passive resistance" under the Fascist Republican Government, he accepted employment as ration comptroller after six months of unemployment because he was in need of money.

This also proves why he was not a member of the Fascist Republican Party.

The Questura of Ancona, has finally, after having asked detailed information from the Commando Carabinieri and the Comitato di Liberazione ed Epurazione di Senigallia, ~~kkm~~ erased the error committed in the first moments of confusion and excitement and has asked the F.S.S. Hq of Ancona, for the release of Pasquini. Said Hq replied that it had no longer anything to do with the case as Pasquini was transferred to a southern concentration camp, near Taranto.

An appeal is placed before the Justice and humaniness of this Ministry in order that, once it has ascertained itself of the truth with the Questura, it may forward this statement to the competent allied authorities, for Pasquini is worthy of such consideration both for his moral and political qualities, as well as for the fact that his family is now reduced to a sister who is sick and nearly out of her mind because of the sufferings to which she was submitted; one of Pasquini's brothers was killed in the war, his father died during his absence and his youngest sister, who adored him, fell sick because of suffering for him and died without being able to see him, exactly fifteen days after his internment, so that he still does not know that she is dead.

It is requested that his case be reviewed in the spirit of human solidariety, and that he be returned to his only sister who is asking for his moral and material support.

THE MAYOR

Having seen the statement forwarded to the Headquarters of the F.S. of Iesi on the part of the parents of PASQUINI LINO son of late Attilio of Senigallia, internee, PW at the "D" P.O.W camp, aerial No. NA/T54829, confirms all that is contained in said statement concerning his political activities during the past regime and further adds that Pasquini Lino son of late Attilio had always an exemplary conduct, that he never was a member of the republican guard and that he never committed acts considered as fascist crimes. It is therefore requested that Pasquini be released from the concentration camp, meaning that such a request is being presented in full agreement with the local Committees of Liberation and Epuration and that its acceptance on the part of the F.S. Headquarters would be well seen by the population of Senigallia, both for the merits which Pasquini has in this city and also for the miserable family situation of same.

Presa visione dell'esposto inoltrato al Comando della P.S.S. di Iesi dai congiunti di PASQUINI LINO fu Attilio di Senigallia, internato, quale prigioniero di guerra, nel Campo "U" P.O.W. - matricola BA/T54829, conferma tutto quanto viene riferito nell'esposto stesso circa la sua attività politica durante il passato regime, precisando che Pasquini Lino fu Attilio non ha dato mai motivo per la sua condotta a rilievi negativi da parte di alcuno e di alcun Ente, che non è stato mai milite della guardia repubblicana, che non ha mai commesso atti di fazionità fascista o quantomeno malsani; si permette pertanto chiedere che venga provveduto alla liberazione del Pasquini dal campo di concentramento, significando che tale richiesta viene presentata in pieno accordo con il Comitato locale di Liberazione e di Epurazione e che l'accoglimento di essa da parte del Comando P.S.S. sarebbe benviso alla popolazione senigalliese, sia per la stima di uomo probo ed onesto che il Pasquini gode, sia per la sventurata situazione familiare del medesimo.

RUSSICUM

Translation

To: Displaced Persons S/C.

I take the liberty to bring to the knowledge of the honorable Sub-Commission the following case which I think is worth of interest.

It's the case of a boy aged 17, considered as a German prisoner of war, while he is Italian, son of Italian father and mother of Russian nationality, belonging to a poor but honest family, composed of 8 sons.

Giorgio Pacitti was born in Palermo in 1928. Before the war he was studying in a small Seminary to become a priest. But, as his parents were not in condition to face the expenses of his studies, he was sent to the "colony of the young workers " in Collestrada (prov.of Perugia) in order to continue his studies.

During the war, his parents left for CampoBasso where they remained without hearing ~~anything~~ from him for several years. After the liberation, nothing was known about him, except that the school had been occupied by the Germans and that many of the boys had succeeded in escaping but many of them were captured by the Germans.

Now, the boy's parents were informed through two letters, that he is being held in the POW Camp in Grottaglia, near Taranto. One of those letters dated 14 August 45 was written from the Concentration Camp No.949 (Naples) in which it was said:

"After two long years at last I can write to you. This my card will be for you a great surprise, but it is better so than dead. I am going fine in this Camp. How are you all ? "

Another letter dated 7th Dec 45 was received recently from Grottaglia, in which it was said:

"Just a few lines to let you know that I am being held as a prisoner if the Camp of Grottaglia, province of Taranto. Do not worry about me as I am keeping well. I send you my Christmas wishes. I embrace you forever.

sgd Pacetti Giorgio.

On forwarding this letter to the honorable Sub-Commission I dare to beg if you could take interest into the matter, as I think there must be some mistake, owing to the young age of the prisoner in question and also to his precedings.

Thanking in advance for all that will be done for him, also in the name of his family, I beg you to believe to my foelings of highest consideration.

Dear Captain Oddi:

The Secretariat of State of His Holiness takes the liberty to request that you recommend to the attention of the competent Allied Authorities the petition of the Very Reverend Antonino Silli, Provincial of the Dominican Fathers, Piazza della Minerva 42, Rome, for the liberation of BISCHI GIULIO, a prisoner of war at Afragola (Naples), Camp POW No.209-B-96187.

In his request Father Silli states that Bischi Giulio is the only support of his seventy year old parents: another son, a member of the Dominican Order, was killed during the bombardment of Tivoli. The parents cannot provide for themselves on account of their advanced age and weakness.

In view of the humanitarian aspect of this appeal and because the Vatican has recently had assurances that release would be granted in cases of such extreme need, the Secretariat

1. The Presidency of the Council of Ministers have requested this office to ascertain whether Mr. Gennaro BUONO, a sailor in the Royal Italian Navy, is, at present, interned in an Allied Camp of P.O.W. in Italy.

2. Mr. Buono was in service on the "Regia Nave Roma", sunk by the Germans on September 9th, 1943.- On that occasion he was taken by the Germans and forced to serve in the socalled Fascist Republican Navy.-
It is believed that he was captured by the Allied Forces when Northern Italy was liberated.

3. The kind help of the Liaison Division on the matter would be greatly appreciated.

La sottoscritta RENATA COEN, greca di nascita e israelita di famiglia, madre del Sottotenente degli Alpini SERGIO MAESTRO COTTINI (Venezia 10 Luglio 1921) si onora esporre quanto segue alla generosa comprensione della S.V.Ill.ma.

Il Sottotenente SERGIO MAESTRO COTTINI è stato deportato con altri Ufficiali e soldati dai tedeschi il 10 settembre 1943 prima in Polonia e poi in varie località della Germania.

Rifiutatosi di aderire alla repubblica fascista fu sottoposto ad ogni sorta di umiliazioni e di sacrifici e per quanto in zona battutissima da apparecchi e dalle artiglierie (Ruhr) per vera grazia di Dio riuscì a salvarsi.

Nel marzo 1945 all'avanzarsi delle truppe alleate riuscì a sottrarsi alle ricerche dei nazisti, che volevano portarlo nel centro della Germania, e dopo essere stato nascosto con grave pericolo per un mese dalla famiglia Sauft di Hamborn (Duisburg) Alsumerstrasse 44, fu liberato dagli americani.

Il 24 luglio 1945 pochi giorni prima di essere rimpatriato (i suoi compagni hanno lasciato il campo H.2 di Hamborn il 5 agosto 1945) si allontanò dal campo facendosi prestare una pistola Beretta (senza munizioni) e dichiarando ai compagni di andare nella campagna vicina per procurarsi del cibo.

Arrestato dalla polizia inglese fu processato e condannato a ben 5 anni di carcere per porto abusivo d'arma.

Attualmente è detenuto nel Reclusorio di Werl (Westfalia). Una lettera, che si allega in copia, dell'Ufficiale in oggetto, in data 20 settembre 1945, mentre conferma quanto sopra

Attualmente è detenuto nel Reclusorio di Werl (Westfalia). Una lettera, che si allega in copia, dell'Ufficiale in oggetto, in data 20 settembre 1945, mentre conferma quanto sopra fa presente la sua tragica situazione: non solo nè lui nè gli altri cinquanta ufficiali condetenuti a Werl hanno finora ricevuto il conforto morale e l'aiuto materiale da parte di alcun italiano, ma sono assolutamente privi di notizie, di indumenti e di viveri: per colmo sono affidati alla dura custodia di secondini tedeschi.

Declassified E.O. 12065 Section 3-402/NNDC NO. 175020

La sottoscritta, che ha già tanto sofferto per le persecuzioni razziali, si permette fare appello alla comprensione, all'umanità e alla generosità dell'Illustre On. Jacini perchè al più presto possibile venga provveduto al rimpatrio di suo figlio che da quanto scrive il Colonnello Vernazza, Capo Missione Collegamento Italiana, è provvedimento ammesso e consentito: una volta in Italia, se proprio ora non è possibile una procedura di grazia o di condono, dedicherà ogni attimo della sua vita all'appello o alla revisione del processo.

Pensi l'Illustre Onorevole Ministro che suo figlio, buono, generoso, devoto profondamente alla nostra Patria, ha 24 anni, è studente in Legge, ha già sofferto due terribili lunghi anni di deportazione, che infine tutta la sua vita, la sua carriera, il suo avvenire sarebbero stroncati e rovinati per sempre.

La sottoscritta supplica con tutto il fervore di convinta cristiana di liberare suo figlio da quell'inferno di pena, della umiliazione profonda di languire in un carcere tedesco, di ridargli l'emozione di riabbracciare la sua Mamma.

Se Sergio ha commesso una ragazzata è anche e prima di tutto un Ufficiale italiano e una vittima della crudeltà e della deportazione tedesca. L'istante mentre confida sicuramente che l'Illustre Ministro voglia prendere veramente a cuore la sua tragedia, si permette esprimergli la sua commossa devota riconoscenza. Con deferenti ossequi

OGGETTO: S. Ten. SERGIO MAESTRO COTTINI

Dalle indagini finora compiute da parte di questa Missione, relativamente alla sorte dell'Ufficiale in oggetto; risulta quanto segue:

Il S. Ten. SERGIO MAESTRO COTTINI, si trova fino al mese di luglio in campo di concentramento italiano, situato nella zona di occupazione inglese, e precisamente nella Ruhr.

Egli si allontanò dal campo prima che questi venisse sgomberato e venne arrestato dalla Polizia inglese per essere stato trovato in possesso di un rivoltella mentre era alle prese con un suddito tedesco, che a quanto pare, gli aveva rifiutato il cibo.

Il tribunale inglese, dopo un processo nel quale il Ten. Cottini ha avuto come difensore l'Ufficiale Italiano di Collegamento in quella Regione, lo ha condannato a cinque anni di reclusione per porto d'arma abusivo e per minaccia a mano armata. L'Ufficiale si trovava ai primi di Ottobre nel carcere di Werl (Westfalia).

6821

Appena possibile, e sempre ciò sia ritenuto opportuno dalle Autorità di Occupazione, egli sarà rimpatriato per scontare, eventualmente in Italia la pena inflittagli.

Viene confermato che la salute è ottima.

M i l a n o

Caro zio Bepi e parenti tutti, vi stupirete molto ricevere mie notizie ancora da qui. La sorte mi ha giocato un cattivo scherzo e mi trovo ora in carcere a Werl, condannato a 5 anni di prigione per illegale porto-d'armi dal tribunale militare inglese superiore di occupazione. Io portavo quest'arma, una pistola, in qualità di ex ufficiale prigioniero di guerra e di comandante del lager di concentramento degli ex prigionieri italiani. Incarico ed arma mi erano stati affidati degli Americani. Questi vennero sostituiti dagli inglesi ed io mi trovo ora qui perchè gli inglesi hanno incominciato a raccogliere tutte le armi e vogliono obbligare la popolazione tedesca a consegnarle. Coloro che non le consegnano ricevono tali grosse punizioni. Io voglio bene sperare che questa sia una cosa solo formale e che, in sostanza, considerato anche che sono un prigioniero di guerra, la pena non sarà certo del tutto da scontare. Comunque sia poichè non so cosa sia successo in questi due anni dei miei cari e di mia madre in particolare, mi rivolgo a Voi perchè voi vogliate comunicare alla Mamma tutto questo e che possiate fare qualche cosa per il mio rimpatrio.

La situazione è la seguente: gli italiani in Germania sono ora tutti rientrati in Patria. Io mi trovo qui con circa 50 altri disgraziati colleghi e anche a nome loro vi prego di voler interessare le Autorità Italiane di Polizia. Siamo completamente isolati e soli e non sappiamo nulla della nostra sorte. Non sappiamo dove si trovino i più prossimi comandi o commissioni di rimpatrio. Gli altri stranieri che si trovavano qui sono stati ritirati dalle loro commissioni di rimpatrio. Anche per noi italiani che siamo ora qui in carcere dovrebbe avvenire lo stesso. Ci vuole però l'interessamento del nostro governo o chi per esso. Nessuno sa che noi ci troviamo qui, altrimenti qualche ufficiale italiano di rimpatrio sarebbe già venuto sia pure a visitarci. Io sono un ex prigioniero di guerra. Restando qui in Germania come prigioniero ed adattandomi a tutte le privazioni pure di non avere ulteriori contatti con il regime fascista, ho chiaramente dimostrato la mia fede politica e l'amore patrio.

6829

Declassified E.O. 12065 Section 3-402/NNDC NO. 785020

Io sono ora un prigioniero di guerra? Le leggi internazionali di guerra dicono che tutti i prigionieri di guerra hanno il diritto al rimpatrio. Siamo certi che il governo inglese ha già preso disposizioni con il governo italiano. Se noi siamo ancora qui credo sia dovuto soltanto alla situazione molto confusa di questi primi tempi di occupazione.

Il nostro governo non ha mandato commissioni di controllo in Germania. Si tratta di interessare chi di dovere che ci sono ancora degli ex prigionieri di guerra, in carcere, che attendono il rimpatrio. Se anche gli inglesi non ci grazieranno essi ci consegneranno alle Autorità Italiane di Polizia che provvederanno ulteriormente, eventualmente per il continuamento della pena. Voi capite che per me è molto importante come prima cosa poter essere rimpatriato. In un secondo tempo, una volta in Italia, potrò fare i passi necessari per la liberazione ed ho buone speranze come ex prigioniero di guerra.

Sono certo che esisteranno delle convenzioni tra inglesi e italiani per la consegna anche degli ex prigionieri carcerati. Io vi prego di volere fare qualche cosa per tutti e di volere seguire particolarmente la mia pratica.

Voi saprete trovare la strada migliore e sono certo del vostro aiuto. Sarebbe inumano lasciarmi ancora qui dopo due anni di assenza da casa, senza sapere nulla dei miei cari, qui in Germania, ancora in mezzo agli odiati tedeschi che ci fanno anche da secondini...!!! I prigionieri di guerra fanno la guardia i vinti Tedeschi !!! e in una situazione alimentare tragica senza nessuna assistenza materiale e morale.

Ai tedeschi è concesso essere visitati dai parenti. Noi non abbiamo nessuno qui. Vogliate cercare di scrivermi tramite la Croce Rossa o il Vaticano. Le poste non funzionano. Comunicate anche, oltre a miexxix madre, quanto sopra. Vi ringrazio, anche a nome di tutti gli altri certi del vostro aiuto. 681

Vi saluto tutti affettuosamente Sergio

I attach four requests from the Questura of BRESCIA for the handing over of prisoners of war in allied hands who are required for trial by various Italian authorities. It will be seen from the letters that a first request was made in all four cases in the month of July, but no response has been received by the Italian authorities.
