To: OC 338 (A) Coy Pnr Corps

Sir,

I have the honour to submit to you this application, hoping that you will be able to help me.

I got called up into the Italian Fascist Army on March 15th 1939 in Italy. A fortnight later, I was sent to Lybia, from where I escaped a month later with the idea not to fight for the fascists and fortunately I arrived safe in French territory.

In June 1939 I received a letter from my wife telling me that I got sentenced to death for desertion by the Italian Fascist Govt.

When I was on leave in my home town last December and January I heard by the prefect that my condemnation to death is still maintained.

As I wanted to get discharged here in Italy and join my family I beg you Sir to help me that this death sentence pronounced by the Italian Fascist Government will be cancelled.

I am born on Jan 31st 1911 at LAVELLO, P. di Potenza, Italy and my wife's address is:

Antonietta SANUA
15, Via Marzzini
LAVELLO (Potenza)

Hoping that my application will be transmitted with your kind recommendation.

I am, Sir,
your obedient servant

I take the liberty to address myself to your kindness in order to have, if possible, some information regarding my brother Carlo Zanotti, son of Luigi, born in 1925, made prisoner during the first days of the month of May 1945 and sent to Camp 209 P.o.W. Afragola (Napoli) Nr. 961929.

On the 3rd. or 4th. of February he was formally informed by the Superintendent Officer that he was going to be released and therefore sent for the necessary documents to Camp "S" P.o.W.Taranto. There are other boys with him that are in the same conditions. I am now heartily begging you to let me know whether it is not possible for these soldiers called for compulsory military service by the former Republican Navy to be released in a short time, and I kindly ask you to please specify what procedure must be followed to hasten their return.

I fully rely on your kind assistance in this matter, and I wish to apologize for whatever inconvenience I may cause you and highly thank you in advance for all you may do in this circumstance.

Ref. 38/9 Rimini, 24 Jan 1946

Subj. SEP MORAUS Romeo, father Peter, mother Wogrin Maria, born in Vienna on 12.2.1912, domiciled in Ttaly for a]on period of years.

To: N° 1 SEP RFT. & HOLDING CENTRE. Riccione.

The liberation Committee of Rimini points to your attention the case of the a/n, who has been living in Italy 25 years. He has married an Italian , and was arrested by C.I.C. of Bressanone in June 1945 for unknown reasons.

Up to July 1944 he was the manager of a Marmalade Factory at MASSALOMBARDA (Ravenna Province). During the German occupation he gave a prove of his fillings and his moral caracter saving 6 partisans from being executed, (see documents attached) and several others from being sent to concentration camps in Germany.

After the distruction of the factory where he worked, (which was bombed in July 1944) he went to Bressanone with his family. Being unfit to military service, he was called up by the Labour Office in Bolzano as a civilian interpreter at the Police Office (Civil Affairs) and worked directly under command of Dr. SCHESTER and Dr. PIAZZA, who are still in the same job, and may give evidence of Moraus' activity. He was dismissed on 30 April 1945, and got two more months of salary.

No other activity was carried out by the a/n. As his family (wife and two children) are in very difficult economical conditions, may be the case favourably examined, please.

I, undersigned COSTA Giuseppe, father Paolo, born at MASSALOMBARDA (Ravenna Province) on 11.5.1899, state on my conscience what follows:

My son Carlo was arrested at Marradi, after a fight against Fascist troops and German Marine. He was sentenced to death on 9 May 1944. Only through the intervention of Signor Romano Moraus at the German HQ in Ravenna, then at the German Military Court in Florence, it was possible to obtain a dilay of the execution in a first time, then a change of the sentence into 12 years imprisonment.

Five other partisans benefited, together with my son, of Mr. Moraus' intervention. They were:

CHERSONI	Adelmo	"	Stefano
RICCI-Giacomoni	Andrea	"	Sebastiano
BATTAGLIA	Leonida	"	Emilio
DIRANI	Sigfrido	"	Antonio

Application of the SINDACO of Seriate (Bergamo Province) on behalf of:

SANDRINELLI Sperandio, father Giovanni, born on 1923

The a/n was serving in the Italian Army at the date of the Italian Armistice, and escaped for some months to the enlistment by Nazy-Fascist troops, but on 29 Feb 1944 he was obliged to report to the Fascist Authorities, in order to avoid reprisals against his family.

He was sent to "San Marco" battalion in Germany, where he remained 6 months, then near Savona, where he was injured in an accident. He passed through several hospitals, and after being recovered he was sent to the Italian Prisons in Turin. After examination he was handed to the Allied Authorities as a SEP.

The Italian "QUESTORE" of Brgamo Province points out that the case is genuine and associates in the application for the release, as the a/n was sent to a cage according the instruction No 10 dated 6/6/45 of A.M.G? for Lombardia Region, which now has been cancelled.

Liberation Committee
of Cantù Cermenate (Como Province)

This is to certify that MOLTENI RENZO did not report spontaneously for the service in the Fascist Republican Army. On the contrary he remained away as long as he could, and only after being arrested he served in the Fascist Army, in order to avoid the interment in a concentration camp in Germany.

The population of his village wishes that he may be released as he is known as an anti-Nazy element.

SGD
by a rep of the local CLN

The statement is confirmed by the Parson of Cantù Cermenate, who associates in the application for the release.

No objection from the Provincial CLN of Como for the a/m to come back to his home.

I undersigned GRECO Vincenza, father Giuseppe, married Spina, have to submit the attached statement about my husband:
SPINA Alfio, father Biagio, born in 1912
belonging to 126 Artillery Regiment, and at present interned in Cage 3 RNT, Rimini Airfield.
I have also to point out that my husband had a motocycle accident in Milan on 25 May 1935, with fracture of the skull: owing to that, he remained three years at "Ospedale Maggiore" in Milan, surgical section, and did not recover entirely.
However he was called up in the Italian Army on 1940, and was taken prisoner on 16 July 1943. After a certain time he escaped: on this subject I pray you to consider that after the accident of 1935 he has never been in normal conditions again, and, especially on summer time, he often had nervous fit of such an intensity that he almost lost his reason.
After the flight, he remained in Sicily, at his relatives' house, as it appears from the attached statement. Later on, on 16 July 1945, he went to Milan, and on 13 Sep 1945 he reported to the British Authorities, entirely in good faith, in order to regularise his position, as he has a family to look after (the undersigned and two small children).
Therefore I pray you to consider with favour the position of my husband so that he may soon return to his family, which is now in an extremely po r condition.

VUSINI Giovanni, father Giovanni, born on 14 Feb 1922 at Zara.

The a/n was serving on 1943 (before the armistice) in the Italian Navy at Pola. After the Italian armistice, he continued his service in the Fascist Republican Army. During this second period, however, he strictly collaborated with the Partisans, bringing them ammunitions from the Fascist Navy stores, to the Railway station in Rovigno.

About on 16 March 1945 he deserted from the Fascist Navy and joined "Pino BUDICINI" battalion, a partisan formation in Maribor and Fiume, which continued its activity after the war, as a Unit of Tito.

Owing to his Italian fillings and the political conditions of Istria, the a/n deserted on 16 Nov 1945 and reported to the Allied Authorities in Pola, from where he was sent in a cage as a SEP.

The mother lives at Rovigno (Istria) where Tito's police searched the house. She cannot obtain any statement from Yugoslav Authorities about the activity his son carried out in favour of the Partisans, because of the difficult political relationship between Italians and Yugoslavs in Istria.

His brother is a Partisan in Turin.

The above statement was made by Mrs Anna VUSINI, mother of the a/n SEP, to Capt. Veronese, I.L.O.

SEP Vusini Giovanni has been interrogated and there is nothing against him.
An early release is recommended.

Sent home on leave, he did not report back, because of his Italian fillings. On 16 Nov 1945 he reported to the Allied Authorities at Pola, frm where he was sent in a cage as a SEP.

He never belonged to Fascist or German Units.

No documents can be obtained by his family from Yugoslav Authorities, owing to the present political conditions of Istria.

16 MAR 1946

TO ALLIED COMMISSION
ROME

The undersigned, for her husband Rossi Mariano and for about 100 ex-service men of the Repubblica Sociale Italiana actually interned at Lucca Judiciary Jail, begs to appeal to the Allied Command charity and justice, in order to obtain the examination of the position of my husband and other soldiers who are detained with him.

After 25 April 1945 my husband and soldiers have been captured and transferred in the concentration Camp P.W.E. of Modena and further on, transferred to Coltano (Pisa).

On October instead to be released, as the military Command of the Camp disposal they were transferred to Lucca judiciary jail, for answer about the events occurred during their service in the Army.

At first the events were denounced to the Military Jurisdiction and successively their acts of trial, have been arbitrarily and illegally advoked by the Extraordinary Court of Assiwe of Lucca.

Such an advokation is contrary not only to the contained items of War International Convention; about the treatment due to P.W., but also to the exact regulations of ex-service men, who are to be submitted to Magistratura Civile judgement, for events occurred during their service in the Army.

Meanwhile I trust that, the Military Allied Commission makes pressures over the Italian Government, as the ex-service men on subject are submitted under Magistratura Italiana sentence.

Thanking you in advance.

SUBJECT : POW ROSSI Giuseppe Camp 211 .

1) The attached documents are forwarded regarding POW ROSSI Giuseppe of 10th Mas, interned in Camp 211 Algiers.

2) From information received it results that Rossi was not of the fascist republican party and had no activity political. In 1944 he was asked to present himself at the Military comand of Milan in order to be sent as a workman to Germany with the Nazi fascist troops, but he deserted and for a while he was hidden by his relatives. On returning to his home in February 1945, he remainded hidden as long as he could but being without food and not being able to use his food tickets he presented himself and was enrolled in to the 10th Mas and sent to the front where in a short while he was captured.

3) POW Rossi is therefore a normal POW captured at the end of hostilities and as such, according to this Ministry should be treated as all other prisoners who belonged to the Republican groups.

Dear Captain de Masi:

In the pursuance of the charitable and humanitarian mission of the Holy See, the Secretariat of State of His Holiness takes the liberty to recommend to the benevolent consideration of the competent Allied Authorities an appeal which it has received from the wife of Major Roberto Brunelli on behalf of the latter.

The Major, who was arrested by the British Special Police on August 31st, 1945, is now being detained at Afragola. His wife submits the enclosed four documents on his behalf and requests that she may be informed of the nature of the charges on which her husband is being held. She affirms his innocence of any wrong-doing and asks that she may be permitted to communicate with a view to establishing his innocence.

Mrs. Brunelli has been warmly recommended to this office as an exemplary wife and mother. Any

ITALIAN PRISONERS OF WAR DIVISION

IPW/1/13/670 16 March 1946

SUBJECT: Recommendation for release of Col. ANGELINI Michele, held at FORTE BOCCEA, ROME

TO : G1(Br), GHQ CMF

1. Ref our 1/13/407 of 29 Jan 46, recommending release of subject PW, attention of this Division has been called to a letter from the office of the Judge Advocate General, GHQ CMF, addressed to Land Forces Sub-Commission (MMIA) and dated 6 Feb 46 (ref JAG/V[illegible]/16414), stating that that office has been unable to find any trace of Col ANGELINI.

2. This is odd, since considerable correspondence concerning this PW has passed both between this Division and GHQ CMF, and between Land Forces Sub-Commission (MMIA) and the office of the Judge Advocate General.

3. Your attention is particularly invited to our 1/13/407 of 29 Jan 46, which cites the referred-to correspondence, and to which no reply has yet been received.

4. This Division, as stated above, recommended the release of subject PW, based upon a similar recommendation received from the Ministry of war on the grounds that Col. ANGLIINI Michele is NOT to Col. Giuseppe ANGELINI who commanded the 1st Regiment of RE Division Infantry in CROATIA in 1942-3, which Col. Giuseppe ANGELINI was listed as an alleged War Criminal.

5. May we be advised, please, as to what action, if any, has been taken in the matter, and why the release of Col. Michele ANGELINI from FORTE BOCCEA has not yet been effected?

Onorevole Ufficio Prigionieri di Guerra
del Comando Alleato

Roma

E' con immenso dolore che mi rivolgo a codesto Ufficio implorando una grazia che certamente non mi si vorrà negare per le tristi condizioni in cui mi trovo e che qui appresso espongo. -

Mio marito della classe 1877 allonnello di cavalleria della riserva, ex combattente della guerra 1915-1918, nel 1941 è stato richiamato alle armi e adibito al comando di un campo di prigionieri a Laterina fino al 1942 - Fu destituito accampando il motivo della sua salute, ma sitengo che in realtà fosse perchè lasciato di debolezza nei riguardi dei prigionieri avendo egli assistito, dietro loro invito, ad una loro rappresentazione del teatrino del campo, —

Il 25 Nov. 1943 qui a Roma è stato arrestato, per ordine del Comando Alleato alla Polizia Italiana, tradotto alle Carceri di Regina Coeli e, date le sue deplorevoli condizioni di salute e per la sua età avanzata, trasferito all'infermeria locale. —

Il 23 Gennaio di quest'anno è stato prelevato dall'infermeria del carcere e trasferito ad Afragola (Napoli) campo #209. —

Mio marito della classe 1877 colonnello di cavalleria della riserva, ex. combattente della guerra 1915-1918, nel 1941 è stato richiamato alle Armi e adibito al comando di un campo di prigionieri a Gaeta fino al 1942 – Fu destituito accampando il motivo della sua salute, ma ritengo che in realtà fosse stato lasciato di debolezza nei riguardi dei prigionieri avendo egli assistito, dietro loro invito, ad una loro rappresentazione del teatrino del campo. –

Dal 4 febbraio non ho più avuto notizie di lui e mi è ben immaginare quale sia la mia angoscia certa che, dopo tanti disagi, sofferente di reumatismi cronici, sciatica e mal di cuore il suo fisico non potrà più resistere –

liana sembra che mio marito abbia subito un altro trasferimento a Taranto al Campo I.

Attualmente io vivo in una vera difficoltà economica - Dato che mio marito percepisce una pensione a lui intestata, mi è venuto anche a mancare questa risorsa, poichè io non sono incassarla e in questi non percepisco neppure un centesimo, —

Sono sventurato come mio marito di età molto avanzata, la mia esistenza senza alcun aiuto economico e morale è durissima -

Ora, per le condizioni di salute e di età di mio marito e per le tristi condizioni in cui versa io stessa per la di lui mancanza, prego vivamente codesto On. Ufficio di volermi concedere la grande grazia di liberare il mio congiunto da una situazione tanto penosa, in quanto sono convinta che egli non sia affatto implicato in nessuna questione di politica ne mi risulta -

Nella vita speranza che il Loro cuore non vorrà rimanere insensibile a tanta angoscia attendo con ansietà una Loro cortese risposta

1. Forwarded herewith is application by the wife of subject PW, together with accompanying documents, requesting his early release so that he may resume employment with his former firm, Societa' dell'Acqua Pia Antica Marcia, Via del Pozzetto 108, ROME.

2. You will note from the wife's letter that subject PW must be released in sufficient time so that he can report to his firm prior to 31 March 46, after which date apparently, according to the wife, the position will not be held for him.

3. It is therefore requested that your recommendation in this case be expedited as much as possible, so that this Division can transmit it to GHQ CMF in sufficient time to obtain his release, say, before 24 March 46, provided, of course, there is no objection to his release.

SUBJECT: Requests for investigation, report and recommendation of Italian PWs

TO : Ministry of the Interior, General Direction of Public Safety

1. Ref your AGR/I/447/12900 of 12 Feb 46, your AGR/I/-10503-4 of 26 Feb 46, and your AGR/I/447/13569 of 11 Feb 46, addressed by you to the Public Safety Sub-Commission of Allied Commission and eventually received by this Division, it is desired to point out that a DEFINITE RECOMMENDATION by the Italian Government is required by Allied authorities for the release or repatriation of any Italian PW, or for the release in ITALY or repatriation to ITALY of any PW of other than Italian nationality.

2. For instance, in your AGR/I/447/12900 of 12 Feb 46, it is NOT sufficient that the Questura of ROME recommends the release of BRIZIARELLI Elevezio; in your AGR/I/10503-4 of 26 Feb 46, it is NOT sufficient that the Prefettura of PISTOIA finds nothing against CAPRILLINI Gino, and in your AGR/I/447/-13569, it is NOT sufficient that you merely quote the Questuras of ROME and other cities, in the case of MACCHIA Silvano.

3. The Allied authorities require that the Italian Government, and NOT local agencies, recommend either that a PW be released or NOT released, as the case may be.

4. As a rule, cases submitted to you for investigation, report and recommendation have already been screened by Allied authorities. If, however, cases have NOT been screened by Allied authorities, then your recommendation would be subject also to subsequent approval by the Allied authorities.

5. It is desired further to point out that unless a case involves a Civilian, your communications should NOT be addressed to the Public Safety Sub-Commission, but specifically to this Division - Italian Prisoners of War Division, MMIA, Allied Commission.

6. This will avoid needless correspondence and consequent waste of time and effort, as in the case of BRIZIARELLI, your letter in this case having gone to the Public Safety Sub-Commission, Allied Commission, then forwarded by it to GHQ CMF, and now submitted by GHQ CMF to this Division, so that we have to re-submit the case to you, and from you it must come back to us for final forwarding back to GHQ CMF.

7. The same applies to the case of MACCHIA, which also went from you to Public Safety Sub-Commission, to GHQ CMF, and now to us for re-submission to you and then back to us.

8. In the case of CAPPELLINI, one step was saved because Public Safety Sub-Commission forwarded your letter to us instead of to GHQ CMF.

9. Since you have already examined the cases of BRIZIARELLI, MACCHIA and CAPPELLINI and forwarded the findings of local agencies, may this Division please have your OFFICIAL recommendation as to whether they should be released or retained in custody?

No 447/13569.

SUBJECT : Silvano MACCHIA of late Romolo and of Giuseppina Baiocchi, born in Rome on March 3, 1925 - interned in the Concentration Camp No 209.

Enclosed herewith, for any action you might deem necessary are two petitions of Mrs Giuseppina BAIOCCHI, widow MACCHIA, aiming to obtain the liberation of her son mentioned above.

According to what the Questura of Rome has communicated, Stefano MACCHIA was detained on May 27, 1945 - owing to a denunciation made against him by the D.L.N. in accordance with the dispositions then in force - on the ground that he had belonged to military formations of the republican Army. Accordingly he was handed in to the Rome Town Guard as a P.o.W.

The a/m young-man declared of having performed military service in Florence, Bologna and Apuania, of having not had any part in kidnappings and of having, on the contrary, helped some partisans.

The Questuras where Macchia was on duty have declared to be unable to give notice about his political activities , adding that the names of the partisans whom he says he has helped, are thoroughly unknown in those towns.

We are sending a photographic copy of a statement, belonging to Macchia, issued by the C.L.N. - Brigata Stella Rossa - of Bologna, of which it was impossible to ascertain the authenticity,as there is no record in the office of aforesaid Brigata.

TRANSLATION S.D.

To QUESTORE OF

ROME

I am Mrs Giuseppina BAIOCCHI, widow Macchia, mother of three children, two boys and one girl.

The eldest son, Silvano, born in 1925 in Rome, who supported the whole family with his work, was kidnapped by the Germans during their occupation of Rome. Not to be shot nor deported to Germany, in March 1944 he was obliged to follow the Republicans in Apuania. Shortly after he escaped to Bologna together with many of his comrades. In Bologna they took part in the clandestine actions giving the partisans weapons, ammunition and informations, as it appears from many documents issued by the Partisan Commands of that Area. Enclosed herewith is true copy of one of these documents.

Silvano returned to Rome towards the first days of May. Soon after he was taken away again owing to an anonymous denunciation. After a long time, I am at last informed that he is detained in the Allied Concentration Camp No 209 in Afragola.

Dear Mr. Questore, if there is still justice and humanity in the world, try to obtain the return home of this boy from whom we have in vain asked love and help for two and a half years! My daughter is seriously ill and my last child is too young to help me; so I am very poor without any daily support which only my Silvano could give to me.

I am sure that if you would intervene with the Allies my son would be set free and returned to his family after such a long time of bitter tears and anxiety.

Thanking you heartily I am

Sincerely Yours
and Giuseppina Baiocchi
widow Macchia

Div. Sez. N.

OGGETTO CAPPELLINI Gino di Ulderico,nato a Serravalle Pistoiese il 5 Aprile 1905,già residente a Casalguidi,internato ad Algesiras (Algeria) 2II P.O.W. Camp.

Per l'esame di competenza, si trasmette l'unita istanza della signora Mara Cappellini, intesa ad ottenere la liberazione del marito Cappellini Gino, internato in Algeria, sul cui conto la Prefettura di Pistoia ha riferito quanto segue:

""" CAPPELLINI Gino i primi di Settembre del 1943, ossia dopo una permanenza di circa due anni nel Montenegro, rimpatriò quale capitano della ex m.v.s.n., venendo così sorpreso dall'armistizio, per cui rimase a casa in Casalguidi. Successivamente aderì alla pseudo repubblica fascista e fu inviato a Livorno.-

Con il precipitare degli eventi il Cappellini nei primi giorni del mese di giugno 1944 abbandonò il servizio, portandosi nuovamente in Casalguidi, ove però si tenava nascosto per sfuggire ai rastrellamenti che sovente venivano praticati dai tedeschi. Senonché all'inizio del luglio dello stesso anno, sui colli albani e precisamente in località "Bucicattoli" fu catturato dai tedeschi e utilizzato in lavori nella zona di Pistoia per 40 giorni, finché riuscì a fuggire e portarsi a Casalguidi, ove rimase fino ad un mese della liberazione e cioé fino al 29 Settembre 1944, data in cui dalla sezione del servizio di sicurezza inglese di Pistoia, fu fermato e avviato al campo di concentramento di Padula (Salerno).-

Non é risultato che il Cappellini abbia svolta propaganda per la iscrizione al p.f.r. e non consta altresì che egli sia stato fazioso

o animato da spirito settario violento ed intemperante.-

Presso il Comitato di Liberazione Nazionale di Pistoia, come presso quella Delegazione Provinciale non pendono a suo carico denunzie o addebiti politici di sorta. Tali risultanze sono acclarate dalla circostanza che il Cappellini rimase in Casalguidi per circa un mese dopo la liberazione senza subire alcun atto di reazione da parte di quella popolazione.""".==

1) Herewith attached is the request regarding the prisoner in question.

2) From information received it results that Anelli became a fascist in 1926 but did nothing particular as one of the party. In the Aegean, where he was captured by the Allies, he was obliged by economical reasons and by being threatened to be shot, to collaborate with the Germans. The conditions of his family are very compassionate.

3) This Ministry retains that in view of what is written above Sgt. Maj. Anelli Salvatore may be released.

PROMEMORIA

PER IL COLONNELLO PALLOTTA

In seguito a richiesta della famiglia si gradirebbero notizie circa la presunta morte e il presunto stato di detenzione in prigionia del soldato MEZZELANI Mario di Alfredo classe 1915 già operante sul fronte siciliano.

A tale proposito fornisce i seguenti dati che la famiglia ha potuto raccogliere.

- Un certo Ceccarelli Alfio da Jesi commilitone del Mezzelani, in data 20 gennaio 1946, ha dichiarato alla famiglia dello stesso che il proprio congiunto sarebbe stato fatto prigioniero dagli alleati il 16 luglio 1943 in località Imelle e portato a Licata.
Mentre sostava insieme ad altri, compreso il dichiarante, nei pressi del porto cinto da reticolati, dopo cinque giorni di sosta, mentre era appoggiato ad un albero, sarebbe stato raggiunto da un colpo di fucile che le feriva gravemente al collo e poco dopo sarebbe stato trasportato all'ospedale locale con una camionetta.
Dopo alcuni giorni il dichiarante avrebbe saputo da un dottore italiano, del quale non fa il nome, che le stato del ferito era molto grave e che poi non seppe più nulla perché fu fatto imbarcare per l'Africa.

- Precedentemente a tale comunicazione, precisamente nel marzo 945, i familiari del Mezzelani ebbero notizio da una donna che conosceva il militare che questi sarebbe stato vista da altri compagni imbarcarsi per la Africa quale prigioniere; che altri lo avrebbero vedute anche in seguito e che altri ancora supponeno sia stato inviato in America.

- Intanto, fatte ricerche anche a Licata, il Comandante di quella Tenenza dei CC.RR. ha riferito alla famiglia che il Mezzelani non figura nello elenco dei caduti in quel Comune, né seppellito in quel cimitero Americano e Comunale.
Altresì dichiara che il predetto supposto caduto, non risulta essere stato ricoverato in quell'ospedale civico e che nel predetto cimitero Americano vi sono parecchie tombe di militari con la sola indicazione di "Sconosciuto".-

Cervignano del Friuli, 15 Jan, 46

TO: ALCIDE DE GASPERI
Prime Minister - Rome.

On the Christmas day I wrote you a letter begging you to make inquiries concerning the fate of my husband Lt FEDRI Dante a POW of the Allies. A German Officer passing through the other day, gave me news of him. He told me he was at Camp 215 Grottaglie (Taranto) together with 250 Italians and prisoners of various nationalities, mostly all Germans. As far as I was able to understand these unhappy people consider themselves forgotten by everybody or that perhaps their existence is not known by the Italian Authorities,

The Camp is a mass of mud and my husband is without shirts or stockings and suffers terribly with rheumatism.

I beg you Excellency to send a Commission in order to interrogate these prisoners in that Camp. I have documents in my possession as have also the Local Police Authorities (apart from the documents in the hands of the C.L.N.) which proove that there is nothing against my husband, and there is no reason why he should not be restored to his family. All his companions prisoners in other Camps have been freed, only he remained, because he was not yet been questioned.

You who are a faithful interpreter of the words of the Holy Father, will, I am sure not permit that my baby, who is soon to be born dies due to the disperation of her mother and will obtain my husband's release which will assure the happiness and the tranquillity of my family.

ROMA

Il giorno del Santo Natale Le ho scritto una lettera con la preghiera di fare ricerche sulla sorte di mio marito Tenente FEDRI Dante, prigioniero di guerra degli Alleati. In questi giorni un ufficiale tedesco di passaggio da queste parti mi ha portato sue notizie. Egli si trova nel Campo n. 215 a Grottaglie (Taranto) e con lui vi sono altri 250 italiani frammisti a prigionieri di varie nazionalità, in prevalenza tedeschi. Da quanto mi è stato riferito, questi infelici ritengono di essere dimenticati oppure che la loro esistenza non sia nota alle Autorità Italiane.

Detto campo è tutto una fanghiglia e mio marito è privo di camicie, di maglie e di calze e soffre terribili dolori reumatici si che egli invoca la morte che lo tolga da tante sofferenze morali e fisiche.

Onorevole, rivolgo a Lei fiduciosa l'ardente preghiera di voler disporre perchè l'apposita commissione di inchiesta italiana si rechi anche in quel campo come si è fatto per tutti gli altri. Io sono in possesso di documenti anche delle locali Autorità di polizia (oltre a quelli dei comitati del C.L.N.) nei quali si dichiara che nulla risulta a carico di mio marito e che nulla osta al suo rientro in famiglia. Tutti i compagni del suo reparto, già prigionieri in altri campi sono stati liberati; soltanto lui risulta ancora trattenuto senza che alcuno abbia mai provveduto finora a un suo interrogatorio.

7090

Onorevole, Lei che è il fedele interprete delle parole del S. Padre non permetta che la povera creaturina che deve nascere tra poco muoia per la disperazione della madre, faccia ritornare nella mia famiglia la serenità e la fede ed io pregherò tanto per Lei e per i suoi cari.

TRANSLATION

La Spezia, 28 January 1946

To : The Allied Force Headquarters - Caserta.

I, the undersigned, Pietro Uberto, son of the late Giovanni, a trader, resident at La Spezia, in care of the " Albergo Palazzo di San Giorgio" am appealing to your Command in order to obtain the release from the Concentration Camp, of my son, Gian Carlo, born in 1924, a student of the University of Rome, attending the Political Sciences ocurse.

For that purpose, I am submitting herewith, his "curriculum vitae":

In September 1943, my son, upon his return from Berlin, where he had attended a special course of the German Institute for Foreigners, confirmed that his feelings were anti-German, and expressed his will to fight for the liberation of his Fatherland from the nazi-fascists.

Although I was happy to hear his intention, I deemed it advisable to warn him of his health conditions (In 1941 and 1942 he had been hospitalized in the Sanatoriums of Abetine and Pineta di Sortenna, because of a pulmonary lesion.) He replied that it was not time for personal concerns, as every possible effort was to be made for the liberation of Italy. Therefore, he went to Rome several times and contacted the sons of the Venezuelan Envoy, Dr.Cassay, Professor Mangino of Rome University and some high-ranking Officials, among which Mr. Montgomery, a member of the British Legation at the Holy See in November 1943.

Later, he initiated his partisan activity in the Versilia area, by carrying arms, ammunitions, radio-sets etc-etc, with a Fiat 500 car, under the orders of Commandant Broffiero, from Viareggio and upon agreement with Mrs. De Fontaine, who were carrying out anti-German activity.

Early in 1944, as the German and Fascist authorities became aware of his underground activities, my son fled from La Spezia and the Versilia area and, helped by the partisans

T85087

Declassified E.O. 12065 Section 3-402/NNDC NO. T85020

of Milan, succeeded in crossing the Swiss border-line. In Switzerland he was confined for 40 days and was about to be interned, but rather than be interned, he preferred to take the risk of the repatriation, in order to resume his underground activity and returned to La Spezia.

In the latter part of May 1944, a death-dentence was pending against all those who had not joined the Army.

After the arrest of Commandant Brofferio and of De Fontaine family, he was wanted by the S.S. Again he fled from La Spezia; I had no news from him, except a few lines in July, in which he assured me not to worry about him.

In January 1945, a certain Mrs. Olga Favret widow Del Puppo a resident of Milan wrote repeatedly to me, requesting my presence there on behalf of my son, for whom she had done her best.

At the end of January 1945, I went to Milan, following Mrs. Favret's request, and there I was informed that my son had been arrested in September 1944 and detained in S. Vittore jail; while being transferred to Germany, he escaped, but was again apprehended at Bolzano and sentenced to hard labor; again he escaped and tried to reach Rome with other partisans, but, being deceived by a certain Capt. Comelli, was assigned to the 5th Branch of S.Vittore Jail, and sentenced, after a summary trial, to be shot. This was the reasnn I was repeatedly urged by Mrs. Favret to go to Milan.

Henceforth, assisted by two Lawyers, Mr. Lomacci and Mr. Magrone, both residents of Milan, I did my best during the whole month of March, to save my son.

Due to a restricted amnisty which was conceded by the Germans, upon request of the Archbishop of Milan because of the coming Easter season, I was able to obtain my son's release on 31 March 1945, thru the payment of 300.000 lire.

Yet, my son, after spending two days at La Spezia, again joined the Partisan Forces of the 4th Area and, provided with 50.000 lire which I had given him for the expenses he may have encountered during his trip, crossed the front-line. He presented himself to the Carrara AMG Command and was introduced to

Major Gordon Lett (a former Liaison Officer with the Partisan Forces of the 4th Area), who visaed his documents and allowed him to reach Florence.

On 3 June 1945, upon the liberation of La Spezia, I was informed that my son had been held in the Le Murate Jail of Florence and later trahsferred to the Concentration Camp of Scandisci.

Bewildered for the treatment done to my son, I came down to Florenne but there I was told that he had been transferred to the Concentration-Camp of Terni. He is still held there and nobody knows when a decision will be made on his case.

I am now asking your Command to kindly examine this case and, at least, to disclose the charges which are pending against my son, who has always been an ardent anti-nazi partisan.

I beg you to make a quick decision on the matter as the long hardships, the imprisonment and the internment have been harmful for my son's health.

Furthermore any further delay will cause an interruption in my son's studies.

In the certainty that my request will be granted, I beg you to accept my best regards.

s/ Pietro Uberto

Hereby enclosed are:

A photographic copy of a statement made by the Warden of the Milan jail, certifying that my son has been held there from 10 December 1944 till 31 March 1945, at the direction of the S.S.;

A photographic copy of the statement given by the Partisan Dora Carpanese, visaed by the President of the La Spezia Committee of National Liberation, certifying that my son has been held and tortured in the Concentration Camp of Gries (Province of Bolzano).

TO : Ministry of the Interior, Direction General of Public Safety

1. Ref your AGR/IV/500/71451 of 20 Feb 46, your attention is invited to our 1/13/486 of 13 Feb 46 (paragraphs 3, 4 and 5 thereof), which gives the disposition of subject PWs.

2. As VACCHERO and ZURLETTI were transferred to the Italian Repatriation Camp in ALGERIA on 19 Dec 45, it is quite likely they have already arrived at "S" Camp TARANTO, to which all PWs who were at 211 Camp were to be transferred.

3. It is therefore suggested that you contact the Ministry of War (Gabinetto), which has just appointed a Screening Commission to visit "S" Camp, so that this Commission may deal with the cases of VACCHERO and ZURLETTI.

4. TOMATIS, who was released 26 July 45 on medical grounds, is no longer under Allied control.

Stato Città Vaticano 4 - I - 1946

Ill.mo Comandante Generale R.A.A.C.,
Brigadiere Albanese -

mi prendo la grande libertà di rivolgermi all'E.V. per un caso pietoso che mi sta realmente a cuore

Pur di risolverlo nel senso più favorevole, io non recederei di fare qualunque passo ufficiale presso codesta On. Autorità, pur di portare con il mio intervento un aiuto al mio raccomandato, un sollievo pietoso alla madre desolata che date le sue precarie condizioni di salute, ne muore dal dolore.

Trattasi del giovane Otello Diorio fu Costantino che è stato vittima di una disavventura dolorosissima: di ritorno dall'Italia Settentrionale, ove trovavasi in qualità di Milite della Strada (organo di polizia quindi non combattente) venne il 25 Maggio 1945, dietro falsa denuncia, inviato al campo di concentramento 209 di Afragola (Napoli) .

Dato che a suo carico nulla è risultato, mi consta che da tempo il suo nome trovansi elencato nelle liste dei prigionieri di guerra che debbono essere rimessi in libertà.

Il Diorio è un giovane di principi moralissimi, di carattere mite; di quanto affermo ne assumo la piena responsabilità conoscendo a fondo i sentimenti di lui e della sua famiglia per averlo guidato fin dall'infanzia, indirizzandolo al bene e alla rettitudine.

Chiedo perciò all'E.V. il sollecito rilascio del mio raccomandato, sicuro che vorrà comprendere in pieno il senso di questo mio passo, intendendo nel mio carattere sacro di compiere un meritorio atto di carità.

Devotissimo servo

To : Ministry of Post-War Assistance, PW Bureau

1. Ref your 45985 of 18 Feb 46, asking why subject PW was interned and why he cannot be released, this Division is in receipt of the following case history from CHQ CMF:

2. MICHELAZZI escaped from ALGIERS and arrived in ALEXANDRIA on 11 Aug 45, when he was arrested as an escapee. Instructions were thereupon issued for him to be transferred to ITALY under escort, for internment in 209 Camp AFRAGOLA as a non-cooperator. He was repatriated on the SS ARUNDEL CASTLE.

3. Owing to short notice of ETA, the British escort failed to meet this PW at TARANTO, and he was taken to "T" Repatriation Camp on 14 Oct 45 and given 60 days leave by the Italian authorities.

4. Orders were then issued for his re-arrest and he was taken to 209 Camp until his recent transfer to "S" Camp. As a non-cooperator, he will not be eligible for release until all co-operators have been repatriated and released.
