OGGETTO Maggiore BRUNELLI Roberto - prigioniero di guerra

A parziale riferimento alla nota IPW: I/I3/682 del 16.3.46, si comunica che Brunelli Roberto di Epimenio e Nicolucci Maria, nato a Firenze il 27 febbraio 1894, già abitante in Ancona - Piazzã Roma n.5, prese dimora in detta città nel 1938, proveniente da Milano.

Lo stesso ha ricoperto la carica di direttore dell'Ufficio Comunale Imposte e Consumo di Ancona, ed in pubblico ha goduto buona reputazione quale persona seria ed onesta, sia nella vita privata che nell'espletamento delle proprie mansioni.

Politicamente ha dimostrato, a suo tempo, devozione verso il regime fascista, iscrivendosi a tale movimento politico fin dal 1926. Non ha ricoperto cariche politiche, nè si è dimostrato fazioso, od ha acquisito benemeranze.

Fin dall'inizio della recente guerra, risulta essere stato richiamato alle armi nell'esercito col grado di maggiore.

Ignorasi quali incarichi abbia ricoperto durante il richiamo alle armi e successivamente a tale periodo di tempo.

Tenuto conto che il predetto non ha a suo carico precedenti sfavorevoli, da parte di questo Ministero nulla osta ad una sua eventuale liberazione.

Si restituiscono con gli allegati.

Merano, 2 April 1946

AFM Caserta.

^{on} I, the undersigned, present herewith in my own name and behalf of about 300 South Tyrolian families, this petition in order to obtain the release of our relatives, formerly in service of the Security Police Force of the Commanding General in Italy.

All the men concerned, were Civil Service employees hired with a contract only. They were either assigned to this job, or, as it was in the case of my husband, who was previously assigned to the Organization Todt, later received their orders to report to this office. (My husband Alois ROSATI, RIMINI 6/2 A.J.P.S.W. Camp).

I wish to repeat my petition and I implore you to approve our request in order that our husbands, fathers, and brothers can return home. We would be extremely grateful to the High Command if our men could spend Easter already with us.

Very respectfully

During the period that he served in the g.n.r. although a fascist he committed the acts that could be held against him from a legal point of view.

His interment in a concentration camp by the Polish Military Police was due entirely to an injustice. He was denounced by people who desired to harm him and took advantage of the political situation to do so. - 2) Da informazioni ricevute si è venuto a conoscere che il pdg. SENZANI Otello, al pari dei suoi familiari, non hanno beni di fortuna e le loro condizioni economiche sono state sempre abbastanza disagiate. Tale stato lo indusse ad aderire, suo malgrado, alla g.n.r. onde essere così in grado di sostentare la famiglia.
Durante il periodo di tempo che prestò servizio nel predetto corpo, pur tenendo atteggiamento apparentemente fascista, non ha mai commesso atti specifici tali da renderlo passibile di provvedimenti di polizia, né penali.
Il suo internamento in campo di concentramento da parte della Polizia Militare Polacca, fu determinato esclusivamente da cattive informazioni da parte di elementi subdoli, che, approfittando della nota situazione politica, hanno voluto sfogare i propri malvagi sentimenti a danno del prigioniero Senzani il quale si è dimostrato sempre un buon cittadino, laborioso ed onesto, alieno da cattive azioni, e moderato nei suoi sentimenti politici.
- 3) Per quanto sopra sembra a questo Servizio che il pdg. Senzani Otello possa essere messo in libertà.-

He joined the g.n.r. for economical reasons and in order to avoid being deported to Germany or other persecutions from the nazi-fascists.

The arrest was due to charges made against him by people who disliked him personally and wished to put him in a bad spot. His release would make a favourable impression on the population.

SUBJECT : PISCO Giovanni son of Giovanni.

Attached herewith, for competency, is a petition by Mrs. PISCO mine tending to obtain the liberation of her brother PISCO Giovanni, who seems to be interned at the Grottaglie concentration-camp.

The CUNEO Prefecture, asked for informations, forwarded the following report :

"The above joined the M.V.S.R. on 1936 and was destined to office services at the Cuneo Command.

A few days after the 9th September, also owing to his extremely poor financial conditions and in order to support his family, he joined the Fascist Republican Army displaying his service at Cuneo. He was also a member of the Fascist Republican Party.

It responds to truth that his brother, belonging to the Railway Police was interned in Germany because he had left his place during an assault to a post of block by Partisan forces. He is probably dead, for his family is lacking of his news since a long time.

PISCO Giovanni never did take part to arrears or rounds up.

His moral conduct results to be good and he is well thought of in the neighbourhood.

Consequently, this Ministry begs to issue a favourable opinion to the fulfilment of the petition.

OGGETTO : PICCO Giovanni di Giovanni -

Per l'esame di competenza si trasmette l'unita istanza della Signor-
refico Rina, intesa ad ottenere la liberazione del fratello PICCO
Giovanni, che troverebbe internato nel campo di Grottaglie.

Sul di lui conto, la Prefettura di Cuneo, opportunamente interessata,
ha riferito quanto segue:

"Il soprascritto si arruolò nella m.v.s.n. nel 1936 ed assegnato ai
servizi di ufficio presso il Comando di Cuneo.

Alla data dell'8 settembre si sbandò, ma dopo pochi giorni, ed anche
perchè in pessime condizioni finanziarie e bisognoso di guadagnare per
aiutare la famiglia, si arruolò nella g.n.r. prestando servizio sempre
a Cuneo.- Era iscritto al p.f.r.-

Risponde a verità che un fratello del Picco Giovanni, appartenente
alla polizia ferroviaria, fu internato in Germania per avere disertato
durante l'attacco ad un posto di blocco da parte di forze partigiane.
Sembra sia deceduto, mandando notizie dello stesso da molto tempo.

Il Picco Giovanni, a quanto risulta, non prese mai parte a rastrella-
menti o arresti.

Lo stesso risulta di buona condotta morale e gode stima nel vicina-
to."

Questo Ministero, pertanto, esprime parere favorevole all'accoglimen-
to dell'istanza.-

(Translation M.B.)

With a petition addressed to H.H. The Luogotenente Generale del Regno, Mrs. PICCO Rina begs to point out the following :

A brother of her, born on 1923, was deported to Germany on August 1944 and her family does not hear from him since November of the same year.

Another brother, the liberation of whom she is tending to obtain with the present petition, is presently interned at the Grottaglie (Taranto) concentration-camp. Since he was transferred there from the RIMINI Concentration-camp, she did not hear from him any more.

She points out the great distress of her mother, and appeals to the sense of justice of H.H. in order that at least this son be restored to her. In fact, he did not commit any crime, and he was far more unlucky than guilty. He was going to become a priest and had to give up his dearest dream because his family was too poor and he was unable to complete his education. As his father was not able to support him, he was compelled to accept a job at the M.V.S.N. on 1936, and worked as a typist at the Majority Office till the 8th September 1943.

After the armistice, he intended to return home, but his Commander threatened him and, as his other brother had been deported to Germany, he accepted to continue working in order to save his mother another sorrow.

Now his old parents are also lacking of his news, and it would be generous as much as just if this son should be restored to them.

This is to certify that in connection with this district no charges have been received against MARIANI SERGIO di BIASE and di DE IULIIS LUCIA, born at Pescara on 28/6/24, domiciled in Bologna at Via Ghisiliera No.29. SUBJECT : PW MANGIALARDI Vito.

- 1) Reference your letter IPW/1/13/107.
- 2) Herewith attached is the correspondence pertaining to the case of MANGIALARDI Vito.
- 3) From information received it results that MANGIALARDI Vito has not conducted himself well from a morale standpoint, inasmuch as he has been charged quite a few times for theft. For that which regards his military activities it seems that during the armistice he was stationed in Sicily, where he deserted and afterwards presented himself at the garrison of Bari, which garrison put him under arms; from that moment up to the end of hostilities with Germany he gave no more news of himself. As a civilian he worked as a street cleaner, and had no fascist activities. He could never have had any fascist political activities as he is uneducated and illiterate. His family is composed of a wife and ten daughters who live in poverty.
- 4) Taking to account the very particular condition of the family and his military past, it is thought that he can be freed.

OGGETTO: Pdg. MANGIALARDI Vito.-

- 1) Si risponde al foglio IPW/I/13/107, e si restituisce l'allegata corrispondenza con esso pervenuta.
- 2) Dagli accertamenti eseguiti è risultato che il pdg. MANGIALARDI Vito non è di troppo buona condotta morale in quanto ha riportato diversi precedenti penali per furto. Per quanto riguarda l'attività militare risulta che, durante l'armistizio prestava servizio in Sicilia, dove si sbandò costituendosi poi al Distretto Militare di Bari che sembra lo avviò alle armi; da allora fino alla fine delle ostilità con la Germania non diede più notizie di sé alla famiglia. Da civile esercitava il mestiere di spazzino, senza dare mai prova di faziosità o malcostume fascista. Le sue condizioni intellettuali sono tali da far credere che non abbia potuto svolgere attività politica, in quanto trattasi di illetterato. La sua famiglia si compone della moglie e di 10 figlie femmine che vivono in misere condizioni economiche.
- 3) Tenuto conto delle particolari condizioni della famiglia del MANGIALARDI e del suo passato militare, si ritiene che egli possa essere messo in libertà.

During the period that he belonged to the G.N.R. he did nothing illegal. His internment in a concentration Camp was due entirely to bad information given regarding him by people who wished to profit by the political situation.

Aldo Fabbri was a good a workman and held very moderate political ideas.

Il suo internamento in campo di concentramento fu determinato esclusivamente da cattive informazioni date da parte di elementi che approfittarono della nota situazione politica.
Il Fabbri Aldo fu sempre laborioso, alieno da 758 vive azioni e moderato nei suoi sentimenti politici.

1. Reference your letter IFW/1/13/341 dtd 14 Jan 46 which was forwarded to us with attached correspondence.

2. From information received it results that, DI TOMNO, Pasquale on the 8 Sept 1943 following the armistice, left the Army voluntarily expressing anti-fascist sentiments. Subsequently due to the precarious financial condition of his family, composed of his wife and 3 small children, he joined the republic. During that period he held the rank of sergeant major of the Black shirts but his only aim was to furnish arms and information to the partisans of the City of Ravenna. Following the transfer to the North of the garrison where he was stationed, he hid in Ravenna until the city was liberated. On the 8 Sept he was asked to present himself at the Allied F.S.S. where they interned him.

Due to his absence his family are in a very poverty stricken state. Following the destruction of their house at Mezzano they have lost all their furniture.

3. This Ministry in consideration of what is written above is in favour of his release.

- 1) Si risponde al foglio IPW/I/I3/34I del 14 gennaio c.a. e si trasmettono gli allegati documenti con esso pervenuti.
- 2) Da informazioni assunte è risultato che il DI TONNO PASQUALE l'8 settembre 1943 in seguito all'armistizio, si autosmobilitò, manifestando idee antifasciste. In seguito, dato le precarie condizioni in cui versava la famiglia, composta della moglie e di tre figli tutti in tenera età, aderì alla repubblica. Durante il periodo repubblicano rivestì il grado di sergente maggiore della milizia, ma l'unico suo scopo fu quello di fornire armi e notizie di partigiani della città di Ravenna. In seguito al ripiegamento verso il Nord, del Presidio cui prestava servizio, si nascose in Ravenna sino alla liberazione della città. L'8 febbraio 1945 venne invitato a presentarsi al Comando della F.S.S. Alleata ove poi lo internarono. Data la sua assenza la famiglia versa in misere condizioni finanziarie. In seguito al sinistramento della casa a Mezzano, suo luogo di residenza, hanno perduto gran parte delle masserizie.
- 3) In considerazione di quanto sopra e non risultando a carico del DI TONNO fatti compromettenti durante lo pseudo governo repubblicano, si esprime parere favorevole per la liberazione del predetto.

SUBJECT: Request for release of Italian PW D'ORTENZIO Giulio

TO : Rt. Rev. Mons. Joseph F. McGeough,
Secretariat of State of His Holiness, VATICAN CITY

1. Ref your 113178/3A of 13 Mar 46, this Division is now in receipt of a request from the Ministry of the Interior, Direction General of Public Safety, as to the home address of subject PW, in order that the necessary investigation may be made.
2. It is also noted that your letter does not state whether D'ORTENZIO is a Prisoner of War (military) or a civilian interned at the FERNI Camp. It is important that such information in all cases be made available to this Division, so that we may route our inquiries to the proper authorities.
3. Inquiries concerning regular prisoners of war (that is, those captured prior to 3 Sept 45) are forwarded directly by us either to GHQ CEF (British) or MFOUSA (American) at CASERTA.
4. Inquiries concerning prisoners of war captured AFTER 3 Sept 45 are forwarded by us to the Ministry of the Interior, Direction General of Public Safety for investigation, as such PWs are considered neo-fascists. If that office recommends their release after investigation, this Division then forwards the recommendation to AFHQ.
5. Inquiries concerning civilian internees at the FERNI Camp should be addressed directly to the Security Division, Public Safety Sub-Commission, Allied Commission, which controls that camp.
6. Inquiries concerning other civilian (political) internees held in ITALY, other than at the FERNI Camp, should be addressed directly to the Ministry of the Interior, Direction General of Public Safety.
7. Inquiries concerning civilian internees held abroad (in AFRICA, INDIA, etc.), should be addressed to the UNRRA Italian Mission, Via Umbria, ROME.
8. This Division - the IPW Division - does NOT handle cases mentioned in paragraphs 5, 6 and 7 above.
9. The foregoing for your information and guidance.

Dear Captain De Masi:

The Secretariat of State of His Holiness has been asked to recommend to the competent Allied Authorities, for the attention and consideration which it may be deemed to merit, a petition which it has received on behalf of Major Roberto Brunelli, No. 380,154, P.O.W. Camp 209, G Compound.

The wife of Major Brunelli and friends of his, who attest to his character and Christian sentiment, would earnestly ask for news of the Major and for information as to the nature of the charges on which he is held. They have asked the Secretariat of State to seek this information for them and to ask on behalf of the Major an early review by the American and British authorities of his case.

Any assistance which you may be in a position to offer in this matter will be gratefully appreciated.

With sentiments of high esteem, I am

Il proprio marito RAVAGNANI Daniele-Derivo fu rampollo della classe 1901, è tuttora trattenuto nel campo di concentramento n. 209, a disposizione della Autorità Alleata, detenuti politici di Napoli senza specifiche accuse.=

Nessuna accusa è stata finora predetta a suo carico, però, secondo le vigenti leggi sulla epurazione, dato che egli non ebbe particolare attività politica, egli dovrebbe essere senz'altro rilasciato.-

Si aggiunge il fatto che egli è minorenne di salute per ulcera duodenale ripetutamente riconosciuta come risulta dai certificati setteelencati:

1°) Certificato dell'Ospedale Militare di Roma "BUON PASTORE" in data 10/9/1943, trasmesso di già alla Procura del Regno della Corte di Assise per i reati politici di Napoli, opportunamente e precedentemente interessata;

ritardo del provvedimento.=

Se vi é una giustizia umana, essa deve prevalere sulle faziosità e sugli odi individuali e far trionfare il proprio principio di equità.=

Su questa fede la sottoscritta invoca un rapido provvedimento il quale, dando alla luce alla verità dei fatti, ridoni la libertà di vivere, nella famiglia e nella già troppo martoriata nostra nazione, a coloro che né dall'una né dall'altra hanno demeritato.

PREFECT of Taranto.

The attached document is forwarded for your attention. This document was sent to us by Mrs. Aristea Magagna in order to obtain the release of the individual in question who is interned in Camp 211 Algiers. The Prefecture of Ferrara has reported as follows regarding him:

"Magagna, on the day of liberation of the territory, was arrested at Codigaro by an unknown partisan".

Given the seriousness of the moment and due to the difficult Police organization, he was turned over to the Allies who put him in a concentration camp.

As Magagna never belonged to any armed group of the so-called ex republican Army and did not collaborate with the Germans nor with the fascists. It is thought that the reason of his arrest was due to personal revenge.

This Ministry is in favour of his release.

A copy of this letter has been forwarded to the Prefect of Taranto as it is possible that the prisoner in question was transferred to Camp "S" Taranto.

Per l'esame di competenza si trasmette l'unita documentata istanza della signora Aristea MAGAGNA, intesa ad ottenere il rilascio del nominato in oggetto, che trovasi internato nel campo 211 PW di Algeri.

Sul di lui conto la Prefettura di Ferrara, opportunamente interessata, ha riferito quanto segue:

""Il nominato in oggetto il giorno della liberazione del territorio fu arrestato in Codigoro da un partigiano rimasto sconosciuto.-

Data la gravità del momento e la deficienza degli organi di polizia fu consegnato agli alleati che provvedevano al suo internamento in un campo di concentramento.-

Poiché il Magagna non ha appartenuto ad alcun corpo armato dell'ex repubblica sociale né ha comunque collaborato coi nazi-fascisti, si ritiene che il motivo del suo arresto sia dovuto unicamente ad una vendetta personale"".

Per tanto questo Ministero esprime parere favorevole alla liberazione del predetto Magagna.-

Si trasmette copia della presente anche al Sig. Prefetto di Taranto, non essendo improbabile che il prigioniero di cui trattasi sia stato trasferito dal Campo di Algeri a quello "B" di Taranto.-

1. Reference your letter IIW/1/1cm/969 B. dtd 16 October 1945 with which the attached documents were forwarded.

2. From information received it results that, FRIGERIO in fear of being deported to Germany, in August 1944, he joined as a volunteer the G.N.R. and was stationed in the Royal Villa of Monza where he worked as a clerk.

Taken to the Military hospital in October 1944 at Milan (Baggio) he went again on active duty in Feb 1945 with the Grenadier Bn. stationed at Como to be subsequently transferred to Vercelli where he was taken prisoner by the Allies.

During his duty at Monza no acts of fascist activities were charged to him and he did nothing but carry out his duties as clerk. FRIGERIO has a good moral and political background.

3. He therefore is a normal POW and this Ministry is in favour of his release together with the others of his category.

OGGETTO: Caporale FRIGERIO Cesare.

1)- In riferimento al foglio IPW/I/I om/969B del 16.10.45, si restituiscono gli allegati documenti relativi al caporale FRIGERIO Cesare, attualmente prigioniero di guerra al campo 211 - Algeria.

2)- Da informazioni assunte risulta che il FRIGERIO, trovandosi disoccupato e col timore di essere rastrellato e deportato in Germania, nell'agosto del 1944 si arruolava volontario nella G.N.R. e destinato in servizio nella villa Reale di Monza ove disimpegnava le mansioni di scritturale.

Ricoverato nell'ottobre 1944 nell'ospedale militare di Milano (Baggio), riprendeva servizio nel febbraio 1945 e destinato al Batg. Granatieri di Como per essere successivamente trasferito a Vercelli, dove era fatto prigioniero dagli Alleati.

Durante il servizio prestato a Monza non risultò stato colpevole di atti di faziosità, avendo limitata la sua attività solamente al servizio di scritturale.

Il FRIGERIO risulta di buona condotta morale senza precedenti penali.

3)- Egli, pertanto, è un vero e proprio prigioniero di guerra e come tale questo Servizio è del parere che egli debba essere posto in libertà unitamente a tutti gli altri, come lui, prigionieri di guerra.

I am anxiously expecting day by day my son's return as he is the only one who may provide for our living.

Time ago I applied to the Italian Commission for the Post-War Assistance for the same purpose; it replied that all the documents had been forwarded to your Hon. Command.

Sir, I am now applying to your generosity in the certainty that you will dispose my son's release on compassionate grounds. I am enclosing a letter received from him.

Relying upon your benevolent consideration, I thank you in advance.

I am replying to your letter dated 24 July 1944. I thank you for the kind thought you have had for me and I am glad to hear of your good health. Certainly there has been a period in which we seemed to have forgotten our brotherhood. You have justified yourself by saying that your heavy work does not allow you to write even a line to me. On my side, you know why I can't write so often as I wish.

Benlio, I do not want to hurt you, but I would have been more satisfied if you had told me the truth, that is: you have forgotten me. I understand that it is not your fault, because it is the natural consequence of the fact that I have been 11 or 12 years away from home. The same thing has happened to me. Anyway do not take it amiss, please.

I hope to see you again pretty soon. Kiss Mom and Daddy for me.

C O P Y

The undersigned Dr. PICCININO, Enrico son of the late Pasquale, residing in Torremaggiore, Foggia, states as follows:

His son as a University student born in 1912, left Italy on the 12th of November 1936 as an Officer of the Savoy Grenadiers from East Africa. He passed into the Regular Army in the Grenadiers of Sardinia which regiment became part of the Colonial troops. He married in 1939 and left a month after the wedding for East Africa, on the 26th May 1939.

He was taken prisoner with the Colonial troops on April 4th., 1941 at Dire Dawa, from that day he has not returned to Italy. He is now POW No. 90836 in Camp 353 in Gil Gil, Kenya, where he is a co-operator. On the 19th. of January 1946, his mother died.

The family is now composed of the undersigned, two married daughters and the POW in question. The father (the undersigned) is now left alone with two vineyards, an olive grove and a Notary Office.

His daughter in law, the prisoner's wife, is unable to be of any help to him as she has no particular training in any business activity and is also in a very low state of mind due to her mother's death which occurred recently in Bari, and has obliged her to go home.

The undersigned is 66 years old and has heart trouble, and desires very much the return of his son.

Herewith attached are the necessary documents that confirm what is written above.

Servizio Prigionieri di guerraR O M A

PICCININO Dott. ENRICO fu Pasquale, Notaro domiciliato in Torremaggiore (Foggia) espose e domanda quanto segue:

Interrompendo gli studi universitari, il di lui unico figlio maschio PASQUALE della classe 1912 partiva dall'Italia il 12 Novembre 1936 come Ufficiale dei Granatieri Savoia per l'Africa Orientale.

Nel 1938, a seguito di concorso per esami e per titoli, era promosso in servizio attivo permanente, e, rientrato nei Granatieri di Sardegna, onde proveniva, passava con le Truppe Coloniali.

Venuto in licenza in Italia nel Dicembre 1939, passava a matrimonio il 21 aprile 1940 con la Sig. BERNARD ELISABETTA, e ripartiva per l'A.O.I. il 26 Maggio successivo, dopo appena un mese dalle nozze.

Sempre fra le truppe di colore, e propriamente nel XX^a Battagl. Coloniale, il 4 Aprile 1941 veniva fatto prigioniero a Dire Dawa, e da quel giorno, pur dando assiduamente notizie non è più ritornato.

Attualmente egli trovasi sotto il n°90836 nel 353 Camp P.O.W. a Gil Gil nel Kenia, ove opera in collaborazione con gli Alleati, riscuotendo la loro piena soddisfazione e meritandosi la loro considerazione.

Il 19 Gennaio u.s. intanto la madre è venuta a morte, straziata dal mancato riabbraccio del figlio lontano.

La famiglia, a seguito della dipartita della madre, attualmente si compone del padre, sottoscritto, e dei tre figli: Maria Luisa coniugata in Napoli con l'Avv. Giovanni Pinsero, e Olga coniugata in Asti con il Maggiore Raffaele Dippo, e infine Pasquale, unico maschio, tuttora prigioniero.

Il padre, a seguito della morte della consorte Sig. Maria Ciaccia, è rimasto solo, stante la residenza lontana delle due figlie femmine; a capo dello Studio Notarile, e con un'azienda agricola costituita da due vigneti e tre oliveti e un seminativo.

L'unica presente in famiglia era la giovane nuora, moglie del prigioniero, inesperta e amareggiata dalla lunga assenza del marito, la quale non è in grado di collaborare almeno con il sottoscritto nelle cure della economia agricola e domestica; e ad aggravare la situazione, è sopraggiunta la morte della di lei madre, avvenuta in Bari il 11 Marzo corrente, evento che ha determinato l'allontanamento anche della nuora dalla casa.

E pertanto il sottoscritto, malfermo in salute per disturbi cardiaci, nella età di 66 anni, riesce a mala pena a presidiare lo Studio professionale, privo com'è di un sostegno morale e materiale, che possa coadiuvarlo almeno nell'amministrazione della economia agraria, la quale, col trascorrere dei giorni, va volgendo sensibilmente al dissepimento, e per mancanza di direttiva, e per la crescente invadenza del personale di lavoro.

Ad arginare questa triste situazione familiare, il sottoscritto domanda e prega accchè venga disposto con tutta sollecitudine il rimpatrio del figlio Ten. PICCININO PASQUALE dei granatieri di Sardegna

dal Camp 353 di Gil Gil (Kenia), onde con la sua presenza valida e capace possa accollarsi la responsabilità della economia agricola.

Alliga all'uopo i documenti giustificativi.

Con osservanza;

Studio Notarile

Catania, 1 April 1946

To : Hon. English Commander of the POWs - Caserta -

I have always had a profound sympathy for the British soldiers and I collaborated with them for the common cause as it results from the certificate # 319338 issued me by Marshall Alexander. I have risked my life in thousands of occasions for serving unpassionately the British Troops. I have furnished them with precious military information about German Forces' movements, location of arsenals, artillery, ammunition depots, powder-mills, bridges and auto-columns on behalf of the liberation war.

Once more, to-day, I earnestly beg the English friends in order to obtain the immediate release of my brother Vincenzo Sarnella, who is held as a P.O.W. at S. Andrea di Taranto in #947705 S. P.O.W. Camp A.Z./Camp-Naples.

I point out that my brother has been very useful to me for the service I performed and that he deserves to be released and to enjoy the freedom ~~to~~ which every honest citizen is entitled. I have gathered from a newspaper that the P.O.W.s of Camp " " of Taranto, are starving.

Therefore, I kindly beg you, on behalf of what I did for the Allies, to release my brother first of all and to issue him a just discrimination.

I beg your pardon, Commander, if I insist in order to be heeded. Other P.O.W.s have been released from the above-mentioned Camp.

While thanking, I express to you and all the English friends my profound gratitude.

SUBJECT: BATASSA Mario son of late Antonio, born at Rome
on 1927, P.C.W.

The parents of the aforesaid prisoner forwarded
a petition in order that their son, who is interned at an
Allied concentration-camp, be released.

The said BATASSA has no precedents in the files of
the Rome Questura.

According to a communication by the Brescia Que-
stura, the aforesaid, during the insurrection in Northern
Italy, escaped from the "Barbarigo" Battalion and joined
the service at the "S. Pancrazio" Partisan Command, by
which a statement was issued to him.

Accordingly, and also in consideration of the fact,
that the aforesaid BATASSA at the moment of his enlistment
was only 16 years old, the Rome Questura issues a favourable
opinion for his eventual release.

Forwarded for your information and such action as
you may deem opportune.

I genitori del nominato in oggetto hanno rivolto vive premure per ottenere la liberazione del proprio congiunto ristretto in un campo di concentramento alleato.

Il Batassa non ha precedenti sfavorevoli agli atti della Questura di Roma.

Egli altresì, come comunica la Questura di Brescia, durante il periodo insurrezionale in Alta Italia, ove si era rifugiato proveniente dal Battaglione "Barbarigo" prestò servizio presso il presidio partigiano di S. Pancrazio, dal quale gli venne pure rilasciata una dichiarazione. -

Ciò premesso ed in considerazione che all'atto del suo arruolamento nell'esercito repubblicano, il Batassa aveva appena 16 anni, la Questura di Roma esprime parere favorevole per un eventuale liberazione del predetto.

Tanto si comunica per le determinazioni di competenza. =
