SUBJECT: - German P.O.W.'s in Italian Military Hospitals

TO : - Director, Italian Prisoners of War S/C. HQ. ARCOM

1. Reference is made to the letter of the Italian Ministry of War, dated 5 March 1946 (File: 00300/C.O.) which was passed on to this Sub-Commission for comment.
2. Information reaching this office makes it difficult to understand why German P.O.W.'s are transferred to Italian Military Hospitals, as there is usually a hospital or Sick-bay with each P.O.W. cage. This office has no knowledge of instructions to the effect that German P.O.W.'s will be admitted to Italian hospitals, nor the method of payment in such cases.
3. It may well be that the German P.O.W.'s referred to may be found to be, upon further enquiry, to be actually Italian Nationals Serving in the German Army when captured.
4. Treatment is otherwise had from the nearest Allied Military Hospital.

FOR THE DIRECTOR:

*Col Regis passed this to P.H.S/C  
not necessarily for their comments,  
but in order to find out who will  
deal with it! It is certainly not  
an IPW Division matter.*

MINISTRY OF WAR  
GENERAL SECRETARY - COMMISSARIAT AND ADMINISTRATIVE  
SERVICES

FILE : 00730/C.C.

Rome 5 March 1946

SUBJECT : German PW's in Hospitals run by the Italian Red Cross and the A.C.S.

TO : Allied Commission, S/C, IIW Div., Rome.  
Attention: Ministry of the Treasury,  
General Accounting of the State, Rome.

In December 1945, following disposals issued by the A.C.S., that Italian prisoners of war, regularized and military personnel of the I.R.A., who had been over sixty days in hospital, could not be taken into military hospitals with military rations, an agreement was made with the Italian Red Cross and Italian Military Order of Malta, in order that they should be responsible for these categories of people.

Partisans and civilian victims of the war, have recently been added to this category, including civilian refugees.

During an inspection of the administration of the hospitals, that passed under the control of the above mentioned associations, it was found out that in certain hospitals, by orders of the Anglo-American Authority, German PW's in Anglo-American custody and military personnel who belonged to the so-called Republican Government, had been taken in.

This promiscuity of veterans from imprisonment who belonged to the above mentioned categories, might produce unfortunate reactions and situations that it would be opportune to avoid.

It has therefore been necessary to give disposals, in order that the military personnel who belonged to the so-called Republican Government, and who are in need of assistance, be sent to civilian hospitals.

For that which regards the German prisoners of war, no decision has been taken, and we beg your S/C to examine the possibility of having them sent to other hospitals.

As the Detaining Power is responsible for the care and up-keep of this personnel, we would greatly appreciate to be informed as to the modalities to be followed in order to regulate the re-imbursment of the expenses that we have assumed to take care of the prisoners in question.

Herewith attached for your information is a first list of German PW's who result as being in the hospital run by the Italian Military Order of Malta "Villa delle Mantellate" in Florence, and who were sent there by order of the A.C.S., on the 27th. of December 1945.

AL MINISTERO DEL TESORO - Rag. Gen. dello Stato R O M A

OGGETTO: Prigionieri di guerra germanici ricoverati in stabilimenti convenzionati con la C.R.I. e il S.I.C.M. -

Nel dicembre 1944 in seguito a categorica disposizione della Commissione Alleata, i prigionieri di guerra italiani rimpatriati ed i militari delle P.F.A.A. degen-  
ti oltre i sessante giorni non potevano più essere rico-  
verati in stabilimenti sanitari a razionamento militare,  
e pertanto si dovette stipulare apposita convenzione con  
la Croce Rossa Italiana ed il Sovrano Militare Ordine di  
Malta per la gestione di stabilimenti sanitari destinati  
al ricovero di tale categoria di personale.

Recentemente sono stati ammessi al ricovero an-  
che i partigiani, le vittime civili della guerra, nonché  
i reduci civili.

In sede di revisione del funzionamento <sup>539</sup> della  
gestione del complesso di ospedali passati in gestione al-  
le associazioni suddette, l'apposito organo a ciò prepo-  
sto ha rilevato che in taluni stabilimenti sono stati fat-  
ti ricoverare per disposizione delle autorità militari an-

./.

glo-americane sia militari dello pseudo governo repubblicano, sia prigionieri di guerra germanici in mani anglo-americane.

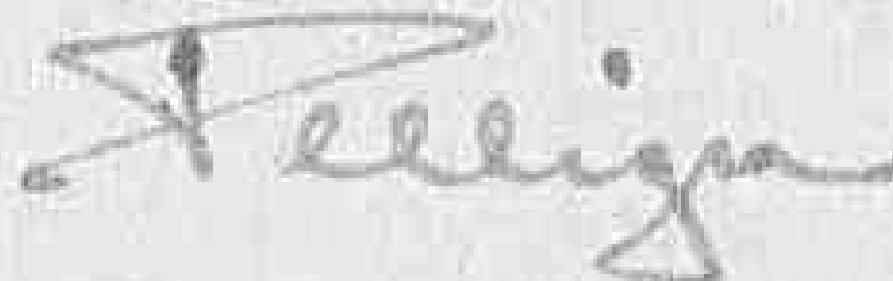

Tale promiscuità fra reduci dalla prigionia con i personali di cui sopra potrebbe determinare situazioni non del tutto opportune che sembra conveniente evitare.

E' stato quindi reso necessario disporre l'allontanamento dei militari dello pseudo governo repubblicano, i quali, se ancora abbisognevano di prestazioni sanitarie, sono stati avviati in ospedali civili. Si è soprasseduto invece nei riguardi dei prigionieri di guerra germanici per i quali si prega vivamente codesta sottocommissione di esaminare la possibilità del loro ritiro per l'avviamento in altri stabilimenti sanitari.

Con l'occasione tenuto conto che la cura e l'assistenza sanitaria di tale personale è a carico della Potenza detentrica, si gradirebbe conoscere i criteri e le modalità con i quali sistemare presso le associazioni interessate la questione relativa al rimborso delle spese di degenza dei prigionieri di guerra in questione.

Si unisce a titolo informativo un primo elenco di prigionieri di guerra germanici che risultano ricoverati nell'ospedale del Sovrano Militare Ordine di Malta "Villa delle Mantellate" di Firenze il 27 dicembre 1945 per ordine della Commissione Alleata.

MINISTERO DEGLI AFFARI ESTERIMEMORANDUM FOR THE ALLIED COMMISSION

Subject: Release of German PW's in Italy.

1. Reference is made to the Allied Commission's notes no. 687/15/50, dtd 18 February, and 687/28/50, of 4 March 1946.

2. In the matter of the above mentioned subject the Ministry for Foreign Affairs beg to state:

- a) It is the Italian Government's firm standing that all German Prisoners of war now in Italy be repatriated to Germany and it is trusted that appropriate measures to implement and expedite such repatriation be put into effect by the proper Allied Military Authorities. Such Italian viewpoint is also motivated by reasons connected with public order and the country's very difficult food situation. Furthermore it may be noted that at present Italy is giving hospitality to too many foreigners and that - with very few exceptions - measures for the repatriation of Germans have been taken in all countries.
- b) The Italian Government is willing however to entertain single applications for the release in Italy of some German prisoners of war providing each application is submitted to the Ministry for Foreign Affairs by the Allied Commission and bears the statement that the possible release is recommended by and in the interest of an Allied Authority. All pertinent facts and information must be supplied with the application and it is to be understood that, for reasons outlined in paragraph 3 below, no early reply may be expected from the Italian Government.
- c) Should each applicant's time for repatriation to Germany come before a reply is given, the fact that the Italian Government has not communicated its decision should under no circumstances cause a delay of the applicant's return to his country of origin. In such case the German PW concerned may be instructed to make a new application - through normal channels - once his release in Germany is effected.

3. The Ministry for Foreign Affairs, while on the subject, wish to point out that, in view of the delicate nature of the question, every application, as under para 2 comma (b) above, has to be thoroughly processed and each individual case must be separately checked, investigated and screened: a matter involving a large amount of work and taking up considerable time before a final decision can be reached.

4. The Ministry for Foreign Affairs has not failed to submit to the proper Allied Authorities the eight applications contained in note 243/EE (L) 4th 23 November 1945. They have learned that additional applications have reached the Italian Government through different channels other than this Ministry (in this connection it is pointed out that it would be preferable that all correspondence on this subject be addressed only to the Ministry for Foreign Affairs). However the processing of such applications has not been completed thus far and a reply will be forwarded to the Allied Commission as soon as it becomes available to this Ministry.

2. In connection with paragraph 2, sub-paragraph 'b' of your above-quoted Memorandum, this Division cannot take it upon itself to state that "the possible release is recommended by and in the interest of an Allied authority." Such recommendation would have to come from higher headquarters.

In reply to your letter in which you requested our intervention so that your husband, Mr. Lodovico Schrefler, could be released, you may rest assured that your husband's name has been included in the list which this Prefettura forwards regularly to the Allied Command, as a matter pertaining to its jurisdiction.

Personally I regret the condition in which your husband is finding himself. In fact I know him as one of the best Italian citizens among the Alto-Adesini, only interested in his work and alien from any political activity.

I, a former partisan of the Brigade Merano, Brev. Alexander N. 160515, feel it as a duty to make this statement, in the hope that it might be useful for the application you will make in order to obtain your husband's release.

In faith,

The Chief Clerk

/t/ Giorgio Del Furia

The release of the afore-mentioned person is recommended as, thru information gathered by this office, he results to have been a civilian interpreter for the SD of Bologna. His release would not affect the security of the Allies.

To : The Hon. Headquarters of Rimini  
c/o the Italian Police Command of Bolzano.

I, the undersigned, Eleonora Tirler, wife of POW Lodovico Schrefler, son of the late Lodovico, born on 21 March 1906 at Merano, presently held in the Rimini-Miramare C.J.Camp 4, under the serial number NA 12925, am applying to your Command so that my husband be returned to his family.

For the purpose, I point out the following:

- 1) My husband was not a volunteer; on the contrary, alike all the Alto-Adesini who had the Italian citizenship, he was compelled to serve in the German Army with a decree No 8, dated 7 January 1944 § 4;
- 2) While acting as an interpreter for the German Public Security Forces of Bologna, my husband did not commit any crime; on the contrary he aided on several occasions, persons detained in jail, as it results from documents in my possession.
- 3) For 9 months, I have been living together with my four children all less than 10 years old, without any earnings. Now I find myself in a very dire condition as all my savings are gone.

In the certainty that my husband will be released, I thank you in advance.

Respectfully yours

## STATEMENT

30 August 1945

Mr. Lodovico Schrefler did not commit any crime or violence while employed as an interpreter for the SS Command of Bologna. On the contrary, as he was a fervent catholic, he used to change the statements given against the partisans held by the SS, while translating them, on behalf of the partisans themselves. While I was detained in jail, Schrefler facilitated the contacts between the prisoners and their families. He was known among the partisans for his goodness and all the captured partisans wished to have him as their interpreter.

I, the undersigned, Giuseppe Scarani, a Captain on active duty, Chief of Staff of the Military Headquarters of Emilia and Romagna (C.U.M.E.R.) during the clandestine activity, state the following:

On 2 December 1944 I was arrested by the Black Brigades; on 15 January 1945 I was turned over to the German SS and sent to the jail located at Via S. Chiara. While I was held there, the interpreter, Mr. Lodovico Schrefler, interested himself on my case. Thanks to his intervention I was allowed to have interviews with my relatives and was able to warn my friends who were hunted after; I had also three meals per day and other comforts which alleviated my conditions. Moreover Lodovico Schrefler has assisted many other prisoners and never

committed any crime.

Talking about himself, he told that he had been compelled to join the German SS.

To : The Commander of the Concentration-Camp

Lodovico Schrefler, born at Merano on 21 March 1906, was one of the most active youths, members of the Catholic Association and a fervent assistant in the Parish of Merano.

Although he had opted for the Italian citizenship, he was drafted by the German Army Authorities on 6 March 1944. He had to join the SD against his own will. I am sure that his acts were not contrary to his Catholic creed.

I beg you to examine his situation.

I, the undersigned, Novella Sita, married Acquarelli, state that in October 1944, my husband was captured near Castenase (Province of Bologna) by the Germans and sent to the Concentration Camp of Fossoli di Carpi (Province of Modena).

On that occasion a friend of mine introduced me to Mr. Lodovico Schrefler, a civilian interpreter of the German S.S. Command of Bologna, to whom I reported my husband's case. Thanks to the unpassionate consideration he showed on my behalf, the SS. Command issued a letter with which the Command of the afore-mentioned concentration-camp was ordered to release my husband.

STATEMENT

Bologna 30 August 1945

I, the undersigned, Vincenzo Boschi, a former member of the 7th GAP Brigade, state the following:

During the nazi-fascist oppression, Mr. Lodovico Schrefler, a civilian interpreter for the German SS Command of Bologna, saved me on several occasion while I was performing my clandestine activity.

TRANSLATION

A first time I was arrested and, later on, released for lack of evidences thanks to Mr. Schrefler's help.

On a second occasion, it was Schrefler who warned me to escape, as the Black Brigades were hunting after me: two days after I escaped, my farm-house located at Argelato ( Province of Bologna) was sorrounded by the Black Brigades.

Afterwards, Schrefler informed me that a reward had been promised for my capture and that he would have looked after me.

Moreover, while stationed at Bologna, Schrefler aided several other partisans detained in the Nazi-Fascist jail.

I wish that the statements of those partisans who were benefitted by him, may enable him to be released.

P.O.W. Posch Giuseppe, shown as n° 10 on the list forwarded to your Mission with letter IO3726/I.I. of 26th February last, has presented some documents from which it appears that he ~~was~~ served in the German Army against his will and that, as soon as was possible, he made contact with a Group of Patriots in Piemonte, carrying out antinazi activities.

Posch Giuseppe is an Austrian citizen and, even though handed over to the Italian Authorities by the Allied Authorities, this Ministry considers that the authorities competent to decide of his liberation should be the Allied Authorities.

Florence 3rd March 46

To Florence Territorial Command.

Office n° I

SUBJECT: Request for the release of P.O.W. Posch Giuseppe of Edmondo and of Langer Maria, born at Muchlback/ Salisburgo (Austria) on 5/4/14 of austrian citizenship resident with his wife, Elisabetta Posch nee Kronan, at Bolzano ( Alto Adige ) Via della Torre 6. Since 1940 incorporated in the German Army (Wehrmacht) holding the rank of corporal. Since 1945 Patriot with the HQ VI Division Canavesana C.V.L. located at Courmè near Turin. From 10/6/45 to 26/12/45 in an American prison. Since 27/12/45 admitted as P.O.W. to the n° 8 SMOM Hospital, Villa Mantellate, Florence, Via Incontri 30.

The undersigned Posch Giuseppe begs to submit the following to the competent Authorities in order that this truly exceptional case may be clarified.

In 1919 I emigrated to Italy together with my parents, originally from Austria, and lived at Bolzano.

Since my parents were not able to obtain Italian citizenship, all the family had to retain Austrian citizenship.

After having attended Italian schools, I worked as a librarian.

I did not join the P.N.F., nor any of its organizations, I was on the other hand, a member of the Azione Cattolica.

When, in 1938, following the piratical assault of hitlerite Germany on Austria, I had to become a german citizen ( I should like to underline that I had no option) and, as a result of the fraternization between fascism and national-socialism, the first blackguards of Hitler and Gestapo came to the Alto Adige to commence their widespread propaganda, and eliminate all anti-Hitler elements, my sojourn became even more difficult since my political convictions were in ~~un~~ contrast to the national-socialist ~~desires~~ wishes.

In this period my father-in-law, signor Rodolfo Kronan of Bolzano, had to flee with all his family, first to Verona and then to Rome, persecuted by the nazis because of Jewish origin.

On the 13th December 1939 I was deported on the orders of Gestapo and compulsorily removed to Germany (my father suffered the same

( - 2 - )

fate together with all his family because of his antinazi sentiments).

In Germany I succeeded in finding sanctuary and work in the Benedictine Convent of Beuron in the Hoenzollern. Shortly afterwards however, I received my call-up papers from the German Army; the military medical officer, however, placed me in medical category "reserve 2"

Finally because of the intervention of the Gestapo, I was incorporated in the German Infantry (on 1/4/1940) despite my serious heart trouble and although I was "graded". From there I was transferred to line of communication troops, and, in view of the fact that I was "politically unsound", in 1943 I was sent to Rome to the Garrison Military Switchboard as bilingual switchboard operator; I was still there on the 8th September 1943.

Shortly afterwards I was transferred to the province of Verona and incorporated in the telephone-operators Company.

Despite the most severe prohibition of the nazi authorities and without their knowledge of the fact - my wedding with miss Elisabetta Kronan, of Jewish origin, took place at Bressanone in 1944.

My wife then lived at Cadipietra in Valle Aurina (Bolzano).

At the beginning of 1945 I was posted from my Company, as switchboard operator, to the Garrison Military switchboard (S.T.I.P.E.L.) of Turin and there, together with three similarly minded companions

I was able to realise my ardent desire to join C.L.N.A.I. and was able to participate actively in the struggle for the liberation of Italy from nazifascist yoke (enclosure).

Even though not of Italian citizenship, to participate in the war of liberation was for me a pleasurable consequence of my convictions; I am proud of them.

Only unwillingly and compelled by my present circumstances do I make a self-defence of my patriot sentiments. After the disbandment of the partisans formations, being a former member of the German Army, in order to return home I had to give myself and was sent to American Camp of Modena, where, because of the hostility of the German Camp Commanders, I was deprived of all documents from the H.Q. of VI Cавесана Alpine Division, which were for use in my screening, and where their forwarding to the American Authority was prevented.

I thus remained a prisoner and fell sick in July 1945 in the Modena Camp and the following months I was transferred to the Field Hospitals of Ghedi and Leghorn.

In view of the fact that I was no longer in condition to remain in a camp, at the beginning of November I was transferred to 9301 American Hospital of Pisa waiting to be repatriated with an Allied Hospital train.

Since however, I live in Italy and Allied Hospital trains are only sent to Germany, I was handed over, together with a group of other invalids, to n° 8 Villa Mantellate Hospital Florence on 27/12/45 to

511

- 3 -

be repatriated through this hospital.

For some months now I have had no need of clinical assistance.

Therefore from the medical side there is no obstacle to my repatriation.

I have been waiting for my release for two months.

The spiritual depression and the uncertainty derived from my state of being a prisoner are the causes of an appreciable worsening of my conditions of health. I therefore appeal to your H.Q. with the earnest prayer that you kindly arrange for my release in order that I may return to my wife.

Respectfully  
sgd. Posch Giuseppe

SUBJECT: P.O.W. Giuseppe Posch of Edmondo, born at Muhlback on 5/4/14 ( Austria ) resident at Bolzano- Via della Torre n° 6. At present patient at n°8 Villa Mantellate Hospital Via Incontri 30 - Florence

The undersigned wife of the above named begs that arrangements be made in order that her husband be released and sent to Bolzano, their city of residence.

Her husband is at present in the above mentioned hospital as P.O.W. Posch has lived in Bolzano since 1919 and was particularly interested in the Azione Cattolica and the Youth Group of Bolzano. Since however this organization represented an antinazi movement he was compulsorily sent to Germany by the Gestapo in 1939 and, in spite of heart troubles, was enlisted in the German Army (Wehrmacht) At the time of capitulation my husband was at Turin with a unit of Italian Patriots and was afterwards taken to a P.O.W. Camp at Modena.

Shortly afterwards he had to be admitted to a field Hospital because his heart troubles developed into a serious endocarditis. After having been in several hospitals my husband was taken to the 9301 Station Hospital Pisa and from there handed over by the Allied Authorities to the Italian Authorities who then admitted him to n° 8 hospital at Florence.

I cannot understand why my husband is not released despite the fact that his state of health would now permit of him being looked after at home.

Posch has not been in any SS. formation nor taken any interest in politics and has only had to put up with suffering from the Nazis. I now think that this can be the only reason for the delayed release because the Italian Authorities do not know of our truly special case which I beg to put before you.

My family was persecuted and molested by the Nazi Fascists for more than 6 years because my father is of Jewish origin.

We had to flee from Bolzano and my father saved himself by taking refuge in the Vatican, where he remained hidden for more than 2 years..

Part of our furniture was burnt and taken away by the Germans.

Posch married me in the 1944 despite matrimony between a <sup>502</sup>german soldier and a girl of Jewish origin strictly forbidden.

But we were sure of an allied victory and the Italian patriots and we knew that we would regain our liberty and security.

- 2 -

I therefore beg of you to give consideration to my request and to assist me in order that my husband is released and can return to his home.

I am sure that if you ask for information about him from the Bolzano Questura, you will obtain only the best reports.

Thanking you

To: A.M.C. H.Q. of Cuornè

This H.Q. <sup>would</sup> inform your office that the following personnel of Austrian nationality formerly belonging to the German Army are amongst the ranks of the Partisans belonging to our formations and hold themselves at disposal of Allied Authorities:

1) Fosch Giuseppe of Edmondo and of Maria Langer born on 5/4/1914 at Muehlbach, married, of Austrian nationality and the accountancy profession, resident at Cadipetra, Valle Aurina, Bolzano since 1919.

2) .....

3) .....

4) .....

The above belonged to a detachment on duty with the " STIPEL " telephone society.

Contact was made with them through one of our collaborators in January last, but they were for some time waiting contact with Partisan's Formations and only reasons of prudence compelled them to caution and therefore to delay the contact.

Once contact was established their collaboration was whole-hearted and in order: they supplied valuable information and intelligence of a secret military nature without compensation of any kind.

This information was duly forwarded by us to "Special Force N°1".

Finally they offered to carry out sabotage and counter sabotage.

Regarding to MAYR FRANCIS  
Prisoner number 233/181 G 2 Nr. A I - Rimini.

Though my petitions and prayers have been till now not successfull, I will try still once to repeat my petition containing now documents true and complete in order to get free my husband. I am convinced that the Allied Authorities, after having examined these documents, will kindly pay attention to my extreme appeal.

My husband became a prisoner at the 15 th of May 1945 and brought to Ancone for the reason of having served at the S.D. At the 15 th of October 1943 the German authorities wanted to force my husband to serve at the S.D. (My husband has this letter with him self).

Because he had entertained a special aversion for the National-socialist Party and for the militarism he tried by a document of a physician to escape the military service, but he had not success. By a minatory letter he was forced to obey (This letter has my husband with himself).

At the S.D. he was exclusively employed in the management of victuals. He had not to work in politics. He was by no means moved to enter in the party. Therefore many men forced by the Nazis took advises from him.

Besides he renounced of a second promotion, because he would not abandon his religion. 503

This moral behaviour of my husband is testified by these documents here.

Besides I am forced by the insupportable situation of my family to proceed in this manner.

My second son died a short time before my husband became a prisoner. A baby of 4 months has not yet seen his father.

My grief is very deep in account of my nine years old son.  
He can be saved only by a he avy operation (see documents 7 and 8 ).  
I cannot pay these costs without the help of my husband.

For the reason of these facts certified in the documents  
here I trust safely, that the Allied Authorities will decide  
fast

and kindly respectfully

DECLARATION.  
=====

From inquiries made by that C.L.N. communal either from the people of the language Italian or from people of South-Tirol, with regard to the employee of the S.D. MAYR FRANCIS born in Colle Isarco (Bolzano) the 28 th of November 1908 result as follows: The person said off was forced in opposition of his will to serve in the S.D., where he was employed in the shop of victuals in Verona from November 1943 to November 1944. After wards he was removed to Colle Isarco where he remained until the end of the war. Then he became a prisoner and was interned.

Besides it is not appearing whether he was inscribed in the Nationalsoz. Party or shaved in another organisation of its manner. During the period of his permanence in Colle Isarco, it is not appearing that he was relentless in deed and in words against the Italian who raked by the Nazifacists in the Italian provinces had been taken for working by the dependency of S.D.

In consideration of such a fact as of these declarations written and affirmed on oath by esteemed citizens of Colle Isarco, this C.L.N. is very agreed that Mr. MAYR FRANCIS may be free and return to his own family.

Declaration parochial

We testify officially that Mr. Mayr Francis born in Colle Isarco (Bolzano) in the 28 th of November 1908 at present in the camp of concentration Rimini G 2 during the period of his service as employee of the S.D. helped in all ways the people here, explaining the falsehood of their ideas to the badly informed. It is true that Mr. Mayr Francis has done every thing to not let emigrate his countrymen not only in words, but also working in very opposition against the measures used by the authorities of the office of emigration.

Therefore it is appearing that Mr. Mayr influenced nobody in the Nazionalsozialist sense but he occupied his job. exclusively in order to gain his and his family life.

He remained always Catholic in practice and was not induced to renounce of his Faith. He gave always freely and generously to the poor and was an honest man in the private and public life.

Ora ( Province of Trento )

The undersigned David Wischkin son of Mendel, hebrew, declares that Mr. Maceck Stefano son of Stefano from Ora, province of Trento, has repeatedly shown, in very particular circumstances, a deep sense of humanity and loyalty towards the undersigned.

After the events of the 8th of September 1943, in spite of the serious personal danger, he helped actively the mother and sister of the undersigned to escape, while they were ordered by the Nazis to stay at their home and wait for their deportation to Germany. Thus they were surely saved from death.

The present certificate is given spontaneously in homage to the truth and for the love of justice.

Declaration .

According to information received from persons for whom I take full responsibility, I declare that Mr. Stefano Maceck, fruit merchant, whose normal residence is in Ora, has always shown Italian and anti-nazi feelings and has suffered for these reasons repeated persecutions.

For these reasons, the public has been painfully impressed at the notice of his arrest.

Ora, 7 November 1945

TO: The Div. Command Ftr. "FRIULI"

LEVICO

Following is the written request of Levico for the liberation of the prisoner of war Macek Stefano son of Stefano from Ora, the following is an explanation of the circumstances:

The above mentioned Macek is without any doubt of Italian feelings; in 1939 he choose the Italian nationality, for this reason drew upon himself the persecution of his own family and of a great part of the population, which preferred German nationality. He was ill treated by everyone. He could frequent only a family and this was of hebrew race and persecuted by the Nazis.

The first days after the 8th of September 1943 the men of the hebrew family Wischkin were arrested by the chief of the local SOD, while the ladies of the same family: the mother and the daughter were ordered to stay at home, waiting for disposition or their arrest. As soon as Macek knew it he didn't hesitate a minute, and not thinking of his personal danger, he took the two ladies on his motor-cycle, far from the town, saving them. After this episode he had to stay away from Ora for a long time. The chief of SOD at that time did not forget him and prepared their revenge. In fact, when he went back, he was invited, with a few other people that had choosen the Italian nationality, to go to a reunion that was held by the famous Mr. Walch Kreisleiter, who in the speech he made called them traitors and tryed to persuade them that only by choosing again the German nationality they could obtain the pardon and all the benefits of every German citizen. The only answer that Mr. Macek was the declaration of his italian feelings, and that nothing could change his anti-nazis ideas, and besides that he added that having suffered for three years he could still resist. After a short time, he was called by the Army and assigned to the division of "Polizei".

It can be affirmed that in these few months when he was in service with the Germans he had many occasions to help, with all the means at his disposition, the Italians.

487

On April 1945 he left the Division of Policy and went to Ora. After the 3rd of May he immediately collaborated with the CLN, being considered as a loyal member and a just element.

On the 1st of October being not found in possession of the prescribed leave certificate (D.2) he was taken prisoner, so that his Xenemies and persecutors of the Nazis time could be happy again.

For all the above reasons we beg you to intervene and to urge his liberation from the camp of Taranto, where he is interned.

We thank you in advance.

-----

Sir,

I respectfully submit this application for Repatriation to Sicily, Italy on the following grounds :-

I was born in Palermo, Sicily 24.12.1912 and at the age of 5 brought to Switzerland for elementary school education. I returned to Italy in 1924 and frequented a private Suisse school ( Suisse Colony's Secondary School, Cetania, Sicily ) later established in Taormina, Sicily.

Ever since I have been authorised to stay and work in Italy and I had a permanent sojourn permission. My parents too lived in Italy, they established in this country in 1908.

Though of German nationality, I have never been in Germany. I was invited to join the German Army in Sicily in early 1941 by Consular authority as a civilian interpreter and I was later kept in this Army by the same trade but as a soldier.

Recently I have been informed, that authority has been granted for those Germans in Italy, who lived in Sicily for many years before the war to be locally released, in fact they are all back to their former domicile.

I have a child, 5 years old, but I have not yet been able to marry the girl who is an Italian subject and the daughter of an owner of a Hotel in Taormina, due to the unwillingness of German Authorities to provide the necessary consent, though Italian authority had been granted sometime ago.

My parents are dispersed. I have a brother who is in the same conditions as mine, he has been released in this country a few months ago.

Trusting that this application may receive favourable consideration,

I remain, Sir, your obedient servant,

*Richard A. 478*

## TRANSLATION.

TARANTO, 22nd FEBRUARY, 1946/

TO:

3/4/46  
SECOND ECHELON.  
FOR ATTENTION Y  
GERMAN TRACING SECTION.  
C.M.F.

I am the mother of a child five months old, and for this creature's name I pray you to listen to my demand.

Heinrich DIETZ is the father of my child, he is a German, prisoner of war, rank of a Warrant Officer in the German Air Force, his mother's name was Eugen, mother is Elsa Reinhard, he was borne at Mannheim on the 25th July, 1916. We tried to get married since October, 1944, but the Nazis Fascists Laws did not allowed us,

today's law could not obstacle us to get married, therefore I will be very happy if you could allow us our marriage. I have been already at the British headquarters at Taranto, who was very interesting in the matter, and told me that he will help me if I could find out where actually is my fiancé. He advised me to write and explain my situation to the above Headquarters and I hope you understand how I would like to have a family. Last year at Summer time my fiancé was at Bellaria at the following address:

Feldwebel Heinrich Dietz  
Deutsches Hauptquartier  
Kr. Gef. Lager 5 A.II/14.

From Bellaria has been transferred to the Airfield at Rimini, from there I did not hear any more about him.

At Bellaria the H.Q. of the Concentration camp allowed my fiancé to recognized with a certificate the child as his son, born at Bergamo the 4th of September, 1945. My child's name is Eugenio Enrico Dietz, therefore he has the father's name and his nationality. So, 466  
I pray you to understand the unhappiness of my heart and my painful situation. Please allow me to be the legal mother of my child and possess my fiancé's name. If it will not be possible for my fiancé to be present at the Wedding Ceremony, please allow him to send a proxy Certificate signed by the British Headquarters. In the above mentioned Certificate he must select somebody who must take his place. This person will be my brother: Vittorio Vecchio, Father's name Arturo, Mother's name Angela Semeraro, born in Taranto the 3rd August, 1923. I have sent the same demand to the Allied Commission. I beg you to understand my feelings as I think that my child must have

the legal right to have his parents in the future.  
I hope from the bottom of my heart that my demand will be taken  
into consideration.

I remain your obedient servant.

Ida VESCOVO

TRANSLATION

Trieste, 28 February 1946

To : The Supreme Allied Commander - Caserta -

I beg you to take into consideration the situation of Dr. Anton Fellner, held as internee at the "R" Internee Camp located at Terni. Through our conversation held at Trieste, during the period of the Nazi occupation I could notice that Dr. Fellner had feelings hostile to the Germans.

He has acquired particular merit in preventing the destruction of Trieste Port.

I am forwarding this application to you as I think it to be my duty to do so. Accept my sincerest regards.

Dear Sir,

First of all I want to thank you most sincerely for the kind reception you have granted to my elder son George Sigirid when he came to see you a few days ago. I must say, I do appreciate when somebody shows so much kindness and willingness to help, as you do.

Upon his return from Rome, my son put me into the picture about the case of my younger son GIANNI and his release. You will doubtless understand the hot wish of all of us and especially of his mother, that the sufferings which he had to endure whilst being kept in a POW CAMP should soon come to an end. It is for this wish that I learned with great pleasure from my son George Sigirid how things stand at present. I am glad indeed that you are personally taking care of GIANNI's case in order to hasten release. I agree it was most unfortunate that there occurred this regrettable delay of 2 months before you received GHQ's notification. I shall, therefore, be much obliged for all you will still do in order to shorten as much as possible this lengthy case.

Surely Mr. Fabbicotti, will by now be able to tell you how things stand.

Do apologise, please, for writing you once more, but may tell you that I am most grateful to you for your kind assistance.

With my best regards I am

Biographical Sketch  
of

Lieutenant Christoph Baron Unterrichter, Prisoner of War  
IE 124279 c/o chief P.O.W. Centre Middle East, Camp 380.-

He was born at Sarns, near Brixen (Bressanone, Province of Bolzano, Italy) on August 29<sup>th</sup> 1918 as son of Rudolf Baron Unterrichter, colonel in an Austrian-Hungarian Cavalry Regiment, and of Irma v. Heidler-Heilborn.-

Religion : Roman catholic.-

Schools : 1924-1928 elementary school at Brixen.

1928-1935 High School at the Benedictine College of Ettal, near Garmisch (Bavaria)

1935-1938 he studied Economics at the Agrarian Academy at Kaden, Czecho-Slovakia.-

Profession : From 1938-1942 he was administrator of his mother's estate (1150 acres) at Staré Sedlisté, near Tachov, Czecho-Slovakia.-

Nationality : The Unterrichter family is an old Tyrolese family.-  
In consequence of the separation of South Tyrol from Austria in 1919 the family automatically got the Italian citizenship. At the option of 1939 Christoph Unterrichter chose the German citizenship, because otherwise he would have jeopardized his and his mother's position on her estate at Staré Sedlisté, because this region had been occupied by Germany in 1928.-  
After the collapse of the Nazi and Fascist Governments Unterrichter is again in possession of the Italian citizenship.-

Political Activity : Mr. Unterrichter has neither been a member of the Fascist nor of the National Socialistic Party.- On the contrary he has been a member of a Catholic Youth Organisation at Ettal, which has been dissolved by the Nazis.-

Military Activity : He was called in to the Army on July 23<sup>th</sup> 1942 and after the training he was enrolled to an Infantry Regiment which was moved into Belgium and Holland. After his promotion to Lieutenant he was transferred to Italy, where he was made prisoner on 2nd June 1944 at Piuggi, near Rome.-

SUBJECT: Release of German PWs LADEMANN Guglielmo (Wilhelm)  
and WEISS Hans

TO : G1(Br), GHQ GMP

1. Under date of 29 Nov 45, you forwarded to this Division a communication from Hq No. 2 District and related documents, for reference to the Italian authorities as to the desirability of releasing German PW LADEMANN in ITALY as a cancer research specialist, and inquiring where he was employed and whether he would be re-employed in such capacity on his release. (Your 3312/4/42 of 29 Nov 45 refers).

2. The correspondence was forwarded by us on 13 Dec 45 to the Ministry of Post-War Assistance, for investigation, report and recommendation. To date, however, no reply has been received.

3. Now this Division is in receipt of a communication from the Ministry of the Interior, Direction General of Public Safety, stating that PW LADEMANN has been set free, and that he has gone to VARESE, without the Italian Ministry's decision in the case having been received.

4. At the same time, another letter from the same Ministry states that German PW WEISS, who was at Camp 12 (National Cage), also has been released and that he came to ROME on 23 Dec 45, and is now living here, likewise without approval of the Italian Government for his release in ITALY.

5. Concerning WEISS this Division has had no correspondence from your office.

6. The Direction General of Public Safety therefore asks whether the agreement entered into between Allied authorities and Italian Government, whereby former enemy PWs and internees were NOT to be released in ITALY without consent of the Italian authorities, is still in force, or whether it has been abrogated.

7. May this Division be informed, please, as to the present dispositions in cases of this kind?

Mr. Josef Woistermigg has served as interpreter with the Commando of the German SS in Bologna. He is a good Christian and as such has never done any wrong to people he had to deal with in this capacity. During my prolonged stay in the prisons of the SS he has always helped me in every possible way, especially to receive visits granted from relatives, contrary to superior order. I heard many partisans say that he really helped them in translating, in a way favorable to them, certain statements.

Petition concerning Josef Noisternigg POW. NA 17225 U. - POW Camp.  
 Naples - Italy.  
*Merano*

To whom it may concern:

The undersigned Mrs. Mary Noisternigg, takes the liberty to ask for xxx the release of her husband Josef Noisternigg and begs to make the following statement.

My husband born in Merano, on March 26.th, 1903, residing in Merano, Petici No. 325, an Italian citizen, has been employed for 21 years as salesman by the Fa. Oberhammer. He is the father of my two little children and supports also his 84 year old mother. He has always been an adversary both of the fascists and nazists and was xxx as such refused in 1939 the option for Germany.

He is a good Christian and member of the catholic artisans' Society. As Italian citizen he served in the Italian Army; despite this fact he was compelled, at the time of the German occupation, to serve as interpreter with the SD (Public Safety service) in Bologna, until the German surrender.

In compliance with allied orders he reported on May 26.th to the American Command and was transferred to a concentration camp for POW. He is known in the camp at Naples, Italy, under the number NA 17225 U.S.C.W. camp, Naples.

In as much as my husband has never been active politically and has served only under compulsion, I beg leave to ask for kind consideration of the present petition so that my husband may be released and enabled to return to his family for their support.

Merano, Septe ber 4th 1945.

(signed): Mary Noisternigg

*Maria Noisternigg*

Testimonial: The undersigned Dean and priest of Merano certifies that above statements are true. Mr Noisternigg is a faithful catholic, who kept always away from politics and is an adversary of both dictatorial regimes. I shall be greatly obliged if the above petition is being taken into favorable consideration so as to enable him to return to his poor wife, who has no other resources than what he can earn.

SUBJECT: Applications for release in ITALY - German PWs.

TO : GI(Br), GHA CMF

1. Ref your 3312/7/A2, you are informed that this Division has received only TWO of the letters of even reference which you state were addressed by you to Headquarters, Allied Commission from 2 Nov 45 to 19 Jan 46 inclusive.

2. The two letters received were both dated 17 Jan 46 and referred to German PWs FRIEDR August, WACHTLER Franz, PETER Hans, TIEBERBRUNNEN Hans and HERRION Herbert.

3. These two letters were received by this Division on 21 Jan 46, and we wrote to the Ministry of the Interior, Direction-General of Public Safety, on 25 Jan 46, forwarding the requests (copy of our letter to the Ministry attached).

4. What became of the other letters with the same reference we do not know, but they were definitely NOT logged in by the Chief Clerk of this Division, and this writer has no recollection of ever having seen them.

5. It is quite possible they may have been sent by Hq, Allied Commission, to some other Section or some other Sub-Commission, possibly even to some other Division of MMIA. The only thing we can do is to try to trace these down in the meantime, but it would be appreciated if we could have copies of all of the letters referred to excepting the two dated 17 Jan 46.

(S. Camp. S. Andrea. Taranto)

My boy is born in Venice on the 12<sup>th</sup> of April 1925; lived always in Italy - with the exception of a couple of years, (when he was 6 years old) in Germany - up to August 1943. - I am the proprietor of an underwear factory in Venice (Maglie di Giussiche Herion) existing since over 60 years. I had a part of my education in England where I visited in London the Pitman School. I travelled a great deal in Ireland, Scotland, where I have any amount of good old business friends. I am getting old, nearly 60 years & badly need a help. My wife too is having a bad health & is always worrying about her only son. I must consider it a great favour if my boy could be at home for X. mas.

I include some certificates (birth, inscription in the population of Venice, as well as certificates of people who know my boy for years.

Thanking you in anticipation for all you are going to do for me & very sincerely

My name is Franz Wachtler; I was born on 7 Aug 1905 in Pfalzen near Posen (Polzano) in the Southern Tyrol. My mother and father Josef and Johanna Wachtler live there, and own a small farm; I am one of eight children, and have five brothers and two sisters.

From 1923 until 1939 I went to the Italian Elementary School in Pfalzen.

On leaving school I stayed at home, and worked on my parents' farm. On 9 January 1944 I received an order to report for service from the Recruiting Office in Bruneck / Southern Tyrol and on the following day I had to report to the Arbeitsdienst (A) in Sterzing.

In November 1944 I joined the 11 Fallschirmjäger Regt in Badrin-Tal, and was taken prisoner by Vienna on 20 April.

As my home belonged to Austria until 1938, and subsequently was ceded to Italy, I request, that I may be released there.

Ich, Franz Wechtler, wurde am 7.8.25 in Pölz in Pölz/Suedtirol geboren.  
Mein Vater, Josef Wechtler, wie auch seine Mutter Johanna W., geb. Woltinghofer,  
sind dort behelmatet und betreiben eine Landwirtschaft. Ich habe noch sieben  
Geschwister, fünf Brüder und zwei Schwestern.

Von 1933 - 1939 besuchte ich die ital. Elementar-Schule in Pölz.  
Nach Entlassung verließ ich im Elternhause und arbeitete in der elterlichen  
Wirtschaft. Am 9.1.44 erhielt ich vom V. u. K. Dumeck/Suedtirol den Gestaltungs-  
befehl und musste mich am darauffolgenden Tage bei der Makelt, 94 in Mering  
melden. Im November 1944 kam ich zum Ballisch. Jg. Rgt. 11 nach Rußio/Italien  
und wurde am 29.4.45 bei Vicenza gefangen genommen.

Da nun meine Heimat bis 1939 zu Österreich gehörte und danach an  
Italien abgetreten wurde, bitte ich um meine Entlassung.

Life - History.

My name is Franz Weichler; I was born on 7 Aug 1925 in Walden near Tönn  
(Tulane) in the Southern Tyrol. My mother and father Josef and Johanna  
Weichler live there, and also a small farm: I am one of eight children, and have  
five brothers and two sisters.

From 1933 until 1938 I went to the Walden Elementary School in Walden.  
In leaving school I stayed at home, and worked on my parents' farm. In 9 January  
1941 I received an order to report for service from the recruiting office  
in Brunico/Southern Tyrol and on the following day I had to report to the  
Fleischwaller 94 in Merano.

In November 1941 I joined the 11 Fallschirmjäger Regt in Austria-Italy,  
and was taken prisoner by Vienna on 29 April.

As my home belonged to Austria until 1938, and subsequently was ceded  
to Italy, I request, that I may be released there.

Signed Franz Weichler, Capt.
