MEMORANDUM FOR THE ALLIED COMMISSION

SUBJECT: Request for release of German PWs and SEP in ITALY.

1. Reference is made to Allied Commission's note n.IPW/1/13/GER/175 dated 21st May, 1946.

2. The Ministry for Foreign Affairs beg to point out that the Italian Government's standing in the matter of release in Italy of German prisoners of war remains the one stressed in memorandum n.6/1204/539 of 11 March, 1946.

3. Every single application for release in Italy of the German prisoners of war may however carry or not the statement that the possible release is recommended by and in the interest of an Allied Authority.

4. The Italian Government in making the processing of every single application will consider the motives pointed out by the applicant for his release in Italy. It is to be stressed that the fact of being married or fiancé to an Italian citizen can not create the right for a German prisoner of war to be released in Italy, in as much as the laws of various Countries state that the wives must follow the husbands (Italian citizens married to American military personnel transfer themselves to the U.S.)

5. It is the Italian Government's firm standing that all German prisoners of war now in Italy be repatriated to Germany, there included the applicants for release in Italy who have not received at the moment of their repatriation an answer concerning the Italian Government's decision about their release. 1. ⁸²³ Information has been received from 7 Territorial Command that 796 P's OW are held in LATERINA Camp. These are all ex German Army personnel from the ALTO ADIGE District.
2. It is reported that they cannot be liberated without Allied Military authority. It is further reported that Allied sources are informing the relatives of these prisoners that the onus for sanctioning their release is on the Italian authorities. This situation is giving rise to much dissatisfaction at the Camp.

1. This Section has been visited by a certain KINDERLEN, Siegfried (Ger) who worked in 1943 with 68 FSS (O.C. then Capt. 1945) in TUNIS and then was recruited by No 1 I.W. for whom he carried out good work. He has a chit to this effect signed by a Major WINTERER. This Section was favourably impressed.
2. Subject KINDERLEN, Gianni, is a brother of this man and is at present believed to be a P.W. in the above Camp confined with Italian Political prisoners. Siegfried does not ask for his release but that he should be transferred to a Camp for ordinary German PW.
3. The family have resided in RAVELLO since 1936 and are bilingual in Italian and may be Gianni is mixed up with Italians. The KINDERLEN's were never conspicuous for their devotion to the Nazi Party and it is felt that an injustice may be being inflicted on Gianni.

re POW serg. int KIDERLEN Gianni B 947728 "S" POW camp Pen 4 - Taranto

Rapallo 10th April 1946

Dear Sir,

1) My a/n son was taken prisoner by British troops the end of April 45 as a German soldier in a unit of the regular German army (42 Int. Div. an Austrian Division) being a German subject

2) Evidently by a mistake or by a misunderstanding he was closed in a POW camp of Italian prisoners, who as far as I can see seem to be considered, at least to a certain extent, as political prisoners judging from the very bad treatment they have.

3) Anyhow and as far I had been informed by IPW division of the Land Forces Sub Commission - Allied Commission MMIA, CHQ at Caserta gave order to release him since the 21st Dec 45.

4) I tried all ways to get him out but I could not succeed and I am under the impression as if certain Italian circles are handicapping these efforts and as in rather crooked ways, which I cannot see clearly and which in any case I am a horror would be necessary to get him actually free.

5) And it is for this reasons and as I learn that in a good many cases you intervened and you gave your personal assistance that I ask you to help me, this the more as all comrades of my son in the meantime have been released, partly since weeks other since months.

6) I must make clear that neither my a/n son nor I nor anybody else of my family has ever been a member of the Nazi or Fascist party. It is generally known that all the components of my family were strong opponents of the Nazi since they started. This fact is well known to the P.S. (now Part S.S.) of Genoa, who is in a position to give any information about me and my family.

7) It is rather paradox that whilst my elder son serves since 3 years the British Army in several units with recognized loyalty and fully satisfactory (at present he is on duty with the Part S.S. in Genoa, and I am handing you herenclosed a copy of a certificate of another British Unit with which he was on duty formerly) his brother is closed in the hell of Taranto with IPW with whom he has absolutely nothing whatever to do, and notwithstanding a British order of liberation issued 4 months ago.

8) One must necessarily get the idea that there is something or somebody who handicaps in a very serious manner this order and all the efforts to get him out, the more as nobody absolutely nobody has to blame him anything.

9) As I am informed of your human feeling and of your readiness ~~your~~ in cases which are worth your help, I request you very sincerely to grant me your assistance for a very early release of my a/n son the more

16 When it may concern

This is to certify that Mr. G. S. KIDERLEN born in Genoa, Italy, on September 9th 1914, and recruited from a British Field Security Section in Tunis in May 1943 for special duties, has since then served with absolute loyalty with a British Intelligence Unit in North Africa and, since March 44 in Italy.

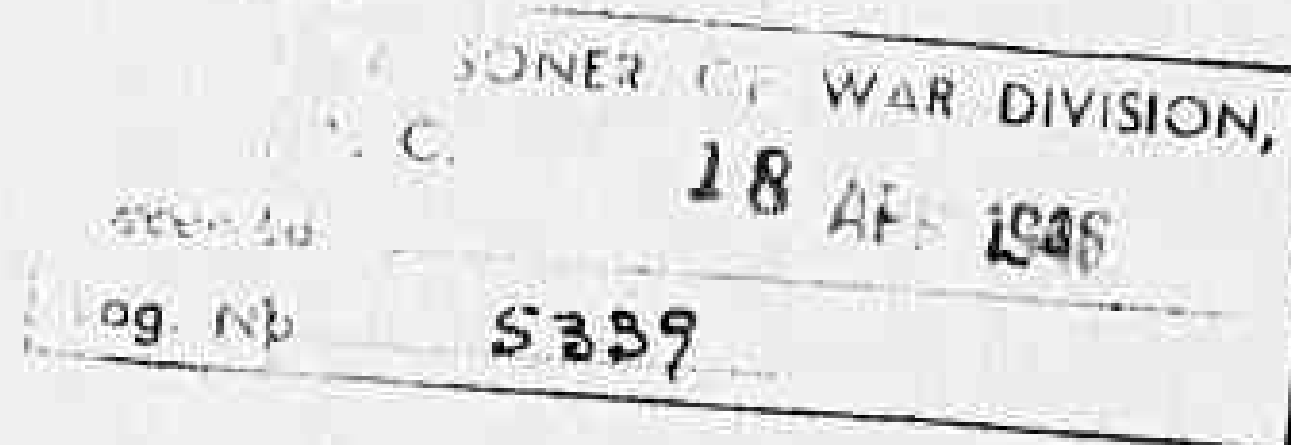

Owing to his qualifications and knowledge of foreign languages he has been assigned delicate tasks, which he always carried out with diligence and conscientiousness. Throughout all the time he has been with us, he has proved to be a very hard worker, able to work independently on various assignments. He has always shown complete discretion, honesty and reliability.

Mr. Kiderlen volunteered for dangerous work and deserves the gratitude of the Allies and of Italy in particular.

On the termination of his services with us and on his return to civilian life, we wish to record his faithful services to the Allied cause. Any assistance given him would therefore be greatly appreciated.

Capt. E. A. De Masi
IPW Division
Land Forces Sub Commission

Dear Sir,

I beg to confirm my letter of 4th March and at the same time to refer to mine of the 4th inst.

1) During the past few weeks I learned to understand that by waiting upon an Italian agreement to the order of release of GHQ, my son will never come out. I could understand that amongst certain circles of Italian governmental authorities, there must be a clear tendency to cross the efforts of other Italian circles to liberate the POW at Taranto.

2) In view of these facts I take the liberty to ask you to grant me your help and to assist me, as only by such an assistance of an Allied personality, I know now it will be possible to get out my son from the hell of S. Andrea of Taranto.

3) As you know my son was never in any form whatever in an Italian army or any kind. He was a German subject, and consequently a German soldier in the regular German army - not the Waffen SS - until the very last days of the war and consequently it should seem to be obvious that he has nothing whatever to do with the other confined people at Taranto, and that it is by a mistake he came into this camp.

4) An Italian colonel who together with an Italian general and other Italian officers came into that camp as a commission to examine these POW, when my son told him that he was captured as German soldier, replied him that consequently he was prisoner of the Allied, admitting thus that really for Italian authorities he was of no interest, contrary to what happened with the other fellows.

5) Furthermore it results clearly by an official communication of the prefetto of Taranto appeared on the newspapers that the fellows of the camp of S. Andrea of Taranto are not considered POW but "intermedi in campo di concentramento" - confined people in concentration camp: a thing not far distant from the Nazi camps in Germany with a treatment not far different. 83.

6) Under these circumstances in my mind it should be possible first of all to classify my son under a quite different category of POW as the other prisoners at Taranto are, and secondly to liberate him following the order of GHQ of Dec 21st 45 just as it had been the case with the majority of German POW in Italy.

7) Finally in my mind there should be also the possibility to give a certain consideration to the fact that his brother serves the British with loyalty since 3 years, being at present on duty with the Port S S of Genoa. This Port S S certainly would not have given him a new job if they would not know exactly him exactly, and just as they know him, they know me

very well and my whole family and are able to give you any information about us

8) You will doubtless admit that it gives a curious feeling that whilst the one brother since 3 years serves the Allied with an admitted loyalty and to their full satisfaction, the other brother since a year is in a prisonership of the worst imaginable kind, and this notwithstanding ~~any~~ body has to make him any blame and although the GHQ since almost 3 months gave him free.

You cannot but admit that in this occasion there is something in the machinery which doesn't go as it should, and in any case it is an obvious injustice which must be brought in order

9) For all these reasons I again ask you urgently to be so kind and to give me your assistance in trying to get him out the soon as possible, out of this inferno as I as well as his mother are seriously worrying about him the more as hygienical and sanitary conditions seem to be anything but satisfactory as people coming from Taranto are referring.

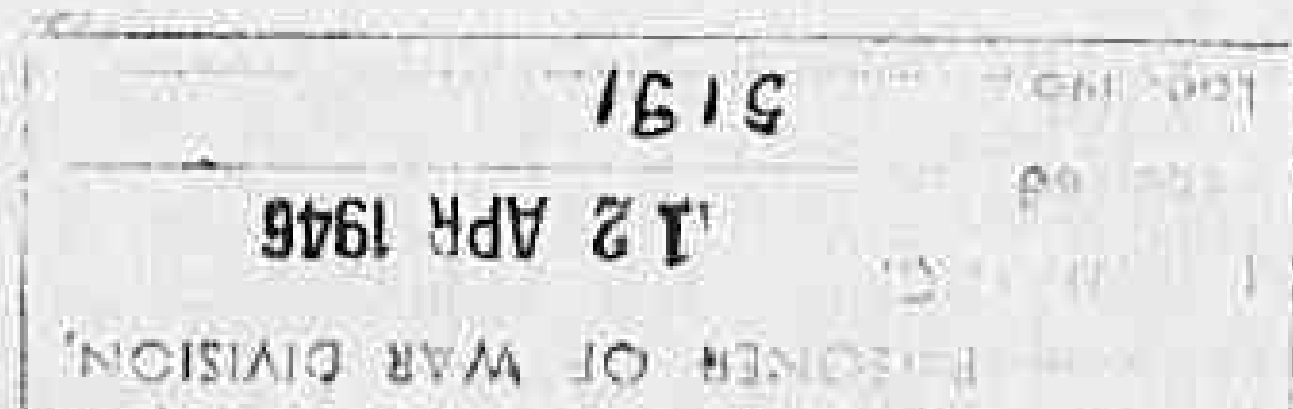

I repeat you here below the address of my son:

serg. int. KIDERLEN Gianni B. 947728 at "S" POW camp Pen 4 Taranto

I should be very pleased to have some reply whatever from you and thanking you in advance I beg to remain

yours truly

I request information concerning the place of arrest of my husband. He is Karl VIEIDER born 17.12.16 in CALDARO (BOLZANO), detained in 25 Via Stazione APPIANO, he went to a Camp in BOLZANO on 7 September 45 and was moved to a place unknown to me. Since 8 Sept 45 I have had no news of my husband. I am alone with one child and have after long and fruitless inquiries, now great hope for definite news from your HQ in CASERTA.

Note; My husband was a conscripted member of the Wehrmacht since 1944 and was unwillingly attached in the course of the year as interpreter to an Italian-German SS EINHET.

Once more in the hope of some definite news or at least information about the place of his arrest.

Before my departure I had liked to pass personally but the plane starts at 8,30; therefore I permit to write you about the above mentioned P.o.W. who was liberated by you in January but in the meanwhile he is transfered to Northtyrol under the French Army: camp Buchenau-Innsbruck.

I wrote you once that I had liked to influence on a spiritual way on these kind of soldiers, therefore I would give much for his liberation and go also to the North-Tyrol to intervene. For this I need a declaration that this man was liberated by the allied comand in January. I beg only for it if you can do it with facility.

Io sottoscritto dichiaro di essere stato personalmente aiutato dal Tenente della Gendarmeria di Vipiteno Alfred Reineke.

Egli mi avvertì di fuggire poichè avrebbe dovuto notificarmi il richiamo alle armi da parte delle S S .

Mi fornì dei documenti necessari per sfuggire alle "retate" che spesso i tedeschi facevano a Genova, documenti che mi ha fatto pervenire a Genova diverse volte rinnovati.

Io sottoscritto Gino Tervasi residente a Vipitene, addetto al Centro Sperimentale Scientifico Alleanza in Italia, sento venendo il dovere morale di dichiarare che in qualità dell'intervento solerte del 1° tenente Alfred Reincke, comandante locale della Gendarmeria durante l'ultima guerra del paese bellico, io potrei eludere l'arresto da parte del Comando della Gestapo ed il conseguente internamento in Germania sotto l'accusa di sabotaggio. Come è noto il tenente Reincke agì con incredibile solidarietà verso l'elemento italiano nella molteplicità dei casi, esponendosi nel limite della sua umanità, alla turpitudine bestiale di alcuni fascinosi locali accettati dell'invincibilità. I quali assurti al potere durante il periodo nazista condannavano qualsiasi cosa che avesse forma e carattere di italianità. =

Con me firmare unicamente anche per la veridicità del caso, tutti coloro che personalmente conobbero i verdissimi aiutati del sommentatore tenente Reincke, nell'intento doveroso di aiutarlo ad uscire dalla sua irrazionale posizione attuale, riconoscendo inoltre quanto egli ha fatto per gli italiani e per il momento più terribile e più sfortunato. =

dell'intervento voluto dal 1° tenente Alfred Reincke, comandante locale della Gendarmeria durante l'ultima sponda del po-
 rade bellico, io potrei spiegare l'arresto in parte del Generale
 della Gestapo ed il conseguente internamento in Germania ent-
 to l'accusa di sabotaggio. Come è noto il Tenente Reincke
 nel suo eccellente addestramento verso l'elemento italiano nella
 molteplicità dei casi, opponendosi nel limite della sua autorità,
 alla turpitudine bestia di alcuni fascinosi locali adotti
 dell'indignità. I quali assunti al potere durante il periodo na-
 zista condannovano qualsiasi cosa che avesse forma o carattere
 di italianità/.

Con me firmare unanimemente anche per la verità
 del caso, tutti coloro che personalmente conobbero o videro
 aiutati dal benemerito Tenente Reincke, nell'intento doveroso
 di aiutarlo ad uscire dalla sua irrazionale posizione attuale,
 riconoscendo inoltre quanto egli ha fatto per gli italiani di qui
 nel momento più terribile e più sconcertante.

Confermo quanto sopra scritto dichiarando di essere
 stato personalmente aiutato dal Tenente Reincke in un'intervento
 avuto con la Gestapo.

I undersigned Gino Tonzani, living in Vipiteno was employed by the Allied Scientific experiment Center of which is in Italy. It is my duty to tell you that by the help of Alfred Reineke, Local Commander of the police, during the last period of war. I could escape of being put into jail on account of having been accused of sabotage. It is also well known that Mr. Reineke did a lot of good to the Italian population, especially in those moments as everyone who seemed to have Italian-feelings was condemned by the nazists.

La sottoscritta Maria Wutte espone a codesta Commissione Alleata quanto segue:

Nata il 22/I/1899 a Gallizien, Kaernten in Austria sono venuta a Roma per ragioni di lavoro nel ottobre 1922 e ho chiesto volontariamente e ottenuta la cittadinanza italiana nell' anno 1932. Ho sposato nel 1937 il carabiniere a cavallo in pensione BRUNO MORABITO di Antonio, attualmente capo della polizia civile al foro d'Italia (Rest Camp) dipendente dal maggiore americano RICHARD C. WING.

Mio figlio Giovanni Wutte, nato a Bolzano il 18/12/1921 visse la prima infanzia presso la famiglia Antonio Partelli, a Penone di Cortaccia (Trento), (optante per l'Italia) e venne a Roma nell'anno 1933 per frequentare la scuola media e fu iscritto nell' anagrafe di Romacome cittadino italiano come la madre, dove rimase fino all' anno 1941 e soltanto le ferie scolastiche passo presso la famiglia Partelli a Cortaccia.

Nel 1938 epoca della opzione degli Alto Atesini per la Germania mio figlio si trovò dunque a Roma e siccome non appartenente a nessuna famiglia optante e come minorenne non lo riguardava tale opzione.

Nel Dicembre 1941 fu chiamato sotto le armi e fu assegnato al undicesimo Reggimento alpino di Trento e presto servizio come soldato italiano fino all' armistizio, settembre 1943. Trovandosi in quel momento vicino Trento si rifugiò presso la famiglia Partelli Penone di Cortaccia. La sua presenza fu subito

volontariamente e ottenuta la cittadinanza italiana nell' anno 1932.

al regolare richiamo sotto le armi, da parte del comando tedesco, essendo stato dichiarato l'Alto Adige territorio annesso alla Germania, per evitare temibile rappresaglie sulla famiglia dei suoi benefattori, Partelli. Fu designato al Polizeiregiment Schländers e precisamente come furiere in un magazzino viveri, nel settembre 1944.

Fu fatto prigioniero in aprile 1945 nei pressi di Feltre e mandato prima al Campo di concentramento di Bellaria (Rimini) poi al Campo 216, poi 215 e il 9 Aprile al Campo 3 di Taranto. Dal 15 aprile tutti i prigionieri dal codesto Campo furono dati per liberi, però mio figlio lasciò il campo soltanto verso la fine di aprile, aspettando regolari documenti di licenziamento, però nessuno si occupò più di loro, dando soltanto libera uscita.

Mi rivolgo a codesta commissione Alleata affinché mio figlio possa essere al più presto restituito alla vita civile e riprendere il suo posto come onesto cittadino italiano, con regolare documento di licenziamento come prigioniero di guerra.

Fiduciosamente attendo a una sollecita soluzione

Request for freeing of 2 PW (French)
OBJET : Demande de libération de 2 prisonniers de guerre.

Je suis saisi par l'Ambassade de France à Rome d'une demande de libération en faveur de deux citoyens français, enrôlés de force dans la Wehrmacht, actuellement encore considérés comme prisonniers de guerre et internés en Italie.

Différentes démarches ont déjà été tentées directement par notre Consul à Florence :

- l'une auprès des Autorités Alliées de Florence, qui se sont retranchées derrière des instructions qui prévoient l'intervention de la Section "Sécurité" de l'Allied Commission pour l'élargissement de ces prisonniers;
- l'autre télégraphiquement auprès du Commandant de l'Artzliches Rückführungslager" de Cesenatico, et qui est demeuré sans réponse.

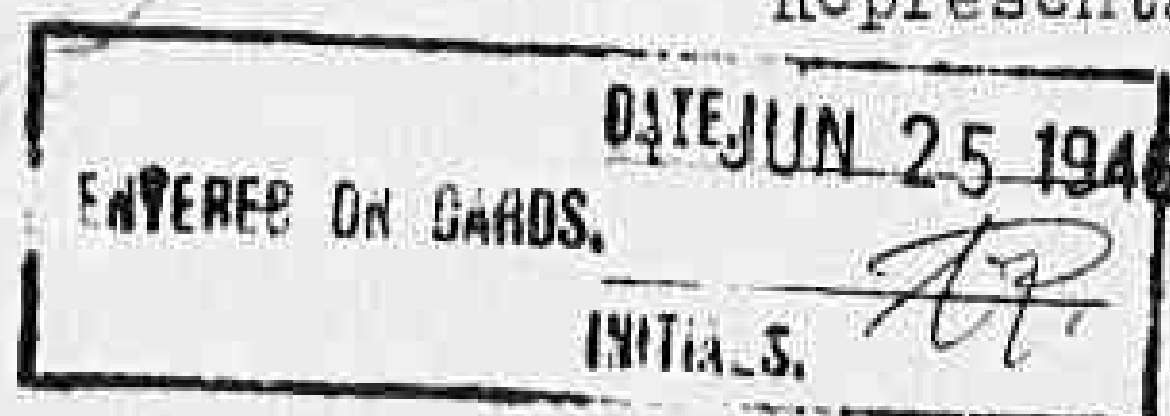

Il s'agit :

- de l'Alsacien BERGANTZ Alfred, né le 1/10/24 à ALGRANGE, détenu au Camp 3 RNT enclave de Rimini, amputé de la jambe gauche à la suite d'une blessure par bombardement aérien;
- et du Lorrain MOERLEN Raymond, matricule N° AA.074144/SS.P.W., signalé comme interné au camp N° 215 à Grottaglie (prov. de Tarante), ce camp ayant été dissous en Janvier 46 les prisonniers ont été transférés à Rimini.

J'ai l'honneur de vous demander la libération de ces deux sujets français.

Am 27.11.45 wurde er in das Lazarett Cesenatico und am 20.12.45 in das S.E.P. Hospital Cesenatico überwiesen. Il suddetto era stato sottoposto a cure mediche causa una tbc dell' apice sinistro, per la durata di sei mesi nel 1931. Secondo le di lui indicazioni tale processo non fu mai aperto.

Il 27.11.45 è stato accolto all' Ospedale Militare di Cesena ed il 20.12.45 a questo SEP Hospital di Cesenatico. L'esame e una osservazione alquanto lunga, qui esperite, non diedero alcun elemento per la presenza di un processo attivo. Lo stato di nutrizione, mediocre al principio, è migliorato notevolmente. L'attuale diagnosi clinica e radiologica è:

Erwin Felkel has been working in my unit as an interpreter since 7th July 1945 until the present day. His work has been more than satisfactory in that he has shown willingness to do his own work very well and the work of about 4 clerks almost as well irrespective of the number of the hours' work which this necessitated.

During his work as interpreter he has given me complete satisfaction by his zeal and thoroughness, and has fully justified my entrusting him with matters which were confidential, but necessitated an interpreter. After such work I could rest assured that no information which he had learned would ever come into the knowledge of a third person through him.

He is by nationality German as a result of the annexation of Sudetenland in 1938 before which time he was Czecho-Slovakian and held a passport issued by the Czecho-Slovakian Embassy in Rome. He has lived in Italy since 1925 and married an Italian girl in 1929.

As an interpreter I can of my own knowledge recommend him for employment in any position dealing with English, Italian and German and written French. In his civilian life he was an antiquarian bookdealer. His qualifications include book-keeping, typewriting and library duties, and I can recommend him unreservedly for any position demanding a high standard of integrity, diligence and in short complete reliability.

Herrn Chefart des Lazarettes Cesenatico
mit der Bitte um Wiedereingabe.

Betrifft: Sensenhauser Carlo 047430 früheres Lager Auceana.

Ich bitte um Nachprüfung meiner Ein-
lieferung in das Sonderlager Auceana.

Ich bin am 29. 10. 1890 in Neapel geboren
und bin während meines ganzen Lebens nie Soldat
in irgendeiner Wehrmacht gewesen.

Auch bin ich nie Mitglied einer Organisation,
die der Abwehr oder Spionage diente gewesen, noch
habe ich für eine solche jemals gearbeitet.

In der nationalsozialistischen oder
faschistischen Partei, oder einer ihrer Gliederungen
bin ich nie, während meines Lebens, Mitglied ge-
wesen.

Wie Sie aus der beiliegenden Kopie meines
Schreiben, dass durch den englischen Chefart
des H. engl. Lazarett Jesi weitergeleitet wurde,
erschehen können, wurde ich von der deutschen
Botschaft in Fasano, wegen meiner italienischen
und französischen Sprachkenntnissen lediglich als
Bürohilfskraft verwendet für die Dauer von 10
Monaten (Dezember 1943 bis September 1944). Dann wurde
ich auf eigenen Wunsch entlassen.

In diesen 10 Monaten war meine ständige Be-
schäftigung das Behören ausländischer Sender. In
der Propaganda der deutschen Sender bin ich nie-
mals tätig gewesen.

Ich bin jetzt seit 8 Monaten im Sonderlager
Auceana, vorübergehend in den Lazaretten Sanigallia,
Jesi und Cesenatico, wegen meiner Zuckerkrankheit.

Auf Grund der oben aufgeführten Gründe
bitte ich Sie um Nachprüfung meines Falles und
um Vernehmung durch den Intelligenz Service.

Carlo Sensenhauser

To the Office of the 11th British General Hospital *Feli*
for favor of transmission to the appropriate Authority.

The undersigned CARLO SENSER, son of
Francesco Ottavio, (of Austrian origin) and Elvira Cranducci,
(of Italian origin), born in Italy on the 29th of October 1890
and has since lived in Italy. At 145-147 Corso Umberto, in
Naples he owns a wholesale and retail hardware business and
at times has worked for his brother Arturo S. an Italian
subject, at No. 1 Via San Paolo, in Milan.

He has never served as a soldier, has never been a member of the
Nazi or Fascist Party and has never concerned himself in
politics. The business in Naples was completely destroyed by
repeated air-raids and his brother Ernesto (who worked with him)
and his wife were killed in one on the 4th day of December 1942.
As working conditions became impossible he left Naples with his
family, first to Sulmona then to Graz and finally to Riva where
he occupied a house belonging to his brother Arturo. There he
was ordered by the German Employment Office to report to the
German Embassy at Fasano and there he worked for 10 months in
the offices of the French and Italian department of the
Propaganda Broadcasting System. He looked after his sick mother
at Riva from October 1944 to the 30 of March 1945 when she died.
At Milan where next he went, he lived with his brother Arturo,
in Via Ogana No. 1, occupying himself in commercial affairs.

Naples he owns a wholesale and retail hardware business and at times has worked for his brother Arturo S. an Italian subject, at No. 1 Via San Paolo, in Milan.

On the 21st of May 1945, he was stopped by an Intelligence Corps officer who interrogated him and then put him in prison at Milan, where according to the officer, he would have to remain only 2 or 3 days. But he remained there for 30 days and then been sent via Modena to Ancona where he fell ill. He was

admitted to the New Zealand General Hospital No. 1, at Senegallia. There he found he was suffering from Diabetes, was treated for it and had all his teeth extracted. At present is a patient in the 11th British General Hospital at Jesi.

He does not feel fit enough to stand the life in the Camp because of his advanced age (55) and indisposition. Considering the cleanliness of his political and military record he asks the favours of being allowed to return to his work at Naples or Milan and so provide for his family.

With thanks in anticipation and confidence in the well-known humanity and justice of the Allied Authorities.

TO : Doct. MIX - ROME

I, the undersigned, Arturo Sennhauser, an Italian subject, born at Naples, am applying to you in order to obtain your help.

I have three brothers, two of them born and residing at Naples. The first of them Carlo, when 20 years old, became a German subject as he feared to be drafted in the war while he wanted to stay with his wife to whom he had shortly been married. He is now 56 years old and his feelings were always anti-nazi as can be certified by ten witnesses listed in the herewith attached note and as he stated to the Deuxieme Bureau at Nice, France, in 1940. In order to avoid service in the German Army, he joined the German Embassy as a clerk.

On 21 May 1945 he was arrested at Milan as a suspected collaborator. Although acquitted of all charges by both the English and Italian authorities, he is still held in the English Hospital of Cesenatico, Rimini, (a former German lazaretto), awaiting to be released.

He is suffering from Diabetes, troubles to the nervous system, attacks of sciatica, and for months he has been waiting to be released so that he could better recover. He was born at Naples, has always spent his life at Naples; his family is in Italy while his trade and dwelling are in Naples.

The Italian Authorities have forwarded to Caserta their opinion which is favourable to his staying in Italy; furthermore, to the file were attached several letters of Milan High-official who attested to his anti-nazi and anti-fascist feelings.

I take the liberty to apply to you so that you will be so kind as to urge an early examination of my brother's case, at Caserta. It is now several months that he is waiting in vain to be released and the fact that he is held without having committed anything **793** is weakening his body.

Please, be so generous as to help this unlucky brother of mine.

I am at your disposal for further details and for the expenses which may eventually be incurred.

Accept my best regards and thanks,

yours faithfully

s/ Arturo Sassenhauser.

La presente per chiederle un
gran favore.

Io scrivente della presente
Arturo Sensenhauser nato a Napoli italiano
ha tre fratelli, due italiani nativi di Napoli
e risiedono pure a Napoli. Il primo Carlo
per un capriccio di gioventù a 20 anni volle
diventare tedesco per non fare la guerra e per
rimanere vicino alla moglie che aveva sposato
di fresco. Egli ora ha 56 anni, sempre ostile
all'azionismo, come possono certificare dieci
testimoni come conclusa distinta e come
dichiarò al denuncie bureau a Nizza Franco
nel 1940. Per non andare sotto le armi in
Germania si arruolò come impiegato alla
Ambasciata germanica. Nel 21 maggio 1945
venne arrestato a Milano come sospetto
collaborazionista. In seguito sia dalle
autorità inglesi come da quelle italiane
venne prosciolto da ogni accusa. Con
tutto questo egli trovavasi sotto 791 fermato

a Lei per pregarla un più sollecito
disbrigo della pratica di questo mio

I am from the Russian occupied zone in Germany and I have no other relatives except my parents. I know an Italian family since the German occupation of Naples in 1942. On 15.8.42 I was engaged to the daughter Cornelia. Since 23.8.45 I am here in Naples again with the 605 G.B. Coy and met the girl again. I intend to marry Miss Cornelia Deidler. As I speak Italian very well and I am increasing my knowledge continually it would not be difficult for the father of the girl as an engineer to get me a job.
