MEMORANDUM FOR THE ALLIED COMMISSION

SUBJECT: Former P.W.s. of South Tyrolese origin.

1. Reference is made to the Allied Commission's note n. IPW/I/13/GER/194 dated June 22nd, 1948.

2. The Ministry for Foreign Affairs, in order to make clear the position concerning the former P.W.s of South Tyrolese origin, beg to bring to the knowledge of the Allied Commission that, as far as the return of said prisoners is concerned, the following procedure has been adopted since a long time:

a) The prisoners' families file the applications for the release to the Prefetto of Bolzano. The Prefetto of Bolzano examines the applications and sends them to the Italian or to the Allied Commanding Officers of the Camps, requesting that the prisoners of Italian nationality whose families have filed a petition for their liberation be released.

b) Further to the procedure of paragraph a) above, the Commanding Officers of the Camps have also been instructed to draw up the lists of prisoners of South Tyrolese origin and dispatch them to the Prefetto of Bolzano.

The latter, after having ascertained that the aforesaid persons are actually Italian citizens of South Tyrolese origin, forwards a reply to the Commanding Officers of the Camps, submitting a proposal for the prisoners' liberation.

3. As per informations received, in both a) and b) cases the Commanding Officers of the Camps, previous to the release of the foregoing prisoners, should also ask for the authorization of the Caserta Command.

Prot.n. 113852/1

TO : ALLIED COMMISSION
IPW DIVISIONROMESUBJECT : Recalcitrants POW -

Following letter no 113289/1.1. dated 1.7.1946.

The Commanding General of the Carabinieri and the Territorial Command at Florence have reported that the internees of Laterina Camp are in great agitation due to the recent news of the Amnesty that has been given for Political crimes.

The internees consider that their sins are inferior to those people who were condemned for collaboration with hard sentences and who have now been freed.

As is known by the M.M.I.A. and as was amply stated in the preceeding letter from this Ministry, these internees declared as being "recalcitrants" can not be freed with-out Allied Authorization.

We therefore beg you urgently, in order to avoid unpleasant incidents, to take this matter up with the Allied Command and obtain as quickly as is possible the authorization to free these prisoners.

This should be much less difficult now, after the news that all those people who have been judged guilty of actions against the Allied Forces, will receive the benefit of the Amnesty.

Furthermore this Ministry is in possession of a nearly complete "dossier" of the internees of Laterina.

Segue lettera n. 113289/I.1 del 1° o.m.

Il Comando Generale dei Carabinieri ed il Comando Militare Territoriale di Firenze segnalano che fra gli internati del campo di Laterina regna una vivissima agitazione causata dalla notizia dell'ammnistia recentemente concessa ai condannati per reati politici.

Gli internati ritengono che le loro eventuali colpe sono inferiori a quelle dei collaborazionisti, condannati a pene anche severe ed ora rimessi in libertà.

Come è però noto a codesta M.M.I.A., e come ampiamente chiarito nella precedente lettera di questo Ministero, questi internati definiti "recalcitranti" non possono essere rimessi in libertà senza il consenso delle Autorità Alleate.

Si prega vivamente, anche per evitare dolorosi incidenti che potrebbero accadere per la grave tensione degli animi, di voler intervenire perché il Comando Alleato conceda al più presto possibile il nulla osta per la liberazione di questi prigionieri.

Ciò dovrebbe essere tanto meno difficile, dopo la notizia che saranno amnistiati anche i colpevoli di reati in danno delle

..../..

Forze Armate Alleate.

Si aggiunge che questo Ministero é in possesso delle Informazioni quasi al completo riguardanti gli internati a Laterina.

Dear Sirs,

Reference the enclose letter, I have

 in their problem.

I have known this family for over two
 years, and can vouch for their integrity.

Although I am writing in a strictly
 unofficial capacity I should appreciate it
 very much if it is possible for you to help
 them.

29th June 1946.

Dear Sir,

I am writing this letter hoping you can help me in the following problem. It concerns F.W. Adolph Berndt, Prisoner of War Camp 5a (1V/21) Rimini/Bellavia, who is now at Casarsa, near Udine.

Berndt is Sicilian by birth, but has German parents, and was born in Palermo on 25th December 1912. He has been like a son to me and was engaged to my daughter, Miss Margherita La Floresta, for a good many years. They were to be married, but Hitler would not give permission. Unfortunately the Germans conscripted him into the German army as an interpreter before he could marry, thus making such approval necessary.

My daughter had a son by Berndt six years ago. In view of the social position of my family and the nervous disposition of my daughter, it is becoming increasingly necessary for Berndt to be permitted to come home and marry my daughter. He is also most anxious to do so.

In addition to this, he will be very necessary to me here in the capacity of Manager to my Hotel (Now requisitioned by the Royal Air Force for use as NO; 17 Rest & Leave Camp); When the R.A.F. finally de-requisition the Timeo Hotel. He has been my Manager from 1930. My husband is now too old to work and we will not be able to re-open the Hotel until Mr. Berndt returns.

I beg you to help me in this very distressing problem, 993
which will continue to cause much suffering to all concerned, especially my daughter Margherita.

Thanking you in anticipation of an early reply.

I am;

Your humble servant,

HERHOLDT Paola
 CAMPO TURES (Alto Adige)
 Casa Gusneri Prov. di Bolzano

Campo Tures, 11 23 Giugno 1946

All' Ufficio L. P. W. Division

Roma

La sottoscritta, Paola HERHOLDT, madre di 3 figli e moglie del signor Albino Giovanni Herholdt ha l'onore di esporre quanto appresso:

L'Herholdt dopo essere stato internato in Germania alla fine della guerra dalle autorità alleate, in considerazione, che da 20 anni aveva domicilio e residenza in Milano, Via Malpighi 8 ed in considerazione ancora di rilevanti interessi attinenti alla sua attività di specialista - tecnico in materiali elettrici fu autorizzato dalle autorità competenti a fare ritorno in sede munito all'uopo di un regolare documento (permesso di soggiorno).

Si ritiene di precisare, che soltanto 2 mesi prima della fine della guerra l'Herholdt fu inviato in Germania per iniziare il servizio militare, dal quale peraltro fu dispensato e dichiarato inabile per le sue condizioni di salute.

Non si omette ancora, che prima di tale richiamo l'Herholdt era stato adibito come interprete civile all'ufficio della R.U.K. di Mogliano Veneto dal 29/1/1944 al 4/2/1945, ove ebbe occasione di raccogliere unanimi simpatie per il di lui comportamento nei confronti di tutti, come da 2 dichiarazioni, che si allegano.

Nel settembre 1945 in occasione di un viaggio di affari effettuato a Cremona l'Herholdt fu tratto in arresto dalla polizia italiana ed internato poscia nel campo di concentramento di RIMINI. Quivi non fu mai interrogato nel senso che non gli furono mai contestati addebiti di sorta, che giustificassero lo stato di internamento.

Và segnalato, che l'Herholdt nella sua vita di lavoro non ebbe mai ad occuparsi di politica, né ebbe mai ad assumere atteggiamenti faziosi, essendosi egli sempre preoccupato delle sorti della sua famiglia e del suo lavoro, dal quale traeva ragione di vita. Ora è naturale ed umana la preoccupazione della sottoscritta, che agisce anche in nome dei 3 figli, perché sia posto termine allo stato di detenzione del marito. Le condizioni di salute dello stesso e soprattutto quelle morali fanno temere un aggravamento, mentre d'altra parte le condizioni economiche della famiglia sono quanto mai difficili e precarie.

Si aggiunge infine, che l'Herholdt, il quale, ripetesi, da ben 20 anni è in Italia, dove intende rimanere, e dove ha svolto tutta la sua attività come specialista di elettricità, estraniandosi dal suo paese di origine (compreso nella zona di occupazione russa) non potrebbe portarsi in nessun altro posto.

La sottoscritta pertanto fa rispettosa istanza, perché il di lei marito venga immediatamente liberato e restituito alla famiglia.

Con ossequio

Paola Maria Herholdt

Da notizie avute dal M.R. Don Krey, della Pontificia Commissione di Assistenza di Milano, rettore dei Cattolici Tedeschi della Lombardia, vi sarebbe la possibilità di ottenere il rilascio di militari tedeschi dalla prigionia.

Questo rilascio è già iniziato da tempo, ma per il caso del prigioniero in questione la faccenda si presenta più complicata, non potendo egli far ritorno al suo paese di origine, Cecoslovacchia, perché di nazionalità tedesca e come tale soggetto all'espulsione. Per risolvere la questione e sollecitare il rilascio, occorrerebbe il nulla osta del nostro Ministero degli Interni per il suo soggiorno in Italia, da produrre alle Autorità Alleate, tanto più che la famiglia del prigioniero risulterebbe, se non scomparsa, dispersa, non essendosi più riusciti a rintracciare alcun componente.

Dalla Croce Rossa Internazionale di Ginevra si è avuta comunicazione dell'ultimo indirizzo del prigioniero, che risulterebbe esatto se confrontato a quello da lui stesso inviato circa due mesi or sono.

Dear, Sir,

I ask, in a case of evacuation, to be sent to Rome.

My last domicile which I desire to keep, was there. (- registered at the Italian Anagraphic-Office, Rome).

Since 1938, I stayed, almost without interruption, on Italian soil. As this decision is of a great importance to me, I ask, to give me kindly the possibility to manifest myself orally, and also, that the witnesses, which know my life, would be heard.

I was no member of the party, either of one of the discriminated organisations. I emigrated to Italy, both for artistic and political reasons. Against my enrollment into the German Army (by the German Embassy, Rome) I have opposed with every thinkable, resistance. Pressed to service for a matter, in 1943, when I would have been forced to act against Italy, which had been so hospital to me. Arrested after four weeks of wonderful freedom, courtmartial declared me " Guilty for Desertion " and punished me.

Especially, I ask for kind consideration of the following:

As an extremely great valuation (ideally and materially) is paid to the pictures of the Old Masters, as the most careful care is dedicated to their works by all States, I may appeal to the heart of the real friend of Arts, to give also a chance for proving his qualities to a contemporary painter.

Since several years, torn out off my most fertile work period, I have been bereaved brutally of the freedom, to work as an artist.

Based on an extraordinary intensive study (- I got the Degrees of the Roman " Royal Arts Academy " -), only few month would be sufficient to me to create pictures, whose supreme qualities would be worthy of each support.

I would not dare to write this, if I would not be completely sure of my own possibilities.

The singularity of my profession, - enabling me to create with very little raw materials remaining Beauty and great values - nowhere can be better employed, than logically, in Italy, the country of Arts.

If, an spite of all this, I must be exiled, I ask, to give me at least the possibility, to arrange my affairs and obligations at Rome.

I am, Sir, your obedient servant

Ref. Nr. 183 009

27. November 1945.

Sehr geehrter Herr,

Ich bitte, im Falle einer Evakuierung, nach Rom gesandt zu werden.

Mein letzter Wohnsitz, den ich beibehalten moechte, war dort (eingetragen bei der italienischen Anagraph-S-elle, Rom).

Seit 1938 war ich fast ohne Unterbrechung auf italienischem Boden.

Da diese Entscheidung von grosser Wichtigkeit fuer mich ist, bitte ich, mir lebenswuenstigerweise die Moeglichkeit zu geben, mich muendlich dazu zu aeussern und ebenfalls, dass die Zeugen, welche mein Leben kennen, gehoert werden.

Ich war nicht Mitglied der Partei, oder einer der diskriminierten Organisationen. Ich wanderte aus kuenstlerischen und politischen Gruenden nach Italien aus.

Gegen meine Einziehung zur deutschen Wehrmacht (Durch die deutsche Botschaft, Rom) habe ich mit jedem denkbarem Widerstand opponiert. Zum Dienst fuer eine Sache gepresst, fuer die ich nicht fuehlte, bestanden keine moralischen Bande. Ich desertierte zweimal, das erste Mal 1943, wenn ich gezwungen worden waere, gegen Italien zu arbeiten, welches so gastfreundlich zu mir gewesen war. Nach vier Wochen wunderbarer Freiheit wurde ich verhaftet, das Kriegsgericht erklaerte mich der Fahnenflucht schuldig, und bestrafte mich.

Vor allem bitte ich, bitte folgendes in Betracht zu ziehen:

Da eine ausserordentlich grosse Wertschaetzung (ideell und materiell) den Bildern der alten Meister gezollt wird, da ihren Werken von allen Staaten die sorgfaeltigste Pflege gewidmet wird, so moechte ich an das Herz des wuerklichen Kunstfreundes appellieren, doch gleichfalls einem zeitgenoessischen Maler eine Chance zu geben, seine Qualitaeten unter Beweis zu stellen.

Seit langen Jahren, herausgerissen aus meiner fruchtbarsten Arbeitsperiode, wurde ich brutal der Freiheit beraubt, als Kuenstler zu schaffen.

Auf Grund eines selten intensiven Studium (-ich erhielt die laurea der roemischen "Kgl. Akademie der Kuenste -) wurden mir wenige Monate gemessen, um Bilder zu malen, deren hohe Qualitaet jeder Unterstuetzung wuerdig waere.

Ich wuerde es nicht wagen, so zu schreiben, wenn ich nicht meiner Moeglichkeiten vollkommen sicher waere.

Die Eigenart meines Berufes - welche mich in die Lage setzt, mit sehr wenig Rohmaterialien bleibende Schoenheit und grosse Werte zu schaffen - kann nirgendwo besser ausgewertet werden als, logischerweise in Italien, dem ~~langen~~ Lande der Kunst.

Wenn, trotz all diesem, ich ausgewiesen werden muessete, so bitte ich, mir wenigstens die Moeglichkeit zu geben, meine Angelegenheiten und Verpflichtungen in Rom zu regeln.

Ich bin, sehr geehrter Herr
gehorsamst

=====

Born in Berlin-Schoeneberg on 15th of February 1907.

Parents : Paul Richter, Architect, Berlin-Friedenau, Schwalbacherstr. 6.
Gertrud Richter, Berlin W 50, Neue Ansbacherstr 16.

I studied 6 years at high-school and at the State Academy in Berlin. I was represented at several Art Exhibitions. Up to 1933 I was a reputable architect in the German film industry, and worked also in Paris and London.

In the spring of 1933 I lost my job and was unemployed till February 1934.

For political reasons and in order to dedicate myself to the liberal Arts I planned to emigrate, but I did not have the means to do it. I had to start from the bottom, and by sheer quality, I managed to secure myself a unique position as a designer of film costumes.

In the autumn of 1938 I moved to Rome (Albergo Genio, Piazza Zanardelli), registered at the Questura Centrale, Roma. I studied at the Royal Academy of Fine Arts in Rome, via Ripetta. In January 1939, however, I was recalled by cable to Germany to be in charge of the costume arrangements for the film "Robert Koch". I returned to Rome in June 1939 and I did not allow my studies to be disturbed from now on. I declined many cabled offers to return to Germany to design costumes for important propaganda films such as "Bismarck", "Ohm Krueger", "The Great King" and "Kolberg".

After having distinguished myself as the best student of the year I was awarded the "Laurea of the Royal Academy of Fine Arts" in Rome at Easter 1941. By hard work I had skipped two years. My studies had used up my money. From May to September 1941 I worked as a film architect in Cinecitta.

I was now able to dedicate myself to my artistic work. I was drafted to the German Army. My civilian address was : Passeggiata di Ripetta, 25, c/o Lodi. This address is confirmed by my Carta d'Identita of the Italian Anagrafe-Office in Rome . On the 2nd of December 1941 I was called up by the German Embassy in Rome as interpreter to the Air Force. Till March 1943 I served with the Fighter Squadron 53 , in Comiso, Sicily. From March 1943 on I was staff-officer(M.T.) with the "Italuft" in Rome. Early in August 1943 I was posted to AA Regt Foggia-North. On September 13th 1943 I deserted and was arrested on October 12th 1943 in Cervara(Arsoli). The military court of that Infantry Division remanded me for trial by the next Air Force court martial(court martial of the 1st Parachute Div.) This sentenced me to 6 months penal servitude, commuted into 9 months imprisonment taking account of 7 months captivity awaiting trial. Early in June 1944 I was sent to the Interpreters Coy of Air Force Army II Head Quarters in Mantua where I spent 4 weeks in solitary confinement to finish off my sentence. I stayed with the Coy as a signboard-painter, till I was detached at the end of December 1944 as an Interpreter to the Light AA Battery 841(6 Coy) in Sta. Agata in Santeramo. On April 29th I gave myself up as a prisoner in Theolo(Padua).

Lebenslauf

geboren am 15. Februar 1907 in Berlin-Schoeneberg.
Eltern: Paul Richter, Architekt, Berlin-Friedenau, Schwalbatherstr. 6
Getrud Richter, Berlin W 50, Neue Ansbacher Str. 16

Obersekundarstufe. Ich studierte auf der Staatl. Akademie, Berlin. War auf verschiedenen Kunstausstellungen vertreten. Bis 1933 war ich ein namhafter Architekt im deutschen Film und arbeitete auch in Paris und London.

Im Frühjahr 1933 verlor ich meine Stellung und war bis Februar 1934 arbeitslos.

Aus politischen Gründen, um mich ausschliesslich freier Kunst zu widmen, plante ich auszuwandern, hatte aber nicht die Mittel dazu. Ich musste von unten beginnen, und erreichte durch Qualit t eine konkurrenzlose Stellung als Filmkostumbildner.

Im Herbst 1938  bersiedelte ich nach Rom (Albergo Genio, Piazza Zanardelli, gemeldet bei der ~~Konst.~~ ~~Akademie~~ Questura Centrale Rom). Ich studierte auf der Koegl. Akademie der schoenen Kuenste, Rom, Via Pipetta, wurde aber im Januar 1939 telegraphisch nach Deutschland zurueckgerufen, um die Kostenausstattung fuer den Film "Robert Koch" zu leiten.

Im Juni 1939 nach Rom zurueckgekehrt, liess ich mich von nun ab in meinem Studium nicht mehr stoeren. Ich lehnte viele telegraphische Angebote ab, nach Deutschland zurueckzukehren, um dort die Kostueme fuer grosse Propagandafilme zu machen (Rismarck, Otto Krueger, Der Grosse Koenig, Kolberg).

Ausgezeichnet als bester Student des Jahres erhielt ich Ostern 1941 die Laurea der Koegl. Akademie der schoenen Kuenste, Rom. Durch harte Arbeit hatte ich zwei Jahre uebersprungen. Das Studium hatte meine Geldmittel aufgezehrt; ich arbeitete als Filmarchitekt in Cinecitta (Mai - September 1941).

Ich konnte mich nun meiner kunstlerischen Arbeit widmen, da wurde ich zur deutschen Wehrmacht eingezogen. Meine Zivilanschrift war: Passaggiata di Pipetta 25, bei Lodi; dieser Wohnsitz ist bestaetigt durch die Carta d' Identita des italienischen Anagrafe-Office, Rom.

Zum 2. Dezember 1941 wurde ich durch die deutsche Botschaft, Rom, als Dolmetscher der Luftwaaffe eingezogen.

Bis Maerz 1943 diente ich beim Jagdgeschwader 53 in Comiso, Sizilien; von Maerz 1943 ab war ich bei ITA Luft, Rom, Stabsoffizier fuer Kraftfahrwesen; Anfang August 1943 wurde ich zum Flakregiment Poggia-Nord versetzt.

Am 13. September 1943 desertierte ich und wurde am 12. Oktober 1943 in Cervara (Arsoli) verhaftet. Das Feldgericht dieser Infanteriedivision ueberwies mich an das naechste Luftwaaffengericht - Feldgericht der 1. Fallschirmjaegerdivision. Dieses verurteilte mich zu 6 Monaten Zuchthaus, umgewandelt in 9 Monate Gefaengnis, unter Anrechnung von 7 Monaten Untersuchungshaft. Anfang Juni 1944 wurde ich zur Sprachmittlerkompanie des Kommandeurs der Luftflottentruppen 2, nach Mantua geschickt und verbuesste 4 Wochen geschaerften Arrest als Reststrafe. Ich blieb bei der Kompanie als Schildermaler, bis ich Ende Dezember 1944 als Sprachmittler zur 1e. Plak. Abt. 841, 3. Batterie, nach St. Agata (Santeramo) kommandiert wurde. Am 29. April stellte ich mich als Gefangener in Theolo (Padua).

In January 1934, however, I was recalled by cable to Germany to be in charge of the costume arrangements for the film 'Robert Koch'. I returned to Rome in June 1934 and I did not allow my studies to be disturbed from now on. I declined every cable offer to return to Germany to design costumes for important propaganda films such as 'Blumark', 'Der Krieger', 'The Great King' and 'Kolberg'.

I was now able to dedicate myself to my artistic work. I was drafted to the

 This address is confirmed by my father's identity of the Italian newspaper office

 Rome as interpreter to the Air Force. Until March 1943 I served with the fighter
 Squadron 53, in Rome, Italy. From March 1943 on I was staff officer (S.O.)

 in Cervara (Abruzzo). The military court of that Infantry Division convoked me for
 trial by the next Air Force court martial (court martial of the 1st Carabinieri Div.)
 This sentenced me to 6 months hard servitude, converted into 9 months imprisonment
 taking account of 7 months captivity awaiting trial. Early in June 1944 I was
 sent to the Interceptor Coy of the 1st Army. I had quarters in Santeramo where
 I spent 4 weeks in solitary confinement to finish off my sentence. I stayed with
 the Coy as a signboard-painter, till I was detached at the end of December 1944

Abschulung. Ich studierte auf der Staatl. Akademie, Berlin. War auf verschiedenen Kunstausstellungen vertreten. Bis 1933 war ich ein ruhiger Architekt im deutschen Film und arbeitete auch in Paris und London.
Im Frühjahr 1933 verlor ich meine Stellung und war bis Februar 1934 arbeitslos.

Aus politischen Gründen, um mich ausschließlich freier Zeit zu widmen, plante ich auszuwandern, hatte aber nicht die Mittel dazu. Ich musste von unten beginnen, und erreichte durch constant eine Konkurrenzlose Stellung als Filmkostenbildner.

Im Herbst 1938 verabschiedete ich mich nach Rom (Alfredo Genio, Piazza Venezia, gemeldet bei der Gemeinde, Strada 17, Centro Roma). Ich studierte auf der Königl. Akademie der schönen Künste, Rom, via Ripetta, wurde aber im Januar 1939 telegraphisch nach Deutschland zurückgerufen, um die Kontingentierung über den Film "Robert Koch" zu leiten.

Im Juni 1939 nach Rom zurückgekehrt, liess ich mich von nun an in meinem Studium nicht mehr stören. Ich leitete viele fotografische Angelegenheiten ab, nach Deutschland zurückgekehrt, um dort die Kontingentierung grosse Propagandafilme zu machen (Blauensteck, Om Krüger, Der Grosse Krieg, Volberg).

Ausgeschiedener als bester Student des Jahres erhielt ich Anfang 1941 die Laurea der Königl. Akademie der schönen Künste, Rom. Durch harte Arbeit hatte ich zwei Jahre Lehramtungen. Das Studium hatte keine Geldmittel aufgebracht; ich arbeitete als Filmrevisor in Cinecitta (Mai - September 1941).

Ich konnte mich um meine künstlerischen Arbeit widmen, da wurde ich zur deutschen Wehrmacht eingezogen. Meine Zivilangewandtschaft war Passagiera di Piratta 25, bei Lodi; dieser Wehrmacht ist beauftragt durch die Carta d' Identita des italienischen Grafen-Officer, Rom.

Am 2. Dezember 1941 wurde ich durch die deutsche Botschaft, Rom, als Dolmetscher der Luftwaffe eingesetzt.

Bis März 1943 diente ich beim Jagdgeschwader 53 in Cesena, Sizilien; von März 1943 ab war ich bei Trull, Rom, Stellvertreter für Kraftfahrwesen; Anfang August 1943 wurde ich zum Militärarzt Poggia-Mori versetzt.

Am 13. September 1943 desertierte ich und wurde am 12. Oktober 1943 in Cervara (Anagni) verhaftet. Das Feldgericht dieser Infanteriedivision verurteilte mich an das nächste Luftwaffenricht - Feldgericht der 4. Fallschirm-Jaegerdivision. Dieses verurteilte mich zu 6 Monaten Hochhaus, umgewandelt in 9 Monate Gefängnis, unter Anrechnung von 7 Monaten Untersuchungshaft. Anfang Juni 1944 wurde ich zur Spruchmittlerkommando des Kommandos der Luftflottenkommando 2, nach Mantua geschickt und verurteilt zu 4 Wochen geschäftigen Arrest als Bestrafung. Ich blieb bei der Kommando als Schildwache, bis ich Ende Dezember 1944 als Spruchmittler zur 10. Flak Abt. 841, 3. Batterie, nach St. Agata (Santeramo) kommandiert wurde. Am 29. April stellte ich mich als Gefangener in Theolo (Padua).

LIFE HISTORY

Born in Berlin-Gesundbrunn on 17th of February 1907.

Parents: Emil Heister, architect, Berlin-Friedrichshagen, Chemnitzstr. 6.
Astrid Heister, Berlin 70, Neue Marchenstr. 16.

I studied 6 years at high-school and at the State Academy in Berlin. I was recommended to several art exhibitions. Up to 1933 I was a reputable architect.

In the German film industry, I worked also in Berlin and London.

In the spring of 1933 I lost my job and was unemployed till February 1934.

For political reasons and in order to dedicate myself to the liberal arts I planned to emigrate, but I did not have the money to do it. I had to start from the bottom, and by sheer tenacity, I managed to secure myself a unique position as a designer of film costumes.

In the autumn of 1933 I moved to Rome (Albino Benlo, Piazza Marcella), registered at the "Ventura Centrale", Roma. I studied at the Royal Academy of Fine Arts in Rome, via Ripetta. In January 1934, however, I was expelled by order to Germany to be in charge of the costume arrangements for the film "Robert Koch". I returned to Rome in June 1934 and I did not allow my studies to be disturbed from now on. I declined every casual offer to return to Germany to design costumes for important propaganda films such as "Albania", "The Emperor", "The Great King" and "Katharine".

I planned to emigrate, but I did not have the money to do it. I had to start from the bottom, and by sheer will, I managed to secure myself a position as a helper of film costumes.

In the autumn of 1934 I moved to Rome (Liburgo Grotto, Piazza Venezia), registered at the "Gothica Centrale", Rome. I studied at the Royal Academy of Fine Arts in Rome, via Napolita. In January 1935, however, I was recruited by Grotto to Germany to be in charge of the costume department for the film "Robert Koch". I returned to Rome in June 1935 and I did not allow my studies to be disturbed from now on. I declined every other offer to return to Germany to deal in costumes for important propaganda films such as "Hitler", "The Power", "The Great King" and "Kolossal".

After having distinguished myself as the best student of the year I was awarded the laureate of the Royal Academy of Fine Arts in Rome at Easter 1936. By hard work I completed two years. My studies had used up my money. From May to September 1936 I worked as a film architect in Cinecittà.

I was not able to indicate myself to my captors, I was drafted to the
 second group, by civilian address was: Piazza della Montagna, 25, a small
 this address is confirmed by my captors. I identified the Italian language spoken
 in time. In the end of December 1941, I was called up by the German Embassy in
 Rome as interpreter to the German Embassy, until March 1941 I served with the German
 Embassy in Rome, Italy. From March 1941 on I was staff officer, in the

 in Germany (Austria). The military corps of that Infantry Division remained in the
 Italy by the next German court martial court martial of the 1st Mountain Div.
 This sentenced me to 6 months prison sentence, converted into 9 months imprisonment

COMMISSIONE ALLEATA -
Divisione Prigionieri di Guerra

Roma
Risposta al Foglio del
Dir. L. N. 2

OGGETTO DIERING Herbert di Paul - tedesco -

Con riferimento alla richiesta verbale del Sig. Capitano De Marsis di codesta Co. Commissione, si comunica che lo straniero di cui all'oggetto, dal marzo corr. anno, si trova a Roma presso la Famiglia Berta, via Lisbona n° 20.

Il predetto, ex militare germanico, venne fatto prigioniero degli alleati a Bolzano dove prestava servizio con la 26^a Divisione Carri Armati in ripiegamento da Nettuno. Il Diering, dopo la cattura, venne internato a Greda (Brescia) e successivamente impiegato ai lavori alla dipendenza della "American Truck Company" di Bolzano, fino al 25.2.1946., data in cui venne rilasciato in libertà dalla "50^a Sub. Area Separation Centre", come risulta dalla dichiarazione che si allega in copia fotografica.

Il predetto è venuto a Roma per completare le pratiche relative al suo matrimonio, che dovrebbe celebrarsi nel prossimo ottobre, con la cittadina italiana Maria Teresa, qui abitante in via Lisbona 20, con la quale era precedentemente fidanzato.

Il Diering ha dichiarato che farà ritorno in Germania, dove ha deciso di stabilirsi con la futura moglie, non appena otterrà il necessario "pass" da parte di codesta Commissione Alleata, alla quale, per questa ragione, si è già rivolto da tempo. =

Per la verità attesto che il Sig. Ernesto
Lohöfener di Curio era detenuto nelle carceri di
Gallarate (carcere politico tedesco) allorché io pure
fui in porto con parecchi amici nel luglio 1944 -
Il Sig. Lohöfener - per la conoscenza che egli aveva
delle lingue italiana e tedesca - venne da interprete
durante gli interrogatorii che ci furono fatti, e
nell'assolvimento di tale suo compito egli fece tutto
quanto fu a lui possibile per avvantaggiare noi suoi
compagnoni, contro gli attacchi che i tedeschi ci muo-
vevano sulla base delle denunce svolte contro di noi
da persone che pure erano italiani, e come tali a-
vebbero dovuto comportarsi:-

Seguitamente l'interprete ci fu prezioso per a-
vere precisato a ciascuno di noi il vero delle accuse
che ci erano state mosse, e così che all'interrogato-
rio potevamo arrivare preparati - Per ciò è stato
proprio politico è nato quale importanza abbia
tutto ciò.

Non ho avuto altre occasioni per avvicinarmi a
Sig. Zohofener, ma mi ben rapporto con noi
avuti egli si dimostra sinceramente e orgogliosamente
italiano -

Aggiungo che l'opera dell'interprete informatore
fu assolutamente disinteressata -

T e r n i .

Sir,

I herewith respectfully ask to be released in Italy - when the release will be decided - and I am giving the following ~~the~~ reasons:

- 1) I have been living permanently in Italy since 1930 as lecturer at the Rome University (according to the Identity Card of the Italian Ministry of Education, deposited with this Command).
- 2) In my scientific work I have specialized in Italian History and for the continuation of my work I entirely depend on Italian Libraries and Archives.
- 3) My family (wife and two minor children) are living in Italy, (formerly in Rome and now at Selva, Prov. of Bolzano). I have no home nor residence in Germany and relatives to stay with. Consequently, my family for a long time would be separated.
- 4) The two children, aged three and six years, being of delicate constitution, could hardly resist to the present starvation conditions in Germany.
- 5) According to statements made by the local authorities in Selva, they have no objection to my return to Selva. Furthermore my wife has been assured recently at the Rome Questura Centrale (Chief Police Office), that there are no objections to my staying in Italy and also Dr. Nix, of the German Relief Committee, gave me full assurance of his support and hopes to obtain the "soggiorno" without difficulty.

MEMORANDUM

The request reproduced below was presented to the Allied Commission (War Prisoners) on April 8, 1946. The applicant however, was told to return with his request on Monday, April 15, when Capt. Di Masi would be back.

The person~~s~~ interested would be very glad to find some help for this request which is prompted by most urgent necessity.

¹⁵
Rome, April 1946

The undersigned Caterina BEKHTJEV, living in Rome, 41 Via del Babuino, keeper of the Tea-Room "Industria Russa" (Russian Industry) 54 Via del Babuino, apolide, of Russian origin, presents respectful request that living with her may be granted to her nephew

Alexis Bekhtjev, son of Alexis.

This young man, presently of twenty-four years of age (he was born in 1922 at Stary Tutez, Jucoslavia) is now kept in the Campo n. 370, 3 N P T (I.C.) Semenov-Gruppe Rimini (Miramare). He too, as the undersigned, is apolide.

This request is made towards two ends:

1) As the person in question is of poor health, the granting of this leave is meant to remove him from a place that might endanger his physical conditions;

2) The undersigned is now late in her age, and she is not able to comply by herself alone with all the necessities springing from the running of the "Industria Russa": she needs a help from a man - and obviously nobody could a better help than her own nephew.

The undersigned declares that she is ready to be held responsible for the maintenance of Alexis Bekhtjev in Rome. She has been living in Rome for twenty five years and is therefore well known here, as it will be easy for you to control. Moreover, another nephew of the undersigned, Mr. Alessandro Sakoff, who works at the International Institute for Agriculture, declares he is ready, were that necessary, to provide also for the expenses for the maintenance of his cousin Alexis Bekhtjev.

Hoping that the request will be granted a favourable answer, receive my most respectful thanks. *Caterina Bekhtjev*

Subject TROMPEDELLER Francesco - Cappuccino brother
interned in the Laterina Camp.

Among the prisoners of "S" camp Taranto classified as "recalcitrant" and afterwards handed over to the Italian authorities who interned him in the Laterina camp, is Cappuccini brother TROMPEDELLER Francesco who, as shown in the attached statement from the Gen. Superior of the Order of Cappuccini, was forced to serve in the German armed forces when the Germans occupied Alt Adige, in spite of the fact that he, during 1939, applied for Italian citizenship and in accordance with Vatican agreement was exempted from all military service.

TROMPEDELLER, due to his classification of "recalcitrant" belongs to the category of prisoners which due to agreement made between Gen. MANNERINI and Gen. NAPIER, cannot be released without first obtaining authority from G.H.Q.

We ask you therefore to point out this particular case to the GHQ authorities at Caserta, kindly informing us of the action to be taken.

921

As far as this Ministry is concerned no difficulty exists to the eventual release of TROMPEDELLER Francesco.

OGGETTO TROMPEDELLER Francesco - frate cappuccino internato
nel campo di Laterina.-

I.P.O.W.

Fra i prigionieri del campo "S" di Taranto classificati come "recalcitranti" e poi consegnati alle Autorità italiane che li hanno internati nel campo di Laterina, trovati il frate cappuccino TROMPEDELLER Francesco il quale, come risulta dalla unita dichiarazione del Generale Superiore dell'Ordine dei Cappuccini, fu forzato a prestare servizio nelle forze armate germaniche quando i tedeschi occuparono l'Alto Adige, nonostante che egli, nel 1939, avesse optato per l'Italia e ai sensi del concordato con il Vaticano egli fosse esonerato da ogni servizio militare.

Il TROMPEDELLER, data la sua classifica di "recalcitrante", rientra fra quei prigionieri che per il preciso impegno intervenuto fra il Generale MANNENINI ed il Generale NAPIER, non possono essere messi in libertà senza il preventivo consenso del Quartier Generale Alleato.

Si prega pertanto di rappresentare questo particolare caso alle Autorità del Quartier Generale di Caserta, facendo cortesemente conoscere le decisioni che saranno adottate.

Da parte di questo Ministero non esiste nessuna difficoltà alla eventuale liberazione del TROMPEDELLER Francesco.

OGGETTO HEIDE Emilio - prigioniero di guerra germanico -

L'Headquarters N.I SEP - Centro di Riccione, ha inoltrato l'unita domanda con la quale il prigioniero di guerra germanico in oggetto chiede che, allo atto della liberazione, sia autorizzato a stabilirsi in Italia per seguire una cura a Salsomaggiore.

Milan - 4 March 1946

The undersigned, Sgaragli Igino Chief Proprietor of the Firm SIMEGA di SGARAGLI IGINO in Milan, Via P. TULIO 3, with branch at Via Savona 108, presents the following request:

I favour the application of Carlo Westebbe fu Ernesto and di Emma Hollweg born at Solingen II/6/1906, now a P.O.W. with the British "771 German Mobile Laundry and Bath Unit " at Forlì, to remain in Italy for the following reasons:

Mr. Carlo Westebbe worked with me here in Italy from Dec. 1938 to April 1943 as technical expert in my firm, giving a large contribution of his productive and inventive capacity. In April 1943 he left to do his military service.

His technical capacities and experience, whether here or abroad, render his collaboration in my Firm of utmost importance.

In connection with his moral and political qualities I can guarantee that he never had any relation with the Nazi Party or other organizations. His feelings were always anti-Nazist.

The Milan Commune has no objections to issue him a testimonial for his good conduct.

And finally, I find no difficulties to guarantee the private and political conduct, as I have had occasion to declare to the P.S. Agents and to the Carabinieri, of Mr Carlo Westebbe.

Mi permetto sottoporre alla Vostra cortese attenzione i fatti seguenti:

Il 6 gennaio 1945 fui richiamato alle armi dalle forze armate tedesche nonostante la mia cittadinanza italiana. Dal 3 maggio 1945 sono prigioniero di guerra degli inglesi. Durante il periodo del mio servizio nell'esercito tedesco appartenevo soltanto ad un battaglione di addestramento, e non sono mai stato con unità combattenti di linea.

Dopo la morte dei miei genitori nel 1928 e 1934, presi possesso della loro fattoria a RAAS, Bolzano (Tirolo meridionale). Fino al mio richiamo condussi da solo questa azienda. Successivamente, mia sorella prese il mio posto. Avendo ella solo 22 anni e dovendo badare ai miei tre fratelli minori, temo che ella non abbia la possibilità materiale di svolgere da sola tale lavoro.

Pertanto, anche a motivo della mia cittadinanza italiana, vi chiedo di concedermi il riascizio in Italia. Ho appreso da mia sorella che quasi tutti i miei ex compagni d'arme sudtirolesi sono già stati rilasciati dalla prigionia.

To the

=====

I respectfully beg to submit the following facts for
your kind consideration.

On the 6th of January 1945 I was called up to serve in
the German Wehrmacht in spite of my ITALIAN NATIONALITY. Since the
3/5/45 I am prisoner of War in British Hands. During my term of service
in the German Army I only belonged to a Training Battallion, and
was never in a fighting Unit in the Front Line.

After the death of my parents in 1928 and 1934 I took
possession of their Farm in RAAS near BOLZANO (South Tyrol) Italy.
Until my call-up I ran this Farm by my own. Afterwards my sister took
my place. As she is only 22 years old and has to look after my
three younger brothers, I am afraid she has not the physical means
to do all this work alone.

Therefore and for the reason of my Italian Nationality
I kindly ask you to consider my Release. I heard from my sister
that almost all of my comrades of South Tyrol are already released
from captivity.

P. 3145, Sgt. Erwin FELKEL

 Portici, 5th. June 1946.

Subject: Application for discharge from captivity and release in Italy where applicant is living without interruption since 1925, being married to an Italian lady - Gilda Zamboni, born in Florence, a daughter being born in Rome in 1945, the applicants family still living in Italy, Florence, Via Sercambi 20.

To
 Capt. H. A. DE MAST

 R O M A

I have been informed by my wife, that my application directed to the Ministero dell'Interno regarding renewal of my permit to stay in Italy has been handed over to you.

In compliance with instructions received from the higher authorities I submitted in December 1945 and again in January 1946 an application for repatriation to Italy. This application has been conveyed to the higher authorities, as GHQ. 2nd Echelon.

It seems that any decision depends on the renewal of my permit to continue my uninterrupted sojourn in Italy, which is the subject of my application to the Italian Ministry.

It may be too of some importance to stress, that I have NOT been called up into the German Army by a recruiting office in Germany, but by the German Consulate in Florence on behalf of the "General der deutschen Luftwaffe beim Oberkommando der Kgl. ital. Luftwaffe" at ROME. This sort of liaison staff has been entirely disbanded immediately after the Italian Armistice.

I had been working in Germany, still as Czechoslovakian subject, only some few years - from 1920 to 1925 - after the First World War. When living in Italy I became German subject only after the annexation of the Sudetenland, where I was born. A repatriation to Germany - where I have no belongings whatever and where at present only some relatives ousted from Czechoslovakia may live - would mean a deadly stroke to my family, my wife being Italian, my child having been born in Rome and both living in Florence.

I therefore beg to ask you to take in benevolent consideration this case and to facilitate my release, saving my family from necessary hardship and further mental strain.
