The Austrian citizen Johann S t e i n e r, born on March 19th 1920 at Bretstein, a resident of Bretstein, district of Judenburg, Styria, Austria, was arrested by the English Military Police at Leoben, Styria, on May 25th 1946. Without being interrogated he was taken to the camp of Wolfsberg in Carinthia, on May 29th 1946. This with the foundation that as a soldier in the former German Wehrmacht (SS) he was accused of having shot some Allied aviators during the fight in Italy in 1944. Beginning of June 1946 he was transferred to the criminals' prison in Naples where he is still detained.

Steiner's father asserts that his son was not a member of the National Socialist party or of any of its affiliations, and consequently not of the SS. In 1940 Johann Steiner junior was called up to the German Luftwaffe where he stayed to the end of the war. He cannot possibly have committed in 1944 the crimes attributed to him as an SS-man, because at that date he was in Russia with his unit, and only in March 1945, a few months before the end of the war, he was transferred to the Southern front in Italy.

One month after his arrival in Italy, in April 1945, he was taken prisoner by the Allies, and as soon as November 1945 he was released again. His father is convinced that he was taken for another man owing to identity of names.

It is requested to accelerate the proceedings against the above mentioned. An information about the standing of the matter would be highly appreciated.

1. In reply to your PW 4/4322/213 dated 25 Oct '46 it is regretted that this PW cannot help in the matter under consideration, as the German has now been released, and is therefore not under military control.
2. It would appear that the delay between receipt of the Ministry of Foreign Affairs letter in your HQ, and its despatch to (21) (where upon its receipt an immediate signal was despatched) was the unfortunate cause of the ex PW's despatch to his country of origin.
3. It is suggested that any question of his re-entry into Italy is a matter to be arranged through normal diplomatic channels, and that his passage into Italy is not a charge to be borne by the Military Authorities, but one to be paid for from his own resources.

Si trova in codesto campo di concentramento il sottotenuto prigioniero di guerra originario della Provincia di Bolzano, a suo tempo arruolato coattivamente nell'esercito tedesco dalle autorità naziste di occupazione perché appartenente alla minoranza etnica di lingua tedesca:

Eseguiti accurati accertamenti in ordine ai precedenti morali e politici del predetto, per quanto concerne il soggiorno come civile ed il servizio reso come militare nell'ambito di questa Provincia, nulla è risultato a suo carico che possa consigliare un ulteriore internamento come prigioniero di guerra.

L'Amministrazione italiana ha riconosciuto che in generale il richiamo alle armi degli altoatesini di lingua tedesca nell'esercito germanico venne disposto coattivamente, dopo l'armistizio dell'8 settembre 1943, da parte delle autorità naziste che occuparono questa Provincia.

Sono stati vagliati tutti i singoli casi e quando, come per la persona di cui trattasi, non sono risultati elementi pregiudizievole o specifiche prove di faziosità nazista, si è d'avviso di favorire il ritorno alla vita civile ed il rientro in famiglia, al fine anche di contribuire in tal modo al pieno riavvicinamento fra i due gruppi etnici dell'Alto-Adige nel quadro di una politica democratica di comprensione e collaborazione reciproca.

Si prega pertanto codesto Comando di voler esaminare favorevolmente la possibilità di disporre il suddetto prigioniero di guerra.

OGGETTO : Richiesta di rilascio del pdg. George von Lilienfeld,
Gef: n.12018. RIMINI S.2. POW I.A. Campo Caga IV.C.

All'On. COMANDO DI RIMINI

Io sottoscritta, Lydia Bourbon del Monte, Principessa di S.Fausti-
no, amica del pdg. George von Lilienfeld, attualmente presso il Campo di
Rimini S.2, mi rivolgo al Vostro Comando per richiedere che il suddet-
to possa essere restituito alla propria madre, Baronessa Renita von Li-
lienfeld, abitante a Merano - Piazza della Fontana 1-4, Castello Rot-
enstein, presso Baronessa Jurg.

A tal uopo faccio presente quanto segue:

- 1) Ho conosciuto il sig. von Lilienfeld sin dall'inizio del 1942, al-
lorquando egli venne a Roma per lavorare presso un ente tedesco del-
la Radio. Mio marito lo avvicinò parecchie volte trovandolo serio
attivo e leale. Egli fu fedele al suo paese, ma deplorava la guerra
da ogni punto di vista. Essendo stato negli Stati Uniti presso l'U-
niversità di Harvard, le sue idee erano spiccatamente democratiche.
- 2) Per suo tramite ho potuto far cancellare dalla lista dei cittadini
statunitensi, che si trovava presso l'Ambasciata tedesca, il nome di
una mia giovane figlia dopo che gli italiani l'avevano denunciata.
- 3) Allorquando nel 1943 mia cognata Virginia Arnelli fu fatta prigio-
niera dai tedeschi e tradotta alle carceri di S.Gregorio, chiesi aiu-
to a George von Lilienfeld. Mi consta che con suo grave rischio egli
andò a trovare Dollmann, capo della polizia tedesca a Roma in quel
tempo, e cercò con ogni mezzo di ottenere il suo rilascio. Non essen-
do riuscito nell'intento, si recava dall'Ambasciatore Rann a Salò,
e sono certa che il rilascio della suddetta fu dovuto in gran parte
al suo amichevole intervento.
- 4) George von Lilienfeld mi parlava sovente di sua madre, sebbene non
la conoscessi personalmente. Mi disse che ella era assai acfferente
di cuore e che era l'unica sua parente rimastagli. Egli l'aveva con-
dotta a Merano per averla vicino a lui in Italia. Il mese scorso ho
ricevuto due lettere dalla Baronessa Lilienfeld, nelle quali mi chie-
deva aiuto; aiuto che sono ben lieta di darle, dato che suo figlio
si interessò così generosamente per mia cognata quando ella era in
prigione. Aggiungo un certificato medico del suo Dottore, attestante
la sua grave malattia.

Dalle lettere della Baronessa von Lilienfeld ho appreso che molto
probabilmente suo figlio sarà inviato direttamente in Germania. Il suo
grande timore è che, essendo nato a Riga, sarà rinvio colà. Ciò si-
gnificherebbe una tremenda tragedia per ambedue, poichè i suoi nonni e
suo padre furono trucidati laggiù durante la rivoluzione bolscevica.
Per questo motivo, rimandarlo laggiù significherebbe probabilmente in-
viarlo a morte certa. Chiedo pertanto che gli venga possibilmente con-
cesso il permesso di recarsi a Merano a raggiungere sua madre. Se è ne-
cessaria qualsiasi garanzia da una cittadina statunitense, sarò ben lie-

ta di garantire George von Lilienfeld moralmente e finanziariamente, e altrettanto sarà mio marito qualora fosse necessaria una garanzia italiana.

Ed risulta che la baronessa von Lilienfeld ha già inviato all'uopo un'istanza al Ministero della Guerra, e poichè tale istanza vi sarà eventualmente trasmessa, Vi prego di volere accordarle la più benevola considerazione.

SUBJECT: Request for release in ITALY of German PW George

TO : Ministry of Interior, Direction General of Public Safety

1. Forwarded herewith is request for the release in
ITALY of German PW George von LILIENFELD, who has been held
in the PW Camp at RIMINI.2. It is understood from the Liaison Division, Allied
Commission, that application for the release of this PW was
made to the Camp authorities some time ago.3. It is further understood that this PW has since been
released from the Camp and transferred to a Repatriation Camp,
where he presently is being held awaiting repatriation outside
of ITALY unless the Italian Government grants authority for a
sojourn in ITALY.4. Attention is invited to attached application, which
states that PW's aged mother is suffering from angina pectoris,
stenocardia, miocharditis, cardiac neurosis and chronic bron-
chitis, and that she resides at MERANO (ITALY), and is his only
remaining relative.5. Further attention is invited to the statement that,
because subject PW was born in RIGA, it is quite possible he
may be returned there, if repatriated to Germany, in which case
it is feared he may suffer some dire fate at the hands of the
authorities presently holding that city, which is the capital
of LATVIA. It will be noted that attached letter states his
grandparents and father were all murdered there.6. Through a clerical oversight, the attached application,
which was received in this Division on 6 April 46, was delayed
in forwarding to you. It is therefore requested that this case
be given special and URGENT consideration.7. Pending a final decision, it is further requested that
subject PW be given at least a temporary authority to visit his
mother, on "parole." It is understood the Camp authorities where
he is now held have no objection, either to his permanent stay
in ITALY, or to a temporary sojourn.8. Kindly return in-
closure with your final
decision.

Subject: Request for release of POW George von Lilienfeld
Ref: No: 12018. Rimini G.2. POW J.A. Camp Cage IV. C.

To: The Hon. Headquarters of Rimini.

I, the undersigned, Lydia Hourbon del Monte, Pesse di San Faustino, friend of POW George von Lilienfeld, at present held in the Rimini G.2. POW A.J. Camp Cage IV C under the serial number N.A. 12018, am applying to your command so that my friend be returned to his mother Baroness Benita von Lilienfeld, living in Merano, Piazza della Fontana, 1-4. Castello Rottenstein. Presso Baronessa Burg.

For that purpose I point out the following:

1) I have known George von Lilienfeld since the beginning of 1942 when he came to Rome working for the German Broadcasting Ministry. My husband came in contact with him several times and found him a serious, efficient and loyal friend. He was loyal to his country, but he deplored the war from every point of view. Having been to the United States and attended Harvard University, his ideas were definitely democratic.

2) He was instrumental in having my young American daughter's name taken off the German Embassy list of U.S. citizens after the Italians had denounced her.

3) When, in 1943, my sister-in-law, Virginia Agnelli, was taken prisoner by the Germans and held in San Gregorio prison, I asked George von Lilienfeld for help. I know, at great risk to himself, he went to see Dolman, the head of the German police here in Rome at that time, and tried in every way to arrange for her release. As that was unsuccessful, he went to see ~~the~~ Ambassador Rahn in Salò, and I am certain that her eventual release was largely due to his friendly help.

4) Although I do not know her personally, George von Lilienfeld spoke to me about his mother several times. He told me that she had a very bad heart and that as she was his last remaining relative, he had brought her to Merano to have her near him in Italy. In the last month, I have received two letters from Baroness von Lilienfeld asking for my help. This I am delighted to give, as her son so generously helped me when my sister-in-law was put in prison. I include a medical certificate from her doctor which bears out my fears that she is gravely ill.

I understand from Baroness von Lilienfeld that her son, George, is to be released soon, but that he will be sent straight to the front, having been born in the

I understand from Baroness von Lilienfeld that her son, George, is to be released soon, but that he will be sent straight to Germany. Her great fear is that he, having been born in the Baltic province of Riga, will be sent back there. This would be an appalling tragedy for them both, as I understand that his grandparents and rather were all murdered there during the Bolshevik revolution. For this reason, sending him back, would probably be sending him to certain death. I would ask, if it be possible, to allow him to go to Merano and rejoin his mother. If any guarantee from a U.S. citizen is necessary, I will gladly guarantee George von Lilienfeld morally and financially, and if an Italian guarantee is necessary, my husband would do the same.

BRESSANONE, October 16 th 1946

DEAR SIR,

I beg to submit you the question if the " nulla osta " given by the Italian Government for my husband Dr. Alfred GRATZ has been examined. It was sent by letter NO. 9243 on the 15 TH of JULY 1946 to the Comando Hospital di CESENATICO.

After being dismissed from the hospital at CESENATICO my husband was sent back to the camp at RIMINI.

As many other prisoners, even without a " nulla osta " have already come back I suppose that the " nulla osta " of my husband has not come to your knowledge. Therefore I should be much obliged to you if you kindly would examine the matter.

Besides this I beg to draw your attention to the following facts:

- 1) My husband did not go to the SD for joy but of charge on account of his thorough Knowledge of the Italian language. Before this he was a civilian.
- 2) Being a doctor of National Economy he was always occupied in the Department for National Economy SD of the SD.
- 3) Being formerly an " ufficiale di complemento " in the Italian Army according to the rules he also got the rang of an officer at the SD, but he has never been a member of the SS or a SS= leader.
- 4) The South-Tyrolese were always treated at the SD as belonging to an inferior class because they refused to leave the Catholic Church and were generally not much enthusiastic for the SD .

Considering all these above mentioned facts I beg to do me the favour by sending home my husband, who is also the father **1570** little children of four and three years.

Thanking you in advance, I am
