(a) that they are allowed to be discharged in the country by the Allies.

(b) that they are allowed to remain by the Italian Ministry concerned.

Providing that regulations allow such a couse, their applications are most strongly recommended by this H.Q.

During the period in which they have been under command of A.I.S. their work, under trying conditions and for long hours daily, has in every way been excellent. Io, come Tedesco, sono stato espolso dalla CSR e là, a Brünn, il 25-4-45 ho perso tutta la mia proprietà e tutta la famiglia di 13 persone durante un attacco aereo.
Mia sorella, Rosa Pajola, vive a Venezia Piazza S.Marco 1002 con il suo marito. Loro sono i miei unici parenti.
Mia sorella ed il suo marito assumono l'obbligo di darmi da mangiare e da vestire cosicché non potró mai essere d'aggravio allo stato italiano.

Business or Profession: Physician, specialist in nerveous deseases.
Mestiere o professione: Medico, specialista in Nevrologia.

Reasons for Application: This application has been made a first time in 1945 and repeatet in march 1946. Since 1936 I worked only as a scientific writer in my special branch. In 1937/38 I published a number of scientific works on new themes in Italian periodicals and in Italian language. Afterwards I lived at Rome, working in the University's science Institutes and contributing to several German and Italian Medical newpapers. I was well known to several professors in my time there, including Prof. Messini from the Medical Clinic, the physicians of the Institute of Sanità Pubblica and other institutes and the doctors of medicine Filippini and Jandolo at Rome. I never had interests in Politics and was never a member of the national-socialist party or its organisations. I had left Germany deliberately for these reasons. My documents at the Questura of Rome were regular. I should like to return to Rome to continue my studies there, as I have no family or other interests in Germany.

Sono stato ben noto ad alcuni Professori della mia epoca, fra altri al Prof. Messini della Clinica Media ed i dottori della Sanità Pubblica ed altri Istituti. Inoltre mi conoscevano parecchi dottori a Roma,

Declassified E.O. 12065 Section 3-402/NNDC NO. 785020

SUBJECT:- Application for a permanent permission to live i. ITALY.

KIRSCH Erwin.
370 P.W.CAMP.
ENCLAVE RIMINI.
ITALY.

To:- Whom it may concern.

I, Erwin KIRSCH, born on 7 November 1921 at BRESLAU/GERMANY beg to apply for a permanent permission to live here in Italy, at MERANO, Prov. BOLZANO, which would enable me to get married to the mother of my child.

I am of German nationality, but have lost my domicile in consequence of the seizure of that part of Germany by the Polish. I have no relatives at all living in Germany and do not know where to go if forcibly evacuated to Germany.

I am joiner by profession, and after legalizing my liaison to RIEDL Katarina, I would chose that part of Italy to live in which would prove the best possibilities to gain the living for my family. I have no intention to settle down in the Province Bolzano, as that part of the country seems overcrowded.

Attached I beg to hand the following certificates:-

a) Medical Certificate showing that RIEDL Catarina has given birth to a daughter, by the name of RITA.
b) Certificate by the Parishional Office Lichtenberg, showing up the birth of my daughter, and my person being entered in the baptisal register as father.
The same certificate shows the urgency of my release on economical grounds, as my family finds itself in a very desperate position.
c) A Testimonial by "ASSOCIAZIONE PERSEGUITATI POLITICI ITALIANI ANTIFASCISTI, Sezione di Merano", showing my political reliability.

I have got acquainted and engaged to my fiancé during the course of the war already, and I have been living in Prov. BOLZANO for the duration of 1 year from October 1945 until March 1947. I have been working in MERANO with the furniture producers BERTOLOZZI, which at all times will be prepared to give informations with regard to my person.

During November 1946 I already have handed in an application for a permission of stay to the ITALIAN MINISTRY FOR INTERIOR AFFAIRS, but until now I am without any answer. As my situation becomes very pressing with respect to the economic difficulties of my family, I herewith take the liberty to renew this my application, and beg that it be taken into positive consideration.

370 P.W.CAMP., 3 June 1947.

Dear Sirs,

We beg to inform you herewith that we have in the last days asked the Competent Italian Authorities, Ministero degli Interni, Rome, to release Mr. EDOARDO SCHMITZ civil war-prisoner at present lying in the concentration's Camp at Miramare-Rimini.

We are sure that our request will be favorably accepted by our Authorites in as far as Mr. Schmitz is a technician specialised in the elastic-ribbon industry and the technicians in this article are very few indeed in Italy.

We take the liberty therefore to beg you, pending the needful for his release is being done, that you grant him a licence, so that under his control we may start working immediately, and make use of the entire establishment, which, owing to lack of technicians is at present inactive.

We do not doubt that you will favorably accept our request, and will be extremely obliged to you, if you will kindly let me have possibly by return, assurance on this point.

Thanking you in advance, we beg to remain, dear Sirs,
Yours faithfully.

THE ITALIAN HOME OFFICE

APPLICATION!

I hereby apply to the Italian Goverrment for approval for my sojourn in ITALY, (Molinella, Prov. BOLOGNA), after being released from war imprisonment.

REASONS:- At the end of the war, I was a prisoner of the partisans, at MOLINELLA. For the ensuing months, I was employed there for essential reconstructional works, no other specialist workers (Electro Mechanics) being available.

Later, I became familar with the machinery installations of the local rice husking industry. I happened to observe that during the process of work, a considerable amount of this product was wasted, which waste could only be used for feeding of beast, or in the chemical industry.

With the intention of diminishing that waste, I developed and constructed a rice shelling mill with a new working system. Latest experiments proved that the usual loss was reducted by 50 %.

I hope that with further improvements of my system, I shall be able to produce still better results. I shall be granted with sufficient financial help for my further works, by a private company.

In order to demonstrate the advantages of the machine, the following example:-
Pre-war Italy had a yearly production of 2.000.000 tons of rice. If all Italian rice mills were applying the new system, 50 kg (110 lbs.) would be saved for each ton of rice, e.g. every year there could be 100.000 tons more rice which would mean the supplies of more than 600.000 Italian average families, -or-, the produce 100.000 tons of rice, a surface were needed corresponding the size of the province of SPEZIA.

On 1st August 1946, I interrupted my work in order to obtain a legal release from war imprisonment, as a sojourn at MOLINELLA will not be possible, otherwise.

Nel giugno 1941 sono venuto con un reparto tedesco in Italia e vi ho conosciuto e ho fatto amicizia con la Signorina HANNI Ildegarda, residente a LACES. Dopo la resa delle truppe tedesche sono stato catturato dalle truppe americane e ho lavorato nel loro Ospedale di MERANO. Ottobre 1945 fui rilasciato e andai dalla Signorina HANNI ove trovai residenza e lavoro. Poco tempo dopo ci siamo fidanzati e nell, ottobre del 1946 naque un bambino di cui sono il padre. Nel febbraio del 1947 fui arrestato dalle autorità italiane che mi dissero che i miei documenti americani erano senza validità e fui trasferito a RIMINI. Non avendo parenti in Germania ed avendo la fidanzata con il bambino nel Tirole Meridionale richiedo il mio rilascio a questo posto ove so trovare abitazione e lavoro.

In Maggio 1945 ho spos ato una Italiana, Elena Ermeglia, che in prime nozze fu la moglie del Italiano Biagio Ermeglia. Di questo matrimonio è stata nata una fanciulla che è suddita italiana, la figlia Nella. Avendo organizzato una ditta di esporto di fiori posso dare del lavoro agli Italiani. Vorrei sottolineare che giammai non avrò bisogno d'un aiuto dalla parte dello Stato Italiano. Prego perciò il Ministero di darmi il permesso di soggiorno in Italia per non essere separato da mia famiglia. Sono proprietario di una ditta di esporto di fiori, di una campagna e di un negozio di polli. Dichiaro inoltre che abbiamo bisogno soltanto di sei mesi di tempo per regolare i nostri affari per l'emigrazione in America.

QUESTURA DI NAPOLI.

1. This Headquarters understands, through Pastor Neumann, who visited you on 29 May 47, that you have been unable to recommend to the Ministry of the Interior that permission be given for the Pastor to reside in Italy to conduct church affairs in Naples.
2. It is felt that this is largely due to the fact that insufficient information about the case is in your possession.
3. In view of this, I now enclose certain papers relating to Pastor Neumann, the more important of many I hold, which will undoubtly put a fresh complexion on the matter and enable you to reconsider your decision. The fact alone that no expenditure will have to be borne by the Italian Government or local Authorities must carry weight.
4. You are kindly requested to forward your comments or approval to the Ministry of the Interior at the earliest possible moment, with a copy to this Headquarters. I have been in touch with the Ministry of Interior, who has no objection to this procedure being adopted in this particular case.

Caro fratello Neumann ,

L'8 agosto Ella scrisse all'Ufficio Ecclesiastico per l'estero per ottenere un posto di pastore all'estero in servizio della EKID (Chiesa Evangelica in Germania).

Io conosco il Suo diletto padre da lunghi anni, già prima della mia prigionia, e penso a lui con affetto e venerazione.

Nel frattempo ho avuto uno scambio epistolare col fratello Dahlgrün di Roma, e, se Ella fosse d'accordo, sarei disposto ad affidarle, da parte dell'Ufficio Ecclesiastico per l'estero, la comunità di Napoli con l'incarico di visitare pure Bari e Palermo. Il gruppo di fedeli da curare spiritualmente è molto ridotto. Ma ciò che importa non è tanto la grandezza esteriore, numerica quanto la comunità.

In questo momento per me il problema è di sapere se Lei può avere dagli inglesi il rilascio dalla prigionia per Napoli. Le sarei grato se volesse cercare di accertarsi di ciò; contemporaneamente ho scritto al fratello Reinhold v.Thadden di Hinevra, affinchè cerchi di chiarire

Declassified E.O. 12065 Section 3-402/NNDC NO. 785020

questa questione per mezzo delle autorità ecumeniche. - Le sarei pure grato se volesse rispondermi con sollecitudine. Assicurandola dei miei cordiali e fraterni sentimenti

Suo dev.mo

f.to Martin Niemöller.

PS. Una lettera del fratello Dahlgrün di Roma mi dà la convinzione ch'egli pensa con viva gioia e speranza ad un lavoro insieme con Lei.

Caro Signor Pastore Dahlgrün.

Ho ricevuto la Sua lettera del 6 Gen. Io ho parlato di Lei al Pastore Fricke di Stoccarda, il rappresentante del Pastore Niemoeller, ed egli è d'accordo con il Suo piano e con la mia proposta. Io mi prendo la responsabilità di dare lo stipendio al Pastore Neumann per due mesi e farò in modo che questo stipendio sia di $ 50 mensili anche gli venga dato per il mese di Gennaio e Febbraio. Io inviterò il mio comitato americano di proceder al pagamento di questa somma nello stesso modo che per lei e per il Pastore Wabnitz.

Ho pregato il Pastore Fricke di interessarsi affinché il Pastore Neumann venga in possesso dei necessari documenti, onde poter rimanere in Italia e non ritornare in Germania, a meno che non sia già stato rilasciato dalla prigionia, e poter così assumere la sua funzione di Pastore della Chiesa Evangelica.

Io spero che possa mantenere ancora la sua comunità e che il Pastore Neumann potra rimanere lì (in Italia).

La prego di farmi sapere qualche cosa nel caso che io possa aiutarla in questa questione.

Con i migliori auguri di Capodanno e con cordiali saluti

Lieber Herr Pfarrer Dahlgrün,

Ihren Brief vom 6. Januar habe ich erhalten. Ich habe ihn mit Pfarrer Fricke von Stuttgart, dem Stellvertreter von Pfarrer Niemöller, besprochen und er ist mit Ihrem Plan und meinem Vorschlag vollkommen einverstanden. Ich werde die Begleichung von Pfarrer Neumanns Gehalt für 2 Monate auf eigene Verantwortung veranlassen und dafür Sorge tragen, daß dieser Betrag von $ 50 per Monat an Sie überwiesen wird für den Monat Januar und Februar. Ich werde mein amerikanisches Komitee veranlassen, die Bezahlung dieses Betrages in derselben Weise fortzusetzen, wie wir dies für Sie und Pfarrer Schnürle getan haben.

Ich habe Pfarrer Fricke gebeten, dafür zu sorgen, daß Pfarrer Neumann mit den notwendigen offiziellen Papieren versehen wird, damit er in Italien bleiben kann und nicht nach Deutschland zurückgeführt wird, sofern er nicht bereits aus der Kriegsgefangenschaft entlassen wurde, und ferner, daß er als ordinierter Pfarrer der Evangelischen Kirche amten kann.

Ich hoffe, daß Sie Ihre Gesundheit weiterhin behalten können und den Pfarrer Neumann dort bleiben kann.

Bitte lassen Sie es mich wissen, im Falle wir irgend etwas für Sie tun können, um Ihnen in dieser Angelegenheit zu helfen.

Mit den besten Wünschen für ein gesegnetes neues Jahr und mit herzlichen Grüßen,

Il capo dell'"Ufficio Delle Parrocchie All'Estero della Chiesa Protestante in Germania" Pastore NIEMOELLER DD DD, desidera riattivare l'ufficio di Cappellano Protestante Tedesco a NAPOLI, la cui carica esiste da più di 100 anni, e vorrebbe affidare a me la Parrocchia di Napoli con incarichi a BARI ed a PALERMO.

Io ho quindi bisogno di un permesso di soggiorno in Italia e prego Codesto Ministero di accordarmi questo permesso con il quale posso richiedere il rilascio in Italia alle Autorità Inglesi.

Io sono desiderosa di assumere questo incarico dato che ho avuto modo di affezionarmi all'Italia ed agli Italiani negli anni che in passato ho trascorso in questo paese.

Quale siano le mie opinioni religiose lo provano il fatto che sono membro della "Bekenntniskirche" e nel periodo della lotta religiosa in Germania sono stato membro attivo dell'opposizione della mia Chiesa contro Il Nazionalsocialismo.

Come Cristiano io sarò sempre desideroso di promuovere la reciproca comprensione tra le nazioni ed io so che molti Italiani, che io conosco, condividono questa mia opinione.

The Ministry of Interior
R O M E

The leader of the " Office for Parishes in Foreign Countries of the Protestant Church in Germany" Pastor NIEMOELLER DD DD is willing to fill the over 100 years existing but now vacant office of German Protestant Chaplain in NAPLES with duties in BARI and PALERMO, and to commission me with this office. He has asked me if I can be released from my PW status in NAPLES.

I therefore need a permission to reside in Italy and beg to ask the Minister to grant the permission, that I can then ask the GHQ of Mil Forces for my release in Italy.

I am willing to take on this office as I have come to like Italy and the Italian people in the years I spent in this country.

My religious opinion has been demonstrated that I am member of the"Bekenntniskirche" and in the time of the religious struggle in Germany was an active member of the opposition of my Church against Nationalsocialism.

As a Christian I will always be willing to promote the understanding betwwen the nations and I know that many Italians, whom I had the honour to know, share this opinion.

Sir,

Excuse me, if I am troubling you with my affairs afresh, but it is very likely that our hospital will be dissolved within 6 weeks. I am afraid that in this case I might be repatriated before my release in Italy is possible.

I should be most thankful when you would write, if possible, to the authorities here that I shall be kept here, as my release in Italy is imminent. Some German labour units will stay longer. My personal dates are: Dr V. J. Schuppler Gpt Mc. № S24926 born 12. II. 1905 in Vienna Austrian.

Il sottoscritto,EDOARDO SCHMITZ,nato il 9.Gennaio 1900 a Wupperthal (Germania),attualmente prigioniero di guerra come tedesco a Miramare (Rimini)rivolge rispettosa domanda a Codesto On.Ministero,perchè si esamini la sua pratica e si conceda il Nulla Osta per il rilascio in Italia,rientrando il suo caso nei termini di leggi vigenti per il rilascio dei prigionieri di guerra che hanno abitato in Italia prima del 1939.
All'uopo si permette segnalare:

1.) È stato continuamente in Italia(Milano,Via Luigi Ornato 110) dall'Ottobre 1929 alla fine di Gennaio 1944.
2.) Nel periodo bellico ed esattamente dal primo Febbraio 1944 al 25 Aprile 1945 ha avuto manzioni di interprete civile in seguito all'ordine del Consolato Germanico di Milano,manzioni che ha svolto presso il Comando di Bergamo prima (due mesi) e poi di Como,Comando per la distribuzione automobili ed autocarri vari ai reparti del suo comando ed a ditte varie Italiane,in quel periodo legate dal contratto al Comando Germanico.
3.) Il sottoscritto è ammogliato e padre di una figlia diminore età.
4.) Si permette sottolineare che nella sua qualità di interprete ha favorito gli interessi Italiani,evitando seque tri di macchine a ditte e privati Italiani ed evitando che dette macchine venissero trasferite in Germania.
5.) Nel periodo dal 1929 al 1944 il roccorrente ha avuto manzioni direttive di carattere tecnico ed amministrativo presso la tessitura De Micheli di Milano,Via Marcona 55.
Nel suddetto periodo,come sempre,il suo comportamento verso le maestranze Italiane è sempre stato del più benevole e detto periodo vale da solo a lumeggiare la sua attività delle durata,senza interruzione, di quindici anni,presso una ditta sola.
Il riccorrente si permette invitare l'esaminatore della sua pratica perchè dia un giudizio sereno ed obiettivo e tenga presente che un rifiuto di Nulla Osta metterebbe lui in condizioni precarie e così i suoi famigliari,perchè in Germania non avrebbe la possibilità di svolgere la sua attività,dato che manca dalla Germania stessa dal 1929.
Confidando nell'accoglimento della presente istanza,dichiara la sua ferma intenzione non appena rilasciato,di iniziare la pratica per ot enere la cittadinanza Italiana.

Subject :- Application for
Release to Italy

SCHULZE Gerhard

Reasons for application:-

Having been released in summer 46 and in possession of a soggiorno for stay in Italy, I was suspected in November 46 to be in possession of forged papers and apprehended by Allied Authorities. It has been established meanwhile, that all my papers are genuine and therefore I submit my documents as quoted above, asking respectfully for maintaining my release in Italy as confirmed by Capt. HOLBERRY as recompense for outstanding work with 733 German Labour Unit.

Purpose of my stay is employment with the Italien firm GIACOMETTI Aurelio, Verona/Ca.-Via Gaetano Pellegrini 1, in order to do import business in varnishes and respective oil products on the base of compensation which is doubtless in the state's interest. It being known that Italy is importing the materials in question, oil varnishes and raw materials, from abroad, this commerce will be lucrative for it entails export of available goods to other countries.

Having been in pre-war times for 10 years in contact with such purveyors and consent from them having been obtained that they agree entirely on accepting these conditions, an early release would be greatly appreciated.

Gerhard Schulze

T R A D U Z I O N E

Dopo essere stato rilasciato nell' estate 46 essendo in possesso del permesso di soggiorno in Italia, fui sospettato di avere dei documenti falsi e nel novembre 46 arrestato dagli Alleati. Nel frattempo è stato accertato che tutti i miei documenti sono autentici e perciò li ripresento con la preghiera di essere rilasciato in Italia, rilascio che è stato autorizzato dal Gap. HOLDERRA quale premio per eccellenti servizi nell'Unità di lavoro 755.

Lo scopo del mio soggiorno sarebbe un' impiego nella ditta italiana GIACOMETTI Aurelio, Verona/Ca. Via Gaetano Pellegrini 1 per importare lacche e prodotti affini sulla base di compensazione, il che è senza dubbio d'interesse per lo Stato. E' noto che l'Italia importa dall' estero il materiale seguente, vernici a olio e materie prime. Questo commercio a compensazione sarà vantaggioso in quanto ne deriva l'esportazione in altri paesi di merce italiana!

Essendo stato prima della guerra per ben dieci anni in collegamento con tali fornitori e avendo la loro conferma che accetterebbero senz'altro queste condizione per le forniture, sarei grato per un sollecito rilascio.

Leonard Schilke

Declassified E.O. 12065 Section 3-402/NNDC NO. 735020

Nachdem ich im Sommer 46 entlassen wurde und im Besitze eines Sichtvermerks für den Aufenthalt in Italien war, wurde ich im November 46 verhaftet im Besitze gefälschter Papiere zu sein und von den Alliierten vernehmet. Inzwischen ist jedoch festgestellt worden, dass alle meine Papiere echt sind und ich lege daher meine Dokumente wie oben angegeben vor, mit der Bitte meine Entlassung in Italien nochmals zu erwirken, die von Capt. Holberg als Belohnung für hervorragende Dienstleistung bei der Arbeitseinheit 730 genehmigt worden war.

Zweck meiner Anwesenheit bei der italienischen Firma Giacometti Amelio, Verona, Ca. Via Gaetano Zelliegrini 1, ist Importgeschäfte in Leder und entsprechenden Ledererzeugnissen auf der Basis von Kompensation vorzunehmen, was meinerseits im Interesse der Regierung liegt.

Da bekannt ist, dass Italien die in Frage stehenden Materialien, i.e. Gerberei und Rohmaterialien, aus dem Ausland einführt, so wird dieser Handel zum Vorteil sein, denn es ergibt sich daraus der Export vorhandener Industrieller Güter nach anderen Ländern.

Da ich in der Vorkriegszeit 10 Jahre lang mit solchen Lieferanten in Verbindung stand und die Bestätigung von dieser vorliegt, dass sie diese Leistungen ohne weiteres für derartige Lieferungen akzeptieren wollen, würde eine baldige Entlassung ausserordentlich anerkannt.

SUBJECT : Med. report of the Ukr. patient BANT H.

Soldier BANT was admitted to this hospital on 26/1/45 after having attempted to commit suicide by cutting the artery.

The examination showed a sensitive, reactive, depressive paronia, whereby patient feels himself persecuted. Patient gives the following reasons. He is of the opinion that the Poles are taking him for a spy for the Germans, who on the other side are taking him for a spy for Poland. In the course of the month of August 1945 patient intended to commit suicide twice.

After this condition has ceased and no suicide-danger existed patient should be transferred from the closed ward to the open ward for future discharge from Hospital. Patient refused to do it, as in the meantime those ideas of persecution had re-organized and patient was of the opinion that he should be transferred to the ward where the execution should take place. This condition is unchanged up to now. A changing of his minde is impossible on account of this endogen process.

Attempts made by the Ukr. Chaplain in his own language to influence his were without any success.

On account of examination and observation results it canobe said that patient is suffering from a paronia with organized ideas of persecution and suspicion to commit further suicide attempts.

C O P Y (of translation)

October 24, 1946
Cesenatico

Dear

I received your letter. I'm happy that everything is alright with you. As for me things are very bad. Some one with criminal intent has written false letters and lies about me and stated that I was over friendly with the Germans during their occupation in Galicia and a traitor to the Ukrainians. This is all untrue. All this took place when I was immigrating from home -- because at home nobody would believe this story.

When the Germans were retreating I was taken as a German soldier, then I was taken prisoner. I was put into a prison camp in Italy where they wanted to kill me. When this wasn't successful they declared me insane, which I have never been or am not now. I was put into the Cesenatico Hospital July 26, 1945, which is a German hospital where the Germans have full control--all German doctors and help, except the chief who is English and has control over all. To the Germans they showed me up as a Communist, as an enemy of the Germans, that I was working against the Germans which they believed and plan to get rid of me because the German national party, which exists and works undercover, sentenced me to death. They fulfill their executions in this manner. While everyone is asleep they take men to a cellar and after several days of torture, and eventual death, the Germans claim natural causes. All this I learned from several Germans and Ukrainians who believe in my innocence and know of the lies against me. All of which I have written to you.

I have been in jail behind bars for 15 months awaiting my death. Don't sleep at night --that's why I am still living. Dried up as a stick. This is not a joke but the said truth. They will not release me nor let me go.

I you receive this letter which I don't know, because my letters are censored, notify by telegraph the American and British Consul in Rome and make the necessary arrangements to save my life or perhaps Comsie (who is my brother) can come here for me. Write or telegraph to the English chief of the hospital. Do not spare anything to save me. People you write of are not friends of mine -- so don't write or send them anything. I haven't any glasses -- so can't see how to write or read. Glasses are ∕ 3. Send me the glasses if you want, which send c/o English Hospital, not to be lost, if I'm not there. Do anything you can to save me. Do not spare anything. And if I live I'll repay you all.

Write me immediately as to my affairs. Letters send by air mail. Address as on the back of the letter only use my name as I am purposely using another name. Please take me to you. I'm born October 12, 1897. Maybe you will need that.

Basil and Myras Law were murdered by the Communists. As for the others I know nothing as to whether they are living or not. Will write more in another letter. Be well.

Gregory

P.S. Write immediately. I'll write to Comsie. Regards to all and do all I ask.

But I have the possibility to work here in Italy together with my wife in her profession. She too is a book - keeper and has employment for lifetime. I would therefore in no matter become a burden to the Italian Government.

Finally I have been informed by a letter from relatives within the Russian occupation Zone, that the Russian Authorities have begun to record all ranks up from corporal, which would mean the first step to deportation. This is another motive to built up a new existence in Italy.

I have never been interested in political party activities and have never been a member of the N.S. - party.

14. Time of employment in Allied service : From 20-6-1945 to now .

15. Reason for request : During the war my timber factory was totally destroyed by fire in Vienna, and the whole contents of my flat were taken away. Due to the fact that the 605 Company will be disbanded in the near future I wish to make this application now to ensure my further existence.

Since 1918 and for a period of 25 years I have been a forestry official, manager of sawmill and timber merchant. Due to my relations in Italy in pre-war times I now have the opportunity to be employed by Società Industria Legnami Arturo LONGO & Co in Padova as a timber specialist. This firm has a sawmill in Austria which was inoperative since the war. It is anticipated

Declassified E.O. 12065 Section 3-402/NNDC NO. 175020

that it will resume operation as soon as possible, probably by 1948. The firm desires me to take over the management of this sawmill. Until this time Arturo LONGO & Co are prepared to employ me in Italy especially to purchase wood in the Southern-Tyrol and in their sawmill in Borgo Valsugana.

For the above reason I wish to make my application for release in Italy. I am aware that since the 1-1-1947 there is a new Italian regulation which permits P.O.W's and S.E.P's to apply for permission to remain in Italy after release. The necessary application has to be submitted through the Allied Authorities to the Italian Home Office in Rome.

Please find attached application from Arturo LONGO & Co.
I respectfully request that this application may receive your consideration and be forwarded to the particular authority in Rome, so that the permit to remain in Italy may reach me before 605 Ger Gen Tpt Coy disbands.

Prisoner of War : Uoff. R A E E L , R U D O L F, N° R 6265

The undersigned, Rosi Pajola, Venice, Sah Marco 1008 C, is the sister of the above named German Prisoner of War and herewith makes the following application to your Headquarters: Having lost all his family,his relatives,in an air -raid in Bruenn, Ca-Sl. (13 persons were buried under the ruins) my brother is absolutely alone in this world - I, Rosi Pajola, being his sole living relative- apply to have him set free and allow him to stay with my husband and myself in Venice , where I will assume the entire responsibility of his feeding and clothing etc. There is no objection from the Italian Authorities in doing so.
All German subjects were expelled by the Czechoslovakian State making their belongings and property state -property. Therefore it is out of discussion for him to go back to Bruenn - Czechoslovakia - and to settle down there.
I want to point out that he is in bad health - he had several malaria attacks - and is very myope - his age is : 48 years : birth - date : 2 -1- 1900 -
After informations received here , the Prisoners of War will be sent home in a short time ; freeing the Italian territory in about three months time completely - and - instead of sending him to an unknown destination - I ask you to have him sent to Venice giving you all the above mentioned garanties.
At present he is staying at the German Graves Registration - 56 Reste - Transit Camp - Rome - Italy.

Hoping that you will take the above in consideration and approve my application I look forward to your reply

Sincerely
yours

Rosi Pajola

October 1946.
Cesenatico

Dear

I received your letter. I'm happy that everything is alright with you. for me things are very bad. Some one with criminal intent has written false letters and lies about me and stated that I was over friendly with the Germans during their occupation in Galicia and a traitor to the Ukrainians. This is all untrue. All this took place when I was immigrating from home -- because at home nobody would believe this story.

When the Germans were retreating I was taken as a German soldier, then I was taken prisoner. I was put into a prison camp in Italy where they wanted to kill me. When this wasn't successful they declared me insane, which I have never been or am not now. I was put into the Cesenatico Hospital July 26 1945, which is a German hospital where the Germans have full control--all German doctors and help, except the chief who is English and has control over all. To the Germans they showed me up as a Communist, as an enemy of the Germans, that I was working against the Germans which they believed and plan to get rid of me because the German national party, which exists and works undercover, sentenced me to death. They fulfill their executions in this manner. Whil everyone is asleep they take men to a cellar and after several days of torture, and eventual death, the Germans claim natural caused. All this I learned from several Germans and Ukrainians who believe in my innocence and know of the lies against me. All of which I have written to you.

I have been in jail behind bars for 15 months awaiting my death. Don't sleep at night-- that's why I am still living. Dried up as a stick. This is not a joke but the said truth. They will not release me nor let me go.

I you receive this letter which I don't know, because my letters are censored, notify by telegraph the American and British Consul in Rome and make the necessary arrangements to save my life or perhaps Comsi (who is my brother) can come here for me. Write or telegraph to the English chief of the hospital. Do not spare anything to save me. People you write of are not friends of mine-- so don't write or send them anything. I have'nt any glasses -- so can't see how to write or read. Glasses are ﻣﺞ. Send me the glasses if you want, which send c/o English Hospital, not to be lost, if I'm not there. Do anything you can to save me. Do not spare anything. And if I live I'll repay you all.

Write me immediately as to my affairs. Letters send by ai mail. Address as on the back of the letter only use my name as I am purposely using another name. Please take me to you. I'm born October 12 1897. Maybe you will need that.

Basil and Myra Law were murdered by the Communists. As for the others I know nothing as to whether they are livin or not. Will write more in another letter. Be well.

Gregory

PS. Write immediately. I'll write to Connie. Regards to all and do all I ask.

At present there is no possibility for me to go home to my next-of-kin. With Italy my family has business relations for three generations already. I shall not be on the charge of the Italian Govern ment as I shall receive money from Switzerland and the USA. I ask only for the permission to stay th months after being released.

Attualmente e' assolutamente impossibile che io torni dai miei familiari. La mia famiglia ha avuto relazioni commerciali con l'Italia per tre generazioni. Non vivro' a spese del Governo Italiano ricevendo sufficiente denaro per il mio mantenimento dalla Svizzera e dagli Stati Uniti d'America. Faccio soltanto domanda di poter rimanere in Italia per una durata di tempo di tre mesi dopo il rilascio dalla prigionia.

RECEIVED 11 MAR BRITISH EMBASSY ROME

Verona 7-3-1944

Sir Ambassador of England

I am sorry of disturbing you but it is an important affair.

I am an Italian ex-officer, ex-combatant in Russian front; in the days after 8-9-1943 I have combated against the germans in southern periphery of Rome (title it is documented at the "Distretto Militare" of Roma); returned at my family in Oppeano (Province: Verona) I have saved 24 English prisoners escaped from camps of concentration concealing name of them till the liberation (title it is documented at the "Screening Commission-Section 4-Italy" who was in Roma); in 1944 I have combated against the germans in "Militi Ferry Mission R.Y.E." from you dissembarked at "Valli di Comacchio" and working under your commands in Province of Verona and in 1945 I have combated in Patriots Division "Stella" (title it is documented at "Uffici Patrioti"

Prefettura - Verona); after the liberation I have been elected town-clerk of Dyreano and I have modestly associated in labour with Mister Cavinato, town-mayor of my zone and with Mister Blackwell town-mayor of Verona. At last I have dedicated myself to my profession, indeed of having served always honestly my fatherland and happy of having contributed in the struggle for the freedom of the peoples.

But my tragedy went after:

Between the few germans escaped the 26-4-1945 from our combats there was a german officer: the sublieutenant Willy Klassmer for Klassmach or Klassaret, whom my sister Maria Beghini Kuen only by sight. He, captures from you, wrote numerous letters to her succeeding to deceive her. When my sister went to meet him at your camp of concentration of Rimini, the german was profitable of her inexperience. Now my father menaces to expel my sister from home, my mother is sick for the sake of the pain and of the shame and I have

Declassified E.O. 12065 Section 3-402/NNDC NO. 785020

not peace.

For avoiding offensives consequences which till now have not yet been, it is necessary to send (immediately and unexpectedly) your German prisoner very distant from Italy. Against whom have I to combat still for delivering our beautifould country from germans?

But I have still confidence in English people. Therefore I ask, I beg, I supplicate you to send far from Italy the german Willy Massanet, who is still in your camps of prisoners-concentration at Rimini and who, everytime any sister goes to meet him, from your soldiers is left free in Italy during some entire days.

My sister intend to go to him the day 18 march. Dont permit him still going out the camps of concentration, send him to his fiancee germany!

For not aggravating the situation of my desperate family I beg not make the german or my sister knowing of my demand, please.

All that I beg from you in name

of a father tormented and a mother suffering, in name of the letters of my friends fied combating with me for idea of liberty, in name of services which I have always given to your idea (which is also mine), in name of justice.

Excuse me, Sir, of my troubleing you but this is the first time that I ask something from English people. Don't pay any attention to my poor English, please.

With Sensation and hope

very truly yours

Pesc[illegible]na, Feb 47

Dear Colonel;

I am very sorry to inform you that my family situation is very precarious and therefore my repatriation cannot be any longer delayed. When I arrived in the PW Camp last January and I explained to the Commanding Officer the urgency of my case, I was told that I could have continued my journey in a short time. But 5 weeks have passed and I am still here.

As I know that you, Colonel, have done all in your power to shorten our staying in the camp and that nothing else can be done about it, I think it would be better for me to take the first favourable opportunity which will enable me to reach my country in a few hours.

I am not in a position to furnish you better particulars, but I wish to point out that I have not been helped in my plan neither by my comrades nor by any Italian soldiers or friends, in order that you may not suspect anyone. Nobody will therefore be able to inform you of the itinerary of my voyage.

I wish to thank you, Colonel, and your officers and your Cpuntry for the hospitality and the interest taken in my case. I hope that Fate will give me the opportunity to show you my gratitude.

Will you please forward my documents - when they arrive - to my address in Germany.

Very truly yours

W Silberkhul

Pescantina, febbraio 1947

Tenente SILBERKUHL

Egregio Sig.Colonnello,

Sono spiacente di doverle comunicare che la situazione della mia famiglia non mi permette di indugiare più col mio rimpatrio. Allorchè arrivai in gennaio al campo reduci e spiegai al Comandante del campo l'urgenza di definire la mia posizione, mi fu detto che in breve tempo avrei potuto continuare il viaggio. Ora siamo qui più di 5 settimane.

Sapendo che Lei, Sig.Colonnello, ha espletato tutte le pratiche necessarie per abbreviare la nostra sosta e sapendo d'altra parte che a lei non è possibile rimuovere gli ostacoli per noi presentatisi, ritengo mia doveroso per la mia coscienza, approfittare di un'occasione favorevole che mi porterà in poche ore in Patria.

Non sono in grado di fornirle maggiori particolari, faccio presente però di non essere stato aiutato nel mio progetto nè dai miei camerati, nè da soldati o amici italiani, acciocchè Lei non abbia motivo di dubitare di qualcuno.

Nessuno potrà perciò informarla sull'itinerario del mio viaggio.

Io ringrazio vivamente Lei, Sig.Colonnello, ed i Suoi Ufficiali, soldati ed il Suo Paese dell'ospitalità ed interessamento usatemi e non mancherò di ricambiare tutto, se il destino me ne dovesse dare la possibilità.

La prego voler spedire i documenti riguardantemi - quando arriveranno - al mio indirizzo in Germania.

Con tutta stima, devotamente

Act. 484

7 March 1947

Dear Philips:

Will you please have Capt. Zanemitz send this new application and allied papers of Dr. Worner Wessel to the Ministero del Interno.

Dr. Wessel's application to be released in Italy was refused by the a/m Ministero some weeks ago. I feel d-- guilty for the following reason.

The Ministero del Interno with his notes AGR No.443/44355 I.P.W.Div., dated 22 March 1946, was apparently favorable to approve the release in Italy of Dr. Wessel (I am attaching copy of the note referred above). As far as I can find out by going through our files I cannot find where we answered their questions nor did we do anything further to press a decision.at the time. His name was risubmitted on a roster with 27 other names unsupported by any papers on 6 Nov 1946 IPW/1/13/Ger/871, so that it was an easy matter for the Ministero to deny the last application.

My Colonel asked me to do all I could unofficially to get this SEP released in Italy. Attached you will find a further request from Mr. Celestino Stoffel of Bra. Cuneo that may help.

Hope you can help out in this matter,

Your sincerly

My dear Colonel Regis:

Some friends of mine in New York City have recently received a most disturbing letter from their brother and brother-in-law who is a German prisoner of war at Cesenatico, Enklave, Rimini, Italy. I am enclosing a copy of his letter which I am sure, you will find most distressing.

His family here are deeply concerned and very anxious to do everything possible to assist him, and they can attest to the truth of his statements concerning his loyalties and activities during the war. His brother-in-law is an Assistant Trust Officer of the Guaranty Trust Company and has his office in Rockefeller Center. I do business with him and I can recommend his family most highly.

Incidentally, the prisoner of war in question, Gregory Band, is a Roman Catholic, having been born and brought up in Eastern Galicia.

The family here are anxious and willing to send him any food or money which he might require and to guarantee his support in this country if he were sent here. Band's life is, apparently, in imminent danger and, if there is any assistance which you can give him, I am sure that you will have the lasting gratitude and prayerful thanks of all of his family.

With many thanks and with cordial regards, I am

Faithfully yours,

C O P Y (of translation)

October 24, 1946
Cesenatico

Dear

I received your letter. I'm happy that everything is alright with you. As for me things are very bad. Some one with criminal intent has written false letters and lies about me and stated that I was over friendly with the Germans during their occupation in Galicia and a traitor to the Ukrainians. This is all untrue. All this took place when I was immigrating from home -- because at home nobody would believe this story.

When the Germans were retreating I was taken as a German soldier, then I was taken prisoner. I was put into a prison camp in Italy where they wanted to kill me. When this wasn't successful they declared me insane, which I have never been or am not now. I was put into the Cesenatico Hospital July 26, 1945, which is a German hospital where the Germans have full control--all German doctors and help, except the chief who is English and has control over all. To the Germans they showed me up as a Communist, as an enemy of the Germans, that I was working against the Germans which they believed and plan to get rid of me because the German national party, which exists and works undercover, sentenced me to death. They fulfill their executions in this manner. While everyone is asleep they take men to a cellar and after several days of torture, and eventual death, the Germans claim natural causes. All this I learned from several Germans and Ukrainians who believe in my innocence and know of the lies against me. All of which I have written to you.

I have been in jail behind bars for 15 months awaiting my death. Don't sleep at night --that's why I am still living. Dried up as a stick. This is not a joke but the said truth. They will not release me nor let me go.

I you receive this letter which I don't know, because my letters are censored, notify by telegraph the American and British Consul in Rome and make the necessary arrangements to save my life or perhaps Comsie (who is my brother) can come here for me. Write or telegraph to the English chief of the hospital. Do not spare anything to save me. People you write of are not friends of mine -- so don't write or send them anything. I haven't any glasses -- so can't see how to write or read. Glasses are # 3. Send me the glasses if you want, which send c/o English Hospital, not to be lost, if I'm not there. Do anything you can to save me. Do not spare anything. And if I live I'll repay you all.

Write me immediately as to my affairs. Letters send by air mail. Address as on the back of the letter only use my name as I am purposely using another name. Please take me to you. I'm born October 12, 1897. Maybe you will need that.

Basil and Myras Law were murdered by the Communists. As for the others I know nothing as to whether they are living or not. Will write more in another letter. Be well.

Gregory

P.S. Write immediately. I'll write to Comsie. Regards to all and do all I ask.

SUBJECT: Officers detained at PWE on disposition of the Allies.

According to informations received by the Italian War Minister(Secretary of War), there are high ranking officers of advanced age held at the dispositions of the Allied Authorities in Italy in various SEP camps. These officers are to be found in such poor conditions of health that it would be necessary to recover them in a hospital or health resort, so that they may receive the proper medical attention. Security measures could be taken to guarantee that these officers should be available when needed.

Ill.mo Sig.Major Zamit
Sotto-Commissione alleata per le forze terrestri
Ufficio prigionieri di guerra.
ROMA

Io sottoscritta MAGGI MARIA, residente in Bologna via S.Apollonia n.2, mi permetto rivolgermi alla S.V.Ill.ma, dietro consiglio dell'Ufficio di collegamento italiano (No 218/SLP sub Area) di Riccione, chiedendo che voglia disporre, affinché il mio fidanzato LUDTK WALTER, prigioniero tedesco, sia liberato in Italia.-

Già in data 13 gennaio, a mia firma inviai esposto allo Ufficio di collegamento italiano già detto di Riccione ed insieme al mio fidanzato trasmisi allo stesso Ufficio, regolarmente compilato in ogni sua parte, il prescritto modello per ottenere la liberazione in Italia.-

Inoltre ho già inviata altra istanza alla autorità italiana e precisamente alla Direzione Generale di P.S. (Ministero Interni) tendente ad ottenere lo stesso beneficio.-

Spero perciò che dopo tante preghiere possa finalmente ottenere la grazia di avere presso di me il mio fidanzato, tanto che io possa al più presto contrarre matrimonio e regolarizzare così la mia posizione, dato che mi trovo in stato di avanzata gravidanza e fra non molto avrò un bimbo al quale desidero dare un nome onorato.-

Il Ludth merita la sua benevolenza, perché é un onesto uomo e chiede la liberazione in Italia, perché teme la deportazione in Russia, se fosse costretto a rientrare in Berlino nella zona d'occupazione russa, dato che é un provetto tecnico specializzato in radio e motori elettrici.-

Voglia pertanto la S.V.Ill.ma aderire alla mia umile preghiera disponendo in conformità a quanto sopra richiesto.-

con ossequi

Maggi Maria

Application to be released in Italy

I Captain Dr.Max Lehrke (dental surgeon), born on the 26.9.09 in Pelplin, apply for release in Italy

Reason:

My practice and my personal effects were completly destroyed in the Russian Zone in Germany. It is possible for me to commence a practice in Italy as a dental surgeon. Financial garantees are available (as it will be seen by document No 2 below) which will prevent me from becoming an obligation to the Italian Government. During five years in Italy I have become acquainted both, with the language and the customs common to my profession.

For this purpose I have already made an application at Riccione to the Italian Liaison Officer (Albergo Boemia) and attached to this application were documents as listed below:

1) Italian garantee of integrity
2) Italian finencial garantee
3) Approval of the town council of Cesenatico Prov Forli, that I may live and practice in that vicinity
4) Certificate showing that accompdation is available to me after my release

I have worked from 9.6.1945 until 13.11.1946 in the Enclave Rimini and from the 14.11.1946 until now in the GHQ Camp Chiesa Nuova as OC 682.German Mobile Dental Unit functioning as Dental Surgeon under British Authorities.

Dear

Thanks for your letter dated 28/1/47. Unfortunately Major Philips has been away from the Office for a few days and I am answering your letter.

I have contacted the Ministry of Interior by phone, and it is regretted that they have no record of PW HUEBINGER Michael.

As you are aware, Mrs. Huebinger has to apply through the Minister for Foreign Affairs to obtain his entry in Italy, or if she prefers she can apply to the Italian Red Cross to intervene on her behalf.

The IPW gang is doing well and joins me in sending you the best regards.

I shall certainly remind you to General Mannerini the first time he visits this Office

Cortina d'Ampezzo, January 18th 1947.

Subject: Immigration.

The Immigrants Selection Committee
Union Of South Africa,
Via delle botteghe oscure 46,
R o m a .

Sirs,

I have the honour to request that you be kind enough to consider my application for permission to immigrate into the Union of South Africa or a dipendent territory. I have been informed by an English friend that there might be an opening for a few European doctors.

I am an Austrian by birth. I was born on February 12th 1905 in Vienna. After secondary school I studied Medicine at the University of Vienna from 1924 to 1930. I qualified as doctor of Medicine (M.D.) in April 1930. I further qualified as "Facharzt für Chirurgie" (F.F.C.) - equivalent to the British F.R.C.S. - in 1933 at Vienna. 1935/1936 I have been registered medical practitioner in Ethiopia and 1937/1938 in Tanganyika Territory.

I have also the following experience in other branches of medicine: Medicine, Gynaecology, Midwifery, Dermatology, Venereal Diseases, Orthopaedy, Pathological Anatomy, Biochemistry, three years Tropical Medicine and I published several papers.

1935 — I was a civil servant in Ethiopia and during the Ethiopian-Italian war I served as a surgeon in the English and Ethiopian Red Cross.

1936-1938 — I have been a general medical practitioner in Kenya Colony and in Tanganyika Territory.

1939 — My last peacetime appointment was first assistent to Professor Lorenz Böhler of the "Unfallkrankenhaus", Vienna.

During the World War II, I acted as C.O. Surgical Division of ...

2409

Declassified E.O. 12065 Section 3-402/NNDG NO. T85020

My previous experience in Africa is as follows :

1935 I went to Ethiopia at the request of the Ministry of Foreign Affairs (Minister Sloten Ghethe Hercuy). As hostilities between Italians and Ethiopians commenced I decided to remain in Ethiopia and volunteered to work for the Ethiopian Red Cross as there was an acute shortage of surgeons. I personally partly equipped the 3rd Ambulance Unit of the Ethiopian Red Cross with surgical instruments. Having been put in charge of this unit I served in the front line in the armies of Ras Mulugeta, Ras Kassa, Ras Seyoum.

On the dissolution of my unit in March 1936 by enemy action I was asked to join the British Red Cross Service in Ethiopia as surgeon to the 3rd British Red Cross Ambulance in Ethiopia.

May 1936 I was taken ill by the Italians and was deported to French Somaliland in the following month as I declined to cooperate with the Italians. The British Minister in Addis-Abeba , Sir Sidney Barton, facilitated my immigration to Kenya Colony 1936.

In Kenya Colony I stayed six months in Nairobi studying Tropical Medicine in the Medical Research Laboratory Nairobi and Kikuyu Native Hospital Tumu-Tumu.

1937-1938 I practiced privately in Kumasa Lake Province Tanganyika Territory running a small private clinic.

End of 1938 with the consent of the local British authorities I exchanged my practice in Mumsa with a Viennese friend who was forced to leave Vienna after the German occupation on political grounds as I wanted badly to take a surgical degree in Vienna.

1939 I got an assistantship at Professor Lorenz Böhler's clinic where I had been previously a house-surgeon from 1930 to 1931.

July 1939 I took my surgical degree and contemplated to go back to Africa again within a reasonable time because in the moment the work in Professor Böhler's clinic in a responsible position was of great value for me as a young surgeon. When the second World War broke out.

After my return to Vienna I took no part in political activities of the N.S.D.A.P. I can prove that whatever influence I had I used to protect people who were

2941

and ... ired for political or rel... reasons. If required I can give more specified details.

1940 I was conscripted as a Medical Officer. Ahead my war accident Major General G.A.Heydeman and the consulting surgeons of the 6th American Army can give me information required.

I have been decorated with the Order of Honour (second class by the Austrian Red Cross 1935).

I speak and write English, German, Italian and I can make myself understood in French and Kinyamwezi.

I have a great Experience in treating and handling Natives, Indians and native labour camps in which work I especially was engaged in Ethiopia and Tanganyika Territory.

I enjoy full health and I stand a tropical climate well even under a serious strain like during the Ethiopian-Italian war.

I am married and have three children. My wife and the children are also enjoying full health. My wife, Catherine Schuppler, born in Vienna 1914, is a trained secretary speaking English, Italian and German. I intend to take only my wife and my youngest boy for the moment to South Africa, as my elder boy and girl are studying in Austria.

The reasons why I do not want to return to Austria are as follows: My home is in the Austrian Russian Zone and bombed out and I like the African life.

Ethiopia would like to take me back as a civil servant (reference His Britannic Majesty's Legation's Note No. 25 of January 23rd, 1946, to the Ministry of Foreign Affairs, Ethiopia and the answer) . Unfortunately there is no vacancy in the moment. The Ethiopian Medical Service is very small and it will take maybe a long time before a vacancy occurs as I know by experience.

I am well aware of the fact that for practising medicine in the Union of South Africa a medical degree registerable in the U.K. is necessary, but there maybe an exception in mandated territories of the Union of South Africa. Should an English or other European degree which I do not hold be necessary I can rely on English or American friends, who have partly been in my care during the war to enable me to take such a degree. In this case I would prefere to take the requested medical degree in South Africa.

Because of my services rendered in Ethiopia I was conspicuous ... and I had a difficult time since 1938.

2411

Declassified E.O. 12065 Section 3-402/NNDC NO. 785040

when it was discovered that I had left money to my friend to carry on in K[illegible]ne and for other reasons which to explain at the moment would entail great detail. I may only mention that for instance I was not allowed during the war to go back to Vienna for a short time to take a Lectureship on Surgery in spite of frequent requests of Professor Bühler. In consequence of the war I lost all my property in Austria and Tanganyika Territory.

I should be most thankful if it would be possible for me to immigrate to South Africa and I assure that I will do allthinkhin my power to prove myself a valuable citizen.

Trusting this will receive your favourable approval,

I remain,

Sirs,

Your obedient servant

V.J. Schuppler MD.
