OGGETTO Militare NATALIS BIFFI in Giovanni.

E' stato segnalato a questo Ministero che il Militare BIFFI Natale fu Giovanni che all'8 settembre 1943, era in servizio ad Atene col 2319 Reg. Ezerio Fanteria Divisione "Eretero" in catturato dai tedeschi e condotto in Jugoslavia, da dove nel gennaio 1945 riuscì ad evadere ed a rifugiarsi in Atene.

Nel luglio 1945, per ragioni di odio, perché militare italiano, venne arrestato da due civili greci e denunciato alle Autorità Elleniche che lo condannarono a 10 anni di reclusione.

Es quanto è stato riferito sembra che il tribunale che condannò il BIFFI, costituito per giudicare i civili greci accusati di collaborazionismo col nemico, non aveva alcuna facoltà di giudicare militari appartenenti a stati esteri.

Si prega coteste sottocommissione di volere, qualora possibile, interessare le competenti Autorità Greche allo scopo di riesaminare benevolmente il procedimento penale, svolto a carico del BIFFI Natale.

Approximately 70 names were submitted, some as far back as '45, for early repatriation. Up-to-date 24 have been repatriated. This is involving a lot of correspondence between the Italian Government - this Division and GHQ CEF for onward transmission.

2. Repatriation of Fascists on Compassionate Grounds :

Applications keep arriving at this office for consideration of the above cases. Due to the fact that such applications have to be checked by the Ministry of Post War Assistance and by the Detaining Authorities, 6 months, and sometimes more, are required to obtain repatriation.

BRITISH COMPLAINANTS

1. Technicians in Australia, South Africa and East Africa:
Approximately 70 names were submitted, some as far back as '45, for early repatriation. Up-to-date 2% have been repatriated. This is involving a lot of correspondence between the Italian Government - this Division and GHQ USA for onward transmission.
2. Repatriation of Fascists on Compassionate Grounds:
Applications keep arriving at this office for consideration of the above cases. Due to the fact that such applications have to be checked by the Ministry of Post War Assistance and by the detaining authorities, 6 months, and sometimes more, are required to obtain repatriation.
3. Compassionate and Welfare Case of IPW Cooperators and others:
Approximately 300 Compassionate Cases are pending (a great number of them since 1945) - i.e. investigation re families of PWs to ascertain whether they come under any of the three **1963** required categories warranting repatriation of Compassionate Grounds not yet completed. Said investigations - which involve a great number of correspondence - required often a great deal of time as sometimes PWs families live in villages far for any police station, telegraph office or whatever authority that is ~~advised~~ ^{concerned} the investigation.
Welfare is: an average of 12 - 15 letters per day require action re enquiry in respect of PWs (whereabouts, news, requests of death certificates etc.) or re PWs families.
b) Forwarding of mail to PWs and messages from PWs to families.
4. 3/Tyrolese:
Although the majority of these P.W. have been released, a number is still interned in camps either as C I suspects or war crime witnesses. This involves a lot of correspondence between this division and the Prefect of Bolzano, who is continuously requesting release of these P.W.
5. ITALIAN WAR CRIMINALS:
A number of IPW are still interned in 203 and 216 Camps awaiting trial or to give evidence. This of course gives rise to continuous correspondence between the Italian Government and this Division

U. S. COMMITMENTIPW NATIONALS (339 CAMP PISA)

1. About 100 names of German P.W., who claim Italian Nationality, have been submitted to the Ministry of Interior for verification. This would take from 6 to 8 months to complete, as every single case has to be examined by the Prefect and the Police Authorities of the address given by the applicant.

2. RELEASE OF GERMAN PW IN ITALY ;

Over 200 cases are being investigated by the Italian Government. This involves screening reports of every individual, verification of facts besides enquiries have to be filed with every addressee of applicant shown on his request

LEGATION IMPERIALE

de L'Iran

No. 123

N o t e V e r b a l e

La Légation Impériale de l'Iran, en présentant ses compliments à l'Ambassade des Etats-Unis d'Amérique, La remercie beaucoup pour les renseignements qu'Elle a bien voulu lui fournir par Sa note en date du 30 Septembre, concernant les trois personnes se trouvant à "U.S.PWE No. 339/5" à Pisa, qui prétendent être sujets iraniens.

La Légation Impériale n'a reçu aucune notification ou télégramme des autorités militaires américaines le 15 Juillet dernier car à cette époque ses bureaux n'étaient pas encore ouverts à Rome.

La Légation Impériale regrette de n'avoir pas d'officier à sa disposition pour pouvoir l'envoyer à Pisa afin d'interroger les susdites personnes; cependant elle se permet de remettre ci-joint un questionnaire en trois exemplaires en priant l'Ambassade des Etats-Unis d'Amérique de bien vouloir le faire parvenir aux autorités militaires afin qu'il soit rempli par les intéressés et renvoyé ensuit à la Légation.

La Légation Impériale remercie d'avance l'Ambassade des Etats-Unis d'Amérique pour Ses bons offices dans cette question.

Rome, le 2 octobre 1946.

Portici, 29 August 1946

TO: The Allied Force Headquarters - Caserta -

I, the undersigned Cira D'Anna, daughter of Cira, and wife of Corporal Giuseppe Rugiero, son of the late Salvatore, born in 1916, take the liberty to apply to your Command in order to urge the release of my husband who is being held as P.O.W. in a concentration camp located in Yugoslavia. On account of my bad health conditions I urgently need my husband's presence.

Though I have forwarded many applications to the Italian Government, consideration has been paid to my case. My husband upon his call-up to the military service, was attached to the Army Corps stationed in Montenegro. Subsequently he was transferred to Yugoslavia where he is presently held at the concentration camp of Ponorac near Zaječar Serbia (Yugoslavia).

I want to point out to your Command that in September 1943 my father-in-law was killed by the Germans during a roundup operation in Naples. Thanks to your humanitarian assistance all the prisoners are returning to their homeland and to their families. But what about the prisoners who are held by Tito? Is there any hope for them? Thousands of Italians are in the same conditions of my husband and like him they are enduring most severe hardships.

I beg your Command to issue appropriate instructions and to act on their behalf. In the hope that you will accede to my request, I thank you wholeheartedly.

I am sending you a copy of a Note addressed to me by the Secretariat of State requesting my good offices with the Military authorities on behalf of Latvian nationals still held as prisoners of war in Italy. They appeal to be transferred to refugee camps and given refugee status. It is stated that the total number of Latvians in this category is not in excess of 120 persons.

Would you be kind enough to investigate the matter and let me know results, so that I can reply to the Vatican's Note.

Yours sincerely,

DELEGATION OF THE FEDERAL PEOPLE'S
REPUBLIC OF JUGOSLAVIA
TO THE ADVISORY COUNCIL FOR ITALY
Br. 1133/46

5 Aug. 1946

SUBJECT : KANTE Slavko (Luigi), detained by Italians
TO : H.Q.A.C.
Liaison Division.

AUG 6 1946

1. Reference is made (a) to the letter IPW/1/11 MISC/41 of 29 July 1946 addressed to this Delegation from the Land Forces Sub Commission A.C., M.M.I.A., Italian Prisoners of War Division, in reply to (b) our letter Br. 905/46 of 24 June 1946, addressed to you.

2. As it results from the reference (b), KANTE Slavko (Luigi) was never detained neither in a British nor American PW nor D.P. Camp at Oristano. He is detained by the Italian Authorities, as stated in reference (b), and the address is: C.L. 7 R.M.C., Oristano.

3. KANTE Slavko (Luigi) was forcibly taken by the Italian Fascist authorities from his home at SMARJE-AJDUSCINA (actually Zone B in January 1943. At that time his age was 17 (born on 9 July 1925), and he consequently cannot be considered by the Italian authorities as ex-soldier. KANTE Slavko (Luigi) is a victim of the Fascist terror in the Venezia Giulia region during the war. As such he should not be detained any longer by the Italian authorities in Sardinia, but he should be released and repatriated to his home town which is actually administrated by the Yugoslav authorities.

4. It is courteously requested that taking steps for his release from the Italian authorities be solicited and that this Delegation may be informed about the result.

Bad Ischl, 8th of April 1944

to the

Commander of the Allied Forces,

Rome, Italy

In the most sorry position and in the greatest desparato of my life, I turn myself to You, for finding advice and helping. It is for my husband and the father of my child, the main-corporal (Gskar Primosio), born the 10th of September 1918 in 'Maria Klend' near Klagenfurt in Carinthia. He's also there at home and of this reason an Austrian. His number of the Feld-post has been 14711. He was for six years soldier like the others too, and his only willing has been always to come back to his family. I got his last letter one year ago, about the 31st of March 1945 in which he communicated to me that he would come back very soon, as the war is lost at all and will be finished quickly.

Since this time I did not hear from him anymore, till some days ago, I received another letter, in which he writes to me, that he was captured as a prisoner of war by the Italian partisans one year ago and that he is now in the prison of "Padova", without any guilt. He writes to me that he does'nt know why he's arrested and swears that he has never committed anything guilty which could justify his punishment and begs me, to do all possible at the autorythies of the Allied Forces in Italy, to let know them about this wrong what's happened to him.

I assure you, that my husband was never member or expectant of one of the forbidden political parties and I am convinced of it, that my husband has not made any crime. I beg You, too, on my knees to help to him and to me that he can come at home again as I believe to Your fairness.

Thank You very much in ahead,

Distinctly

SUBJECT: Release of MOHR Rudolf Michael (AA-04737), Danish PW
TO : Ministry of the Interior, Direction General of Public Safety

1. GHQ CMF informs this Division that subject PW is no longer of CI (Criminal Investigation) interest to the Allied authorities, and that therefore instructions have been issued for his release.

2. The release of this Danish subject was requested by the Danish Legation in ROME. MOHR's wife is Swedish-born, his father was a Danish subject, and his mother Austrian-born.

3. The Danish Legation, in its request, stated:

"...as a professional teacher of German language and literature, first at the German Academy, ROME, and (since 1943) at the Associazione Italo-Germanica at VERONA, his activities in this Province have always been strictly limited to philological and cultural matters, and he has, according to Mrs. MOHR's statement, never belonged to any National-Socialist organization here or elsewhere (a fact by which he had incurred the particular displeasure of the Nazis). He was nevertheless imprisoned on June 6, 1945 on charges of collaboration with the Gestapo, and it appears he has since his incarceration never been given an opportunity to exonerate himself.

"As moreover this Danish subject is suffering severely from a chronic inflammation of the ear (for which complaint he recently underwent an operation), and as the general state of his health is deteriorating in prison, the Danish Legation recommends his case for benevolent attention."

4. This Division has no record of any correspondence with you concerning this subject.

After so he was arrested again from Germans, but he could again escaped. In 1942 he was again made prisoner and sent to Belgrad at the camp of Dozinge where he could escape and actively fought against the hated enemy, with the name of "Major Milović" or "Black Major" as he was at the English War Mission at the H.Q. of Gen Mihajlovic.

but he could again escape. In 1941 he was again made prisoner and sent to Belgrad at the camp of Dečine where he could escape and naturally fought against the hated enemy, with the name of "Major Mihov" or "Black Major" as he was at the English War Mission at the H.Q. of Gen. Mladjovic Drvica

During this time he was also Officer of informations near the Allied at Belgrad, and also charged to buy arms and munitions for the Royal Army.

Besides he organized the "black patrol" (composed of three soldiers) in Serbia and in Croatia, that executed reprisals against the Collaboracionists. He was adept as officer of connexion Belgrad-Lagaria between the Royal Army and the partisans of Macek.

He took care of the American aviation transports, lost by incident fallen in Yugoslavi land occupied by the Germans. An aviator, native of Chicago named Bill of the overcast of Foggy, ^{wounded} bleessed! In both ways was saved by him and kept secretly in Italy.

near my brother at Ripanj near Belgrad.

He organized at Belgrad the murder of the Quisling
Col. Mislavac who was Chief cabinet of Nedelic, and
also the murder of the Police chief of Nedelic, Cetu
Dondenic.

These suggestions were received by the American
Col. Mac Dowen adopted by the Anglo-American Mission near
Brodza Mladjovic.

For all these war actions he was twice promoted from
King Peter II. in the London Renna.

At the end of 1944 he was again arrested and
sent in Germany, where during ~~and~~ bombardment
he could escape from the camp and pass the
further dress in German livery.

At Renna where he was in livery, he was re-
cused to be seen in livery in German livery arrested

Dr. J. M. M. M. M.

For all these war actions he was twice praised from King Peter II. in the London Radio.

At the end of April he was again arrested and sent in Germany, where during the bombardment he could escape from the camp and pass the frontier dress in German livery.

At Rome where he was in liberty, he was accused to be seen in Milan in German livery, arrested by the Allied and sent in a camp as collaborator.

He has never been allowed to demonstrate all this facts although he presented two reports with documents and photos, and since he went in the camp and in the Hospital he was never been interrogate.

I repeat my statement, as my brother was prisoner of the Germans where he escape he is at present a prisoner of the Allied, after he risks one and his family life, he waits until now his liberation.

I return and hope to be right asking that my brother would have justice as he has always been a fellow laborer with the Allied. Justice could be made, and permit him to cancel the scorn that has stained his honour (~~name~~) for all these injustices he has now in the "B" Hospital for German P.O.W.s And GLRR Enemy Personnel C.M.F. Greifoglio diseased where he is waiting and hoping justice, and that Allied repair the mistake and the dishonor they did against him.
