No. 411181/RPGR

TO: Allied Commission
S/C for I.P.O.W.SUBJECT: Movement of War Veterans.

1. The movement of all War Veterans is affected by military convoys, composed, of only goods wagons, not fit for this purpose.

These journeys, which often last some days, are particularly painful for wounded and disabled soldiers, who often reach their residence in pitious conditions.

This inconvenience could be eliminated by the addition of a 3rd class wagon to be only employed for the transport of said war veterans.

We beg your Sub-Commission to back this request having in mind its humanitarian side.

HEADQUARTERS ALLIED COMMISSION
Navy Sub-Commission APO 3MNSC/2550
7 June 1945.

From: Navy Sub-Commission, Hq. Allied Commission.
To: Transportation Sub-Commission, Hq. Allied Commission.
Subject: Movement of Italian Refugees on Italian Naval vessels.
Reference: (a) Allied Commission priority dispatch 8027 of 19 May.
(b) ATAC (Revised) GENE FISHM Dispatch 242103-My.
(c) Navy Sub-Com. ltr NSC/2492 of 25 May.

1. Reference (a) from the Transportation Sub-Commission, Hq. AF presented to Allied Force Headquarters, the requirements for sea transport for the movement of Italian refugees and displaced persons.

2. Reference (b) in reply to reference (a) notified Headquarters, Allied Commission that the Italian cruiser GARIBOLDI would be made available to make two trips from FIORENZUOLA to VESUVIO and that after the completion of other duties she would be made available again for the ferry of refugees from FIORENZUOLA.

3. In addition, as a result of communications originated by the Navy Sub-Commission, Commander-in-Chief, Mediterranean has approved the use of small Italian Naval vessels from the TARANTO/LEONARDI Ferry for the movement of refugees from FIORENZUOLA to VESUVIO.

4. As supplementary to the arrangements mentioned above, the Navy Sub-Commission, acting on verbal information from the Transportation Sub-Commission, completed arrangements for sailings of Italian Naval vessels on two different occasions which subsequently had to be cancelled as a result of later advice received from the Transportation Sub-Commission.

5. In view of the action taken in reference (b) by Allied Force Headquarters, the Navy Sub-Commission cannot accept further requests for the supply of Italian Naval vessels for purposes of transporting refugees. It is submitted that all further requirements for the sea transport of refugees should be forwarded by the Transportation Sub-Commission to Allied Force Headquarters as an implementation of references (a) and (b). It is felt that the total requirements for the movement of refugees and displaced persons should be presented to Allied Force Headquarters when available, in order that an over-all program for their transportation can be drawn up and activated.
