Dear Captain Riggio:

*Reply to

November 28, 1945*

The Secretariat of State of His Holiness takes the liberty to request that you transmit to the competent Allied Authorities the petition of Graziella De Florentiis, Catignano (Pescara) for the liberation of her daughters, Giulia and Maria de Florentiis, who are now at the concentration camp of Collescipoli (Terni).

Signora de Florentiis states that her daughters are innocent and that their health may be gravely imperilled if they remain in the camp. Giulia, who is 21 years of age, recovered from a serious ailment a short time ago, while Maria, 17 years of age suffered two attacks of pleurisy in the camp and is still convalescent.

Thanking you for the attention you may deem to give this request, I am

We send you a copy of the letter received by the Ministry of War about the person in question, in order that your Commission may take a decision. The letter states as follows:

"Mrs. RAINOTTI Lucrezia, formerly informer of the 48th Garibaldi brigade and then arrested by nazifascists, is still interned in Naples, in the concentration camp 81 g. 608706 C.P.S.P.W.E. 33td (C-334).

The above mentioned lady, who has been destined, in her capacity as a prisoner, to cleaning works by the troops who had arrested her, is only guilty of not having escaped, since she was afraid of retaliation against her family and especially against her brother, who was a partisan of the IV Brigade.
