MEMORANDUM

SUBJECT: Rations, Italian Military
TO : ISMA, Attention Major Rose

1. Reference is made to your memo Subject: "Ration, Italian Military"; File AQ/2/16-25 dated 9 October 1944.
2. The whole question of issuing United States Army type "B" rations to the Italian Armed Forces has been investigated by the Inspector General of the XII Air Force. Apparently the Allied Garrison Commander of Sardinia has given the authority to issue American rations to various elements of the Italian Military on Sardinia. These people were used as mess attendants, waiters, cooks, K.P.'s etc.
3. Inasmuch as the rations have been consumed and that shipping tickets have been secured, it is not believed that anything will be gained by any further discussion of the question. The rations have been consumed and cannot be replaced. Therefore, it is requested that the attached shipping tickets be accepted as a legitimate charge against the Italian Government using Circular 14 as your authority.
4. All of the other shipping tickets are being returned to you under separate cover by official letter from the A.G. As you will note instructions have been issued to all concerned that no further issues of United States Army rations to Italian Forces will be permitted.
5. In reply to your memo Subject: "Shipping Tickets Covering Food Issued to Italian Government", File AQ/2/16-30 dated 11 October 1944, the shipping tickets are being returned to you under separate cover.
6. If there is any further question on these shipping tickets, it is requested that you contact the undersigned by telephone.

We do not have a copy of the letter dated 9th May 1944 from Allied Garrison Sardinia.
