SUBJECT: Motorcycle-Jeep Accident Investigation Report

TO : The Commanding Officer, 2695 Technical Supervision Regiment
ATTN: S-1

1. Recommendations concerning this accident have been made on the Investigating Officer's Regular Form.

2. It is not possible to obtain a signed statement from 262 Ordnance, which repaired the motorcycle in question, because this company has been shipped out of this Theater.

a. 991 Ordnance merely stated that there certainly was no cost on the repair of the damage to the motorcycle, since no parts were replaced, and only labor costs would be involved in such a case. (There are no labor costs in an Army Ordnance Shop).

3. The motorcycle in question is a Harley-Davidson, and therefore property of the U. S. Government on loan to Italian Unit.

4. It is not possible, without much further delay, to obtain a statement from Sgt. ~~Major~~ Contarini Romildo, one of the witnesses in the accident. Sgt. Contarini has been released from the Italian Army and has gone to his home near PADOVA.

Accident Report--Italian

On 13 June 1945, at approximately 1400 hours, Pvt Assuero Gianfaldoni, motorcycle driver for 3rd Italian Mule Pack Battalion, while following out orders in carrying mail to 20th Mule Group Headquarters, with Harley-Davidson motorcycle, 20th Group # 3, on Via Valderame, collided with Jeep # 20105573 driven by Capt. Agosto Sansoni of the 9th Mule Pack Company. The jeep was carrying Sgt. Major Conterfani and Pvt Mannarini Michele to 3rd Italian Mule Pack Headquarters.

The accident occurred when the driver of the motorcycle failed to keep on the right side of the road and taking the blind curve on Via Valderame on the left side, thus colliding with the jeep, which was coming in the opposite direction and on the right side of the road. The motorcycle crashed into the right front bumper and wheel of the jeep, bounced off, hit the right rear wheel and went off into the ditch on the left side of the road.

Pvt. Gianfaldoni, driver of the motorcycle, sustained injury to the right hand. First aid was administered at Poggio Rusco Hospital, then he was taken to the Military Hospital in Modena for hospitalization.

Both vehicles were damaged in the accident, the extent of damage to be determined by Ordnance.

This report was filed immediately after accident.

On June 14, 1945, Major Turrini, Commander of 3rd Italian Mule Pack Battalion and Lt. John Bennett of the 1st Italian Mule Pack Company, examined the vehicles and found the following damages:

Jeep # 20105573--

Bumper bent (front)
Right front wheel out of line
Right front tire damaged and cut badly
Right front steering rod bent

Motorcycle--Harley-Davidson, 20th It. Pk. Mule Grp. No. 3--

Handle bars bent
Front fork bent.

Both vehicles were taken to 991 Ordnance, Verona to be repaired.

XX RAGGRUPPAMENTO SALTERIE DA COMBATTIMENTO
MANDO III BATTAGLIONE

N° 1354 prot.

P.M. 179² li, 15/6/1945

Oggetto.= Incidente stradale.

AL COMANDO XX RAGGRUPPAMENTO SALTERIE DA COMBATTIMENTO P.M. 179

Il giorno 1° corr. alle ore 14 circa il sold. Gianfaldoni Assue-
ro, effettivo a questo Comando con mansioni di motociclista, mentre condu-
ceva la motocicletta Harley Davidson, targa 20th ITI PK Mules N°3 in dotazio-
ne a questo Comando, per recapitare della posta di ufficio al Comando del
20th Raggruppamento salmerie da combatt., si scontrava in località Valdera-
me con il Truck I/4/ ton. N° 20105573 in dotazione al 9° Reparto salmerie da
combattimento guidato dal Cap. Augusto Sanson, che portava a bordo l'autista
Mannarini Michele ed il serg. magg. Contarini Romildo, entrambi del 9° Rep.

L'incidente è avvenuto come descritto nel Rapporto incidente "Incidente stradale" che allego alla presente, ed è stato causato dal fatto che il moto-
ciclista ha abbordato la curva tenendosi a sinistra anzichè alla propria mano.
Il conducente della Jeep avvistata la motocicletta che procedeva contro mano
ha sterzato verso sinistra e frenato per evitare l'investimento; a sua volta
il motociclista ha frenato tentando di portarsi ancora più sulla propria sini-
stra, ma data la breve distanza non ha potuto evitare di urtare con la estre-
mità destra del manubrio contro il parafrangimento destro della Jeep, e con la ruo-
ta anteriore contro la ruota anteriore della Jeep, che per effetto della manovra
anzidetta era venuta a mettersi diagonalmente all'asse della strada ed al
centro della stessa. Il motociclista naturalmente perdeva il controllo della
macchina che dopo aver urtato ulteriormente contro la parte posteriore destra
della Jeep, andava a finire assieme al conducente nel fosso laterale. Quan-
to sopra ho potuto rilevare del sopralluogo fatto alcuni minuti dopo l'inciden-
te . =

L'autista ed i due passeggeri della Jeep rimanevano incolumi. Il
conducente della motocicletta rimaneva ferito alla mano destra e riportava an-
che alcune contusioni di minima entità; Il Cap. Sanson lo trasportava subito
all'Ospedale Militare di Poggio Rusco dove riceveva subito le prime cure, dal
quale veniva trasportato all'O.M. di Modena con un mezzo di questo Comando. En-
trambi i mezzi rimanevano danneggiati come risulta dall'accluso verbale . =

Allego quanto segue:

- 1) rapporto incidente stradale 2) verbale dai due mezzi 3) Ma-
certificato dell'O.M. di Modena sulle lesioni riportate dall'art. Gianfaldoni
assuero 4) dichiarazione del motociclista Gianfaldoni Assuero 5) rapporto del

TRANSLATED COPY--ACCIDENT REPORT

9th ITALIAN PACK MULE COMPANY

15 June 1945

Accident Report--Italian

The 13th of the month at 1400, while I was going for service with my jeep # 20105573 to the 3rd Italian Mule Pack Battalion Headquarters, in a curve of the road, which road goes to Valderame, the motorcycle driver of the 3rd Mule Pack Battalion, Gianfaldoni Assuero of Gugliemo, class of 1920, who was driving the motorcycle Harley-Davidson, 20th Pack Mule Group No. 3, hit my jeep in the right side.

The jeep was carrying myself, the Sgt. Major, 9th Mule Pack Company, and driver, who a little before had been relieved by me because he had been taken suddenly by a bad stomach disorder.

I was driving my jeep on the right side of the road with the speed of about 20 miles per hour. I was just beginning the curve when I saw a motorcycle coming from the other way on my right with a speed of more than the jeep which I was driving. I went as soon as possible to the left of the road to see if it was possible to miss the motorcycle; but the motorcycle driver, who in that moment probably had lost control of himself, hit violently against the right side of my jeep, and therefore the motorcycle had damage which has been listed in the paper I have attached. Also, the motorcycle driver had a deep cut in his right hand, and I cannot say how bad this cut is, because he was quickly carried to the Military Hospital at Modena. On the ground where the tracks of the two vehicles, and by the tracks were evident the position of the two vehicles a little prior to and at the time the accident occurred.

The above evidence was seen by the Major commanding the 3rd Battalion Headquarters, who came to the place of the accident a little after it occurred, with me, who had talked to the Major about the accident.

RAPPORTO SULL' INCIDENTE STRADALE AVVENUTO IL 13 GIUGNO 1945 ALLE ORE
14 IN LOCALITÀ VALDERAME =

Il giorno 13 c.m. alle ore 14 mentre mi recavo, per motivi di servizio con la Jeep N° 20105573 al comando 3° Btg. salmerie, da una curva della strada che porta in località Valderame, mi veniva incontro, alla mia destra cozzando contro la macchina, il motociclista del 3° Btg. salmerie Gianfaldoni Assuero di Gugliemo cl. 1920, che guidava il motociclo Harley-Davidson 20th Pack Mules N° 3. =

La Jeep portava a bordo il sottoscritto, il Serg. Contarini Romolo di Cesare cl. 1915 e l'autista Mannarini Michele di Francesco cl. 1924 che poco prima era stato da me sostituito nella guida della Jeep perchè colto improvvisamente da forti dolori gastrici. =

Con la Jeep procedevo sulla destra della strada, ad una velocità di circa 20 miglia all'ora, avevo appena iniziato la curva quando vidi sopraggiungere in senso contrario, sulla mia destra, ad una velocità superiore a quella della macchina da me guidata, una motocicletta. =

Mi portai subito sulla sinistra della strada per evitare l'urto, ma il motociclista che in quel momento probabilmente aveva perso la padronanza di se stesso, urtò violentemente contro la parete destra della Jeep, producendo alla macchina i danni che sono stati elencati nell'allegato verbale e procurandosi una profonda lacerazione sulla mano destra sulla entità della quale non mi è possibile pronunciarmi ~~in quanto~~ in quanto il Gianfaldoni è stato subito trasportato all'Ospedale militare di Modena. = Sul terreno erano evidenti le tracce dei due mezzi dalle quali risultava chiaramente la posizione della Jeep e del motociclo immediatamente prima ed al momento dello scontro. =

Ciò è stato rilevato dal Sig. Magg. Comandante il 3° Btg. salmerie che si è recato sul posto poco dopo l'incidente insieme al sottoscritto che l'aveva informato dell'incidente stesso. =

SUBJECT: Motorcycle-Jeep Accident Investigation Report

TO : The Commanding Officer, 2695 Technical Supervision Regiment
ATTN: S-1

1. Recommendations concerning this accident have been made on the Investigating Officer's Regular Form.

2. It is not possible to obtain a signed statement from 262 Ordnance, which repaired the motorcycle in question, because this company has been shipped out of this Theater.

a. 991 Ordnance merely stated that there certainly was no cost on the repair of the damage to the motorcycle, since no parts were replaced, and only labor costs would be involved in such a case. (There are no labor costs in an Army Ordnance Shop).

3. The motorcycle in question is a Harley-Davidson, and therefore property of the U. S. Government on loan to Italian Unit.

4. It is not possible, without much further delay, to obtain a statement from Sgt. Major Contarini Romildo, one of the witnesses in the accident. Sgt. Contarini has been released from the Italian Army and has gone to his home near PADOVA.
