Change of designation

1. It is proposed that the title of the above British unit organized on VE CM/1012/4 and located at Cesena in R.A.C. be changed, V.E.F. 15 Nov 45. The proposed title is No. 12 British Liaison Unit for the Italian Central Military Schools Cesena. (12 BLU CESANA).

2. The reason for the proposal is that with the reorganization of the Italian Army consequent upon the handing over to Italian control of the Italian Army, the Italian Combat Force as such has ceased to exist. The function of the Cesena training establishments has now widened and embraces instructors and specialists of all arms for the whole Italian Army. Therefore the Italian War Ministry is changing the name of the Italian organization, formerly based on the Pistoia Division, to "The Central Military Schools".

3. In view of the org of 11 other BLU's for the Italian Army, your letter WSP/463 of 15 Nov 45 refers, we recommend this BLU be numbered 12.

Subject: Ex-cooperators

LAND FORCES SUB COM, A.C. (MELB)

SD/434

31 Oct 45

To : Ministry of War

1. Attached at Appendix 'A' is a list of all Ex-cooperator units for which formal formation orders have been received.

2. In addition to this list the following units are required to be retained pending the issue of formal formation or disbandment orders by G H Q, CMF :-

Italian Cooperator Wing to 103 General Hospital
5 Blood Transfusion Unit
7 Convalescent Depot
Incr to 69 General Hospital

3. All cooperator other than those detailed in para 1 and 2 above will be withdrawn from units employing them and will be posted as fits.

4. In reply to particular questions (convention M.A.J. FINTOZZI - M.A.J. CHENIS refers)

(a) The following units are not authorized to hold ex-cooperators who should be withdrawn:-

5 Vehicle Park RAOC.
16 Vehicle Park RAOC.
141 DLD (personnel to be posted to bring 199 DLD up to strength)
30 Graves Cooperator Unit

(b) The increment to 15 Base Post Office is identical with the increment to 5 Base Post Office. The reason for the confusion appears to be that the unit is under the action of both 15 B.P.O. and 5 B.P.O. for different purposes.

(c) The following locations are notified :-

Incr to 2 District - MILAN (A new increment has been formed on CM/223/2 - this is not now an ex-cooperator unit)

LAC to R A C T D - PIERI
HQ 55 Area - TRENTE
HQ 218 Area - RICOZZI

2669

2. In addition to this list the following units are required to be retained pending the issue of formal formation or disbandment orders by G H Q, CEF :-

Italian Cooperator Wing to 103 General Hospital
5 Blood Transfusion Unit
7 Convalescent Depot
Incr to 69 General Hospital

3. All cooperators other than those detailed in para 1 and 2 above will be withdrawn from units employing them and will be posted as rfts.

4. In reply to particular questions (conversation Maj. FIMMONEY - Maj. CHAMBERLAIN refers)

(a) The following units are not authorised to hold ex-cooperators who should be withdrawn:-

5 Vehicle Park RAOC.
16 Vehicle Park RAOC. 'B' Dog Provost Coy.
144 DID (personnel to be posted to bring 199 DID up to strength)
30 Graves Detachment Unit.

(b) The increment to 15 Base Post Office is identical with the increment to 5 Base Post Office. The reason for the confusion appears to be that the unit is under the action of both 15 B.P.O. and 5 B.P.O. for different purposes.

(c) The following locations are notified :-

Incr to 2 District - MILAN (A new increment has been formed on 24/02/2 - this is not now an ex-cooperator unit)

LAD to R A C T D - RIVER
HQ 55 Area - TRIESTE
HQ 218 Area - RICCIONE

It must be understood that Areas and Sub Areas have the option of holding ex-cooperators or civilians against the same war establishment. Where ex-cooperators are reported with HQ of Areas or Sub Areas the reason is that civilians are being employed in lieu. No action in these cases is necessary by your Ministry.
