1. Effective date of transfer of prisoners and camp to Italian War Ministry control - 28 August 1945

2. Camp Equipment and Property

a. All necessary equipment and property now in use at the camp will be left in place, including US and Allied property and captured property (German and Italian).

b. A detachment of US officers and men, to be attached to MMIA, will take over all such property from the POW Command, and will loan the property to the Italian Command.

c. The property includes:

Semi-permanent buildings
Huts
US motor vehicles
Electrical generators
Water pumps and tanks
Tentage, mess equipment, clothing, etc.

It is planned that such property and equipment as can be furnished from Italian Army stocks be substituted for the US Army property, as soon as convenient, in order to reduce the amount of US Army property gradually. For instance, Italian Army telephones can replace US Army telephones. This will be a matter to be arranged mutually on the spot between the US Detachment and the Italian Camp Commander.

1. Herewith Location Statement of all units employing cooperator personnel, given in Appendices as follows :-

(a) Appendix "A"
Units whose cooperator personnel it is anticipated will be formed into self administering Italian Army units.
As this HQ is responsible for providing the necessary Italian Army HQs this Appendix has been divided into two parts as below :-

Part 1. Units already self-administering or to be made self-administering by the addition of adn personnel, for which WCO action will be taken as below.

(1) Where diluted units (i.e. those units which include British and Italian elements) are predominantly Italian, the British personnel will remain on the existing war establishment. The title of the establishment will be amended to read "Br Cadre" to the appropriate Italian unit and the Italian personnel will be deleted. A new Italian HQ for the unit will be written, without alterations to the basic organisation of the unit. Transport will remain on the "Br Cadre" establishment.

(11) Where diluted units (i.e. those units which include British and Italian elements) are predominantly British, the Italian personnel will be deleted and reorganised onto a new establishment as an "Italian increment" to the British unit.

(111) The necessary Italian Army estn will be written by this HQ in consultation with the War Ministry for submission to MFLA WCO and final approval of AFHQ. AFHQ will be responsible for all amendments to acts on which British Cadres will be carried.

Part 2. Diluted units whose Italian elements will be converted onto standard British establishments or onto war establishments now in use by Italian Army units. NO WCO action will be necessary by MFLA but AFHQ will take necessary action to amend the establishments on which British Cadres will be held

(1) Where diluted units (i.e. those units which include British and Italian elements) are predominantly Italian, the British personnel will remain on the existing war establishment. The title of the establishment will be amended to read "Pr Cadre" to the appropriate Italian unit and the Italian personnel will be deleted. A new Italian WE for the unit will be written, without alterations to the basic organization of the unit. Transport will remain on the "Pr Cadre" establishment.

2. This letter will not be taken as authority for the conversion to the new Ws of any of the units shown in App A or the transfer of any cooperators from one unit to another, but is intended as a guiding order to enable you to take the necessary preparations.

The Location Statement is divided into Appendices as above purely to show what WEC action will be necessary in accordance with SM/131 of 22 June 45. The strengths of units shown in Appendix "A" are provisional and subject to the decision of MIA WEC and final concurrence of AFHQ.

3. A final Order of Battle will be issued by AFHQ giving a comprehensive statement of all Italian Army units to be formed from cooperator personnel. Other cooperator personnel will then be considered as available for reinforcements in the Italian Army.

4. In the meantime the following measures, as already outlined to Lt Col GUIDA by Col FISHER, will be put into effect forthwith to ensure that the documentation of all cooperator personnel and the admin arrangements necessitated by the change of status are completed as soon as possible.

(a) A Commission will be despatched forthwith to report to the Commanding Officer GHQ 2nd Echelon (C2E), MARSALONI, near CASERTA. The Commission will have the following tasks:-

(i) To inspect and take over all documents and records belonging to Italian Cooperators in British charge in Italian national territory.

(ii) To ascertain correct and latest information on location and numbers, on the basis of Appendices A, B, & C (see para 5 below) & final Order of Battle for Italian Army units, composed of ex-cooperators will be issued by AFHQ as soon as possible.

(iii) To communicate the above information to the Ministry of War, to enable the necessary orders to be issued.

(b) W.e.f. 1 July all Italian Cooperator personnel shown in the Appendices A, B, & C will be attached to the appropriate BR-III Administrative Division, who will assume general administrative responsibility for such personnel as from 1 July. The Administrative Division will make arrangements with its analogous British formation for units or personnel to continue under partial British administration in those cases where it cannot take over complete responsibility immediately. MIA SD/131 of 24 June, para 4 refers. In any case pay will become completely Italian responsibility as from 1 July.

(c) Ex-Cooperator units shown in Appendix "A", "B" and "C" will be included in all Italian Army returns as from 1 July 45.

(d) Staffs of Admin Divs. Staffs of Administrative Divisions may be temporarily transferred to BR-III with the work of taking over

It Col Chung by Col Hughes, will be put into effect immediately to ensure that the documentation of all cooperator personnel and the adm arrangements necessitated by the change of status are completed as soon as possible.

You are therefore authorized to attach up to four officers with tpt and one clerk for every two of the attached officers to such Adm Div from BR-III Rpts. They will be held temporarily against Category 6(B) (BR-III Rpts). 5. Given et Appendix "C" is a list of units composed of Italian
