QMG 6(10)

Subject: Equipment: Survey Batteries Italian Army.

Ref this HQ letter ED/109/1 of 13 Aug 46 and QMG letter 8159/4.1 of same date.

Please advise this HQ if any equipment has now become available, according to the provisions of para 2 of the above mentioned QMG letter.

This equipment is urgently required by the Italian Army to bring the Artillery arm to a state of efficiency, since their holdings of Survey Equipment are practically non-existent.
