~~Sir~~,

Following what I have sad in our meeting of 6th. inst. I have the honour to add:

a) I remember the Lieutenant Savage's friend; he was an young sergeant. For many days they were isolated in a "cella " on the second story.

b) Besaides General Sannino of CC.RR. at the "Comando piazza Atene" there was the major Meoli also of the carabinieri; now he is a colonel. The last year he lived in Lecce; at present I do not know.

c) One of the officials who has taken prisionier the noble captain Mac Knabe O' Brien was the lieutenant De Renzis (now captain) of the S.I.M. "Servizio Informazioni Militari - UFFICIO I - ; his office is opposite to Ministero della Guerra (via xx Settembre).

d) Was spoken about a spy; I think he was not an English soldier ;but an English subject . He was transferred in Italy before the others.

~~With this occasion~~ I dare, sir, to spend a word for me and therewithin I enclosed a "pro memoria".

1. Reference communications from this Division regarding subject under cover of our AG/550.05 dated 8 Sept. 1945.

2. At present there are 49 cases outstanding upon whom no final action has been taken by the Italian Courts. Some of these cases date back as much as one year and should by now have been completed. It is urgently requested that precise reports as to the status of these cases be immediatly forwarded to this Hq.

3. It is to be noted further that lately many requests for the hand-over to some particular court are being sent directly to Allied Force Headquarters. The correct procedure in these matters is to channel all such requests through this Hq., correspondence by Italian Authorities directly with AFHQ is irregular.

4. It is strongly recommended that your Ministry (Commissariate) make necessary arrangements to ensure:

a. That requests for hand-over are not made to this Hq., until the case is ready for trial.
b. That a status report be submitted by the recipient courts within 30 days from the date of hand-over.
c. That internees will not be released to the Italian Authorities for trial unless the requests are processed through this Hq.

5. Upon completion of the trial it is incumbent upon the Italian Authorities to notify this office of the results of the trial. After trial a request by the Italian Authorities for the release of the internee for the purpose imposing the sentence will be considered

May we be permitted to bring to the benevolent attention of this Command the case of the italian women Pircher , who coming from Bolzano, have been sent by that C.L.N. to this one, for the solving of the following problem :

1) A certain PIRCHER Giovanni, di Giovanni, born at Merano, the 23rd December 1925 and inhabitent of Lana (Bolzano) and PIRCHER Antonia di Sigisfredo, born at Lana, the 12th of March 1925 and resident thereof, following the events after the 8th September 1943, the before mentioned, as a result of legalized certificates in their possession herewith enclosed, were called to the army by military post cards, sent by the German Command of Bolzano on the 5th of September 1944 and the 12th of January 1944 respective and with constraint were assigned to the SS and in consequence sent to a training camp in Germany.

2) Pircher Giovanni on the 15th April 1945 deserted from the german army, as you may perceive from the enclosed copy, the original of which is in possession of the interested party and subsequently even Pircher Antonio deserted and made their way back together to their families.

3) Following the orders of the Allied Troops at the moment of Liberation of the before mentioned locality which required the regularization of the soldiers, the two Pirchers obeyed the orders and presented themselves before the Command of the Allied Authorities.

4) After that on the first days of August 1945, the above named fellows were made prisoners and sent to the concentration camp 338 in Coltano, together with german prisoners.

The relatives of the above named not knowing the reasons why they are considered as german prisoners and not as italian prisoners, according their nationality, this Provincial Committee begs that the Allied Command turn the two Pirchers over to italian jurisdiction.

On this occasion we make known that a part of the documents concerning Pircher Antonio has been consegned to the local Sub Command Office of Prisoners into the hands of an Allied Captain.

We offer our deferential greetings and our thanks.

Ci permettiamo presentare alla benevola attenzione di codesto Comando il caso delle Signorine italiane PIRCHER le quali, provenienti dal Bolzano sono state inviate da quel C.L.N. a questo, per la risoluzione della seguente pratica.

1 - Certo PIRCHER Giovanni di Giovanni nato a Merano il 23.Dicembre I925 e abitante a Lana (Bolzano) e PIRCHER Antonio di Sigfrido nato a Lana il I2 Marzo I925, e ivi residente, inseguito a gli avvenimenti post 8 Settembre I943, i summenzionati, come risulta da certificati legalizzati in loro possesso che si accludono alla presente, furono chiamati alle armi mediante cartolina precetto delle autorità militari tedesche di Bolzano rispettivamente il giorno 5 Settembre I944 e I2 Gennaio I944 e con constrizione assegnati alla SS con il conseguente invio di addestramento in Germania.

2 - Il PIRCHER Giovanni il giorno I3 Aprile I945 disertò dalle file tedesche come risulta dall'accluso copia il cui originale è in possesso dell'interessato e successivamente disertava pure il PIRCHER Antonio facendo entrambi ritorno in seno alle loro famiglie.

3 - In seguito alle disposizioni emanate dalle truppe Alleate all'atto della liberazione di detta località, dispesizioni che ebbligavano la regolarizzazione degli ex militari, i PIRCHER ottemperavano all'ordine presentandosi alle Autorità Alleate del Presidio.

4 - Da allora, primi Agosto del I945, furono i predetti catturati ed inoltrati al Campo di Concentramento n. 338 di Coltano, assieme ai prigionieri tedeschi.

Non conoscendo i familiari dei predetti le ragioni per cui siano considerati quali prigionieri tedeschi e non come italiani, giacchè tale è la loro nazionalità, questo Comitato Provinciale prega codesto Comando Alleato affinchè i PIRCHER siano passati sotto la giurisdizione Italiana.

Nell'occasione facciamo note che parte dei documenti di Antonio PIRCHER sono stati consegnati al locale SUB COMMAND OFFICE PRISONIERS nella persona di un Capitano Alleato.

Porgiamo nostri deferenti saluti e ringraziamenti.

Reference the visit of Colonel GUNNING, DJAG., GHQ., to your HQ recently.

1. It would be appreciated if you would advise this HQ whether you have been successful in tracing Major the Count Guido CORTI who was Commandant of AVEROF Prison in 1942. An interview with him is urgently required, since he could probably provide valuable information which would assist current investigations.

2. It is possible that Count CORTI has returned to the Vatican where he was at one time a librarian.

1. We have received complaints concerning the c/a PW Camp.

(a) Major Montanelli, then Commandant of Camp 41.
It is believed this officer struck a Sergeant Medic several times between Nov. 1941 and July 1942. An enquiry was held to investigate this incident, as a result of complaints of PW and of the investigation of the Italian Chaplain Father Carlo.

(b) Major Montanelli is also believed to have been sentenced to 5 years for stealing Red Cross parcels. It is desired to obtain any information or document regarding this charge.

With personal risk he received and sheltered at the clinic all or those officers of the three Arms who desired to remain there in order to escape the injunctions of the Republican or German authorities. Said assistance was also given to persons in the scientific and artistic field, to officials and civilians and youths who wished to evade the call-ups.

- On June 12, 1944, the Rome Mil. Hq. offered him the post of Chief Medica Adviser of that office and of Rome Area.

- He cared for fugitive Allied POWs during the German occupation, as reported by the Allied Screening Commission (see photographic copy of Allied Screening Commission's letter dated Sept. 9, 1944)

- The special inquiry commission has expressed the opinion that after Sept. 8, 1943, Gen. Castellani complied with the laws of military honor and the duty deriving from the contingent situation, and maintained that he was entitled to remain on the rolls of the Italian Navy.

- The High Commissary for the epuration of the Senate has excluded him from the lists of persons being screened (epurated) and therefore he keeps the post of Senator.

- Prof. Castellani is a learned person of great fame and is still director of the Tropical and Sub-tropical clinic of the Rome University, financed by the Navy Ministry for the recovery of Navy personnel.

- Professor Filippo REO has written a pamphlet (copy enclosed) regarding Gen. Castellani's scientific activities.

Further to letter 219622/II dated 14th inst. (not forwarded to Gen. Hq. Carabinieri) we beg to report that:

a) The Foggia Branch has arrested Lt. Izzo Francesco, son of Luigi and Paranisi Amelia Maria, born at Naples on May 18, 1912, University student, 1,72 meters tall.

The officer admitted that he belonged to an S.S. Battalion together with Lt. Baio, and that he had been at Partina with said unit.

Investigations are in progress in order to uncover his true identity as the particulars that he gave are not confirmed in official identity documents, nor do they correspond to those mentioned in letter 217099/II-232.1.4. We will send further info later on.

b) The Bari Carabinieri Legion has confirmed the fact that the particulars of Lt. Izzo Francesco, son of Luigi (reported by the Foggia Branch) were exact.

Therefore, this is another Lt. Izzo who, however, could be the one sought ~~xxx~~ by MMIA.

Please give us instructions in regard to this as Izzo is still under arrest at the Foggia Branch.
