Ref your Q/O.S./11/1 of 2nd. Jul. '46.

It will be noted that SQMS SMITH, R.A.O.C. was posted to this Unit by O2E., G.HQ., and although no doubt there are very strong reasons as to why this W.O. should be employed with 6 B.L.U. it would have been appreciated if this HQ had been consulted.

There has been no ORD representative at this B.L.U. since its formation; and to satisfy my mind that the Italian ORD Services are functioning smoothly I would like a British ORD representative for an initial period of, say a month, so that he can carry out technical inspections and make a report.

REF. 5 565 GMPMELBA

To:-

3 Apr 46.

1. Owing to the impending reduction of the WE of Interpreters Pool (Austria) you are invited to consider the possibilities of absorbing any interpreters attached to you from this HQ within your own WE in order to be in a position to retain their services.
2. It is especially recommended that you give preference to NCOs holding Paid Acting ranks so as to avoid their loss of rank and pay.
3. In the case of PS Sections, it is suggested that application be made for any suitable interpreter to be transferred to Int Corps in accordance with GHO 997/45. **6179**
4. May this HQ please be informed by 15th Apr 46 of any such action considered possible as outlined above, in order that postings may be arranged by this HQ.
5. Failing this it has to be pointed out that a large proportion of our Interpreters will have to be withdrawn and returned to General Duties.
