All Units in 231 Sub Area

1. Considerable inconvenience is being caused to both this HQ and Corps HQ, by units failing to comply with SAROC regarding rendition of returns. This results in unnecessary work by the Staff and Clerical Staff of this and other HQs, sending out ex editors to defaulting units.
2. The Sub Area Commander directs that OIC units give this matter their personal attention and take immediate steps to ensure returns called for are submitted in the correct form and by the stipulated time.
