SUBJECT: Monthly Census Return of "B" Vehicles - Military Mission to the ITALIAN Army.

LAND FORCES SUB COM, A.C. (MMIA)

9 Aug 46

TO : STATCENTRE (CENSUS)
GENERAL HEADQUARTERS, MIDDLE EAST FORCES

1. Attached please find Census Return of vehicles on charge to this Mission as at 1 Aug 46. 7662

Delay in submission is regretted and is due to protracted correspondence to clear up errors and omissions.

2. It is desired to point out that this HQ controls the transport allocated to twelve Liaison Units located throughout the whole of Italy including Sicily.

All casualties are reported to you through this Headquarters and instructions have been given that unless otherwise notified Liaison Units render MT Census Returns to this Headquarters only.

3. The vehicles listed at Appendix 'A' and shown on last Census Return submitted on 18 July 46 under our reference Q 211 have been omitted from this Census Return for the reasons stated.

4. As this Return comprises all vehicles held on charge by MMIA transfer of vehicles from one Liaison Unit to another does not affect the total and consequently Part X Orders should not be issued.

For this reason it is desired to cancel the following orders issued in error. Instructions have been given to avoid a repetition of this mistake.
