Further to my A/32/42 dated 23 Sep 46 and your 1/14403 R.U.  
 dated 30 Sep addressed to the War Ministry.

1. Can you inform this HQ how this matter now stands. I am anxious that the posting of Ten CHIRIN to WHITCOMB be effected as soon as possible. I would however emphasise that a relief is necessary.

2. AS 13 Corps has now been disbanded and as no further requests have been made for the two Liaison officers, you can take it that para 2 (a) and (b) of my above quoted letter can be cancelled.

26 Sept 46

Ref n. 2786/Ord/I dated 28 May 46.

By order of MILA the WE of 861 Italian LO's <sup>Pool</sup> ~~Centre~~ has been reduced to 30 Officers.

Owing to the small number of ILOs still on duty it is no longer advisable to keep the present allotment as foreseen for a/m WE (out of a centre unit - 2nd - 3rd centre).

Therefore, while being on duty at the Allied HQ to which they are attached, the officers of 861 Centre will be under Command of Comiliter, on whose jurisdiction they are, for discipline and administration matters. The a/m Officers will continue being on BR-III strength for their rations, and consequently listed apart on the periodical returns as belonging to 861 <sup>Pool</sup> ~~Centre~~ of ILOs.

It is up to SMT -Secretary and Personnel Office- to destine and transfer them, while asked to notify to every interested Comiliter their names, location and Allied HQ to which the above mentioned Officers are attached.

The MT vehicles (one Staff-car and one light truck) allotted at present to ILU with 59 British Sub area and used by Major Alessandro CIOGNA, Deputy chief of the 2nd Centre of the unit on the subject, shall be handed-over to 3 Tpt unit as soon as the above mentioned office is disbanded on 30. 9. 46, as prescribed.

As soon as the handed-over is accomplished, Territorial Command of MILAN is asked to ensure this SM Service Office.

1. Displaced Persons Sub Commission AD. at VENICE are losing their Italian Liaison Officer who is being demobilised. I have been asked whether I can release Ten CHERIN at present employed with this Unit, for service with the Displaced Persons. Ten CHERIN is anxious to be posted to VENICE so that he can continue his studies at the University. I have no objection to releasing CHERIN provided a suitable relief can be found.

2. I have been asked by 13 Corps if I can help them find two Italian Liaison Officers to be employed as under:

- a) As a Press Liaison Officer at VENICE. This Officer would work in plain clothes and would in fact have to be on the Retired List. He would be paid as a civilian by 13 Corps. It would be useful if he had some newspaper experience.
- b) As a Liaison Officer at PADUA, between 13 Corps and GHQ.

3. I would be very glad if you can let me know the names of any Officers whom you consider would be suitable for the above positions.

Further to our conversation yesterday afternoon,  
I confirm that my Italian Liaison Officer Ten. Camperio is  
being demobilised and a replacement is urgently needed.

Such a replacement that would prove suitable is  
Ten. Silvano Cherin, now acting as Liaison Officer at your HQ  
and it would be much appreciated if it were possible if a transfer  
for this officer could be effected. Ten. Cherin is anxious to  
join this HQ and this would also enable him to continue his studies  
at the Venice University.

1. At the ALU's conference of 8-9 August two of the points raised concerning offshoots were:

- (a) The retirement of surplus officers, see Appendix 'A' para 8 (a) of the minutes.
- (b) Regular commissions for temporary officers, see para 7 (c) of the minutes.

2. The latest information on these subjects is as follows:

- (a) The Decree covering the retirement of surplus officers not only makes compulsory retirement legal, but allows an officer 3 months in which to make application to retire voluntarily. These three months expire on 17 Sep. Since the terms of retirement are so favourable a fear was expressed by this HQ that many valuable officers would apply to retire. The Ministry of War have expressed the same fear, but have stated that a meeting is being held in the course of the next few days to decide exactly how the Decree is to be applied. The only assurance they can give until after this meeting is that those listed by them for compulsory retirement will be retired before applications for voluntary retirement are considered. There are some 4,000 surplus to be got rid of.

- (b) It is confirmed that officers due for release are not being given the option of competing in examinations for regular commissions. On the 8 March 46 the Chief of Gen. Staff submitted a Decree to the Minister for War for consideration. This decree allowed temporary officers of the rank of 1st and 2nd Lieuts to take the examination for regular commissions provided that 1st Lieuts were under 28 and 2nd Lieuts under 26 years of age on 31 Dec 45, 1st Lieuts to revert to 2nd Lieut on

This Decree however, has not yet been approved by the Minister for War who considers present circumstances (political and financial) not propitious. The Minister has however, agreed to accept 150 junior temporary officers for regular commissions on these terms. As matters stand therefore at present, with the exception of these 150, a temporary officer can not become a Regular (11 BLU please refer to your letter A 26 of 9 July 1946).
