1. Consequent on the publication of AOC91.711 G(SD)-0 dated 2 Nov 45 w.e.f. 2400 hrs 14 November the five Br-Iti Combat Groups and their support units will be transferred to the control of the Italian Army.
2. Action will be taken to implement D.O.S. Circular No 224, para 5(b) (i) (ii) and (iii) in respect of all equipment (including lease lend) in possession of Italian Units administered by HQ 50 - 51 - 52 - 53 and 56 BIV as at 2400 hrs 15 November, 1945.
3. The necessary consolidated lists of all equipment issued to the combat groups and their support units, together with the supporting documents, will be forwarded to Land Forces Sub Commission, MILA, AG, CMF, as soon as possible after that date, in accordance with the a/m D.O.S.
4. The maintenance of these forces is the responsibility of the Italian Government, and after 14 November 1945 no further issues of stores will be made from Ord sources, with the following exceptions :
  - (a) Certain equipment may be issued on loan as a temporary expedient up to the 1 January 1946. In no circumstances will any equipment be issued after 14 November 1945 without the authority of the Staff at this H.Q.
  - (b) Up to one year's maintenance and spare parts of arms, vehicles, and other equipment, so provided, as may be surplus to British requirements.
5. In order that a scaling for equipments referred to in para 4(b) above may be prepared, D.A.D's.O.S. E.L.U's will be instructed to comply with D.O.S. Circular No 161, para 4 (i) A & B without delay.
6. When the scaling of equipments is complete (except in the case of lethal war-like equipment) it will be declared as surplus to British requirements to Chief Disposals Officer (Italy), Ministry of Supply, in accordance with established procedure, but with priorities requested for its sale to the Italian Government. Subject to the O.D.C. (Italy) agreeing to these priorities, the responsibility for subsequent allocation and issue of these stores is that of the Italian Government. In the case of lethal war-like equipment, transfers will be arranged, by this H.Q. with MILA.
7. Issues to Br-Iti units (less the five combat groups) who continue to be employed in accordance with existing arrangements, will follow the procedure laid down in D.O.S. Circular No 224, para 5(a) and 8(a) and (b).

10. Administration

a. With effect from 2400 hours, 14 November 1945, the Italian Government will assume responsibility for the administration of the Italian Army outlined in paragraph 7 above, and of the Carabinieri. Administrative units required will be formed from within the authorized ceiling so that the Italian Army is self-administering and no longer dependent on Allied base and lines of communication units.

b. Italian Navy and Italian Air Force personnel will continue to be administered and maintained as at present, through Italian service channels.

c. BRI-ITI personnel in diluted British units will continue to be administered and maintained as at present. BRI-ITI Army Service units will continue to be administered and maintained through Italian service channels, except in respect of the provision of rations. With effect from 2400 hours, 14 November 1945, responsibility for provision and issue of rations will be as follows:

- (1) The British portion of the ration only will be issued to such units through British service channels.
- (2) The Italian portion of the ration will be issued direct to units through Italian administrative channels.

d. US-ITI Service Units will be administered and maintained through US service channels.

11. Maintenance and Provisioning

a. With effect from 2400 hours, 14 November 1945, the Italian Government will assume responsibility for the maintenance of the Italian Army outlined in paragraph 7 above, and of the Carabinieri.

b. Procurement in respect of food, clothing, medical stores, warlike and non-warlike equipment will be effected from the following sources and in the following priorities subject to any subsequent instructions which may be issued regarding the standardization of equipment of the Italian Army and of the Carabinieri:

- (1) From indigenous Italian resources including captured material (except German weapons) and such local manufactures as may be authorized by Allied Force Headquarters.
- (2) By purchases from appropriate US and UK surplus disposal agencies in Italy of stocks which are available to those disposal agencies.
- (3) Through the Italian Government import program.

c. As the procurement procedure outlined in paragraph 11 b above, will take time before it becomes fully operative, particularly in respect of requirements included in the Italian Government import program, the

administered and maintained as at present. BHI-ITI Army Service units will continue to be administered and maintained through Italian service channels, except in respect of the provision of rations. With effect from 2400 hours, 14 November 1945, responsibility for provision and issue of rations will be as follows :

- (1) The British portion of the ration only will be issued to such units through British service channels.
- (2) The Italian portion of the ration will be issued direct to units through Italian administrative channels.

d. US-ITI Service Units will be administered and maintained through US service channels.

#### 11. Maintenance and Provisioning

a. With effect from 2400 hours, 14 November 1945, the Italian Government will assume responsibility for the maintenance of the Italian Army outlined in paragraph 7 above, and of the Carabinieri.

b. Procurement in respect of food, clothing, medical stores, warlike and non-warlike equipment will be effected from the following sources and in the following priorities subject to any subsequent instructions which may be issued regarding the standardization of equipment of the Italian Army and of the Carabinieri :

- (1) From indigenous Italian resources including captured material (except German weapons) and such local manufactures as may be authorized by Allied Force Headquarters.
- (2) By purchases from appropriate US and UK surplus disposal agencies in Italy of stocks which are available to those disposal agencies.
- (3) Through the Italian Government import program.

c. As the procurement procedure outlined in paragraph 11 b above, will take time before it becomes fully operative, particularly in respect of requirements included in the Italian Government import program, the following procedure will apply to those requirements which cannot be met from the sources set out in paragraph 11 b, above :

- (1) Such requirements may be loaned from US and British military stocks as a temporary expedient up to 1 January 1946. In addition, certain food may be sold or loaned to the Italian Government in accordance with paragraph 13 c, below.
- (2) Thereafter, these items will be returnable to the US and British on demand or they may be transferred to the Italian Government through US and British disposal organizations in accordance with established procedure.

2. With effect from 2400 hours, 14 November 1945, the Italian Government will continue to be responsible for meeting the POL and Coal requirements of the Italian Army and Carabinieri from civil stocks and by means of the Italian Government import program.

#### 12. Warlike Equipment and Spares

All arms, vehicles and other warlike equipment of US and British origin (including lend-lease) in possession of those units being used to make up the Italian Army of 140,000 and in possession of the Carabinieri as may be surplus to US and British requirements together with up to one years maintenance and spare parts for arms, vehicles and other equipment as provided as may be surplus to the US and British requirements will be disposed of to the Italian Government. Appropriate scales of ammunition of various natures will also be transferred and authorized expenditure replenished from Allied sources. In the case of vehicles and warlike equipment available to US and British disposal organizations, disposal to the Italian Government will be effected through the respective US and British disposal organizations in accordance with established procedures, but with priorities requested for its sale to the Italian Government. In the case of looted British warlike equipment, transfer will be made direct by the military.

#### 14. Clothing and Individual/Personal Equipment

2. All previous directives pertaining to transfer of clothing, individual/personal equipment and salvage to the Italian Army through NMIA are rescinded.

b. Purchase of any surpluses of non-warlike stores is as authorized in paragraph 11 b (2), above.

#### 16. Accounting

a. Financial arrangements consequent upon the above policy regarding supply remain to be settled. In the meantime, records will be maintained of all transfers made to the Italian Government from military stocks and accounting procedures in sub-paragraphs b and c below, will apply.

b. Accounting for Allied military supplies issued to the Italian Government in bulk for the Italian Army outlined in paragraph 7 above, and the Carabinieri, Italian Navy and Air Force will follow present established procedures for the ITI-ITI category.

c. Accounting for Allied military supplies issued from British and US depots direct to NMIA-ITI and US-ITI units will follow established procedures of the British and US forces. Issues from US military stocks, other than disposals through NMIA, will be through NMIA (US Contingent) who will maintain adequate records.

...will be disposed of to the Italian Government. Appropriate scales of ammunition of various natures will also be transferred and authorized expenditure replenished from Allied sources. In the case of vehicles and warlike equipment available to US and British disposal organizations, disposal to the Italian Government will be effected through the respective US and British disposals organizations in accordance with established procedures, but with priorities requested for its sale to the Italian Government. In the case of lethal British warlike equipment, transfer will be made direct by the military.

#### 14. Clothing and Individual/Personal Equipment

a. All previous directives pertaining to transfer of clothing, individual/personal equipment and salvage to the Italian Army through AMIA are rescinded.

b. Purchase of any surpluses of non-warlike stores is as authorized in paragraph 11 b (2), above.

#### 16. Accounting

a. Financial arrangements consequent upon the above policy regarding supply remain to be settled. In the meantime, records will be maintained of all transfers made to the Italian Government from military stocks and accounting procedures in sub-paragraphs b and c below, will apply.

b. Accounting for Allied military supplies issued to the Italian Government in bulk for the Italian Army outlined in paragraph 7 above, and the Carabinieri, Italian Navy and Air Force will follow present established procedures for the ITI-ITI category.

c. Accounting for Allied military supplies issued from British and US depots direct to AMI-ITI and US-ITI units will follow established procedures of the British and US forces. Issues from US military stocks, other than disposals through AMLO, will be through AMIA (US Contingent) who will maintain adequate records.
