1°) - Il G.M.A. di Trieste, con il foglio allegato in copia, ha disposto che gli Uffici Sussidi Militari (ex Distretti Militari) di Trieste - Gorizia e Pola siano riorganizzati in modo che le cariche amministrative risultino costituite come segue:

- a) - capo ufficio;
- b) - relatore;
- c) - direttore dei conti;
- d) - cassiere.-

2°) - Per far fronte alle necessità del lavoro d'ufficio, stante le molte migliaia di persone da liquidare, gli uffici sussidi in parola hanno via via dovuto aumentare il loro personale.-

L'Ufficio Sussidi di Trieste ha inoltre dovuto costituire una speciale Sezione amministrativa per la gestione fondi del G.M.A.-

3°) - Per poter chiedere al Ministero Guerra la sanzione del personale assunto in servizio dagli uffici in oggetto, è necessario la preventiva approvazione alleata, che si prega far ottenere.-

4°) - Questo Comando ritiene che il personale necessario per tali uffici non possa, come massimo, superare quello previsto dagli organici per i Distretti di Trieste - Gorizia e Pola (quando potranno entrare in funzione), diminito dei militari di truppa, che ovviamente non possono recarsi in posto, e del personale che la M.M.I.A. ha già autorizzato in aumento agli organici del Distretto Militare di Udine per costituire presso lo stesso una sezione speciale per ciascuno di tali distretti.

SUBJECT: Reorganisation of I.S. Divs and Ind Inf Regts on new W.E.

LAND FORCES SUB COM, A.C. (MFA)

SD/13/2

May 46

TO : MINISTRY OF WAR

1. Release of new weapons for I.S. Divs and Ind Inf Regts has now been approved.

2. The quantities of each type of weapon so released are calculated upon the "standard" organisation of the Inf Regt and En for adoption throughout all Inf Divs, Ind Inf Regts and I.S. Divs, the WEs for which were passed to you in MARCH and are still awaiting final approval by your WEs. Now that weapons will shortly become available and now that the troubles in SICILY have died down, this HQ considers that the time has come for the early reorganisation of all formations and units concerned upon the new WEs.

3. It is further considered that this reorganisation can most profitably be carried out in advance of the actual receipt of the equipment which should take place in JUNE.

4. May this HQ therefore please be informed:-

- (a) when the new WEs will come before the WE Committee.
- (b) how long after this you propose to order conversion to the new WEs to have been completed by all concerned.
- (c) of any further details of conversion.
- (d) of any redeployment of formations or units which may be necessitated by the conversion particularly in the case of I.S. Divs, which will be reduced from eight battalions to six.

OGGETTO: Scioglimento reparti BR-ITI e US-ITI e loro immissione  
nei reparti ITI ITI.

.....Indirizzi omessi.....

La Land Forces Sub Commission (LFSA) ha interessato i comandi 13° corps, 2° e 3° district, R.A.A.C. e P.B.S. per lo scioglimento dei reparti BR-ITI e US-ITI eccedenti alle necessità e per la sostituzione del personale specializzato non utilizzato dai reparti BR-ITI e US-ITI da mantenere ancora in vita, con elementi comuni tratti dai reparti da sciogliere.

Stante la deficienza di personale specializzato nell'Esercito di transazione, accentuatasi col congedamento dei militari della classe 1921, si pregano i comandi in indirizzo disporre per i necessari contatti con le competenti autorità alleate, tramite i rispettivi B.L.U., allo scopo di ottenere sollecita attuazione dei provvedimenti suddetti.

Reference your letter 3378/302 of 4 Apr 46.

1. Proposals set out in your quoted letter regarding the amendments to the C.D. of 718 Admin Hqs. have been discussed with 5 Territorial Hq. In view of the small number of BR-ITI troops which will remain in 5 Territorial Command following the disbandment of the increments to 55 Area, 501 Sub-area and 672 ILL. Graves Registration Unit, it is considered that 5 Territorial Hq. Ulaine could well take over the Admin duties at present performed by 718 Admin Hqs.

2. 5 Territorial Hq. Ulaine now control all the clothing and food depots in this command. Consequently the few remaining BR-ITI Units in Corps area have been administered for some time now by 5 Territorial Hq.

718 Hqs. has acted primarily as an administrative liaison link between Corps and 5 Territorial Hq. It is considered that this S.L.U. could take on all these liaison duties between Corps and 5 Territorial Hq. and take speed up the procedure generally.

3. In consideration of the above it is strongly recommended that 718 Admin Hqs. be disbanded.

2. There is a great shortage of specialist personnel in the Italian Interim Army which will be even more accentuated by the demobilisation of the 1921 class, which has recently been authorised.

3. Addressees will examine the need for the continued existence of these units, and report to this HQ any that can be disbanded.
4. It is considered that in some of the units involved there are specialist personnel who are not being employed in their appropriate trade, and it is therefore requested that addressees authorize the Ministry of War, through this HQ, to replace specialist personnel who are NOT being employed as such in units which cannot be disbanded by a non-specialist, in order to make the maximum number of specially trained personnel available for the Italian Interim Army.

5. This HQ has informed NMFA that the ITL increment to HQs 55 Area and 201 Sub-Area and 672 ITL Graves Registration Unit can be disbanded. Since this will only leave a maximum of two DLI-III units in the Corps area, 5 BLU will consider what appointments and duties on the WE of 718 Adm RHO can be dispensed with, and forward their recommendations to this HQ.
