Ref to Location Statement of H.Q.
Bergamo Inf. Div as at 22/x/45 may I
respectfully bring to your attention the
fact that the o.o., 52 B.L.V. has returned
from Liap and the Ufficio Commissariato
is again functioning with its erstwhile
efficiency. Having brought to your
notice the existence of an unit apparently
unknown to you, you will doubtless
be further interested to know that it is
located at K 64486x, Bergamo (Scuola
Sergio Abbatte, Rione Calpensata).
Perhaps others on your distribution list
for the above may also be

unaware of the fact that this unit does
function and will thereby have
suffered some inconvenience, since
in our humble opinion the issue
of Ordnance Stores has some little
importance.
