1. GCE at HQ MGA has directed that I get particulars as to how the daily extra ration allowance of 15 lbs per day is utilized.
2. I would be greatly obliged therefore if you could get this information from Supply and Transport Units under your command and forward them on to me so that a comparison may be made between the different units.

SUBJECT: Location of 5 B.L.U. SET Offices.

5 British Liaison Unit.
Tel. 1547.
6/52/1/2.

15th. Aug. '46.

TO: A.D.S.T.,
R.M.I.A., Rome.

1. In view of the fact that it is the desire of G.S.O. I
that the SET Offices in future work from the BIU
it is felt that the Offices in VENICE and MESTRE are now
superfluous.

2. It is suggested that one or both of these are closed;
at the same time it is pointed out that the Office in Mestre
might at some future date prove useful in the event of this
BIU moving nearer that Area.

3. Will you please let this HQ know if you agree to these
Offices being dispensed with; pending your decision the
Italian L.O., Lt. JENNIN remains in Venice liaising daily
by telephone with UDINE.
