1. This unit is now suffering from an acute shortage of personnel due to the release programme and the general pothole of this theatre. In addition the majority of personnel who are available are young soldiers with little or no knowledge of POL duties.

2. During the next few months the commitments of this depot will be greatly increased owing to rail and shipping programmes, together with a great deal of maintenance work in preparing stocks to meet these programmes.

3. It has been decided therefore to restrict local detailed issues of packed POL to the following times:-

MONDAYS to FRIDAYS 0800 - 1200 Hrs.

Issues will only be made outside these hours in cases of real emergency

4. Your co-operation in implementing and making possible the above new arrangements will be very much appreciated.
