1. During the phased disbandment of Italian Pioneer Units, the large surplus of Italian personnel at the disposal of this Branch makes it undesirable that remaining Units should be reinforced by personnel of disbanded units.

2. I should be grateful if you will arrange the disposal of personnel as a matter of urgency.

Subject:- Maintenance of Italian Pioneer Units

7  
Dear HQ 13 Corps  
Ref:- Trieste memo 20370  
Date:- 13 Aug 45

To:- Director of Labour  
Allied Forces Headquarters

1. Italian Pioneer Units in 13th Corps are as follows:-

Regts R.A.S. . . . . . 2  
Bn. R.A.S. . . . . . 8  
Companies . . . . . 52  
Total strength of the 52 Companies is:-  
Officers . . . . . 224  
O.R.s . . . . . 735

2. At work today are:-

O.R.s . . . . . 1235

3. The imminent evacuation of two (2) African and eleven (11) Indian Companies under my administration will increase the demands on Italians, but it is not anticipated that a total of 2,000 Italian Pioneers at work on any one (1) day will be exceeded. Certain replacements will be by local civilians, where civilians are known to produce better results than Italian military, and the figure of 2,000 may be regarded as a maximum.

4. Italian Pioneer Units nominated for disbandment during August in your IL/1/144 dated 27 July 45 are:-

Bn. R.A.S. . . . . . 1  
Companies . . . . . 8

This reduces O.S. strength of 735 by 1235 to 500.

5. authority to disband eight (8) Companies in August. However, the

1. Italian Pioneer Units in 13th Corps are as follows:-

|                                         |            |

| Companies                               | ..... 52   |
| Total strength of the 52 Companies is:- |            |

| Bn. N.C.S. | ..... 1 |
| Companies  | ..... 8 |

This reduces N.C.S. strength of 7305 by 1235 to 6070.

4. Authority to disband eight (8) Companies in August, however, has not been received and N.C.S., this HQ, have no information. It would be appreciated if it could be expedited.

5. It has not been thought expedient to reinforce remaining Units by posting personnel of Units to be disbanded because:-

(a) There is a large surplus of Italian Military labour, the most urgent consideration being the dispersal of personnel.

(b) Owing to deficiencies in British Cadres Italian Units are concentrated in Camp areas in order to safeguard control and administration.

The contrary procedure is advisable when possible, i.e. to

25

9. It is noted from Appendix "B" to your Mr. Tull dated 26 JUL 45 that disbandment of Italian Prisoner Units will be allowed so as to be completed by 30 OCT 45.

11. At Appendix 'A' to this letter are my recommendations, showing  
disbandment of Italian Pioneer Units in this country to be completed  
by 30 Sep 45.

10. The policy obviously will be to keep Germans as hard at work as possible. Under winter conditions (service in this locality) to keep some thousands of Italian Military in Camp, totally unemployed, during October and November may have unfortunate consequences.

11. At Appendix 'A' to this letter are my nominations, please disbursement of Italian Plan or Units in this Command to be completed by 30 SEP 45.

12. Should it be found impossible to complete disbursement by 30 SEP 45, it is requested that high priority be accorded this in ar command 13th Corps.
