SUBJECT : Rations for Italian Military Personnel.

File No.: RXII/DPR/4

1. The Italian unit in our No. I. Refugee Camp, Padova, known as Nucleo A.I. of CO.M.PR.I. is experiencing difficulties in drawing rations.
2. These are drawn from 73 D.I.D. at Mestre on Italian military scale, this D.I.D. state that as the war establishment of a Nucleo of CO.M.PR.I. is fixed at 50, rations above that number cannot be issued, without authority from M.M.I.A.
3. The present strength of the nucleo is 70, the reason for this increase is that a number of our camps have closed down and we have extended the camp at Padova, still retaining only one of the nucleo and transferring the remaining nucleo to Emilia Region. In addition, this nucleo AI provides the staff for a central store containing the equipment of the camps which were closed down.
4. Application is hereby made on behalf of the nucleo for authority to draw the additional rations, as at present the rations issued (50) have to be supplemented from refugee rations.

Subject: Recovery of Lost Rations 128 AUG 1945

Land Forces  
Sub Commission, AC (MMIA)  
Rome  
Q/1/29-172

*[Handwritten signature]*

24 August 1945

To : Minister for War

1. During the period 1 November 1944 - 18 July 1945 a total of 319,698 rations were lost to the Italian Army through theft in depots, loss in shipments by rail or truck, or by unauthorized issues. This total does not include the two large losses which have occurred in Sardinia and which were covered by our letters Q/1/29-75 of 12 March 1945 and Q/1/29-155 of 27 July 1945.

2. Inasmuch as it is not possible to secure additional rations to make up for this loss, it is necessary to reduce the ration scale of the ITI-ITI Category accordingly. This will be accomplished by a flat 10% reduction for the entire ITI-ITI Category, including CC.RR, wherever located, for the month of September 1945.

3. This will be accomplished as follows:

a. The unit commander will prepare ST/8 as demand for rations. This ST/8 will be endorsed on the back by the unit commander's next superior officer as follows:

"I certify that the actual strength present for duty, and the number of persons entitled to rations for this period is \_\_\_\_\_."

(Signature)

b. The unit commander will then present the ST/8 to the issuing depot.

c. The issuing depot will issue rations for only 90% of the strength shown on the certificate on the back of the ST/8 (Sub par a above).

d. The depot commander will then place the following certificate on the back of the ST/8:

"I certify that I have issued \_\_\_\_\_ rations on this ST/8."

in depots, loss in shipments by rail or truck, or by unauthorized issues. This total does not include the two large losses which have occurred in Sardinia and which were covered by our letters Q/1/29-75 of 12 March 1945 and Q/1/29-155 of 27 July 1945.

2. Inasmuch as it is not possible to secure additional rations to make up for this loss, it is necessary to reduce the ration scale of the ITI-ITI Category accordingly. This will be accomplished by a flat 10% reduction for the entire ITI-ITI Category, including CC.P.R., wherever located, for the month of September 1945.

3. This will be accomplished as follows:

a. The unit commander will prepare ST/8 as demand for rations. This ST/8 will be endorsed on the back by the unit commander's next superior officer as follows:

"I certify that the actual strength present for duty, and the number of persons entitled to rations for this period is \_\_\_\_\_."

(Signature)

b. The unit commander will then present the ST/8 to the issuing depot.

c. The issuing depot will issue rations for only 90% of the strength shown on the certificate on the back of the ST/8 (Sub par a above).

d. The depot commander will then place the following certificate on the back of the ST/8:

"I certify that I have issued \_\_\_\_\_ rations on this ST/8."

(Signature)

e. All ST/8's will be forwarded to MMIA in the usual manner, and MMIA will inform you of the total number of rations which are recovered.

4. Issue necessary instructions to all concerned and furnish this Headquarters with a copy. In order to facilitate the matter, MMIA LO's are being instructed to inform the Italian Commanders of their respective sectors.

Vice Commando, 228 Div, MMIA.

Re: your letter 2739 dated 4 July.

1. It is regretted that there have been shortages of items on the food scale and of soap and cigarettes.
2. S & T at this HQ inform us that there are ample stocks held in the UDINE and MASTERS area and that there should be no shortage of items from DIDA, including cigarettes and soap.
3. If shortages of any items occur the unit drawing must obtain a dated certificate from the DIDA to that effect, copy of which will be forwarded to this office without delay so that the matter can be taken up. Since no back issues can be made the certificate may help in allowing you to purchase locally with Div funds and the books kept in order when forwarded to the M.O.F. with the appended certificates.
4. S & T this HQ can not inform us about the availability of supplies in PABLA. If shortages occur it is suggested that you contact MMIA IO, HQ 1 District or S & T, 228 Sub Area through your IO attached to that HQ.
5. It must be pointed out that unless concrete information is obtained as earliest after the shortage has occurred it is most difficult to rectify.

Major,  
MMIA IO, Rear Eighth Army.

3. S & T at this HQ inform us that there are ample stocks held in the UPINA and MATRE areas and that there should be no shortage of items from DIDs, including cigarettes and soap.

3. If shortages of any items occur the unit drawing must obtain a dated certificate from the DID to that effect, copy of which will be forwarded to this office without delay so that the matter can be taken up. Since no back issues can be made the certificate may help in allowing you to purchase locally with Div funds and the backs kept in order when forwarded to the M.O.F. with the appended certificates.

4. S & T this HQ can not inform us about the availability of supplies in PAUVA. If shortages occur it is suggested that you contact MIA IO, HQ 1 District or S & T, 210 Sub Area through your IO attached to that HQ.

5. It must be pointed out that unless concrete information is obtained as earliest after the shortage has occurred it is most difficult to rectify.

Originator's No. MM 700

The above Italian HQ is about to open a small staging camp in VDINE and would like to draw rations on their own instant. For the varying number in the camp it would be much appreciated if you would allow them to draw rations. It is unlikely to vary by more than 20 daily. They will naturally make do with the food they found necessary.

Ritengo doveroso informare V.S. che da qualche tempo i dipendenti reparti lamentano saltuarie mancate distribuzioni da parte dei magazzini Al-  
leati di taluni generi di vettovagliamento (condimenti e frutta) ed addizio-  
nali nonchè una certa deficienza di oggetti di vestiario e casermaggio.-

Particolarmente sentita è la mancanza di sapone e di sigarette gra-  
tuite: reparti che si riforniscono dalla Sussistenza di Treviso hanno, per  
esempio, avuto durante il mese di maggio un terzo della spettanza di sapone  
ed in giugno solo metà della spettanza di sigarette e sapone; egualmente i  
reparti che si appoggiano alla Sussistenza di Mestre e di Padova.- Il Quar-  
tier Generale della Divisione non ha avuto per il mese ~~di maggio~~ giugno da  
dette Sussistenze che Kg. 31 di tabacco su 86 di spettanza e Kg. 41 di sapo-  
ne su 69.-

Nonostante le disposizioni contenute nel dispaccio n. 1180/S/1 del  
19 gennaio c.a. del Ministero della Guerra i predetti Enti non danno le spet-  
tanze arretrate.-

Per quanto riguarda il vestiario e gli oggetti di casermaggio è  
urgente l'assegnazione di pantaloni di tela e di camicie estive sia per com-  
pletare la distribuzione della prevista seconda tenuta che per rinnovare gli  
oggetti che, stante il forte logorio dovuto all'attività lavorativa dei re-  
parti, è molto sensibile.-

correrebbe peraltro fossero soddisfatte le richieste più volte avanzate relative a pagliericci, fazzoletti, calze.--

Le deficienze sopracitate incidono, in questo particolare momento, profondamente sul morale del soldato ingenerando malumori con grave pregiudizio sulla disciplina dei reparti.--

Ed è per questo che rivolgo viva preghiera a V.S. onde sia con tutta urgenza provveduto ad eliminare la causa di questo malcontento.--

Per quanto riguarda il sapone rappresento al Ministero Guerra - Gabinetto - la inderogabile necessità di autorizzare i reparti ad acquistarlo tutte le volte che non venisse distribuito dalle Sussistenze.--
