1. As Italian vehs were not available for issue to 505 and 516 Italian Gd Bns in Jan of this year, 5 lorries 3 ton GS were provided from ARMY resources.
2. These Brit vehs were held on charge by 1001 (Italian) GT Coy and this HQ certificate No 579/352 was issued authorising retention.
3. It is now understood that approx 30 Italian lorries are shortly being made available by ST Branch for Italian purposes. It is desired to know, therefore, whether disposal instrs may be issued for the 5 GS lorries if still held by the Gd Bns.

SUBJECT:- Supply of Brit Vehicles and
M.T. spares to BR-ITI Units.

ALLIED FORCE HEADQUARTERS

Tele No. Freedom 124

AFHQ/0159/2/Q(AE)

HQ No.3 District (3 copies)

28 June 45

Reference your letter 485/Q dated 23 June 45.

1. It is not intended that the replacement of Brit vehicles and the provision of Brit M.T. spares for vehicles nominally held on charge by the supervising Brit Cadres of BR-ITI units should be provided by M.M.I.A. as no bulk releases of these items are made to M.M.I.A.
2. It would appear that DOS circular No.167 of 14 Nov 44 and No.205 of 3 Apr 45 have been interpreted to include vehicles and spares in addition to items of clothing and equipment. This is not so, and Ordnance have been requested to amend their circulars accordingly.
3. Accordingly, demands for replacement vehicles of this nature should be channelled through your Headquarters to Q(AE) this Headquarters and M.T. spares demanded direct from ADOS/DADOS concerned.
4. In order to comply, however, with the future policy for the equipment of Italian units whereby all the requirements of the Italians will be provided by M.M.I.A. an investigation is now being made with a view to determining if it will be possible for M.M.I.A. to maintain BR-ITI units in transport as well as other items of equipment.
5. You will be advised as soon as any change is contemplated.

To:-

Ministry of War.

Reference this H.Q. Letter Q/5 of 12 May 45.

1. Owing to the impending formation of Nos. 1, 4, and 5 Admin Tpt. Coy., revised instructions are issued at Appendix 'A' attached, showing the units to which recovered Italian Army Vehicles will be assigned, until the authorised WE/TO of such units is completed (Col (ii)). In column (iii) is shown the Efficient Vehicle Park to which any vehicles will be sent which remain after the Admin. Tpt. Coys. concerned have been brought up to strength.

2. Separate instructions will be issued regarding the formation of the three new Admin. Tpt. Coys. referred to above. Meanwhile, any vehicles recovered in the BELZANO and UDINE territories may be retained by these two territorial commands, and held in the names of Nos. 4 and 5 Admin. Tpt. Coys. respectively. The contents of this paragraph will not be taken as over-ruling Eighth Army's restrictions forwarded to you under cover M.M.I.A. letter S5/34 dated 25 May 45.

3. You are requested to keep this HQ informed of the progress made in receiving vehicles, and forward lists showing targa numbers of such vehicles as soon as possible, as set out in Appendix 'C' (part 1) to the above quoted letter. Since provision has now been made for a transport Coy. to serve each territorial command, requests to assign vehicles to other individual units will not now be entertained, and part 'B' of the above mentioned Appendix 'C' will therefore be disregarded.

SUBJECT: Camerino IRC; Motor Ambulance.

Inquiries as to the whereabouts of a motor ambulance belonging to the Camerino (Macerata) IRC, stolen by the Germans and left behind by them in their retreat, have resulted in the following signal (from Miss K. Rackham, FR British Red Cross, Cesena:)

"Motor Ambulance Fiat 521 taken one month ago by 228a I.F.A. H.Q. Now repainted and being used a mobile library by Italian Military Welfare. (RACKHAM.)"

The data concerning the vehicle in question, are as follows:

Motor ambulance FIAT 521; place: ORI 740, engine No. 207088, chassis No. 113398.

To avoid numbers on engine and chassis being cancelled and all identification thus made impossible, I would ask you to get Allied Police, Cesena, to identify and possibly secure the ambulance in question, pending its return to its owners, the Camerino I.R.C.

1. The attached CO.RR. report has been received at this H.Q. from Lt. Ankers, CAO Cesenatico.
2. The vehicle in question is required for Commune use and the transport situation there is critical.
3. May enquiry be made as to whether this officer has the right to act in such a manner. It appears that his attitude was objectionable.
