1. You are authorised to instruct Territorial Headquarters to draw on surplus personnel at the disposal of BR-ITI or US-ITI Adm. Divs. within their territory, following disbandment of units, etc., to make all ITI-ITI units under the Territorial H.Q.'s command up to W.E., and to keep them up to strength as and when demobilizable men are released.
2. BR-ITI and US-ITI personnel will only be transferred to the ITI-ITI category in this way when all BR-ITI units in the Area, whether Service units or Combat Divisions, are up to W.E. strength, and have sufficient personnel in addition to replace all men of the 1919 and older classes. Combat Divisions will normally receive reinforcements from C E S A N O, but Territorial H.Q.'s may allot reinforcements from Adm. Div. surpluses when this course is more convenient than drawing on C E S A N O.
3. Movements of personnel to O R V I E T O or C E S A N O and other formations vide M.M.I.A. A 1222 of 8 August and A 1264 of 28 August will therefore take place only in respect of personnel still surplus after local transfers required as above have been made.
4. In your instructions to Territorial H.Q.'s please clarify to what Territorial H.Q. each Administrative Division and each Combat Division is affiliated, and the arrangements to be made for affecting adjustments between one Territorial H.Q. and another.
