Reference No. 1/11177/Mov. of 3 May 45.

1. We inform you for your guidance that the records of this HQ show the following concerning the above mentioned officer :-

- At the beginning of May 1944 Capt RUMUR of the Allied Control Commission, Army Sub-Commission, telephoned this Command and stated that 2/Lt. Salvatore LIVIA, a 1st, was at the Larva M Camp, charged with maintaining discipline among the Italian PWs there, who were doing work for the Allies.

- That said officer was not killed by them both because of his youth and lack of experience required for the task entrusted to him, and because of his unfamiliarity with the English language.

- That, therefore, his replacement was requested, which was done, and thus 2/Lt. Salvatore LIVIA was returned by the Allies.

As a result, the War Army HQ 1st Campania sent LIVIA to the 31st Infantry Depot, as is also evidenced by letter No. 1476/10/Mov. dated April 15, 1945 from said Depot.

1. Leave for Ex-cooperators now in the Italian Army

LAND FORCES SUB-COM, A.O. (MILIA)
R O M E.

A/CDO

27 July 45

TO : MINISTRY OF WAR

1. In order to correct certain misunderstandings which have arisen in connection with my letter A/108 of 20 July 45, and to ensure that fair treatment as regards leave is accorded to all categories of the Italian Army, the following rulings are forwarded for information and guidance:-

(a) The greatest possible number of ex-cooperators will be posted to units from Depots and Reullocation Centres, and if necessary, units may be brought over-strength, but not exceeding 50% for this purpose. Depot Commanders will, whenever possible, post ex-cooperators to units in preference to other reinforcements held at the Depot.

(b) Leave may be given to ex-cooperators held in Depots, Reullocation Centres, etc., at the same percentage and for the same duration as for other men of the Italian Army, (at present 15%) but for this purpose ex-cooperators and other reinforcements will have to be considered as two separate blocks for the purpose of calculating percentages, i.e. if 2,000 cooperators, and 4,000 other reinforcements are held in the Depot, 300 ex-cooperators could be sent on leave and 600 other reinforcements.

(c) Service as cooperators in aid of Allied War Effort, is to count towards qualifying period of 6 months for the granting of leave.

(d) All other leave conditions for ex-cooperators will be the same as for the rest of the Italian Army.

(e) Ex-cooperators incorporated into the Italian Army on 1st July 45 are not considered as "Repatriated" prisoners of War.

2. Prisoners of War "Repatriated" to Italy (i.e. from other countries) and released by the Allies are considered as civilians for all purposes. Their leave (as civilians) is covered by War Ministry Circular No. 200500/11 of 30 January 45. They cannot be incorporated into the new Italian Army until after the conclusion of their 30 (or 60) days leave.

3. The above decisions are to be circulated immediately to all Italian Commanders concerned, and are to be read out and fully explained to all men on parade.

The following information has been received from MMIA  
Rome and is forwarded for your information.

(a) It is confirmed that recruits may not exceed 25 years of  
age and they must be at least 19 years of age.

(b) For the present, partisans are given the same rank they  
formerly held in the Italian Army and the rank is not,  
therefore, restricted to the maximum rank of caporale maggiore.  
Ranks held in partisan organisations are not, at present,  
recognised. A law, now under discussion, is contemplated  
which will give partisans a rank in the Italian Army 3068 depending  
to the one held in partisan units, the maximum rank to be Lt. Col.  
However, this is still in the study and discussion phase and is for  
your information only.

Ref attached copies of correspondence between O2E and this HQ  
(MPIC/235 of 3 Jul, 55A/15/2/A of 6 Jul and O2E/69141/MPIT of 12 Jul 45)  
which explains the reasons why 23 Italian co-operators are still held  
on the strength of this HQ.

It is understood that wef 1 Jul 45 all co-operators regained the  
status of Italian army personnel and that MMIA is the only authority having  
jurisdiction over them. These co-operators are now held by HQ 71 Sub Area;  
may, therefore, disposal instructions for the 23 co-operators (nominal roll  
enclosed) please be given to HQ 70 Sub Area, copy to this HQ.

GHQ 02B

Ref your MPIT/235 dated 3 Jul 45.

1. HQ 1 District signal SD 7 dated 21 Apr 45 directed that no Italians were to be employed by this HQ on command passing to Eighth Army.

The 25 Italian Co-operators on the adm staff of this HQ were accordingly attached to HQ 71 Sub Area for all purposes wef 25 Apr 45 (AF W 3011A Serial No 208 dated 10 May 45 refers.)

2. Authority to implement Amdt 2 to WE wef 20 Apr 45 was contained in JED letter CR/1004/C-1(BR)(Ser 2064) dated 23 Apr 45 as amended by G.1(BR)1004/A.1 (Ser 2360) dated 30 May 45.

3. On receipt of this authority the co-operators were SOS this HQ (AF W 3011A Serial No 214 dated 9 Jun 45 refers). In accordance with para 4 of your 022/6914/L/IT(IT) dated 4 Jun 45, HQ 71 Sub Area requested permission to return the co-operators to the Reinforcement Training Depot. (Camp/71/1216 dated 9 Jun 45 refers).

It was considered that the appropriate action having been taken by HQ 71 Sub Area, no reply to your letter by this HQ was required.

4. HQ 71 Sub Area required a reply to para 4 of their above quoted letter only in the event of there being a change of policy with regard to the re-employment of Italian co-operators by this HQ.

There has been no change in the official attitude regarding the employment of Italian co-operators in any capacity in TRIESTE.

5. No reply was sent to your MPIT/229 dated 23 Jun 45 because it was addressed to HQ 71 Sub Area for action and HQ 55 Area for information, and this HQ was not aware of what action had been taken by HQ 71 Sub Area.

6. In view of paras 1, 2 and 3 above, it is not understood how these Italian Co-operators can still be regarded as the responsibility of this HQ.

In order however that this matter may be settled without further delay, it is requested that you will inform this HQ what action, if any, is now required to be taken for their final disposal.

SUBJECT: Iti Co-operators.

Reference your 55A/15/2/A dated 6 Jul 45.

1. It is regretted that owing to an error at this HQ, AMH letter CR/1004/G-1(BR)(Ser 2064) dated 23 Apr 45 and its amendment, were not seen by the section responsible for the posting of Iti co-operators, otherwise appropriate action would have been taken and this correspondence not arisen. The inconvenience caused by this is much regretted.

2. At the same time it is pointed out

- (a) The statement made in para 1 of our 02E/69141/MTT(IT) dated 4 Jun to the effect that your WE had not been altered was not corrected by you.
- (b) Though the a/c letter from AMH stated in para 2 that postings would be effected by this HQ no application was made by your HQ for the co-operators to be SOG;
- (c) until such authority was issued the co-operators would be on your posted strength (though surplus to WE) and hence your responsibility.

3. The present position may, therefore, be summed up as:-

- (a) Until authority is granted for them to be SOG, they must remain on your posted strength - surplus to WE.
- (b) Ref 1 Jul these Italians are no longer co-operators but Italian Army personnel, and this HQ has, therefore, no authority or jurisdiction over them - such authority being vested in HQ MMIA.

4. It is suggested, therefore, that you request HQ MMIA to forward disposal instructions to HQ 71 Sub Area - copy to you.

The following ex-co-operator, R.MA/T28631 Cpl PIROVANO, O., is of the 1919 Class. The British Unit at present employing him would like him released from the Army so that he can be re-employed as a civilian. The reason for this is that as a single body the administration is most difficult.

Please communicate direct to the employing unit, with a copy to this HQ, as to what can be arranged.

SUBJECT: Release of Italian Co-operatorsHQ 86 (Army) Area.

Ref Main HQ Eighth Army letter M 6295 of 23 Jun 45 enclosing copies of AFHQ letters dated 15 and 16 Jun 45 in regard to release of Italian co-operators.

One Italian Co-operator - R. NA/T28631 Cpl PIROVANO O - is held on the strength of 1037 Port Vaint Coy RE of this Group. He was taken on strength wef 28 Jun 44 under authy AFHQ G1/B/2263/A2 of 20 Jun 44 and is employed within the W as a Draughtsman. As the AFHQ instrs generally refer to co-operator units as a whole, advice is sought as to the disposal of this man.

OC 1037 Coy is most anxious to retain the services of Cpl PIROVANO in his unit. He is deficient of Draughtsman (Mech) on the W of his unit, and it is most unlikely that rifts will be forthcoming. Cpl PIROVANO is an excellent tradesman and is himself keen to continue in his present employment.

May application be made, please, to the proper authy, for this NCO's release from the Italian Army with a view to re-employment with 1037 Coy - in accordance with para 2(b) of AFHQ letter AG 3874/0793CT-0 of 15 Jun 45.

Comments on HQ 201 Sub Area letter AQ 151/14 dated 29 June  
are as follows :-

1. Separate adm of ex Co-operator Increments is, in many cases, impracticable but would be possible only if there were Italian offers on the W.E. and the personnel were not being employed on domestic duties.
2. Should it be decided to replace co-operators by British personnel, the Italians would be returned to 806 Transit Camp at CAMPOCROCE G 6168, nr MOGLIANO.

1. Reference -- These instructions are issued in accordance with AFHQ letter, AG 400/105 D-0, dated 22 September 1944, subject: "Supply of Italian Armed Forces (Army, Navy, and Air)". Any previous instructions published by this or other headquarters, which are in conflict herewith, are rescinded.

2. Effective Date -- For all items of supply, except rations, the effective date is date of this publication. The effective date insofar as rations are concerned is 15 October 1944.

3. These instructions are applicable to all supplies and equipment issued direct to units of the Italian Armed Forces from United States or British Army sources regardless of the category of the unit, as distinguished from supplies delivered to Italian Army depots from United States or British Army sources through MMIA.

A. Italian Military Requirements for Petroleum Products

1. Italian formations serving with the Allied Armies will, if they are located in the Army areas, normally be supplied ex Rail/Road Head through their own maintenance channels. 2. Italian army units not included in paragraph 1 above will be supplied with petroleum products as follows:

a. Requirements: The MMIA will be responsible for the collection and submission to AFHQ Petroleum Section, Rome Allied Area Command, of requirements for the Italian army exclusive of those formations and units included in paragraph 1 above. These requirements will be submitted so as to reach AFHQ Petroleum Section, Rome Allied Area Command by the 19th of the month preceding that in which delivery is required and will specify geographical areas in which the units are located. 2. All items of clothing and individual equipment on British scales or U.S. Tables of Equipment will be considered as available for the use of the Italian Army. Commanders of Communication Zone, Armies, the RAF, AAF/MTO, and Districts are responsible that items made available to the Italian Army and Air Force are carefully screened and are in such condition as to be beyond economical repair for further use of United States or British military personnel or prisoners of war of the Allied nations.

Appendix "A"

Units whose cooperator personnel it is anticipated will be formed into self-administering Italian Army units. As this HQ is responsible for providing the necessary Italian Army WEs this Appendix has been divided into two parts as below :-

Part 1. Units already self-administering or to be made self-administering by the addition of admin personnel, for which WEC action will be taken as below.

(i) Where diluted units (i.e. those units which include British and Italian elements) are predominantly Italian, the British personnel will remain on the existing war establishment. The title of the establishment will be amended to read "Br Cadre" to the appropriate Italian unit and the Italian personnel will be deleted. A new Italian WE for the unit will be written, without alterations to the basic organisation of the unit. Transport will remain on the "Br Cadre" establishment.

(ii) Where diluted units (i.e. those units which include British and Italian elements) are predominantly British, the Italian personnel will be deleted and reorganised onto a new establishment as an "Italian Increment" to the British unit.

(iii) The necessary Italian Army ests will be written by this HQ in consultation with the War Ministry for submission to AFHQ WEC and final approval of AFHQ. AFHQ will be responsible for all amendments to ests on which British Cadres will be carried.

Part 2. Diluted units whose Italian elements will be converted onto standard British establishments or onto war establishments now in use by Italian Army units. No WEC action will be necessary by AFHQ but AFHQ will take necessary action to amend the establishments on which British Cadres will be held.

No WE serial numbers have been shown in Appendix "A" as new numbers will have to be allocated to the new Italian Army establishments.

(b)

Appendix "B"

Those units which, it is anticipated, will be relinquishing cooperator personnel and their entitlement to such personnel AFHQ will make the necessary alterations to the CH/ests involved. It will be found that in many of these units the personnel does not in fact exist.

2. This letter will not be taken as authority for the conversion to the Army WEC of any of the units shown in App A or the transfer of any cooperators from one unit to another, but is intended as a ~~reference~~ order to enable you to make the necessary preparations.

The Location Statement is divided into Appendices as above purely to show what WEC action will be necessary in accordance with SD/131 of 22 June 45. The strengths of units shown in Appendix "A" are provisional and subject to the decision of MCLA WEC and final concurrence of ARHQ.

3. A final Order of Battle will be issued by ARHQ giving a comprehensive statement of all Italian Army units to be formed from cooperator personnel. All other cooperator personnel will then be considered as available for reinforcements in the Italian Army.

4. In the meantime the following measures, as already outlined to Lt Col GUIDA by Col PIDSLEY, will be put into effect forthwith to ensure that the documentation of all cooperator personnel and the adm arrangements necessitated by the change of status are completed as soon as possible.

(a) A Commission will be despatched forthwith to report to the Commanding Officer GHQ 2nd Echelon (CZE), MEDDALONI, near CASERTA. The Commission will have the following tasks:-

(i) To inspect and take over all documents and records belonging to Italian Cooperators in British charge in Italian national territory.

(ii) To ascertain correct and latest information on location and numbers, on the basis of Appendices A, B, & C (see para 5 below) A final Order of Battle for Italian Army units, composed of ex-cooperators will be issued by ARHQ as soon as possible.

(iii) To communicate the above information to the Ministry of War, to enable the necessary orders to be issued.

(b) R.e.f. 1 July all Italian Cooperator personnel shown in the Appendices A, B, & C will be attached to the appropriate BR-III Administrative Division, who will assume general administrative responsibility for such personnel as from 1 July. The Administrative Division will make arrangements with its analogous British formation for units or personnel to continue under partial British administration in those cases where it cannot take over complete responsibility immediately. MCLA SD/131 of 24 June, para 4 refers. In any case pay will become completely Italian responsibility as from 1 July.

(c) Ex-Cooperator units shown in Appendix "A", "B" and "C" will be included in all Italian Army returns as from 1 July 45.

(d) Staffs of Adm Divs.  
Staffs of Administrative Divisions may be temporarily

- (d) Staffs of Adm Divs.  
Staffs of Administrative Divisions may be temporarily supplemented in order to deal with the work of taking over cooperator units, until the date on which these units are complete with officers and have been fully incorporated into the Administrative Division. You are therefore authorised to attach up to four officers with that and one clerk for every two of the attached officers to such Adm Div from BR-IMI Rpts. They will be held temporarily against Category 5(B) (BR-IMI Rpts). These officers will visit and control ex-cooperator personnel during the period between July 1st and the completion of permanent adm arrangements.

5. Given at Appendix "C" is a list of units composed of Italian cooperators which are working for Royal Navy.

As this personnel is Italian Army it will be administered through Italian Army channels except in so far as it is operationally controlled by Royal Navy and will count against the Royal Navy Ceiling.

The units shown in Appendix "C" will therefore be treated as BR-ITI units for documentation and adm as detailed in para 4 above.
