Ref. conversation in regard of abusive access to 'A' zone of Italian Military personnel.

This Command is waiting for names of military personnel who were said to have entered zone 'A'. It is also thought that said personnel could be attached to the Italian Delegation for the delimitation of the frontier, and therefore they are authorized to visit any place in zone 'A'.

In the meantime this Command ensures that dispositions in force in respect to crossing of the frontier line, have been emphasized so that the complained irregularities are not repeated.

SEDE

In relazione alla comunicazione verbale circa l'accesso abusivo avvenuto nel territorio della zona A per parte di alcuni militari italiani, nel mentre si resta in attesa di conoscere i nominativi - tanto più che sorge il dubbio possa trattarsi di militari appartenenti alla Delegazione per la delimitazione dei confini (militari che sono autorizzati ad accedere in uniforme in tutte le località della zona A) - si assicura che sono state ribadite le disposizioni in vigore affinché il lamentato inconveniente non abbia a ripetersi.-
