1. Referring to para No. 4 attached letter, this office request the de-requisition of the a/m property in favour of the doctor of Sagrado.
2. The doctor has been without adequate accomodation since 1943, much to the detriment of the sanitary and healthy condition of the town of Sagrado. The Commune plans to utilize the first floor for a clinic and the second floor for the doctor's dwelling.
3. It is the opinion of this officer that the above request is justified and merits the immediate attention of all concerned in order to effect a speedy solution for the town doctor.

PREFETTURA DI UDINE

N. 36032/1.

Udine, li 28 luglio 1947.

Oggetto: Rizzani Antonio - Requisizione locali in
Pagnacco.

Al Governo Militare Alleato,
UDINE.

L'Amministrazione Antonio Rizzani con sede in questa città in via Melegnano 26 ha mosso lagnanze perché alcuni reparti della Divisione Militare "Mantova" hanno occupato dei locali di loro pertinenza in Pagnacco senza averne ottenuto il consenso.

Siccome detti reparti lasceranno la località nei prossimi giorni sarà gradito l'interessamento di codesto Governo Militare Alleato al fine che altri reparti non si sostituiscano ad essi nell'occupazione di questi locali.

Ringrazio ed osequio.

IL PREFETTO
(Vistadini)

C O P Y.

PREFETTURA DI UDINE.

N. 36032/1.

Udine, 11 July 28th, 1947.

Subject: Rizzani Antonio - Requisition premises at
Pagnacco.

To: Allied Military Government, UDINE.

The firm of Antonio Rizzani, resident in this town,
Via Melegnano, n.26, have been complaining because some
companies of the Military Division "Mantova" occupied some
premises belonging to them at Pagnacco, without the permission
of the owners.

As such companies will leave the place in the next
few days, it will be appreciated if this Allied Military
Government could intervene in view that other outfits may
not replace the leaving ones by occupying the same premises.

Thanks and regards.

Reference your letter of 6/11/47 dated 10 May 47.

1. It is understood that, while it was the intention of the Italian Government to confer powers of requisitioning on the Italian Army, a decision to confirm this has not, and is not likely to be, promulgated.
2. Arrangements were made to notify to the Italian Army the dates of de-requisitioning of civilian properties vacated and no longer required by the Allies in Venezia less that part under the military government of the Venezia GIBLIA. For political reasons it was not considered desirable to retain Allied requisitions as property handed over to the Italian Army. Had the Italian Army obtained the powers of requisitioning referred to in para 1 above, it would have been possible for them to requisition properties immediately they were vacated by our troops. The fact that powers of requisitioning are not going to be conferred on the Italian Army does not alter our position in this region. It merely means that the Italian Army will not be able to occupy properties when they are vacated by us.

3. The situation in territory governed by the Venezia GIBLIA is, however, different. The conferment of powers of requisitioning on the Italian Army by the Italian Government would not have enabled them to requisition in Venezia GIBLIA until 1 May. It was therefore agreed that until 1 May vacated properties required by the Italian Army would be held under Allied requisition and guarded by civilian caretakers employed by the Army. Italian troops not being allowed into the frontier areas until 1 May. You will appreciate that, if the Italian Army is not going to be given powers of requisitioning, there is no point in retaining civilian properties under this arrangement, and they may as well be de-requisitioned when surplus to Allied requirements.

4. All you, therefore, confirm to him is that it is not the intention of the Italian Government to promulgate the decree referred to in para 1 above. Vacated properties surplus to Allied requirements will then be handed back to their civilian owners.

The Italian Army have made a specific request to be allowed to occupy a part of SALSA Barracks TREVISO for the FOLCORE Division Vehicle Workshops. These Wkps are at present located at FLORENCE, but as the bulk of the Div is now in the PADUA - TREVISO - PORDENONE Areas! it is essential that the Wkps be moved to a more convenient Area. TREVISO has always been the place earmarked by the Italians for these Wkps. Accommodation could be made available in PADUA (at the expense of an Arty Regt) but this would entail a double move. FOLCORE Division are very anxious to avoid a double move; Italian Div Wkps are a much more static concern than the equivalent in the British Army, upwards of 100 local civilians being employed. Consequently any move involves the discharging of civilians in the old location and the engaging of others in the new.

MONTECRAPPA Bks - ref conversation WATSON/VINCENT.

Italian Military Authorities are very anxious to recapture these barracks as early as possible. They are quite prepared to offer on loan to ARAR either SAN GIUSTINA Bks or some huts in the FUNZIONALE Bks. I have suggested to Gen LAULI. (Italian Comd PADUA Garrison) that he try to make this arrangement direct with ARAR. Failing a satisfactory agreement Gen LAULI will report to this HQ and you will be asked to intervene.

SUBJECT: - YORDENONE - LA COMINA.

TO : - 5 B.L.U. - UDINE

It is known that from the a/q material Depot a private firm is taking away various materials with the authority of the British Officer consigned.

Apart the fact that those materials should be handed over to the Italian Military Administration, in accordance with previous agreements, it is also pointed out that in said Depot there are large quantities of material belonging to the ex- Deposito Genio Ferroviario.

The a/m are materials belonging to the Italian Army and they could be taken away even unwillingly by the a/m firm.

This B.L.U. is therefore kindly requested to please intervene so that the a/q materials are not taken away but kept in the depot and then at the due moment handed over to the Genio Authorities.

Thank you.

Risulta che dal Deposito materiali in oggetto vengono in questi giorni prelevati, da una ditta privata - col consenso del consegnatario-Capitano inglese e materiali vari.

A parte il fatto che tali materiali per effetto dei noti accordi dovrebbero essere ceduti all'Amministrazione Militare Italiana, si fa presente che nell'immobile sono custoditi anche ingenti quantità di materiali facenti parte dell'ex deposito Genio ferrovieri.

Questi materiali appartenenti all'Esercito Italiano potrebbero venire sia pure involontariamente portati via dalla ditta menzionata.

Si prega pertanto la cortesia di codesto B.L.U. di voler intervenire perchè i materiali non vengano alienati ma sian custoditi per esser passati a suo tempo in consegna agli organi del Genio appositamente incaricati.

Si ringrazia. =

QC026. U/C. FURTHER TO OUR LETTER 6291/Q 2 OF 16 MAY 47 AND CONFIRMING CONVERSATION COL WATHEN-MAJOR VINCENT OF 6 JUN 47.

ONE. THIS GHQ WILL HAVE NO OBJECTION TO DIRECT HANDOVER OR REQUISITIONED CIVILIAN PREMISES IN UDINE PROVINCE TO THE ITALIAN ARMY WHEN NO LONGER REQUIRED FOR MILITARY USE PROVIDED THAT ITALIAN ARMY PRESENT REASONABLE LIST OF THE PROPERTY WHICH THEY INTEND TO USE. CANNOT AGREE TO HANDOVER OF ALL CIVILIAN PROPERTY NOW UNDER BRITISH REQUISITION AS CONSIDER THAT ITALIAN ARMY WILL NOT REQUIRE ALL OF IT AND FURTHER WILL NOT BE ABLE TO GUARD MORE THAN A PERCENTAGE. THIS WOULD INEVITABLE LEAD TO DETERIORATION WHICH WOULD REFLECT ADVERSELY ON THE BRITISH ARMY'S HANDLING OF REQUISITIONED PREMISES.

TWO. REQUEST THEREFORE YOU SUBMIT LISTS OF THE PROPERTY REQUIRED TO REACH THIS GHQ NOT LATER THAN 11 JUN 47. DELAY BEYOND THAT DATE WILL MAKE IT IMPOSSIBLE TO RETAIN VACATED PROPERTIES UNDER REQUISITION.

SUBJECT : - Carpark for vehs coming from AUSTRIA.

1. As known the Italian Army must withdraw from FURNITZ vehicle Park about 5000 vehicles.

That zone will be therefore used only like a daily transit camp and the clearing must be effected in the plain zone.

Deficiency of room in UDINE Zone is well known. The suitable places could be : -

- a) S.ROCCO Bks - UDINE No
- b) Pio Spaccarela Bks - UDINE No
- c) CASARSA Camp (not suitable as too far from the frontier). YES

In view of the above facts kind interest of this HQ is asked for so that room necessary is provided.

COMANDO MILITARE TERRITORIALE DI UDINE
- Ufficio Servizi -

Udine, 4 giugno 1947

N. 7116 / _____ di prot.

OGGETTO: Parcheggio automezzi provenienti Austria per conto Esercito Italiano (Campo Inglese di Fumitz).

.....

- 1°) Come è noto l'Esercito Italiano deve ritirare dal Veishle Parok di Fumitz circa 5000 automezzi.
- 2°) Il B.T.A. per ragioni contingenti desidera che il trasferimento dei veicoli abbia inizio lunedì 16 corrente e sia condotto a termine al più presto.
- 3°) La zona di Tervizio, già riconosciuta da ufficiali di questo Comando non si presta per contenere una massa così ingente di automezzi. Pertanto la suddetta zona potrà essere sfruttata soltanto come campo di transito giornaliero, mentre lo sgombero deve essere fatto al piano.

E' nota a questo Comando la deficienza di locali nella zona di Udine.

I locali che più si presterebbero all'occorrenza sono:

- a) capannoni di San Rocco, in Udine;
- b) Caserma Pio Spaccasela, in Udine;
- c) Capannoni di Casarea (poco adatti perchè troppo distanti dalla frontiera).

Per quanto sopra esposto si prega l'interessamento di questo Comando per la cessione di locali sufficienti alla bisogna.

Re your letter 70/0. of 29 May & Conversation
 JERVIS - Lt. Col. G. L. 042 today : -

- (a) Cavalry the 1532. 042 will be handed over on 6 June.
- (b) Elements of the 1532. 042 will NOT now be needed by 477 RAC
 Coy until 26 June 47. This is unavoidable & much regretted.
- (c) 1532. 042 has been 1532. It is confirmed that these 1532 will
 be free on 7 June 47. The above, I think, already in 47.
 Party is then. If not, send a party on 6 June to guard against
 looters.

In view of (b) above, it might be wise to postpone the
 move of 1532. 042 until 26 June 47. I am sure
 the other according to how you think fit?

With reference to a/m letter, in order to reach a practical timely solution of the problem relative to the accommodation of troops, which will replace Allied troops in the area of the eastern frontier, it is suggested that your Ministry immediately contacts the Allied authorities concerned in order that, as already took place in similar cases, at the time of transfer they avoid derequisitioning those buildings which, according to the attached lists of your letter, are indispensable for the organisation of Italian units.

We would assure you that in the meantime this Presidency will directly approach the Allied CHQ to further the reaching agreements as stated.
