WORKING PAPER

NOV. 1945 - MAY 1947

TO CAPTAIN JUNKING

The articles contained in WD Shipping Documents Nos: C-1198, C-1150, C-3-X, C-816 and C-6-X present various difficulties to be charged on the Shipping Tickets.

In fact to each of these WD S/Ds is attached a certificate of the 2nd Prov Gr. (US-ITI); signed by 3 Italian Officers. This certificate, missing the signature of an American Officer, it cannot be taken into examination; but I consider it for in that certificate the goods quantities are never resulting absolutely in harmony with those of the relative S/D, as here it's shown:

WD SHIPPING DOCUMENT NO. C-1150= Quantities shown in column "TALLY QUANTITY ACTUALLY SHIPPED" are according with the q.ties of the column of the certificate "ORIGINAL PACKAGE MARKED TO CONTAIN", but they are not with the figures of the following column "ORIGINAL PKG ACTUALLY CONTAINED" which last demonstrates as the q.ties truly received be less than those put in the S/D S/D. But it lacks the signature of an American Officer, & I cannot proceed for the necessary action.

In the other vouchers, because it's ever different the S/Doc.'s column "TALLY QTY..." from that of the certificate "ORIGINAL PKG MARKED TO CONTAIN" I think to be surely able to say: this last column takes in consideration only those bags not received (from 2nd Prov Gr.) just as written in WD S/D; for instance: WD S/D NO.C-6-X= Qty of SHOES is: pairs 1957; instead in the inclosed certificate, under "ORIGINAL PKG MARKED TO CONTAIN", is: prs 1494; and under "ORIGINAL PKG ACTUALLY CONTAINED" it is: prs 1542. Now, if the American Signature should be written in the certificate, I could increase the quantities shown in the certificate's column "OVERAGE" and diminish those q.ties shown under "SHORTAGE"; but so as the thing is, I don't know how to proceed.

Th : Capt. Juddius

I went to the ASA & I asked for the right price of the  
five MISCELLANEOUS items.

The ASA gave me the Phone No. of the QM Supply RAMTOUSA  
- Issue-Section, because they don't know just these prices.

I called for the Issue-Section & they office gave me the No.  
of another office, I called for this other office & it gave  
me another no.; at that last Phone No. they have given to me  
the number of the first office I called : Issue Section.

BR. AMN. 153.

Arriverà una lettera dal Ministero  
dove saranno elencati gli errori nel  
le voci. Inoltre la somma in più  
riscontrata nel totale della fattu-  
ra, che è precisamente:

1st Total      2,537,506- 2- 4.  
10%            253,750-12- 2.

17%            2,791,256-14- 6.  
                474,513-12-10.

Grand Total £.3,265,770- 7- 4.

Questa somma al posto di 3115192/13 $\frac{1}{2}$   
cioè una differenza da addebitare  
al Governo Italiano di  
£. 150,577 . 14 . 3 $\frac{1}{2}$ .

Lo Shipping che noi faremo di corre-  
zione NON dovrà elencare di nuovo  
tutto, bensì solamente le voci cor-  
rette; dovrà essere molto sintetico;  
anche perché al M.of W. non  
sanno l'inglese e non si accorgereb-  
bero, se tutto fosse copiato, delle  
differenze.

ALLIED CONTROL COMMISSION  
INTER-OFFICE MEMORANDUM

*(Signed)*  
S/U SUBJECT: Irregularities in the S/Ts.

FILE No. ....

TO : Captain Ward.

10 Dec 1946.

*arr*

In the Shipping Tickets recorded in Registers and no-cancelled on these Registers, they fall the BR.AMN.Nos.1,2,4,5,6,7,9,10, 11,14,15, 17,18,19,20,23,26,28,34,35,,57,60,66,67,76,80,102 and 156 (the last may be in Col.Curties' office:already back from Ministry of War).

In the documents of the BR.AMN.3 there are: an Issue Order 36, dtd 14 Mar 45 (with the stamp:AMN.117) and a letter, ref.:D/47, dtd 26 Mar 45. Both the papers do not concern absolutely the S/T AMN.3 in which they are inclosed. Perhaps they regard the other falling S/Ts.

In the BR.F.T.'s files they fall the Nos.3,56,~~etc~~. It's impossible to verify if they are canceled from the Registers because the Registers don't bear mention of every manner of BR.F.T. For that we can to say when at the first time BR.F.T.s came in, for them no record was taken.

The Shipping Ticket BR ORD ARTY STORES No. 2. is gone to the Ministry of N.D.-A. on the 3rd of April 1947 and it's not yet returned.

Checking the Shipping Tickets returned from the Ministry and put in the Files I have found these two Shipping Tickets returned from the MoF ND-A but not yet put in their Files. They are:

BR ORD No.1. -gone at the Ministry on the 25 March i.y. and returned on the 29 March.

and

US ORD No.10. -gone on the 12 April, instant year, and back from the Ministry the 17 April.

TO: CAPTAIN JUDKINS.

1. These Shipping Tickets are compiled from the vouchers inclosed to the HQ PBS letter, dated 25 Mar 47:

US SUB 15, 16, 17 & 18.

US MISC 6, 7, 8, 9, 10 & 11.

US ORD 10 & 11.

2. All the Shipping Tickets made are already recorded in the Register.

3. Now they remain only the ORDNANCE Vouchers with the indication of the problematic 50%. For that reason I have put in evidence the other S/Ts made in the past time contained in the US ORD File, having too them the same subtraction of 50%.

4. I show also the more important mistakes on the S/Ts made:

US ORD 7 -22nd item \$ 819 instead of 189-

US ORD 8 -9th item \$ 53.04 in place of 6.24-

US MISC 8 -Not remarkable mistakes in some items, and oblivion of writing <sup>1000</sup> "per mile" in the 1, 2, 4, 5 & 6th items, and other oblivion to write "per cent" in the 33rd item.
