To : N.S.C. - A.C. H.Q.
Ref.: B.9201
Date: 14 August 1945

Subject: Request for news of Lt. Cdr. Nicola MAIORANA.

1. Mrs. Bianca MAIORANA, of Via Morghen No.155, Vomero, (Naples) has notified us that she has received no news of her husband since 29th March 1941 :-

- Lt.Cdr. Nicola MAIORANA, born at Aleta (Cosenza) on 29.10.1907, formerly embarked on the I.R.N. Cruiser "ZARA" as Deputy Chief of Staff of the 1st Division.

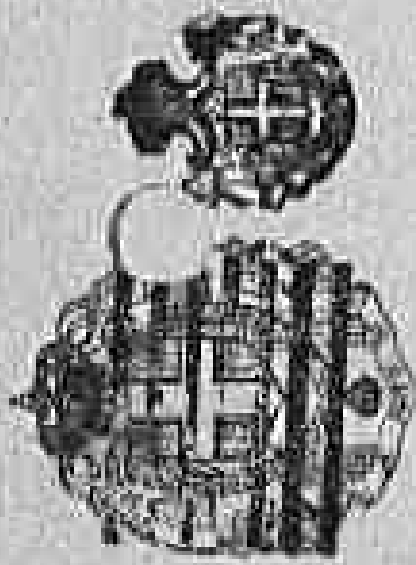

2. After the naval battle of Cape Matapan on 29th March 1941 the Ministry of Marine informed his wife that the above officer was missing. It appears that a few days later "Radio Londra" (B.B.C.) announced that the Staff Officers of the "Zara" had been taken prisoner. In May 1941 Radio Cairo at 2030 hours gave the names of several Naval Officers among which was that of Lt.Cdr. MAIORANA. Despite continued efforts on the part of his wife this news was not confirmed. She learned from a number of seamen who were saved from the "Zara" that her husband was safe. In the same year (1941) it appears that a Service Chaplain who had returned from Kenya brought news that the Staff Officers from the "Zara" were safe but could neither send nor receive news as they were under punishment for having scuttled their ship. It was rumoured also that they had been punished for having attempted to escape from an internment camp by being prevented from writing home.

3. Any information which the Naval Sub-Commission may have to impart is awaited by this Ministry.

ARGOMENTO: Capitano di Corvetta NICOLA MAIORANA.
Richiesta notizie.

1. La Signora Bianca MAIORANA, Via Morgnen No. 155 al Vomero (Napoli), ha reso noto di essere priva di notizie del marito dalla data del 29 marzo 1941:

- Capitano di Corvetta NICOLA MAIORANA, nato ad Aletta (Cosenza) il 29.10.1907, già imbarcato sul R° incrociatore "Zara" in qualità di Sottocapo di Stato Maggiore della 1ª Divisione.

2. Dopo la battaglia navale di Capo Matapan avvenuta il 25 marzo 1941, il Ministero della Marina comunicava alla moglie che il su citato ufficiale risultava disperso in quell'azione bellica. Sembra che qualche giorno dopo la battaglia Radio Londra abbia annunziato che lo Stato Maggiore dello "Zara" era prigioniero. Nel maggio 1941 Radio Cairo, alle ore 20,30, fece il nome di alcuni ufficiali di marina, fra cui quello del Capitano di Corvetta MAIORANA. Nonostante le continue ricerche della moglie, la comunicazione non ebbe conferma. Da alcuni marinai dello "Zara" salvati, la Signora MAIORANA venne a sapere che suo marito dopo la battaglia era salvo. Nello stesso anno 1941 un Cappellano militare rientrato dal Kenia pare abbia portato la notizia che lo Stato Maggiore dello "Zara" era salvo, ma che non poteva dare né ricevere notizie, essendo stato punito per aver autoaffondato la loro unità. Altre voci poi dicevano che essi invece erano stati puniti a non corrispondere coi loro famigliari, per aver tentato la fuga dal campo di concentramento.

3. Questo ministero rimane in attesa di quelle comunicazioni che codesta Navy Sub-Commission vorrà fare.

R O M A

From november 1943 we are without news regarding the
silurist "GUIDI ALFREDO" di Giovanni embarked on the submarine
"DESSIE";

Some people say (but that has not yet been confirmed)
it seems that all the equipage of said submarine is prisoner
in Egypt and in America.

We kindly apply therefore to the Marine, "A.M.G." hoping
to receive at last some news which may diminish someway
our anxiety.

We are sure that you will consider our desire to know
giving us a kind reply on the matter which we are longing
for. please to accept our best thanks in advance and our
deepest gratitude,

Yours very truly

Subject: MAMBRINO Gianfranco.

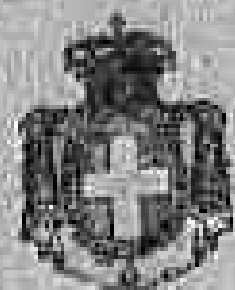

With reference to your letter NSC/3617 of 20th inst. you are informed that, according to the records of our subordinate 'Absent Persons Office' MAMBRINO Gianfranco, Centurione (M.V.S.N.), born of the late Nino and of Morandi Adele at Milan on 1st July 1904, living at No.10 Via Veratti, Varese, who disappeared in the ss. "SCILLIN" on 13th November 1942 is listed as missing.

From the particulars recorded it seems that he did not form part of the crew of the "SCILLIN" and is to be considered, therefore, as a person in transit on the "SCILLIN" who was given a record card because the ship herself at the time of her loss was listed as an auxiliary war vessel.

Present Head of Lighthouse Service in Zone "A" who periodically visits Venice for technical advice only and who does not wish to be quoted in view of his possible dependence in the future on Ministry of Marine for pension etc., has reported confidentially that at recent interview with CAPITANO DI VASCELLO NUCCI, Head of Lights Department Venice Area, latter ordered him to remove all possible equipment and destroy installations remaining in Pola before evacuation.

2. In view of possibility of mischief on the part of Italian Naval Gruppofraccolla allowed exceptionally to operate in Pola and fact that their usefulness there is now exhausted, consider it is desirable to recall such personnel now (R) NOW, before date for evacuation is made public.

Mrs. Ester VIETINA, wife of Admiral Massimiliano Vietina (P.O.W. in India following his capture at Tobruk - December, 1940) is suffering from a benign tumour which requires an operation of some importance.

Repeated requests advanced officially to have the said Admiral repatriated have been in vain hitherto.

In consideration of his wife's state of health and her age (58) it is requested that it may be arranged for him to be repatriated with the utmost possible haste.

Furthermore it would be very much appreciated if we could be informed of the probable date of his arrival in Italy in order that a decision may be made as to whether the abovementioned operation could be delayed until he rejoins his family.

ARGOMENTO: Contrammiraglio Massimiliano VIETINA - P.O.W in India.

La signora Ester VIETINA, consorte dell'Ammiraglio Massimiliano VIETINA (prigioniero in India in seguito alla sua cattura a Tobruk - dicembre 1940) risulta affetta da tumore benigno che necessita un atto operativo di una certa importanza.

Le ripetute richieste avanzate ufficialmente per ottenere il rimpatrio del predetto ufficiale Ammiraglio, sono fino ad ora riuscite infruttuose.

Date le condizioni di salute della di lui consorte, e la sua età (anni 58) si prega di voler fare in modo che egli sia rimpatriato con la massima possibile sollecitudine.

Sarebbe altresì assai gradito conoscere la probabile data del suo arrivo in Italia allo scopo di decidere se l'atto operatorio di cui sopra possa essere provato fino al suo ritorno in famiglia.

Giovanni (Melchiori)

Cox'n (1st Cl.) MELCHIORI Danilo was taken prisoner at Christmas 1940 following the sinking of an I.R.N. auxiliary vessel which he commanded.

At the present time he is detained still in P.O.W. Camp No.64, in Britain.

This Ministry is informed that MELCHIORI's son is suffering from a fibroma which consumes the bones and the last medical report states that he can live for only a month at most.

In view of the serious nature of this case this Ministry would appreciate it very much if application could be made to the appropriate authorities for the early repatriation of Cox'n (1st Cl.) MELCHIORI.

Il 1° Nocchiere MELCHIORI Danilo fu catturato nel Natale 1940 in seguito all'affondamento di una Unità ausiliaria della R. Marina da lui comandata.

Egli è tuttora detenuto nel Campo prigionieri di guerra n. 64 in Inghilterra.

Risulta a questo Ministero che il figlio del MELCHIORI è ammalato di un fibroma che lede le ossa e, da un ultimo referto medico, può avere al massimo solo un mese di vita.

Data la gravità del caso questo Ministero sarebbe molto grato se potessero essere interessate le Autorità competenti per un sollecito rimpatrio del 1° Nocchiere MELCHIORI.-

Subject : Repatriation of Chief Petty Officer MELCHIORRI Danilo,
P.O.W.No.161661, Camp 64, Great Britain.

I have received a request from Midshipman MELCHIORRI R.I.N., now on board this ship, to the effect that his father MELCHIORRI Danilo, now a prisoner of war in England at the above address, may be repatriated on the following compassionate grounds. There is one son in the family who is suffering from an incurable disease of the bones and has been given one month to live by a Professor FRUGONI of Rome. His family in Italy now consists of his wife, one son, the midshipman, and the second son who is the sick one in question.

2. I am informed that the family have suffered considerable hardship as a result of the husband being a prisoner of war. MELCHIORRI has been guaranteed employment on his return to Italy. The original letter certifying this is attached. This particular case is known to the whole ship's company of the "DUCA D'AOSTA" and I would submit that it receive special consideration from the point of view of morale, in that the ship has been class "A" for some time and has been under the direct control of the Commander-in-Chief, Mediterranean, for the transportation of drafts of British Naval personnel.

3. I consider the repatriation of MELCHIORRI on these grounds would have to some degree a reflection in the morale of the ship's company when, in these very difficult times for the Italian Navy, I have found that the personal problems and family interests occupy the greater part of the general thoughts of an Italian ship's company.

Milan, 2nd February 1946

We have been recommended to ^{request} demand the liberation of Roberto DEL BINO son of the late Giuseppe, interned at Terni, who had been doing his conscripted service on board the submarine "Barbarigo".

It appears that this man was forced to ^{upon} join after several attempts at escape for fear and the threat that his sister would be taken away.

His widowed mother is in grave financial difficulties and needs the support of her son.

Since we are told that the reports of those interned at Terni are held by this Commission of Inquiry, we should be grateful if you could communicate to us some information on the above and whether it is possible to demand that the man be favourably dealt with.

We thank you in anticipation.

Reference is made to your letter A.215 dated 19th February, addressed to the Ministry of War and forwarded to us for necessary action.

The above rating has been interrogated and both from his statements and from the documents of the Italian Social Republic which have been obtained, it is considered that he is not to be identified with the suspected member of the Public Security Division, since he appears to have been interned in Spain (Cartagena) from 10th September 1943 to 12th June 1944 and subsequently his repatriation was entirely the affair of the 10th M.A.S. Flotilla.

The Navy Sub Commission is requested, with regard to its letter NSC/4548 of 4th February 1946, to indicate at an early date whether FRANCO is to be detained to await further instructions from the Allied Authorities.

Subject: Lieutenant-Commander ALLEMANDI, Fernando - N.S.C.O.
and N.O.I.C., Civitavecchia.

The abovementioned Officer is at present N.C.S.O. and N.O.I.C. Civitavecchia by the nomination of the competent Allied Authorities. His wife and son are in Spain, the place of his previous appointment.

The amount of the allotment which can be forwarded to them by the Royal Italian Navy does not permit him to maintain the above relations who live in Madrid so that, should he not be permitted to bring them to Italy, he would be obliged to request for his release from the Service in order to return to Spain and resume his civilian status there.

In view of the above and of the advantage in employing this officer whose ability in the Naval Control Service has been acquired during a period of six months spent under the command of the N.C.S.O., Naples, enquiry is made whether it may be convenient to assist him in repatriating his wife and son, who already possess the correct passport.

Should you agree to this proposition it is requested that you may take the matter up with the proper Allied Authorities in Spain, in order that they may give their authorisation for the repatriation of the abovementioned persons and for them to travel in a Naval vessel.

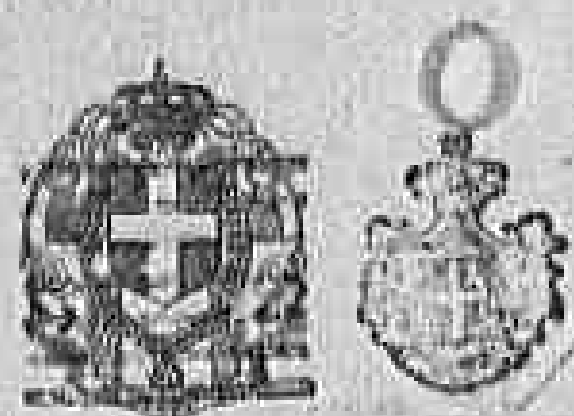

Pending the decision of the Naval Sub Commission in regard to the above, the Officer concerned has been invited to withdraw his request for release from the Service.

ARGOMENTO: Capitano di Corvetta ALLEMANDI Fernando - N.C.S.O. e
 N.O.I.C. di Civitavecchia.-

L'Ufficiale in argomento, attualmente N.C.S.O. e N.O.I.C. di Civitavecchia su designazione nominativa della competente autorità navale Alleata, si trova nella condizione di avere la moglie ed un figlio in Ispagna, sua precedente destinazione di servizio.

L'entità degli assegni che possono essergli corrisposti dalla Marina Italiana in base alle vigenti disposizioni e le sue personali risorse economiche non gli permettono di provvedere al sostentamento dei suddetti familiari residenti a Madrid, talchè, ove non gli fosse consentito di ricondurli in Italia, egli sarebbe costretto a chiedere la dispensa dal servizio militare per recarsi in Ispagna a riprendere la propria attività civile.

In considerazione di quanto sopra e della convenienza di continuare a servirsi dell'opera di questo Ufficiale per la competenza che ha acquisita nel servizio del controllo navale durante circa sei mesi trascorsi alla dipendenza del N.C.S.O. di Napoli, si prospetta l'opportunità di metterlo in grado di rimpatriare la moglie ed il figlio, i quali sono già in possesso di regolare passaporto.

8448

Ove codesta N.S.C. concordi in tale opportunità, si pregherebbe di voler interessare le Autorità Alleate competenti in Ispagna per il rilascio della necessaria autorizzazione per il rimpatrio

./.

e per il viaggio dei predetti con un mezzo navale.

In attesa delle decisioni di codesta N.S.C. al riguardo, è stato invitato l'interessato a soprassedere alla richiesta di dispensa dal servizio.-

Dear Sir,

As from your letter dated 22nd May 1945, I understand the position of my wife and her difficulties. As in a letter written to you already I declare to be prepared to undertake the care of the whole family, so my wish is to join all of them here in Italy as soon as possible, just because I am able to supply a house with all commodities and everything they may need.

So I do not agree to her return to Samos. As well I could not send her any material help in case she was to live in Samos, because of the present difficulties of mail and transport between Italy and Greece.

Hoping in your understanding and your kindness

yours sincerely

1. Nel Refugee Interrogation Camp Post Apo di Firenze, trovasi fermato l'allievo Guardiamarina Costantino PICOT.
2. Secondo quanto viene riferito al PICOT, alla fine del settembre 1943, dopo essere stato rastrellato dai tedeschi nelle vicinanze di Livorno, sarebbe riuscito a fuggire dalle loro mani recandosi successivamente a Trieste, residenza della famiglia, ove avrebbe partecipato alla lotta antinazista con le bande partigiane.
3. Nel Dicembre 1944, per portarsi nell'Italia liberata, egli avrebbe attraversato le linee del fronte, senonchè giunto nelle retrovie alleate sarebbe stato fermato ed avviato in campo di concentramento.
4. Si prega compiacersi interessare le competenti Autorità Alleate perchè facciano possibilmente conoscere se, oltre alle notizie riferite, sussistano sul conto dell'allievo G.M. in argomento specifici elementi di responsabilit  esaminando, in caso negativo, la possibilit  di disporne la consegna agli organi della R. The above Officer, having escaped from the P.O.W. camps in India, has been in the Portuguese Colony of Diu' for a period of three years, together with an Italian army officer ; 2nd Lieut. ANASTASIO Pasquale.

The conditions in which these officers are living are hard both for the fact of their having been away from their families for five years and because of the very modest allowance which they obtain from the Portuguese authorities.

In consequence it is extremely desirable that the above two officers should be able to return to Italy at the earliest possible, taking advantage of a Portuguese ship which would carry them to Lisbon.

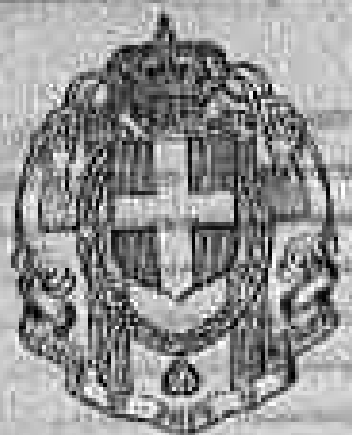

The Italian Legation in Lisbon, which has taken the matter up with the Portuguese Government, informs us that the issue of an Allied "Navicert" is necessary for their voyage and that this will not be granted without the covering approval of the Allied Commission in Rome.

It is requested that you may give approval for the return to Italy of Lieutenant (E) TOSCHI Elio and communicate this to the Authority responsible for the issue of the necessary "navicert" permitting their voyage of repatriation.

L'Ufficiale in argomento, allontanatosi dai campi per prigionieri di guerra in India, si trova da tre anni nella colonia portoghese di Diù insieme ad un altro Ufficiale del R.Esercito, il S.Ten. ANASTASIO Pasquale.

Le condizioni in cui vivono questi Ufficiali sono penose sia per il fatto di essere lontani da cinque anni dalla famiglia sia per il modestissimo sussidio che ottengono dalle Autorità portoghesi.

Sarebbe perciò oltremodo desiderabile che i due suddetti Ufficiali potessero rimpatriare al più presto approfittando di un piroscafo portoghese che li trasportasse a Lisbona.

8421

La Legazione d'Italia a Lisbona che ha trattato la cosa con il governo portoghese ha fatto conoscere che per il loro viaggio é necessario il rilascio di un "navicert" alleato e che questo non sarà concesso se non vi é il preventivo benestare della Commissione Alleata in Roma.

Si prega codesta Sottocommissione di voler dare la sua approvazione per il rientro in Italia del Capitano del G.N. TOSCHI Elio e di comunicarlo all'Autorità competente incaricata di rilasciare il "navicert" necessario a permettere il viaggio di rimpatrio.

2. VALENTINI Nicola states he has no relative named Oreste (the name of VALENTINI Dario's father), and that he has never been a Midshipman nor connected with the Navy. He cannot account for his serial number being the same as that of VALENTINI Dario.

3. TOZZI Dario is listed as a Sergeant in the Armoured Cars, whereas TOZZI Nicola is a Lieutenant (Junior Grade) (Sottotenente di Vascello, Commissario) in the Navy.

4. It would appear from the foregoing that the PWs in the South Africa camp are definitely different individuals from the subject PWs.

SUBJECT: Request for repatriation of Italian PW (Navy personnel)
TO : Ministry of Post-War Assistance (PW Bureau).

1. Under date of 18 Apr 45, the Navy Sub-Commission, Allied Commission, forwarded to this office a request as to the whereabouts of Midshipman Dario VALENTINI (125518) and S/Ten. (Comm.) Nicola TOZZI (340018).

2. Since then considerable correspondence has passed between this office, the Navy Sub-Commission, and AFHQ with respect to the subject PW, but no record appears of any communication to or from your office concerning them.

3. Valentini left Smyrna toward the end of January, 1944, and Tozzi left Smyrna about 15 May 44. Both were handed over by the Turks to the British at the Syrian frontier.

4. Under date of 10 Sept 45, G-1 (British) AFHQ notified this office that a S/Ten TOZZI Dario and a Midshipman VALENTINI Nicola had been traced in the hands of the Union Defense Forces, PRETORIA, South Africa, and suggesting that perhaps a mistake had been made in the Christian names of these PWs.

5. On 30 Oct 45, Navy Sub-Commission advised this office that the Italian Ministry of Marine confirmed the names as TOZZI Nicola and VALENTINI Dario, and this information was forwarded to AFHQ.

6. GHQ, CMF, now advises that this has been sent on to Hq, UDP, South Africa, for a further checkup.

1. The regulations attached to above-cited were known to this Ministry since High Commissioner for P.O.W. had notified us; we have kept and will continue to keep to them in requesting repatriation of our P.O.W. required for service in I.R.N.

However, we point out that said regulations (or procedure) refer to repatriation of P.O.W., while the personnel who escaped from Leros and Rhodes cannot possibly be considered as such.

2. This personnel, in fact, after having fought against the Germans following the Armistice, managed to reach Turkey or Syria with the idea of avoiding capture and fighting elsewhere when the Germans occupied the Aegean Islands. When in Turkey they were faced with the dilemma of trying to get back to Northern Italy through Bulgaria or being handed over to the British, and they freely chose the second course with the hope of contributing to an Allied Victory by returning to serve with I.R.N. Instead of which, in Egypt, they were considered as P.O.W., put in a camp, numbered and kept idle notwithstanding many requests to be given a job to do.

3. It is thought that the above is due to a misunderstanding and that Middle East Authorities are not perfectly aware of the circumstances which placed these men in their hands. In fact it cannot be understood why they are treated as P.O.W. and why P.O.W. procedure is necessary for their repatriation, when many others who were in Greece, in German or Greek Camps, were taken direct to Italy and set free without any formalities.

M.S.C. is requested to place these facts before Middle East Authorities to obtain the repatriation of these men - many of whom fought bravely alongside the British at Leros - as soon as possible.

ARGOMENTO: Personale della R. Marina sfuggito da Lero e Rodi.

Riferimento foglio NSO/2198 del 20 Aprile 1945.

1. Le norme inviate in allegato al foglio in riferimento erano già a conoscenza di questo Ministero perché comunicate dall'Alto Commissario per i Prigionieri di Guerra; e ad esse questo Ministero si è attenuto e si atterrà per richiedere il rimpatrio dei suoi prigionieri di guerra necessari per il servizio della R. Marina.

Soltanto si fa osservare che esse riguardano il rimpatrio dei prigionieri di guerra mentre il personale fuggito da Lero e Rodi non può in alcun modo essere considerato tale.

2. Questo personale, infatti, dopo aver combattuto contro i Tedeschi dopo l'8 Settembre 1943, è riuscito a riparare in Turchia a raggiungere le coste siriane con il fermo proposito di sottrarsi alla cattura e di riprendere in altra zona la lotta dovuta interrompere in seguito all'occupazione germanica delle isole dell'Egeo. In Turchia, di fronte al dilemma di rimpatriare nell'Italia Settentrionale attraverso la Bulgaria oppure di essere consegnato in mani inglesi, ha liberamente scelto la seconda soluzione con la speranza di poter contribuire alla vittoria alleata riprendendo il suo posto nella R. Marina. Invece in Egitto è stato considerato alla stregua dei prigionieri di guerra, rinchiuso in un campo, matricolato e tenuto inoperoso nonostante le numerose domande per essere impiegato.

3. Si ha ragione di ritenere che quanto sopra sia dovuto ad un malinteso e che le Autorità del Medio Oriente non siano state esattamente informate sulle vicende che hanno portato questi uomini nelle loro mani. Infatti non si capisce perché essi siano stati tratti tenuti come prigionieri e perché per ottenere il loro rimpatrio sia necessario svolgere le pratiche richieste per i prigionieri, quando invece molti altri che erano in Grecia, nei campi tedeschi

Si prega codesta S. Sarà così posto fine a un trattamento per loro particolarmente doloroso perché ingiusto e assolutamente imprevedibile.

Prot. N° B 2300 Allegati

ARGOMENTO: Ufficiali sfuggiti da Lero e Rodi.

1. Prosecuzione foglio 1018/FO in data 25 Novembre 1944.
2. Il 20 Febbraio 1945 rientravano in Italia i seguenti Ufficiali unitamente ad otto militari appartenenti all'equipaggio del C.T. "CRISPI", elencati nella nota acclusa al foglio sopra citato ed internati in Egitto nel campo di concentramento No.310:

- S.Tenente di Vasc. PASSANISI Oreste
- S.Tenente di Vasc. SALVI Domenico
- Ten.Colonn.Commiss.SCOLOZZI Felice
- Capitano Commiss. RINALDI Osvaldo
- S.Tenente di Porto LO CASCIO Carmelo.

Per tale provvedimento questo Ministero é particolarmente grato alle Autorità Alleate, essendo stati così riconosciuti implicitamente quali cooperatori militari italiani i quali, sfuggiti dalla Grecia e dalle Isole dell'Egeo per sottrarsi ai tedeschi, passarono in Turchia da dove, dopo un periodo di internamento, ottennero di essere liberati per cooperare alla guerra contro la Germania ed inviati prima in Siria o Palestina e successivamente al campo di concentramento in Egitto, quali rifugiati, con trattamento di prigionieri di guerra.

3. Nei campi dell'Egitto restano ancora i sottonotati Ufficiali oltre ad una ottantina tra sottufficiali, sottocapi e comuni reduci da Lero e Rodi, di cui 22 nel campo No.309, e ad un forte nucleo di alcune centinaia di militari della R.Marina :

- | | | | |
|----------------------|------------------|-----------|-----------|
| - Guardiamarina | NARDI Ranieri | No.248407 | Campo 305 |
| - Tenente Commiss. | SCROFANA Rosario | " 12158 | " " |
| - Tenente CREM | VOLLARO Emilio | " 248628 | " " |
| - S.Tenente G.N.(DM) | CARNEVALE Mario | " 248406 | " " |
| - S.Tenente Vasc. | LUCCHINI Tullio | " | " 304 |

Tutti questi militari si trovano nelle stesse condizioni di quelli che le competenti Autorità Alleate hanno rilasciato e, pertanto, questo Ministero prega vivamente codesto F.O.L.I. affinché, per equità di trattamento, venga disposto che essi, come già i loro compagni, siano fatti rientrare in Italia non appena possibile.

4. Con l'occasione si prega codesto F.O.L.I. di voler interessare le competenti Autorità Alleate per sapere la sorte toccata ad altri due Ufficiali che dall'Addetto Navale Italiano in Turchia furono segnalati come partiti dalla Turchia per la Siria e dei quali non si sono più avute notizie :

- Guardiamarina di C° VALENTINI Dario, già in Grecia, partito dalla Turchia per la Siria a fine Gennaio 1944.
- S.Tenente Commiss. TOZZI Nicola, già a Lero, partito dalla Turchia per la Siria il 15 Maggio 1944.

Anche per questi due Ufficiali, se rintracciati, si sollecita il cortese interessamento di codesto F.O.L.I. perché siano inviati in Italia, trovandosi anch'essi nelle stesse condizioni dei militari già rimpatriati.

Subject: Repatriation of seamen and I.R.N. ratings who fled to Spain from France.

Interned in the Miranda de Ebro concentration camp in Spain there are several I.R.N. ratings who, formerly prisoners of the Germans in France, fled from the concentration camps in which the French Authorities had confined them after the liberation of France and, having succeeded in crossing the frontier in the Pyreneas, took refuge in Spain.

Notwithstanding the fact that the Spanish authorities are prepared to release them, it is impossible to provide for their repatriation owing to the lack of an Allied visa for passage through Gibraltar.

While this long stay is proving detrimental to these ratings in the Miranda de Ebro camp from the standpoint of morale, particularly at this time when the repatriation of prisoners has begun, it also constitutes a serious financial burden to the Government.

In view of the above the Public Security Sub-Commission is requested to take the requisite steps in order that a permit may be granted for the ratings concerned to return to Italy.

ARGOMENTO: Rimpatrio militari R. Marina e marittimi rifugiati in Spagna provenienti dalla Francia.

Si trovano in Spagna, internati nel campo di concentramento di Miranda de Ebro, alcuni militari della R. Marina i quali, già prigionieri dei tedeschi in Francia, sono fuggiti dai campi di concentramento nei quali le Autorità francesi li hanno rinchiusi dopo la liberazione della Francia, e, riusciti a varcare la frontiera dei Pirinei, si sono rifugiati in Spagna.

Nonostante che le Autorità spagnole siano disposte a rilasciarli, non è possibile provvedere al loro rimpatrio per la mancanza del visto alleato di transito da Gibilterra.

Mentre dal punto di vista morale la lunga permanenza di questi militari nel campo di Miranda de Ebro si rivela molto deprimente specie ora che si sono iniziati i rimpatri di tutti i prigionieri, essa costituisce anche un grave onere economico per il Governo.

Per queste considerazioni si prega codesta Sottocommissione di voler svolgere gli opportuni passi affinché sia concesso il ~~che~~ nulla osta al rientro in Italia dei militari in questione.

Si allega l'elenco degli internati della R. Marina completo di dati.

Lt. SCLAVERANO Carlo Alberto (Naval Engineer) of Pietro, born in Rome on August 5th, 1920

corps/

In September 1943, he was doing service in the Monfalcone navy yards. Taken by the Germans, he was interned as P.O.W. at PRZEMSL (Poland) and then transferred to other concentration camps in Germany.

After several months he was repatriated on the condition that he would go on working in the Trieste navy yards - then he was sent to Pola. Being an expert of assault means, he escaped from Pola in a submarine (a small sized one and with a crew of a few men only).

He reached Ancona to surrender to the Allied Authorities, who sent him to Bari where he was put on a ship staying in the harbour.

Up to that time, he was treated well and with great consideration.

He was then sent to the following address where he is still:

Lt. (Naval Engineer) SCLAVERANO Carlo Alberto
209 P.O.W. Camp
T. 103936 NAPLES (Italy)

in the village of ATRACOLA.

It is necessary to ask for his liberation, to enable him to finish his studies for he ought soon to be giving examinations to become a Naval Engineer.

Lt. G.M. Sclaverano was the first of 1/4 pupils when he left the Naval Academy in 1942.

It must be remembered that he handed over to the Allied Authorities L. 30.000 and field glasses that belonged to him

Naval Officer (BONOCARACIOSO).

TO : Headquarters Allied Commission, APO 394.
(Navy Sub Commission).

1. It is understood that the above named, an ex-resident in Tripoli who has a house there, applied some time ago for permission to return (permanently) to Tripoli. He is an Italian Naval Officer, and it is understood that the Italian Navy would release him from service (he is a re-called officer) if he were to be permitted to go back to Tripoli.

2. The above information was a telephonic enquiry from a Naval Officer to G-2 Section, who have passed it to this Section, but we have no knowledge of the case.

3. It will be appreciated that this Headquarters cannot affect the repatriation of serving Italian Naval personnel, but if and when this individual is released from the Italian Navy the question of his repatriation should be taken up with Displaced Persons and Refugees Sub Commission (Italian Section).

2. Subject to your concurrence it is proposed to agree
that the policy in paragraph 1 should also be made applicable to

3. With regard to paragraphs 4 and 5 of the enclosure, the
Italian Naval Mission should not make application for release of
prisoners of war. MED.45/694/1/20 dated 12th February and the
Flag Officer Taranto, Adriatic and Liaison Italy (Rome)'s L.18/27
dated 1st March, the substance of which was passed to G-1(Br) on

stop this practice.

Subject Requests for release of Italian Naval Personnel for service in
the Italian Navy

No.	From	To	Date	
1	G-1(Br)	Cinc Med	4 June 1945	1. On 7 May 45 this Headquarters informed Allied Commission (MMIA) that it was anticipated that the conclusion of the war in ITALY would make available a sufficient number of suitable Italian personnel for enlistment into the Italian Army and that it had been decided therefore that repatriation of PW volunteers asked for by the Italian Ministry of War from PW camps outside ITALY would not in future take place in advance of any plans for general repatriation. 2. The tendency is to reduce the size of the Italian Army and it was considered that repatriation of PW nominated by them was a waste of effort and shipping space. 3. This policy was agreed to by Allied Commission. 4. It is felt that the same policy should be made applicable to PW whose repatriation is requested by the Italian Naval Mission, and that no further requests from them should be entertained for the same reasons as stated in para 1 and 2 above. 5. Your views on this would be appreciated and if you are in agreement, will you please issue the necessary instructions to the Italian Naval Mission? (Signed) A.S. BARSDORF Lieut. 2. It is observed with reference to paragraph 2 that the British Naval Liaison Officer with the Italian Naval Mission attached to the Commander-in-Chief, Mediterranean, has neither made nor supported any requests for release since the decision of Allied Force Headquarters to authorise no releases without the prior approval of Headquarters Allied Commission.

3. With reference to paragraph 5, the British Naval Liaison Officer has no means of confirming the need for releases, other than the assurance of the Italian Naval Mission. This in any case would appear to contravene the new procedure.

SUBJECT: Release of Italian Naval Personnel.

No.	From	To	Date	
1	G-1(B)	C-in-C Med.	2 Feb 45	1. The Italian Naval Authorities are continually forwarding long lists of Italian Naval personnel held PW in various parts of the world, whom they desire to have released. The latest list contains 107 names. 2. The reason given for such release is usually stated to be re-employment within the Italian Navy. In some but not all cases the release has the backing of the British Naval Liaison, Officer. 3. Such lists nearly always contain a high proportion of officers, many of whom are also Senior officers. Some prove to be well known Fascists. Wherever possible, the releases asked have in the past been agreed. 4. We would be grateful for your assistance with a view to ascertaining : (a) Whether all the officers and men demanded are really needed for employment in the Italian Navy. (b) What are the approximate total numbers of:- (i) Officers by Ranks. (ii) Petty Officers. (iii) Ratings likely to be required within the next 6 months. 5. Would it help if no release was considered which has not the blessing of the British Naval Liaison Officer ?

HIGH COMMISSIONER FOR PRISONERS OF WAR

26 December 1944

Military Office
N.16138 di prot.

To the A.C. ROME

Subject: Navy P.W. Necessary to the Italian Naval Forces.

The Ministry of the Navy has represented to the Stato Maggiore Generale Italiano the serious difficulty it finds itself in owing to the shortage of idoneous personnel which they need now that the Navy is being reconstructed in order to fight the Germans.

The Ministry points out that a good number of the repatriated Senior Officers are physically unfit and only able to do service after having cured themselves thoroughly.

On the other hand the young officers which are needed badly for over sea - service, are very scarce.

For that reason the Ministry for the Navy transmits, previous authorisation of the Stato Maggiore Generale, the enclosed list of the personnel requested.

1. The present procedure, under which application come from several sources, has proved unsatisfactory for the following reasons:-
 - (a) Where the prisoner of war's services are requested by more than one authority, it is difficult to assess which request should have priority.
 - (b) There have been allegations that prisoners of war released are not being employed on the tasks for which their release was requested.
 - (c) Requests are not reaching this headquarters from private industrial concerns in ITALY.
2. It has therefore been decided that no releases will be authorised by this Headquarters unless they have your prior approval.
3. Those requests coming from the Italian Naval Mission in ALGIERS may be regarded as somewhat exceptional, as they are often required to provide at short notice seamen to complete crews on ships working for the British Ministry of War Transport. A pool of suitable approved personnel is retained for release to them at short notice. Nominal rolls in duplicate of all such personnel will therefore be submitted to this headquarters: one copy will be forwarded to you for prior approval. They will show besides name, rank and number of each man, whose release is requested, particulars of trade qualifications and the job he is required to fill. To prevent any interruption in the present system of releases for urgent requirements at short notice, all such releases taking place within one calendar month from the date of this directive will be authorised without your prior concurrence, but nominal rolls submitted will be forwarded for your information.
