During ensueing weeks learnt BALDI had deserted Italian Navy claiming British (Scottish) nationality. That being employed by Allied Forces he stated he was exempt from charge of desertion. This was accepted as no apparent effort made to apprehend him.
(b) Suspicions aroused by receipt of old notification that he was a deserter and regulations on subject. By his apparent failure to obtain a civilian ration card andheresay suspicious regarding his integrety. He was warned about 6 April 45. that untruths would not be tolerated in this unit.
(c) 10 April 45. Reported BALDI had knocked down and assaulted a civilian and had disappeared. C.M.P.'s informed details and given letter re-desertion.
(d) Efforts to contact BALDI failed from that time until apprehended by the Carabinieri about 26 April 45.
(e) BALDI charged before Allied Commission Court in Terni about 28 April 45 on charges of:-
(i) Desertion from Italian Navy. (i) Judge said he would inform Navy Sub Commission of action taken.
(ii) Assault. (Holding Charge). (ii) Remanded for Civil Court.
(f) Your NSC/1800/26 dated Nil received end of April 45. Copy sent to Allied Commission Terni requesting they inform you direct re-action taken.
(g) Discovered Provincial and all Allied Commission had suddenly left Terni on 6 May 45. so copy of your letter sent to Comando Gruppo CC.RR. Terni on 7 May 45. with request they inform you direct action taken.

(i) As all efforts to contact BALDI between 18 and 29 May 45. had failed CC.RR. reported the matter to this office.

4. Fact that this office was not informed that the case which affected one of our employees was being heard nor were our witnesses called although they saw the results of the assault which occured on requisitioned premises cannot be understood.

5. Further why BALDI was ordered to be released in spite of the charge of desertion outstanding against him is a question best answered by the Pretore who ordered his release.

Dear Sir:

I am writing you in regards to my son who is now serving twenty years in prison for deserting the Italian marines. As you probably know he can only write certain things. He deserted the marines when the allies invaded Sicily. My son joined the marines at the age of seventeen. He is still a youngster and I feel that he is being treated unjustly. I would appreciate it very much if you could have the proper American military authorities look into this matter. I only have one son and I am getting old. His mother is taking this very hard. I would at least like to know the true facts of the case. I don't think my son would do a thing like that without a very good reason, so I beg of you to see what can be done. He was sentenced in the tribunals of Taranto.

Yours sincerely,

/s/ PELUSO GIUSEPPE.

Secondo quanto viene riferito, il GIGANTE, il quale prima dell'8 settembre 1943 era impiegato in qualità di operatore cinematografico presso la X^ Flottiglia M.A.S., in seguito all'armistizio, per evitare la cattura da parte dei tedeschi, si sarebbe dato alla macchia portando seco un apparecchio da presa di proprietà della R.Marina.

Nel dicembre 1944 il GIGANTE per portarsi nell'Italia liberata avrebbe attraversato le linee, senonchè giunto nelle retrovie alleate sarebbe stato fermato perchè in possesso della macchina cinematografica.
