APO 394.

Reference NSC/1800/38 dated 15 May 45.

The man referred to - 2nd. Chief Volunteer D'ANNA Giovanni - was granted indefinite leave without pay by the Italian Naval Command, MESSINA, with effect from 3 November 1944, and is in possession of a certificate to that effect.

He states that he escaped from GENOA in September 1943 and reached MESSINA in November 1943. He reported to Italian Navy H.Q. in November 1944.

He is in possession of a Certificate of Exemption from Military Service, granted by H.Q., 204 Sub Area, dated 31 Jan. 45, and stated to be valid for 6 months, by virtue of his being employed as a tradesman with this Establishment. He has been employed in these Workshops since December 1943 as an Armourer. Italian H.Q. have written requesting his release, but this was not granted in view of the scarcity of good armourers.

He is doing very useful work and it would be appreciated if matters could be left as at present.

SUBJECT: Alleged Deserter from Italian Navy.

TO : Hq Allied Commission, Navy Sub-Commission, APO 394. Att: Lt Comdr Bahlmann.

1. Mr. Philip Simone, representing Mr. Ubaldo Montalbano, director of Italian Truck Pool #1, Foggia, came to this office recently with a letter from you (File No. NSC/1800/92) stating that Berardino Mastrodato, No. 78185, Class 1922, a stoker in the Italian Navy, was wanted as a deserter, and requesting that Mastrodato, if employed by the Truck Pool, be turned over to Italian authorities.

2. The letter was addressed to the Commanding Officer of Truck Pool #1, and since there has been no military officer connected with the Pool for some time, Mr. Montalbano wished to consult a local military authority as to the proper procedure, and for that reason sought the advice of the undersigned.

3. The undersigned advised Mr. Montalbano to proceed as he saw fit and as though the letter were addressed to him, suggesting that the Italian authorities be the Foggia office of the Reale Carabinieri, who should know what procedure to follow. The undersigned also said he would advise you of the situation.

4. Mr. Simone stated that Mastrodato was one of their best and most dependable drivers, and that such drivers are not easy to find. He further stated that he believed Mastrodato's case to be only one of thousands of similar cases in which the charge of desertion could be only technical because of the circumstances under which separation from military service took place.

5. The undersigned has been told by other U.S. officers in this area of similar cases in each of which a request has been made by the responsible U.S. officer that the charge of desertion not be pressed because of the circumstances and because of the subject's good service and behavior as an employee of an Allied unit; and that such requests have been honored.

6. If this is so, the undersigned hereby desires to make such request. He has dealt with Mr. Montalbano on several occasions and believes him to be an earnest and sincere person who is endeavoring to make such equipment as he has last as long as possible in order to give the maximum benefit in the distribution of necessities to the Province he is serving. Finding drivers who can be trusted not to maltreat the vehicles has been one of his greatest difficulties.

7. It should be added that Mr. Montalbano further stated that Mastrodato Himself consulted the local Carabinieri about two or three months ago, and that he was told then to do nothing until he heard from them. This would indicate that he is not a deserter in quite the ordinary sense of the word.

Enclosure: (A) Copy of ltr. 22/1 from Lampedusa C.C.R.R. Station to Pantelleria C.C.R.R. dated 8 February 1945.

1. The Navy Sub-Commission has received the following information concerning the above mentioned seaman:

(a) Gunner BRIGNONE, Vincenzo states he left Fiume on 8th of September 1943 and reported shortly thereafter to the Italian Naval Command, Taranto, who granted him a period of leave to visit Palermo.

(b) Apparently, when he applied to the Allied Command, Palermo for means to return to Taranto, the latter treated him as a prisoner of war and sent him on parole to his home in Lampedusa.

(c) He is in possession of a Parole Form No. 27040, dated 12 January 1944, signed at Palermo on behalf of the Provost Marshal.

(d) He is reputed to be the only competent carpenter on the Island of Lampedusa and his services in the repair of fishing vessels are invaluable.

(e) The local Italian Naval Commander has made strong representations to the Civil Affairs Officer, Lampedusa, that Gunner BRIGNONE be left to continue his work. Also, see enclosure (A).

2. In view of the above, the Navy Sub-Commission has concurred with the request of the Civil Affairs Officer, AMG, that Gunner BRIGNONE be allowed to carry out his present work and it is, therefore, requested that you will assign him for duties at Lampedusa.

GOVERNO MILITARE ALLEATO
LAMPEDUSA

12 JULY 1945

Oggetto: Gunner BRIGNONE ~~XXX~~ Vincenzo,
Alleged deserter from the Italian Navy.

Al: Navy Sub-Commission, Hq Allied Commission

Ref N.S.C./1800/35

The above individual, Gunner Brignone Vincenzo, Class 1920 No 9230, is at present resident on this island. At my command, he was apprehended by the local Italian Naval Command and brought before me. He produced a Parole Form No 27040 dated 12.1.44 & signed at Palermo by 2nd Lieutenant S.S. Tortorella, Q.M.C. U.S.Army on behalf of the Provost Marshal. He alleges that he left Fiume 8th September 43 and shortly afterwards reported to the Italian Naval Command, Taranto who granted him a period of leave to visit Palermo. Apparently when he applied to the Allied Command Palermo for means to return to Taranto, instead of sending him back, they treated him as a prisoner of war and sent him on parole to his home in Lampadusa.

Brignone is the only competent carpenter on this island, whose sole industry is fishing. Consequently during the last 18 months, his work has been invaluable and the local Italian Naval Commander has made very strong representations to me that Brignone should not be sent away but left to continue his work here. There appears also to have been some correspondance about him at the beginning of this year when my predecessor Major Angus Watts was C.A.O. I am enclosing a copy of this correspondence.

In view of the above facts I propose retaining Gunner Brignone here unless I receive instructions to the contrary from the Naval Sub-Commission.

I regret to say that I cannot find a copy of AFHQ Restricted Administrative Memorandum No 10 of 20 Feb 45 and would be grateful to be sent a copy.

Hoping that you are in accord with the action taken

Signed
Captain C.A.G. Moore.

SANTAMARIA, Pietro, S. No.57477, 1924 Cl, prior to taking any further action with the Italian Ministry of Marine. SANTAMARIA is a regular service volunteer for enlistment in the Italian Navy, as contrasted from personnel who are conscripted. Sir:

With reference to this Embassy's letter of June 26, 1945, it has now been ascertained that S. T. SANTAMARIA, PIETRO, S. No. 57477, 1924 Cl, is at present employed in the household of the American Ambassador as second cook, and his services in that capacity are of use to the Ambassador.

I might add that several months ago, when the question arose of the draft status of several servants in the Ambassador's employ, each person so affected was supplied with a document certifying to that employment, which was presented to the appropriate Italian official.

Very truly yours,

Gunner PALOMBI states that he was granted-leave of 15 days with effect from 20th December 1944, but having found his parents seriously ill and in need of assistance, as per attached documents, he found employment with Allied Authorities as a skilled workmen instead of returning to his Ship.

He pointed out that he was sailor on leave and he was assured that steps would be taken to obtain exemption for him. In the meantime, he was provided with a tumporary exemption which was withdrawn when he was apprehended.

S. No. 55760 Gunner(P.M) PALOMBI, Spartaco.

1. Further to my letter ref. 734/A/22 dated 21 June 45, it is thought that the following information should be noted in favour of the above named rating, in any action which may be taken in his case.

2. This workshop was originally under the control of 'Q' Mech. Eqpt. Wksp. & Park Coy, RE. from whom it was taken over by 734 Engr. Eqpt. Wksp, REME on 15 March 45. PALOMBI was employed as a Welder (Electric) on 1 Jan 45 in this workshop and continued as such until handed over to the Italian authorities on 21 June 45, in accordance with your letter ref. NSC/1800/57 dated 16 June 45.

3. According to his own statement, he applied for exemption from service with the Italian Navy on the grounds that he was engaged on essential work for the British Armed Forces. No record has been found of such exemption being granted in his case, but it is thought that his action is probably due to misunderstanding and not to a deliberate intention to desert.

In reply to letter 2586 of 6th inst.

1. The instructions issued to outlying Commands in connection with demobilizing the older Classes imposed an obligation to not discharge men working for Allied Authorities without previously arranging to replace same.

2. So that if men from Tugs TURBINE and MELORIA have absented themselves without being properly discharged they are guilty of desertion, nothwithstanding the general demobilization order of the Classes to which they belong, and as such are liable to punishment as fixed by law.

If, however, they have been released by their Commands without due observance of said instructions, steps will be taken against those responsible.

3. The matter is being investigated and we shall advise you later as to the measures taken.

ARGOMENTO: Smobilitazione di personale della R.Marina Italiana.-

Risposta al foglio 2586 del 6 corrente.-

1.- Nelle disposizioni impartite per il congedamento delle classi anziane è stato fatto obbligo ai Comandi periferici di non rinviare dalle armi il personale in tali condizioni che fosse comunque al servizio delle Autorità Alleate senza aver preventivamente provveduto a sostituirlo.-

2.- Comunque, se i militari dei rimorchiatori Turbine e Meloria si sono allontanati senza essere stati regolarmente messi in congedo dal Centro R.Marina di Livorno essi sono colpevoli di diserzione indipendentemente dall'ordine generale di congedamento della classe alla quale appartengono, e come tali saranno perseguiti a termini di legge.

Se risulteranno invece congedati da detta Autorità senza tener conto delle predette disposizioni, saranno presi provvedimenti a carico dei responsabili di tale trasgressione.

Subject: Demobilisation Italian Royal Naval personnel.

1. As a result of a directive, understood to have been issued by the Ministry of Marine to all Italian Naval Authorities, to the effect that certain naval personnel of the classes below 1919 were to be discharged forthwith, some members of the crews of the tugs TURBINE and MELORIA in Leghorn abandoned their ships and could not be located.

2. The Naval Officer-in-Charge, Leghorn advises that his Italian Naval Liaison offices contacted MARIDEPART, Naples to obtain reliefs. In the meantime, these two essential tugs cannot be manned and operated.

3. It is presumed that provision would have been made in the directive referred to regarding the supply of reliefs and it is therefore requested that a report be forwarded on the disciplinary action it is intended to take against the personnel responsible for this incident.
