From : Navy Sub Commission, Hq., Allied Commission.
To : Le Capitaine de Vaisseau MOULING,
French Representative to the Allied Commission.

Subject: Fire-bricks for boilers of French Destroyer of "Tigre" Class.

With reference to your letter No. 2762 dated 3rd January, 1946, the matter was referred to the Italian Ministry of Marine who have now communicated that after exhaustive enquiries and a thorough investigation of the matter, no trace of any of the fire-bricks for boilers of a French "Tigre" class destroyer can be found in Italian Navy Establishments and Depots.

2. Information has also been received to the effect that a reply in the above sense had also been made direct to the French Representative to the Allied Commission on 31st January, 1946. The Italian Ministry of Marine have been informed that all correspondence with the French Representative to the Allied Commission should in future be conducted through the Navy Sub Commission, Allied Commission.
