Subject : Allied Medical Supplies to Italian Royal Navy.

With reference to the Ministry of Marine's letter SM.27893 dated 14th December, 1945, it is regretted that the proposal in paragraph 2 of the Ministry of Marine's letter cannot be approved observing that a communication has been received from the Land Forces Sub Commission, Allied Commission (M.M.L.A.) to the effect that the provisioning of medical stores for the Italian Royal Navy and Italian Royal Air Force, will continue to be the responsibility of the Direzione Generale di Sanita' Militare, Ministry of War, as heretofore.

2. The Ministry of Marine is informed furthermore, that the medical requirements of the Italian armed Forces are no longer submitted to Land Forces Sub Commission, Allied Commission (M.M.L.A.) since the latter have turned over all the responsibility for supply to the Ministry of War.
