Reference conversation Hall - Rayner, will you please mark "RN" all vessels on the attached schedules (deliveries of Gas Oil on British Account - February/December 1946) which were to either Royal Naval vessels or to vessels which were a Royal Naval responsibility for fuelling. The only copy of these schedules received is being forwarded, and as a considerable amount of work in segregating these issues has already been done, will you please take special care to ensure that they are not lost.

Subject : Issues of Gasoil to British Units.

To : CHQ, CMF,
S.T. Directorate,
P. a. d. u. a.

1. Reference your letter of the 9th May last, we are attaching hereto 11 breakdowns relative to the monthly issues of Gasoil effected to British Units during the period 1st February-31st December 1946.

2. As you will observe from these breakdowns, some of the issues were made with our products which were never replaced at the closing of the monthly accounts. The issues in question are as follows :

-April 1946.	Issued at Bari	bbls.	606	
-May "	" " "	"	412	
-June "	" " "	"	268	
-July "	" " "	"	177	
-October "	" " "	"	93	
Total		bbls.	1,556	533

3. These issues were effected for ships bunkers, which were at the time administered by M.W.F., and should have been debited to British stocks. As, however, this was not done at the time, we should be obliged if you would kindly arrange for the replacement of the quantity in question as soon as possible, so as to definitely settle this matter at the closing of July accounts.
