Enclosure: (A) Form S.-549 dated 31st October 1944.

1. Enclosure (A) has been forwarded to the Italian Ministry of Marine for signature, but in reply, this Section has been informed that issues could not have been made to the Italian Ship ERITREA as she passed through the Suez Canal on the 15th/16th October 1944 and arrived at Taranto on the 23rd October where she remained throughout November.

2. The name of the ship had been amended to read "ERITREA" prior to forwarding the form to the Ministry of Marine, observing that there is no Italian ship in existence which bears the name of "ETHEOPIA" and "ERITREA" appeared to be the only other alternative.

3. It is requested therefore, that a check be made on the date of issue and the name of the ship, in order that the required signature may be obtained from the appropriate Italian Naval authority.

Further to letter No.109971, dated 31st December, 1946, and with reference to your request No.15C/5782, Enclosure (B), we are communicating the following, regarding the I.S. ERITREA.

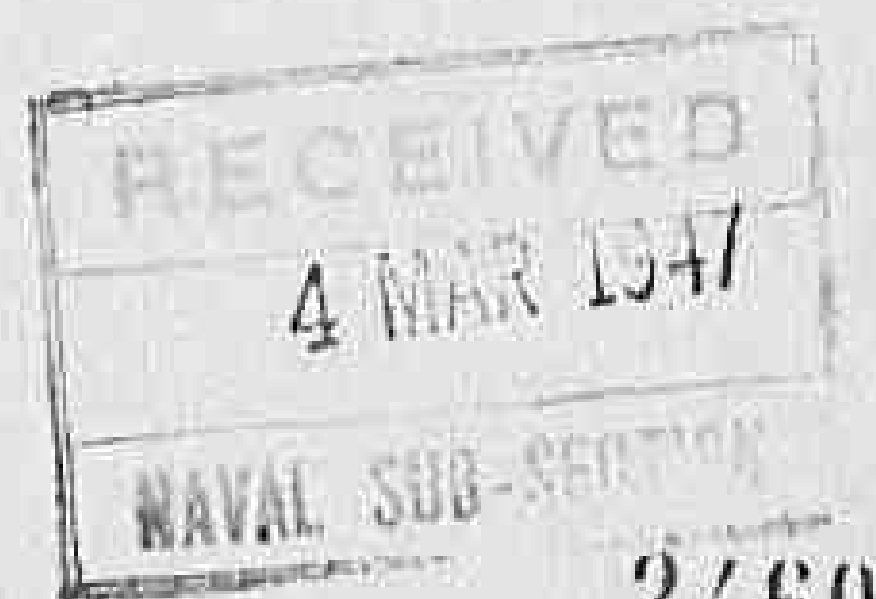

The Ministry of Defence (Navy) understands that the I.S. ERITREA passed through the Suez Canal Zone on the 15th and 16th October, 1944, arrived at Taranto on the 23rd of the same month and remained there throughout November.

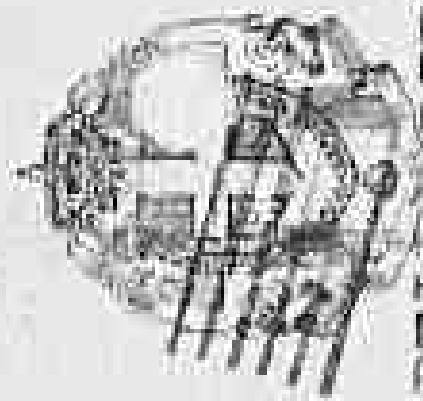

You are therefore requested to ask the supplying base to confirm the provisions in enclosure (B) which is returned, as the ship could not have been supplied at the end of October, 1944, in the Canal Zone.
