Subject: Clothing for patriots

I have noted in the paper that you are setting up a committee for the collection of clothing new and old for patriots. As I am at present acting in the capacity of Patriot Officer for the City of Florence and have had considerable dealings with these men and I have in fact advertised for clothing for them myself, I shall be glad to discuss the formation of this committee with you and I shall be glad if you will make arrangements for a representative to call on me at your convenience.

Soggetto: Indumenti per Patrioti.

Ho notato nel giornale che stiate iniziando un comitato per la raccolta di indumenti, vecchi e nuovi, per patrioti. Dato che attualmente ho io la mansione di Ufficiale per Patrioti di Firenze ed ho avuto molto contatto con questi uomini ed io stesso in fatti ho pubblicato un avviso per indumenti per loro e quindi sarei lieto discutere la formazione di questo comitato con Voi e attendo un Vostro rappresentante appena possibile.

Mi è stato presentato un quesito riguardante il trattamento economico a favore delle famiglie dei Patrioti caduti per la liberazione dell'Italia ed e vantaggio dello sforzo bellico Alleato.

Il coraggio dei Patrioti Italiani tanto di quelli che sono finora passati nelle nostre linee durante l'avanzata delle Armate Alleate in Italia, quanto di quelli che più a nord stanno combattendo con risolutezza e bravura, è per gli Alleati simbolo dell'amore per la libertà e degli ideali democratici delle Nazioni Unite.

La concessione della pensione, pari a quella spettante ai congiunti dei militari delle Forze Armate Italiane, è una questione importante.

Sarei grato se Lei vorrà suggerire agli organi competenti del Governo Italiano l'opportunità di prendere i provvedimenti del caso in questo senso.
