2. New Organization - HQ ACC.

1676

Appendix "A" to this Order gives the new organization in outline, and Appendix "B" the detailed breakdown of the Regional Control and Military Government Section. The new organization will be put into operation forthwith to the extent possible - full implementation will have to await final completion of moves from Brindisi to Salerno and the absorption of Regimental Headquarters (see paragraph 3 below). The main changes are as follows:

.....a. The Military...

- 2 -

- a. The Military Section as such, is abolished.
- b. The Communication Section is abolished, the Internal Transportation & Shipping Sub-Commissions being transferred to the Economic Section, and the Telecommunications and Posts Sub-Commission becoming independent (see c. and c. below).

- d. The Industrial Planning Branch is abolished, its functions being taken over by Headquarters Economic Section.
- e. A Regional Control and Military Government Section is introduced, under which comes the Civil Affairs Branch (formerly the department of the D.C. of S. (O & SI)), the Establishment Branch (Executive Officers), the Displaced Persons Sub-Commission, a new Italian Refugees Branch and the Security Branch. (See Memorandum to all concerned, dated 31 January 1944, referred to in paragraph 1. a. (8) above. It is emphasized that all liaison and contact with HQ MCE and outside military formations is the responsibility of, and will be carried out through this Section.
- f. The Independent Sub-Commissions as shown in Appendix "A" will deal direct with the Chief or Deputy Chief Commissioner. The heads of the Political Section are styled Joint-Directors, and the Section has no dependent Sub-Commissions.

- (4) Deputy Adjutant and Staff, including a detachment of the pool of Interpreters and Translators.

....d. The following....

d. The following Economic Sub-Commissions stationed at Main Headquarters will maintain permanent detachments at Rear Headquarters for Liaison duties with the Italian Government, but with the exception of the Finance Sub-Commission detachment, they will have no operating functions. They will not (again excepting Finance) issue or receive correspondence or maintain files (see paragraph 7), though they will be included in the distribution of routine orders :-

- (1) Agriculture.
- (2) Industry & Commerce.
- (3) Public Works.
- (4) Labor.
- (5) Finance.

e. Reference to (1) and (2) above.

(1) The Legal and Telecommunications Sub-Commissions will maintain small detachments at Main Headquarters but they will not be operating detachments for the purposes of issue and receipt of correspondence, nor need they normally be included in distribution lists except for routine orders.

(2) The Public Health Sub-Commission will maintain a detachment at Main Headquarters. This will be an operating detachment and will issue and receive correspondence. Copies of all orders and correspondence to the Public Health Sub-Commission will therefore be sent to its Naples Detachment.

f. An office will be available in the Post Office Building for visiting officers of Sub-Commissions located at Rear Headquarters.

g. An office will similarly be available at Main Headquarters for the Archivist.

4. Functions of the Secretary-General.

The Secretary-General is the personal Secretary of the Chief Commissioner. He is not the Secretary of the Commission. He will keep no active office files - only such personal files as may be required by the Chief Commissioner. He will ensure that papers from Sections, etc. for the Chief Commissioner's signature or information are presented in proper form. He will ensure that a copy of letters or cables initiated by the Chief Commissioner are passed to the Section or Branch principally concerned, so that a file copy may be kept and any necessary internal distribution made. Independent Sub-Commissions will deal direct with the Chief or Deputy Chief Commissioner in the former case through the Secretary-General.

5. Adjutant's Department.

Under the procedure prescribed in paragraphs 3. and 5., the former AG's responsibilities will be limited in general to the reception, distribution and dispatch of correspondence and cables, the operation of the Post Office and the issue of routine orders of certain types. The Adjutant will have no responsibility for personnel and will only maintain files pertaining to his own department - not central files. His functions will be defined in more detail in the Office Order referred to in paragraph 7 below.

.....6. British Admin.....

6. British Administrative Headquarters and Headquarters, 2675th Regiment.

It will be observed that these Headquarters do not appear on the chart. The reason for this is that they will not operate as separate entities. Their functions will be absorbed by the Establishment Branch and the necessary personnel allotted to the G-1 and G-4 Sections. There will also be a 2675th Regiment Executive Officer. The Establishment Branch will therefore carry out Regimental as well as Staff functions. In the case of the 2675th Regiment, there are certain types of orders and correspondence which have to be issued over the signature or by order of the Regimental Commander, but this is simply a question of headings and form.

Liaison Detachment.

A Liaison detachment, HQ ACC, will be attached to HQ ACOMF. It will be known as "ACC Liaison, HQ ACOMF". Copies of all important correspondence will be sent to ACC Liaison and it will be included on all distribution lists.

7. Office Procedure.

A detailed Office Order is under preparation. Meanwhile, the following principles are here stated :-

a. The head of a Sub-Commission may correspond direct with the head of the corresponding division in Regions and JIG Armies but only on technical and routine matters affecting his Sub-Commission. All other correspondence to Regions and JIG will be carried out through the R.C.M.G. Section. Similarly, all correspondence from Regions addressed to HQ ACC will be referred to the appropriate Branch of the R.C.M.G. Section.

b. All other offices which maintain their own files (see c. below) may correspond direct, on their own subject, with other Sections, Branches, Sub-Commissions, etc., of HQ ACC. Correspondence with higher and parallel authorities will be through Headquarters of Sections or the Secretary-General as the case may be.

c. The following offices only of HQ ACC will maintain their own operative subject files :-

- (1) HQ Political Section.
- (2) HQ Economic Section.
- (3) HQ Administrative Section.
- (4) Civil Affairs Branch.
- (5) Italian Refugee Branch.
- (6) Security Branch.
- (7) G-1 (who will also maintain files for Establishment Branch for matters not strictly G-1 or G-4)
- (8) G-4.

- (10) Adjutant (see paragraph 5 above).
- (11) All Sub-Commissions, including Displaced Persons, and the Electric Power Mission.

7. Office Procedure.

A detailed Office Order is under preparation. Meanwhile, the following principles are here stated :-

Similarly, all correspondence from Regions addressed to HQ ACC will be referred to the appropriate Branch of the R.C.M.C. Section.

b. All other offices which maintain their own files (see c. below) may correspond direct, on their own subject, with other Sections, Branches, Sub-Commissions, etc., of HQ ACC. EXECUTIVE MEMORANDUM)

NUMBER 16)

SCOPE

1. This Memorandum is issued in amplification and modification of Executive Memorandum No. 2, dated 7 February 1944. All references are to Memorandum No. 2 unless otherwise stated.

ORGANIZATION

2. Routine Orders (para. 5)

- a. Travel orders are being dealt with in a separate Memorandum.
- b. The Hq A.C.C. Adjutant will, on the direction of G-1, issue orders for assignments and reassignments for personnel of both nationalities. In the case of American Officers this will be supplemented by a Regimental, and of British officers by an A.C.C. Routine Order.

3. Information Division (paras. 2, 3c (3), 7 and Appendix 7)

- a. An Information Division has been established under the Civil Affairs Branch of the R.C. and M.G. Section. Its functions and responsibilities are detailed in Appendix "A" hereto.
- b. The following amendments to Exec. Memo. No. 2 will be made as a result of the institution of the Information Division:
 - (1) Delete para. 3c (3). The Archivist and Librarian will in future be located at Main Hq, but an office will be at their disposal at Rear Hq also.
 - (2) Para. 7 (c). Between (4) and (5) insert "(4A). Information Division." The Information Division will maintain operative subject files.
 - (3) A new chart, Appendix "B" hereto, is issued in substitution of Appendix B to Memorandum No. 2. All copies of the latter Appendix will be destroyed.

OFFICE PROCEDURES, HQ A.C.C. (para. 7)

4. General

The instructions contained in the ensuing paragraph are issued pending the completion of the detailed Office Order referred to in paragraph 7 of Memorandum No. 2.

5. Initial Reference of Papers

- a. Incoming letters and cables will be referred for action only to the Sections, Sub-Commissions, Branches, etc. authorized to maintain files under paragraph 7c of Memorandum No. 2 as amended by para. 3b (2) above. This means that action copies of letters and cables will not be referred in the

1. This Memorandum is issued in amplification and modification of Executive Memorandum No. 2, dated 7 February 1944. All references are to Memorandum No. 2 unless otherwise stated.

ORGANIZATION

2. Routine Orders (para. 5)
 - a. Travel orders are being dealt with in a separate Memorandum.
 - b. The Hq A.C.C. Adjutant will, on the direction of G-1, issue orders for assignments and reassignments for personnel of both nationalities. In the case of American Officers this will be supplemented by a Regimental, and of British officers by an A.C.C. Routine Order.

3. Information Division (paras. 2, 3c (3), 7 and Appendix B)
 - a. An Information Division has been established under the Civil Affairs Branch of the R.C. and M.G. Section. Its functions and responsibilities are detailed in Appendix "A" hereto.
 - b. The following amendments to Exec. Memo. No. 2 will be made as a result of the institution of the Information Division:
 - (1) Delete para. 3c (3). The Archivist and Librarian will in future be located at Main Hq, but an office will be at their disposal at Rear Hq also.
 - (2) Para. 7 (c). Between (4) and (5) insert "(4A). Information Division." The Information Division will maintain operative subject files.
 - (3) A new chart, Appendix "B" hereto, is issued in substitution of Appendix B to Memorandum No. 2. All copies of the latter Appendix will be destroyed.

OFFICE PROCEDURE, HQ A.C.C. (para. 7)

4. General

The instructions contained in the ensuing paragraph are issued pending the completion of the detailed Office Order referred to in paragraph 7 of Memorandum No. 2.

5. Initial Reference of Papers

- a. Incoming letters and cables will be referred for action only to the Sections, Sub-Commissions, Branches, etc. authorized to maintain files under paragraph 7c of Memorandum No. 2 as amended by para. 3b (2) above. This means that action copies of letters and cables will not be referred in the first instance to RC and MG Section but to the Branch of that Section concerned. (See also Appendix "B" to Memorandum No. 2).
- b. Furthermore, in the case of the Establishment Branch, papers will not normally be referred direct to the Executive Officers but to G-1 or G-4 according to the subject matter.

c. Other Sections, Branches, etc. of the Commission addressing letters to the RC and MG Section will facilitate the execution of the above instructions if they will add after the Section address the appropriate Branch in parenthesis, e.g., "Executive Commissioner (CA Branch)" or "Executive Commissioner (G-1)."

d. The instructions contained in this paragraph are not intended to restrict the distribution of 'information copies' of cables or of routine orders - the intention is to insure that papers are dealt with in the first instance in the normal manner by the Branch concerned before being referred higher.

6. Executive Memoranda.

Executive Memoranda will only be issued by the RC and MG Section. They will be numbered serially and G-1 will be responsible for maintaining the series. Any branch of the RC and MG Section wishing to issue an Executive Memorandum will, therefore, obtain the correct number from G-1, to whom a copy of the memorandum when issued will invariably be sent.

7. Economy in Paper.

Supplies of paper are becoming increasingly difficult to obtain. Correspondence within Headquarters A.C.C. will therefore be conducted in original only. Two copies of a letter are not required. Paper will also be cut according to the length of the letter. There have been instances recently of letters consisting of one short paragraph typed on foolscap size paper. Further instructions for the conservation of paper have been issued by the Executive Commissioner in Memorandum dated 13 February 1944.

4. Channels for Recommendations and Reports.

- a. The normal chain of command will be followed, subject to paragraph 3 above, and to the remainder of this paragraph. It must be remembered ~~403~~ competence in M.S. matters is a question of rank and seniority, not of appointment.
- b. (1) All recommendations will be those of the Senior British Officer of the Region, etc., and will reach this Headquarters in consolidated form.

5. Initiation of Reports

- a. Regional Commissioners will issue orders as to which Officers are to initiate reports, and the channel to be followed within the Region. ESTABLISHMENT MEMORANDUM

NOTES

6

1. The general shortage of army drivers, both American and British, throughout ACO organizations will continue to increase as additional territory and activities come under control of ACO. Since it is the policy to maintain an Establishment of military drivers in the Forward Regions, (especially in ACO of the 5th and 8th Armies) Regions and units in the rear areas must solve the driver problem by the increased use of Italian (Sicilian) drivers. Steps have been taken by this Headquarters to obtain the services of an Italian Army unit of qualified drivers, but it will take time to recruit and train these drivers and the driver situation is becoming more acute each day.
2. You are, therefore, authorized to employ qualified Italian (Sicilian) civilian personnel to drive the government vehicles held on your charge.
3. The following procedure must be followed in the hiring of these drivers:
 - a. They must be carefully screened for political reliability.
 - b. Their credentials must be carefully examined for past experience and training.
 - c. They must be given instruction in driving and drivers' maintenance in accordance with regulations, American or British.
 - d. They must be tested as to driving ability and the knowledge of drivers' maintenance, and when they are found to be qualified, Driver's Licenses will be issued for the type of vehicle to which they are assigned, as required by American and British regulations.
 - e. In addition to the Driver's License, they must be in possession of an "Authorization to Drive" the particular vehicle to which they are assigned. (See form of authorization in appendix "A")
 - f. They will be thoroughly instructed in all regulations for the safeguarding from theft of vehicles and parts.
4. a. Pay for civilian drivers must be in conformity with scales
