CONFIDENTIAL.

Our O. 104 of 18 due to cipher error. Your PX 93720 cite FHGCT of 15. Recruitment of Patriots since last July is as follows:

1. War Ministry under MMIA instruction has been recruiting volunteers, patriot or otherwise, from all over ITALY as and when required to bring formations and units up to strength.

2. General CABORNA'S proposal to enlist 10,000 patriots from NW ITALY would partially be met by MMIA agreement to accept 4,000 for month of June and more if War Establishment of combat groups and Administrative Divisions permitted. Numbers of patriot volunteers, however, have in past fallen short of vacancies available and considered unlikely 4,000 suitable patriot volunteers will be found from NW ITALY for month of June.

SCAG AMG IV CORPS

G 5 5TH ARMY FOR ACTION. INFO: ALCOM (PATRIOT BR)

SECRET

Reference is made to message 8784 no authority granted by AMG in IV CORPS AREA for payment of 5,000 lire to Patriots. It is reported that payments of this amount have been made throughout LIGURIA and PIEDMONTE by CVL and CINAI but not through AMG.

It is claimed by General CADORNA's Hq that General CADORNA received authority while in ROME to increase payment to 5,000 lire but no documentary proof offered except copy of minutes of conference held between CADORNA and Govt which would seem to indicate that payment in this amount was contemplated.

Apparently the CVL/CINAI have borrowed the sums paid out from private sources on the promise it would be made good by the Italian Govt.

First knowledge this Hq of such payment, 30 May 1945 when LONGHI and representative of CADORNA came to HQ IV CORPS requesting that some 500 million lire be secured from a Colonel KING AFHQ to pay off Patriots. Knowing that funds had been advanced by AFHQ in past to LONGHI questioned to determine basis of this request which developed that it has to pay the estimated 100,000 Patriots in NORTH ITALY at the rate of 5,000 lire each. Further investigation before receipt of signal on 31 May developed information regarding LIGURIA and PIEDMONTE.

CADORNA requests that enlistment of volunteers into Italian Army and Police be implemented soonest. CADORNA recommends that ceiling of 10000 be fixed and that he be authorized to organize enlistment based on territorial HQ and Departments, with clothing, accumulated stores, rations and cadres from local Patriot and former Italian Army resources. Volunteers would be accepted as individuals and drafted as reinforcements to US-ITI and BR-ITI Units as required etcto commence on joining units. Doubtful how may would respond but above action would ease disbandment and disarmament."

Ref to para 15 of AME 3 ARMY letter file 109/3 of 25 December subject handling of Partisans. This provides Partisans before being accepted in Italian Army will be evacuated to Italian Army Military Hospitals for treatment and is contrary to par 13 of AFHQ letter 22 September file 45-400/108 D.O. Italian Army hospital facilities limited in forward areas to bare essential accommodation for effective troops and any such commitment will necessitate increase of IRI-ITI personnel and facilities including allocation of accommodations in buildings which is now very limited on account of Allied requirements. Also rations for such patients would be on IRI-ITI account which cannot stand the strain under present conditions. These people are civilians until absorbed in Italian Army and civilian hospitals should be made available for them as for normal refugees. This is not Italian Army responsibility.
